

Mimì Fiore Di Cactus E Il Suo Porcospino Come Difendersi Dagli Abusi

"Armed with wit, insight, and truly astonishing research, Falk utterly demolishes the notion of the enlightened guru who can lead devotees to nirvana.--John Horgan, author of "Rational Mysticism."

Il porcospino è alleato della piccola Mimì: con i suoi aculei la difende da indebite intrusioni nella sua sfera privata, specialmente da parte degli adulti. Non tutti gli adulti, infatti, sono buoni o affidabili, e i bambini hanno il dovere, oltre che il diritto, di rifiutare e segnalare con ogni mezzo proposte, gesti e atteggiamenti indesiderati da parte loro. Un buon "piano-porcospino" deve quindi prevedere tragitti sicuri, con punti di riferimento o riparo, confidenza con genitori e docenti o persone valide di riferimento, uso della voce per richiamare l'attenzione in caso di pericolo, valutazione delle situazioni. È una valida guida per bambini, in forma di libro illustrato. (A partire dagli 8 anni).

During the 1960s and 1970s, magazines became an important new site of artistic practice, functioning as an alternative exhibition space for the dematerialized practices of conceptual art. Allen looks at the most important of these magazines in their heyday and compiles an illustrated directory of hundreds of others.

Il teatro di prosa a Palermo

Gli ultimi due anni di vita di Vittorio e la conseguente morte di Momo. La loro scomparsa, dalla vita di tutti i giorni, lascia un vuoto implacabile ed incolmabile, che i propri familiari e Mirella (fidanzata dello Zio Vittorio) non riusciranno mai a superare. L'epistolare, in facebook, tra Mirella e Momo, il figlio del protagonista omonimo, è una specie di psicoanalisi, intrapresa fra i due, per tirare fuori il dolore e superarlo per sempre. Il risultato è affascinante, ma la cura non funziona, perché nei loro cuori rimarrà sempre la rabbia di non aver potuto gioire dei loro affetti più cari. Punti interrogativi. Perché la sorte si accanisce contro l'amore? Leggendo mi viene voglia di piangere e di strillare contro un destino ignobile e disumano, che aleggia intorno alla mia famiglia e alle famiglie di chi è perseguitato dal dolore.

This book will help those wishing to teach a course in technical writing, or who wish to write themselves.

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Sex, Violence, Abuse and Enlightenment

There is something about a shapeshifter—a person who can transform into an animal—that captures our imagination; that causes us to want to howl at the moon, or flit through the night like a bat. Werewolves, vampires, demons, and other weird creatures appeal to our animal nature, our "dark side," our desire to break free of the bonds of society and proper behavior. Real or imaginary, shapeshifters lurk deep in our psyches and remain formidable cultural icons. The myths, magic, and meaning surrounding shapeshifters are brought vividly to life in John B. Kachuba's compelling and original cultural history. Rituals in early cultures worldwide seemingly allowed shamans, sorcerers, witches, and wizards to transform at will into animals and back again. Today, there are millions of people who believe that shapeshifters walk among us and may even be world leaders.

Featuring a fantastic and ghoulish array of examples from history, literature, film, TV, and computer games, Shapeshifters explores our secret desire to become something other

than human.

A stunning guide to growing, harvesting, and arranging gorgeous dahlia blooms from celebrated farmer-florist and New York Times bestselling author Erin Benzakein, founder of Floret Flower Farm. World-renowned flower farmer and floral designer Erin Benzakein reveals all the secrets to growing, cultivating, and arranging gorgeous dahlias. These coveted floral treasures come in a dazzling range of colors, sizes, and forms, with enough variety for virtually every garden space and personal preference, making them one of the most beloved flowers for arrangements. In these pages, readers will discover: • Expert advice for planting, harvesting, and arranging garden-fresh dahlias • A simple-to-follow overview of the dahlia classification system • An A–Z guide with photos and descriptions of more than 350 varieties • Step-by-step how-to's for designing show-stopping dahlia bouquets that elevate any occasion **Expert Author: Erin Benzakein's gorgeous flowers are celebrated throughout the world. Her book Floret Farm's A Year in Flowers was a New York Times bestseller and her first book, Floret Farm's Cut Flower Garden, won the American Horticultural Society Book Award. Filled with Wisdom: Overflowing with hundreds of lush photographs and invaluable advice, DISCOVERING DAHLIAS is an essential resource for gardeners and a must-have for anyone who loves flowers, including flower lovers, avid and novice gardeners, floral designers, florists, small farmers, stylists, and designers.**

