

USA Today bestselling author.

The young readers' edition of the true story that inspired Lion, the Academy Award nominated film starring Dev Patel, David Wenham, Rooney Mara, and Nicole Kidman. When Saroo Brierley used Google Earth to find his long-lost home town half a world away, he made global headlines. Saroo had become lost on a train in India at the age of five. Not knowing the name of his family or where he was from, he survived for weeks on the streets of Kolkata before being taken into an orphanage and adopted by a couple in Australia. Despite being happy in his new family, Saroo always wondered about his origins. When he was a young man the advent of Google Earth led him to pore over satellite images of India for landmarks he recognized. And one day, after years of searching, he miraculously found what he was looking for and set off on a journey to find his mother. This edition features new material from Saroo about his childhood, including a new foreword and a Q&A about his experiences and the process of making the film. "The emotional journey of Saroo Brierley (Patel) . . . will melt hearts around the globe."—People magazine "Amazing stuff."—The New York Post

This book addresses how relationships need to be refocused when couples face such changes as the launching of young adult children, a new job, the death of a parent or a child, the arrival of a "surprise" child, infidelity, illness, retirement, role change or reversal, and many others.

"This book is a memoir, a window into each and everyone's life. The specifics, where I was born, how I lived, how I love, those details are mine. But the life lessons, the will to be free, the courage to love, and the truth to healing are all ours to share." Venus was born in Iran where she learned many challenging life lessons. She is now a practicing life coach and spiritual adviser. She has guided people in recognizing the pitfalls of the mind and the truths of love for many years. Through spiritual intuition she helps searching individuals gain awareness of the jewels living within the heart, accessing these treasures by healing the conditioned mind, and teaches how to operate in everyday life above the states of illusion and emotional imprisonment.

In *The Emotionally Healthy Church*, Updated and Expanded Edition, by Peter Scazzero, you'll discover exactly what it takes for the truth to set you free. This revised and expanded edition of Scazzero's award-winning book not only takes the original six principles for cultivating spiritual and emotional health in your church further and deeper, but he also adds a seventh principle to show you as a church leader how to slow down to lead with integrity.

After experiencing the supernatural breakthrough of God in my life, I believe that each of us are entitled to the same breakthroughs in our families, marriages, health, business, work, and careers. God must be allowed to work within us and it is there that we find success. I have found a man does not carry the wind, it is the wind that carries a man. We do not have control of our tomorrow, but God does. When God is First will help you to navigate through the blessing of God, and to encounter God from the ordinary in your challenges and afflictions. The prayers and bible verses from this book will direct the path of victory and overcoming your way, and you will stand to witness how God has fought your battle.

Bob 's Trip Through Manhood

The Seeds of New Earth (the Silent Earth, Book 2)

I-Ran Into the Light

A Long Way Home Young Readers' Edition

Bob Brand was being raised by drunken, brutal parents until he was fifteen years old. He had a paper route, like many young boys. One night, he refused to give his father the money he collected to pay his paper bill and was beaten badly by his father. He escaped from the home and went to see an elderly doctor on his route to get help. Dr. Ted Woods sewed him up and called the police. His father was arrested and given a year in jail and was allowed three days to get his affairs in order. He and his wife fled, and Dr. Woods gained custody of Bob in a hearing. Dr.

Woods hired Julia Finney to be his housekeeper. Julia had a daughter, Martha, who was born when Julia was fifteen years old. Both Julia and Martha suffered feelings of guilt and shame due to Julia's background. Bob's presence in his new family somehow seemed to knit the four people into a happy, loving family and cured the feelings of shame, guilt, and inferiority held by both Julia and Martha. As Dr. Woods remarked, Bob provided the glue to make them a happy, loving family. He also said Bob had gifts he was unaware he had. Whenever he was near, held, or kissed a person, they experienced great warmth and love. He had the same effect on animals, which had no fear of him and wanted to get close to him, much to the amazement of Dr. Woods and his family and bystanders. Martha fell in love with Bob, as did Julia, but Julia knew the difference in the ages between Bob and her made it impossible for them to ever marry. Bob fell in love with both Julia and Martha. Martha fell deeply in love with Bob and constantly tried to seduce him, believing when he did, he would marry her, even as young as they were. This book is about the life of Bob and how he reacted when he lost first his wife, Martha; his second wife, Julia; and finally his housekeeper, Peggy. He, finally, with the help of Peggy's daughter, Cynthia, discovers his hidden gift.

