Modern American poets writing in the face of death In *Last Looks, Last Books*, the eminent critic Helen Vendler examines the ways in which five great modern American poets, writing their final books, try to find a style that does justice to life and death alike. With traditional religious consolations no longer available to them, these poets must invent new ways to express the crisis of death, as well as the paradoxical coexistence of a declining body and an undiminished consciousness. In *The Rock*, Wallace Stevens writes simultaneous narratives of winter and spring; in *Ariel*, Sylvia Plath sustains melodrama in cool formality; and in *Day by Day*, Robert Lowell subtracts from plenitude. In *Geography III*, Elizabeth Bishop is both caught and freed, while James Merrill, in *A Scattering of Salts*, creates a series of self-portraits as he dies, representing himself by such things as a Christmas tree, human tissue on a laboratory slide, and the evening/morning star. The solution for one poet will not serve for another; each must invent a bridge from an old style to a new one. Casting a last look at life as they contemplate death, these modern writers enrich the resources of lyric poetry.

They call him Masque. I call him God. The man I want to consume me, own me, break me and corrupt me. Yet I've never seen his face. His body ripples like an Adonis, sculpted in steel and dripping in sin. His flesh is inked with the mark of the chimera - one body, two very different halves. He plays hard. He plays rough. He has no limits. He's so fucking dirty bad wrong. But I love him for it. *** Lydia Marsh is always the strong one. The girl who never breaks, and sure as hell never cries. She's got it all - the perfect

little life in cosy suburbia, with her perfectly nice boyfriend, and their perfectly sufficient sex life. She's even got her perfect little career plan all wrapped up at Trial Run Software Group. But when it all falls apart, and Lydia's pretty, green eyes are fixed on a brutally sexual stranger - the man they call Masque - she comes to suspect that being strong isn't all it's cracked up to be. For now Lydia wants something she's never wanted before... And she wants Masque to give it to her. **Warning - this novel contains graphic sex, and hardcore elements of BDSM. There are scenes of violence (consensual) as well as sexual practices some readers may find offensive. If you aren't turned on by dirty bad wrong sex then please walk on by. Thank you.**

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

NATIONAL INDIE EXCELLENCE AWARDS WINNER — TRUE CRIME Now that articles, podcasts, newsmagazines, and miniseries have had their sensationalistic say, Debra Newell, the one woman who truly knows what it was like to survive “ Dirty John ” Meehan shares the full story—the reality—with the world for the first time. Debra Newell is nothing if not a survivor. By the time she met John Michael Meehan online, she lived through a near-fatal childhood illness, an attempted rape in her 20s, the traumatic death of her sister at the hands of her brother-in-law, four failed marriages, and a litany of dating disasters. But despite those tragedies, she seemed to have it all: adoring children, a successful business, a fabulous penthouse apartment. But there was something missing: the blinding, all-consuming love she first read about to occupy her time in her childhood sickbed. And she thought she found it with John Meehan. More than a tabloid-ready true-crime expose, Debra ’ s story is one of trauma, denial, and deception. But it is also a relatable, inspirational, and hopeful story of forgiveness and, most of all, love. The lengths to which a woman will go to find—and keep—love; the boundaries children and parents cross to protect and save the people they love; the love one must find for oneself; and the ways the illusion of love can be used to manipulate and hurt. Told in Debra ’ s words with the help of New York Times bestselling author M. William Phelps, this book is filled with exclusive stories about Debra and her family, previously unpublished photos, and the unvarnished, unapologetic, and unbelievable reality of Surviving Dirty John.