When the Astors Owned New York

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there.

National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

Paul Klee was endowed with a rich and many-sided personality that was continually spilling over into forms of expression other than his painting and that made him one of the most extraordinary phenomena of modern European art. These abilities have left their record in the four intimate diaries in which he faithfully recorded the events of his inner and outer life from his nineteenth to his fortieth year. Here, together with recollections of his childhood in Bern, his relations with his family and such friends as Kandinsky, Marc, Macke, and many others, his observations on nature and people, his trips to Italy and Tunisia, and his military service, the reader will find Klee's crucial experience with literature and music, as well as many of his essential ideas about his own artistic technique and the creative process.

Un avvincente romanzo ambientato all'inizio del secolo scorso. Uno spaccato sociologico nell'analisi puntuale dei costumi, pregiudizi e manie dell'epoca. Figura centrale è la bellissima Nailé, la 'straniera', una musulmana fuggita dalla piccola corte dell'ultimo Sultano turco in esilio e catapultata in un sonnolento mondo di provincia. Ma chi è mai Nailé? Perché misteriosamente affiorano ricordi con cui cerca di collegarsi a quella realtà sconosciuta? E che cosa si cela nell'odio cieco per i Turchi del capofamiglia? Il racconto si fa sempre più coinvolgente nella ricerca di una certezza, di un'identità, oltre lo snodarsi di tanti, strani, impercettibili segnali.

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts.Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets.

Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters.But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat.National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

A "historical novel of love and survival inspired by real resistance workers during World War II in Austria, and the mysterious love letter that connects generations of Jewish

families"--Dust jacket flap.

-Showcases Mario Botta's portfolio of projects and contemporary design talents in stunning full-colour photography, with detailed plans and drawings and comprehensive profile descriptions -Celebrates almost 40 works of this prolific architect, and is a superb compendium to IMAGES' highly successful Leading Architects Series -Profiles the insight into the influences of this firm and its practice, while capturing its vision for the future of design, emerging trends and influences that shapes its work We recognize Mario Botta's buildings for their strong presence. His architecture is not ephemeral. It shapes the mass firmly and precisely. It touches the ground with self-reliance. A building by Mario Botta is an autonomous object. It comprises an ordered world of its own make. It is standing in dialogue with the urban tissue, but it establishes its own order as if it aims at differentiation instead of integration. Architectural order represents the core of his personal idiom. It is a well structured, compositional order which organises everything into a whole, as an underlying thread that connects and brings together houses on the mountains to museums and churches, banks and commercial buildings to buildings on the ground and buildings underground, different buildings at different places in time. The themes that underlie Mario Botta's architecture are ties that connect and spines that support, common threads that bind one building to the next. His architecture is one of mass. It is then of no surprise that mass is the first thing to be defined and ordered, in his creative process. The volume of his buildings is mostly composed by one or more primary solids. Volume is thus an a-priori for Botta. It is conceived beforehand, the starting point to the adventure of architectural design.

Operina

Retells the fairy tale about two children whose father and stepmother abandon them in the woods, where they find a witch in a cottage made of candy.

