From the legendary #1 New York Times bestselling author of Plum Island and Night Fall, Nelson DeMille's blistering new novel features an exciting new character—US Army combat veteran Daniel “Mac” McCormick, now a charter boat captain, who is about to set sail on his most dangerous cruise. Daniel Graham McCormick—Mac for short—seems to have a pretty good life. At age thirty-five he's living in Key West, owner of a forty-two-foot charter fishing boat, The Maine. Mac served five years in the Army as an infantry officer with two tours in Afghanistan. He returned with the Silver Star, two Purple Hearts, scars that don't tan, and a boat with a big bank loan. Truth be told, Mac's finances are more than a little shaky. One day, Mac is sitting in the famous Green Parrot Bar in Key West, contemplating his life, and waiting for Carlos, a hotshot Miami lawyer heavily involved with anti-Castro groups. Carlos wants to hire Mac and The Maine for a ten-day fishing tournament to Cuba at the standard rate, but Mac suspects there is more to this and turns it down. The price then goes up to two million dollars, and Mac agrees to hear the deal, and meet Carlos's clients—a beautiful Cuban-American woman named Sara Ortega, and a mysterious older Cuban exile, Eduardo Valazquez. What Mac learns is that there is sixty million American dollars hidden in Cuba by Sara's grandfather when he fled Castro's revolution. With the “Cuban Thaw” underway between Havana and Washington, Carlos, Eduardo, and Sara know it's only a matter of time before someone finds the stash—by accident or on purpose. And Mac knows if he accepts this job, he'll walk away rich...or not at all. Brilliantly written, with his signature humor, fascinating authenticity from his research trip to Cuba, and heart-pounding pace, Nelson DeMille is a true master of the genre.

An essential guide for over-scheduled teachers Maia Heyck-Merlin helps teachers build the habits, customize the tools, and create space to become a Together Teacher. This practical resource shows teachers how to be effective and have a life! Author and educator Maia Heyck-Merlin explores the key habits of Together Teachers—how they plan ahead, organize work and their classrooms, and how they spend their limited free time. The end goal is always strong outcomes for their students. So what does Together, or Together Enough, look like? To some teachers it might mean neat filing systems. To others it might mean using time efficiently to get more done in fewer minutes. Regardless, Together Teachers all rely on the same skills. In six parts, the book clearly lays out these essential skills. Heyck-Merlin walks the reader through how to establish simple yet successful organizational systems. There are concrete steps that every teacher can implement to achieve greater stability and success in their classrooms and in their lives. Contains templates and tutorials to create and customize a personal organizational system and includes a companion website: www.thetogetherteacher.com Recommends various electronic or online tools to make a teacher's school day (and life!) more efficient and productive Includes a Reader's Guide, a great professional development resource; teachers will answer reflection questions, make notes about habits, and select tools that best match individual needs and preferences Ebook customers can access CD contents online. Refer to the section in the Table of Contents labeled, Download CD/DVD Content, for detailed instructions.

The third title in the I Am City series stops in New York! Cities have always been important protagonists in our history, but now, more than ever, they are taking the leading role in our developing culture. In the series I am the City, the most prominent conurbations in the world are given a chance to reassert their unique personalities and individuality, showing us, via a pictorial tour and compelling anecdotes, the things that mark them out in the face of the encroaching tide of homogeneity. The third title of the I Am the City series alights in New York. Stunning colour illustrations by Carlo Stanga

lead the reader into a virtual tour of the city that narrates and reveals landmarks, tales, lifestyle, architecture as well as secrets. From the Chrysler building to the bagel, this is a unique, fully comprehensive illustrated journey of the Big Apple.

Did I screw up? How do I achieve work-life balance? Am I eating too much cheese? Do I have too many plants? Through artful charts and funny, insightful questions, Michelle Rial delivers a playful take on the little dilemmas that loom large in the mind of every adult. Building on her popular Instagram account, Am I Overthinking This? brings whimsical charm to topics big and small, and offers solidarity for the stressed, answers for the confused, and a good laugh for all.

What delights you? A vibrant red? A mysterious blue? Color studies capture that place where ground mineral meets water and light, imagination meets science, and the painter has an aha moment. John Derian is an artist and designer whose work with printed images of the past transports the viewer to another time and place. Take the journey with him, in this set of notebooks perfect for recording thoughts, impressions, lists, and drawings. 3 blank, unruled notebooks 6 unique front and back cover illustrations 64 pages each

Set long-term goals and break them down into achievable steps that you can do on a weekly basis. Doing this has a higher possibility of success than just setting the goals without actionable steps and a timeline. A weekly planner is ideal for recording these broken-down goals. Keep these planners to monitor your progress and step up, if needed, to reach your goals on time.

"This timely collection of speeches by David McCullough, the most honored historian in the United States--winner of two Pulitzer Prizes, two National Book Awards, and the Presidential Medal of Freedom, among many other honors--reminds us of fundamental American principles. Over the course of his distinguished career, David McCullough has spoken before Congress, the White House, colleges and universities, historical societies, and other esteemed institutions. Now, as many Americans engage in self-reflection following a bitter election campaign that has left the country divided, McCullough has collected some of his most important speeches in a brief volume that articulates important principles and characteristics that are particularly American..."--Jacket.

From the brilliant mind of the creator and star of I May Destroy You and Chewing Gum comes a passionate declaration against fitting in. Michaela Coel's MacTaggart Lecture touched a lot of people with her striking revelations about race, class and gender. But in the end, the person most impacted was Coel herself. Building on this speech, Misfits immerses readers in her deeply personal vision through powerful allegory and anecdotes - from her East London upbringing to her discovery of theatre and love for storytelling. With inspiring insight and wit, she tells of her reckoning with trauma and metamorphosis into a champion for herself, inclusivity and radical honesty, and in telling her journey invites us to reflect on our own. By embracing our differences, she says, we can transform our lives. An artist to her core, Coel holds up the path of the creative as an emblem of our need to regard one another with care and respect - and transparency. Misfits is a triumphant call for honesty, empathy and inclusion. This timely, necessary book is a rousing coming-to-power manifesto dedicated to anyone who has ever worried about fitting in.

What can you uniquely give the world? We often sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: - Recognize your innate strengths - Acquire the skills needed to nurture your best self - Identify and navigate past societal limitations often placed upon women - Strengthen your brand both personally and professionally - Build a supportive and healthy community - Cultivate effortless style - Enhance your everyday meals with seasonal fare - Live with less, so that you can live more fully - Understand how to make a successful fresh start - Establish and mastermind your financial security - Experience great pleasure and joy in relationships - Always strive for quality over quantity in every arena of your life Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everyday as much as the grand occasions. As you learn to live well in your everyday, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential.
