What can you say about Moose? a lovable canine?

A consummate professional? A bright star in the Hollywood universe? Yes, you could say all those things. Or you could just say that he was the little dog that could. The little dog that never took no for an answer. The little dog that never said, "I can't," but always, "why can't I?" The story of Moose is a classic rags-to-riches

To be plucked out of obscurity and thrust into the limelight may be the dream of every actor in the world, but in reality it's more of a challenge than most people realize. It's hard not to get caught up in all the glitter and hype of Hollywood and completely lose sight of what's really important--family and friends. As egomaniacal as Moose is, he has never forgotten where he came from or taken for granted the fans that

But he's also loving, caring, thoughtful when he wants to be, charismatic, funny, charming, and above all loyal. In short, Moose is a Jack Russell terrier with an attitude. Is there any other kind?

The centenary reprint edition of Indian Jewellery was therefore supplemented with photographs of recent Indian jewellery, as an attempt to present revival pieces that are still en vogue after one hundred years, as well as to show examples of new