Use the healing power of touch for a healthier, happier pregnancy. Pregnancy is an exciting time full of promise, but most women could do without symptoms such as back pain, headaches, nausea, and swollen feet—luckily, many of these conditions can be treated with massage. Touch has the power to heal, calm, and nurture relationships. Christine Sutherland, co-founder of the Sutherland-Chan School and Teaching Clinic, teaches the basics of prenatal massage for healthy pregnancies. From the first trimester to postpartum recovery, Christine's healing methods will help moms-to-be through every stage of pregnancy, including childbirth and breastfeeding. There's even a chapter on the basics of baby massage, which new parents, grandparents, and siblings can use to relieve common infant conditions and bond with the new child. Hundreds of photos and illustrations clearly illustrate techniques that even beginners can master. Christine also includes real-life stories that showcase how the power of massage helped women through their own pregnancy journeys. If your partner or loved one is expecting, this book is for you.

A man awakens one day in a land of brilliant light. Unsure of his surroundings, he sees another man, woman, and their child surrounded by a pure crimson energy of love. He soon realizes that the Divine Beings intend to use their energy of love to give birth to new beings. And so begins an expanding Universe, fueled by diverse particles woven by gravity's power into a massive web. The Divine Beings empower atoms to be agents of creativity. The first beings, Quarkie and Photie, join twelve atom friends and quadrillions of other atoms who manage to create billions of suns in billions of galaxies. After the Divine Beings take the atom pals on journeys back to the past to visit other atom families, the atom friends living in the Milky Way Galaxy are jolted by an exploding supernova and land on planet Earth where they eventually create the first living beings. During the next two billion years, they engage in a crucial mission the conception of the eukaryote cell which will determine all future creativity on Earth. But just as they are certain of their success, a momentous catastrophe threatens to end their creative journey.

In a thoroughgoing revision of the first edition of this classic text and reference, published by Plenum in 1987, the editors have assembled a distinguished group of contributors to address such topics as past, present, and future perspectives on family diversity; theory and methods of the family; changing family patterns and roles; the family and other institutions; and family dynamics and processes.

Using brain research on the effects of childhood trauma, we know our brains cannot create lasting memories without attaching to old ones. In other words, "The First Wrinkle" in our memory is permanent. This book presents the authentic stories of four people who, in different states, experienced some form of childhood trauma. Alternating with the four memoir's, are additional interviews showcasing those trying to better the system, including foster parents, first responders, and volunteers. The First Wrinkle is a tribute to the brave men and women who, from all over the country, have volunteered to share their stories. Read this book about needed change in our foster care system with your eyes wide open and without judgement. Find a way to be a part of the change in this hidden epidemic we call abuse.

The God-First Life

A simple and sustainable path to a deep and satisfying walk with Christ There are thousands of how-to books for improving various areas of life—self, relationships, finances, fitness, business, marriage, family. And there are nearly as many books written for believers offering a framework for the "right" approach to a new life in God. What if it were possible, Pastor Stovall Weems asks, to boil it all down to one practical, un-complicated principle that would yield the vibrant, purposeful spiritual life so many are looking for? What if, in our relationship with God, we had one simple and sustainable touch point to experience a deep and satisfying walk with Christ? In *The God-First Life*, Weems shows that true success in our walk with God and in life in general is not an issue of need, but an issue of order. Brilliantly unpacking the simple Scripture in Matthew 6:33, Weems gives a fresh and practical perspective on what Christian "discipleship" is about. Bringing clarity, depth, and simplicity, Pastor Weems makes clear core truths that have been misunderstood by many Christians and non-Christians alike.