From USA Today bestselling author K Webster comes a thrilling and steamy dark romance standalone! He's filthy rich. Spoiled beyond belief. The gorgeous man always gets what he wants. Normally, I stay far, far away from his type. Men like Braxton Kennedy are dangerous and sick. But he's made an offer I can't refuse. Six months. A ton of money. All I have to do is be his dirty, ugly toy. Play his dark and twisted games. Let him dress me up and parade me around in front of his friends. Pretend I'm someone I'm not. A sane person would run away from the likes of this bad boy billionaire. Me? I can't sign on the dotted line fast enough. I'm not a damsel in distress or some princess needing saving. I've been to hell and back all on my own. All I need from him is the fat paycheck he's offering. One problem. I start to like his games. A little too much. When my heart gets involved, he only wants to toy with it. The thing with spoiled boys and their toys, though... They eventually get bored and throw them away. **Dirty Ugly Toy is an enemies-to-lovers dark billionaire romance standalone. There are triggers in this story including drug use/overdose and some sexual violence.******

The Caldecott Honor-winning classic by bestselling picture-book creator David Shannon! When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children--even when they misbehave.

Get a readers copy of the script for DIRTY SECRETS by Joe Marshall, a smart, gender-bent thriller that pokes fun at brainless gay stereotypes. It's all about Tom, who shows up at the home of Nick and Shane, a gay couple who live in

Manhattan. Tom is depressed because he's just discovered that his boyfriend of eight years has had sex with another man. It turns out that Tom has come to torture Shane, to seek retribution for his messed up romance. It's the ways in which Tom carries out his revenge - first demanding sex with Shane, later seducing Nick - that move the play along. He has a worthy opponent in the snaky Shane, who trumps Tom's attempts at blackmail, but can't keep up with his nasty houseguest's vile temper. Dirty Secrets is the first play from award-winning playwright Joe Marshall ("The Gayest Christmas Pageant Ever!," "A Night in Vegas," "A Waning Gibbous Moon"). A hundred years has passed since the bitter rivalry between the St. Claires and the Huntingtons began. But in London, the feud goes on . . . UNDER THE COVER OF NIGHT, NOTHING IS FORBIDDEN Lily St. Claire will do anything for the family that saved her from the streets. With their support, the young widow has become the hostess of The Devil's Fancy, London's most exclusive gaming den. She's determined to restore the St. Claire family fortune, lost a century before to the despised Huntington clan. But a ghost from her past may be her ultimate undoing . . . Lord Aidan Huntington is handsome and wealthy, with a taste for adventure and a reputation for wickedness. A gambler and a rake, Aidan can't resist a seductive woman with secrets - but one naughty night with Lily leaves him wanting more. As Lily is drawn into London's dark underworld by an old enemy, Aidan will risk everything to save the woman who has awakened his deepest desires. Hot for the holidays! Every Halloween party has its share of eye candy, and journalist Chaz Browning has just spotted a treat he can't resist—a deliciously wicked witch with sparkly red hair and deep, dark eyes that promise all kinds of sexy tricks. She wants no names. No strings. Just a night of lust-filled magic. The witch's mask may hide her face, but Lulu Vandenberg knows exactly who Chaz is. They spent most of their childhoods tormenting each other. So the moment Chaz touches her and everything turns to lust, Lulu knows she can never reveal her identity. But desire has a memory of its own, and Chaz has vowed to find his fantasy woman before the holidays end...

For the major broadcast networks, the heyday of made-for-TV movies was 20th Century programming like The ABC Movie of the Week and NBC Sunday Night at the Movies. But with changing economic times and the race for ratings, the networks gradually dropped made-for-TV movies while basic cable embraced the

format, especially the Hallmark Channel (with its numerous Christmas-themed movies) and the Syfy Channel (with its array of shark attack movies and other things that go bump in the night). From the waning days of the broadcast networks to the influx of basic cable TV movies, this encyclopedia covers 1,370 films produced during the period 2000-2020. For each film entry, the reader is presented with an informative storyline, cast and character lists, technical credits (producer, director, writer), air dates, and networks. It covers the networks (ABC, CBS, Fox, Ion, and NBC) and such basic cable channels as ABC Family, Disney, Fox Family, Freeform, Hallmark, INSP, Lifetime, Nickelodeon, Syfy, TBS and TNT. There is also an appendix of "Announced but Never Produced" TV movies and a performer's index.

