The Travels of Marco Polo

In the late 1290s, an imprisoned Venetian merchant dictated an account of his amazing adventures in China. That book, The Travels of Marco Polo, was an instant success. Though scholars once derided Polo's tale, today's historians accept it as accurate. The original manuscripts are long lost, but now, for the first time, a modernized hybrid edition has been compiled from translations by William Marsden and Henry Yule. Comprising nearly 150 chapters, this superbly illustrated, silk-bound abridgement of this seminal work is a treasure worthy of its subject.

Volume 1 of 2-volume set. One of the greatest books of all time — a vast treasury of invaluable observations on the peoples and geography of the Near East and Asia in the 13th century. Detailed descriptions of cities, customs, laws, crops, animals, political systems, much more. 200 illustrations, 32 maps and site plans.

Let Marco Polo's Lanzarote Travel Guide show you the heart of Lanzarote. If you're a bit short of time to prepare for your trip, don't want to miss anything and like to be inspired by great ideas for exciting days out, look no further.