In this marvelous anecdotal history, Justin Kaplan--Pulitzer Prize-winning biographer of Mark Twain--vividly brings to life a glittering, bygone age. Endowed with the largest private fortunes of their day, cousins John Jacob Astor IV and William Waldorf Astor vied for primacy in New York society, producing the grandest hotels ever seen in a marriage of ostentation and efficiency that transformed American social behavior. Kaplan exposes it all in exquisite detail, taking readers from the 1890s to the Roaring Twenties in a combination of biography, history, architectural appreciation, and pure reading pleasure

"What would the world look like if girls grew up reading fairytales made from the magic they carry inside themselves?

Breathtakingly beautiful, is what." -Lidia Yuknavich, national bestselling author In her debut children's book, Rebecca Solnit reimagines a classic fairytale with a fresh, feminist Cinderella and new plot twists that will inspire young readers to change the world, featuring gorgeous silhouettes from Arthur Rackham on each page. In this modern twist on the classic story, Cinderella, who would rather just be Ella, meets her fairy godmother, goes to a ball, and makes friends with a prince. But that is where the familiar story ends. Instead of waiting to be rescued, Cinderella learns that she can save herself and those around her by being true to herself and standing up for what she believes. "Being a princess is absolutely fine if that's what you choose. It's having those choices taken away from you that make for big problems. Cinderella in Solnit's book is given that choice. She's allowed to say what her dreams are, and then she goes out and attains them. And they're not huge ridiculous dreams but small, happy, manageable ones. Ultimately, that's the gift Ms. Solnit is giving kids with this book." -School Library Journal "This is a reminder of hope and possibility, of kindness and compassion, and--perhaps most salient--imagination and liberty. Through the imaginations of our childhoods, can we find our true selves liberated in adulthood?" -Chelsea Handler "This is, hands down, a wonderful book--one that even the jaded reader will clasp upon completion with a contented sigh." -The New York Times

Mimì fiore di cactus e il suo porcospino. Come difendersi dagli abusi Giunti Editore

One of Book Riot's top 100 Must-Read Books of American Historical Fiction! Nancy Turner burst onto the literary scene with her hugely popular novels *These Is My Words*, *Sarah's Quilt*, and *The Star Garden*. Now, Turner has written the novel she was born to write, this exciting and heartfelt story of a woman struggling to find herself during the tumultuous years preceding the American Revolution. The year is 1729, and Resolute Talbot and her siblings are captured by pirates, taken from their family in Jamaica, and brought to the New World. Resolute and her sister are sold into slavery in colonial New England and taught the trade of spinning and weaving. When Resolute finds herself alone in Lexington, Massachusetts, she struggles to find her way in a society that is quick to judge a young woman without a family. As the seeds of rebellion against England grow, Resolute is torn between following the rules and breaking free. Resolute's talent at the loom places her at the center of an incredible web of secrecy that helped drive the American Revolution. Heart-wrenching, brilliantly written, and packed to the brim with adventure, *My Name is Resolute* is destined to be an instant classic.

From the international bestselling author of *The Lost Wife* and *The Garden of Letters*, comes a story inspired by true events of two women pursuing freedom and independence in Paris during WWII. As Paris teeters on the edge of the German occupation, a young French woman closes the door to her late grandmother's treasure-filled apartment, unsure if she'll ever return. An elusive courtesan, Marthe de Florian cultivated a life of art and beauty, casting out all recollections of her impoverished childhood in the dark alleys of Montmartre. With Europe on the brink of war, she shares her story with her granddaughter Solange Beaugiron, using her prized possessions to reveal her innermost secrets. Most striking of all are a beautiful string of pearls and a magnificent portrait of Marthe painted by the Italian artist Giovanni Boldini. As Marthe's tale unfolds, like velvet itself, stitched with its own shadow and light, it helps to guide Solange on her own path. Inspired by the true account of an abandoned Parisian apartment, Alyson Richman brings to life Solange, the young woman forced to leave her fabled grandmother's legacy behind to save all that she loved.