Storytelling is an art form, a descriptive account of an event or a succession of events. In this case, all 118 stories within its pages are true and for the most part, describe a calamitous event in each individual's life during the 2nd World War. They all add emotion and physical details to plain facts. We all have story's to convey and when you think about them, the really good ones will actually move us, and in this case, all of them will make us think to some degree because they come from an era we often cannot relate to. Some will shock you; others will bring you to tears, some may even make you smile or laugh. All of them will definitely make you ponder about your life, and what it could have been like if Britain and her allies had not won the Second World War.

A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher. Sometimes it's good to be a little...improper. Profane, funny, and smart, Haley Pierson-Cox's IMPROPER CROSS-STITCH invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully

designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered. In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the books moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to embrace their inner snark with gleeful abandon. Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!

This enhanced edition for Nook features over thirty images, including film stills from the Oscar-nominated documentary Dirty Wars, as well as exclusive photographs of Scahill's reporting in Yemen and Somalia. This edition also features interactive color maps, as well as seven short videos that include the film trailer, clips from the film, and interviews with Scahill. In the video interviews, Scahill shares his insights on the history of drones, President Obama's hawkish foreign policies, and the killing of Anwar al-Awlaki. In Dirty Wars, Jeremy Scahill, author of the New York Times best-seller Blackwater, takes us inside America's new covert wars. The foot soldiers in these battles operate globally and inside the United States with orders from the White House to do whatever is necessary to hunt down, capture or kill individuals designated by the president as enemies. Drawn from the ranks of the Navy SEALs, Delta Force,

former Blackwater and other private security contractors, the CIA's Special Activities Division and the Joint Special Operations Command (JSOC), these elite soldiers operate worldwide, with thousands of secret commandos working in more than one hundred countries. Funded through "black budgets," Special Operations Forces conduct missions in denied areas, engage in targeted killings, snatch and grab individuals and direct drone, AC-130 and cruise missile strikes. While the Bush administration deployed these ghost militias, President Barack Obama has expanded their operations and given them new scope and legitimacy. Dirty Wars follows the consequences of the declaration that "the world is a battlefield," as Scahill uncovers the most important foreign policy story of our time. From Afghanistan to Yemen, Somalia and beyond, Scahill reports from the frontlines in this high-stakes investigation and explores the depths of America's global killing machine. He goes beneath the surface of these covert wars, conducted in the shadows, outside the range of the press, without effective congressional oversight or public debate. And, based on unprecedented access, Scahill tells the chilling story of an American citizen marked for assassination by his own government. As US leaders draw the country deeper into conflicts across the globe, setting the world stage for enormous destabilization and blowback, Americans are not only at greater risk—we are changing as a nation. Scahill unmaskes the shadow warriors who prosecute these secret wars and puts a human face on the casualties of unaccountable violence that is now official policy: victims of night raids, secret prisons, cruise missile attacks and drone strikes, and whole classes of people branded as "suspected militants." Through his brave reporting, Scahill exposes the true nature of the dirty wars the United States government struggles to keep hidden.

Film history meets church history through the ritual of prayers.

Moments of prayer have been represented in Hollywood movies since the silent era, appearing unexpectedly in films as diverse as Rebecca of Sunnybrook Farm, Frankenstein, Amistad, Easy Rider, Talladega Nights, and Alien 3, as well as in religiously inspired classics such as Ben-Hur and The Ten Commandments. Here, Terry Lindvall examines how films have reflected, and sometimes sought to prescribe, ideas about how one ought to pray. He surveys the landscape of those films that employ prayer in their narratives, beginning with the silent era and moving through the uplifting and inspirational movies of the Great Depression and World War II, the cynical, anti-establishment films of the 60s and 70s, and the sci-fi and fantasy blockbusters of today. Lindvall considers how the presentation of cinematic prayer varies across race, age, and gender, and places the use of prayer in film in historical context, shedding light on the religious currents at play during those time periods. Searching for God on the Big Screen demonstrates that the way prayer is presented in film during each historical period tells us a great deal about America's broader relationship with religion.
