

Nella Tua Carne: Racconti Erotici (Einaudi Tascabili Biblioteca Vol 47)

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover – through trust, hard work and brutality – the true meaning of the American Dream.

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher’s carefully constructed world falls apart when he finds his neighbour’s dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes. For inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents’ marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher’s mind. And herein lies the key to the brilliance of Mark Haddon’s choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debuts in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

A sexy, enemies-to-lovers standalone novel from #1 New York Times Bestseller, Vi Keeland. The feud between Weston Lockwood and me started at the altar. Only neither of us attended the wedding, and the nuptials happened decades before either of us was born. Our grandfathers had been best friends and business partners, at least up until my grandfather’s wedding day—when his bride-to-be blurted out she couldn’t marry him because she was also in love with Weston’s grandfather. The two men spent years fighting over Grace Copeland, who also happened to be their third business partner. But in the end, neither man could steal half of her heart away from the other. Eventually, they all went their separate ways. Our grandfathers married other women, and the two men became one of the biggest business rivals in history. Our fathers continued the family tradition of feuding. And then Weston and I did, too. For the most part, we kept as much distance as possible. Until the day the woman who started the feud died—and unexpectedly left one of the most valuable hotels in the world to our grandfathers to share. Now I’m stuck in a hotel with the man I was born to hate, trying to unravel the mess our families inherited. As usual, it didn’t take long for us to be at each other’s throats. Weston Lockwood was everything I hated: tall, smart, cocky, and too gorgeous for his own good. We were fire and ice. But that shouldn’t be an issue. Our families were used to being at war. There was just one minor problem, though. Every time Weston and I fought, we somehow wound up in bed.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece. In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

The time of Carnival represents a "wild" time at the end of winter and pointing to the beginning of a new season. It is characterized by the irruption of border figures, animal masks, characters which recall the world of the dead and which bring within themselves the germ of a vital force, of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops. This wild domain shows itself under the shapes of a contiguity between human and animal: the costumes, the masks, refer to a world in which the characteristics of the human and those of the animal are fused and intertwined. Among these figures, in particular, emerge those of the Wild Man, the human being who takes on animal-like attributes and aspects, and of the Bear, the animal that, more than all the others, gets as close as possible to the human and seems to reflect a deformed image of it. Such symbolic images come from far off times and places to tell a story that belongs to our common origins. The bear assumes attributes and functions alike in very different cultural contexts, such as the Sámi of Finland or North-American hunter-gatherers, and represents a boundary between the world of nature and the human world, between the domain of animals and the difficult construction of humanity: a process continued for centuries, perhaps millennia, and which cannot still be said complete.

'Louise Doughty leads her unnerved readers into dark territory.' Hilary Mantel 'Utterly mesmerizing, with the pace of a thriller and a sense of profound mystery in the most ordinary of settings. I was hooked from its start to its nerve-racking, surprising finish' Deborah Moggach The new novel from Sunday Times bestselling author Louise Doughty Platform Seven at 4am: Peterborough Railway Station is deserted. The man crossing the covered walkway on this freezing November morning is confident he's alone. As he sits on the metal bench at the far end of the platform it is clear his choice is strategic - he's as far away from the night staff as he can get. What the man doesn't realise is that he has company. Lisa Evans knows what he has decided. She knows what he is about to do as she tries and fails to stop him walking to the platform edge. Two deaths on Platform Seven. Two fatalities in eighteen months - surely they're connected? No one is more desperate to understand what connects them than Lisa Evans herself. After all, she was the first of the two to die.

"Le gambe mi reggevano a malapena, tanto il mio corpo era scosso da tremiti. Sono sicura che lui se ne fosse accorto, perché mi afferrò per tenermi, mentre mi prendeva l'altro capezzolo tra le labbra, iniziando a succhiarlo. Ero già praticamente sul punto di avere un orgasmo. Mi lascio andare un attimo prima che succedesse e io incespicaì per ritrovare l'equilibrio, aggrappandomi alla poltrona dietro di me. Il dottor Andersen si era voltato verso la scrivania, ma girato di schiena mi disse: 'Si senta libera di mettersi ai suoi capezzoli non hanno niente che non vada e sono molto sensibili' ". In a moment of desolation on a windswept beach, Garrett bottles his words of undying love for a lost woman, and throws them to the sea. My dearest Catherine, I miss you my darling, as I always do, but today is particularly hard because the ocean has been singing to me, and the song is that of our life together . . . But the bottle is picked up by Theresa, a mother with a shattered past, who feels unaccountably drawn to this lonely man. Who are this couple? What is their story? Beginning a search that will take her to a sunlit coastal town and an unexpected confrontation, it is a tale that resonates with everlasting love and the enduring promise of redemption.

The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his charming brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is

The Internationally Bestselling Debut Thriller Also Available as a Paperback Original “Emotionally charged and tautly plotted, Emily Elgar’s debut is a stunning example of psychological suspense.”—Clare Mackintosh, international bestselling author of I Let You Go and I See You From a terrific new voice in psychological suspense comes a gripping thriller in the vein of What She Knew and I Let You Go. A woman in a coma. The man who could save her life—if only he could speak. When young, beautiful Cassie Jensen arrives unconscious to the intensive care ward at St. Catherine’s hospital after being struck in a hit-and-run while out walking her dog, chief nurse Alice Marlowe thinks she looks familiar. She starts digging deeper into Cassie’s relationships, only to discover something about her patient that she’d been keeping secret from everyone, including her devoted husband and family. Soon Alice finds herself obsessed with her patient’s past and future, even willing to put her own career on the line in her single-minded search for answers. Frank, a patient on the same ward who has locked-in syndrome, can hear and see everything around him but cannot speak. Soon he comes to understand that Cassie’s life is still in danger. While the police continue to look for clues, only Frank holds the truth, but he’s unable to communicate it. As the novel flashes between points of view, the reader will get closer and closer to the truth of who Cassie Jensen was, and why she was out on the road that fateful night. . .

Douted by the singular sexual tastes and dark secrets of the beautiful, tormented young entrepreneur Christian Grey, Anastasia Steele has broken off their relationship to start a new career with a Seattle publishing house.

A brand-new Courtney Series adventure. The action-packed new book in the Courtney Series and the sequel to Courtney's War. Just because the war is over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the last outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. Legacy of War is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction.

Ovid's magnificent panorama of the Greek and Roman myths-presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit. The Metamorphoses is a masterpiece of Western culture-the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact. First published in 1946, Psychoanalytic Therapy stands as a classic presentation of "brief therapy." The volume, which is based upon nearly six hundred cases, derives from a concerted effort at the Chicago Institute for Psychoanalysis to define the principles that make possible a psychotherapy shorter and more efficient than traditional psychoanalysis and to develop specific techniques of treatment. While taking a psychoanalytic approach, the authors urge the therapist to plan carefully and sensibly to avoid letting every case drift into "interminable" psychoanalysis. They address not only psychiatrists and psychoanalysts, but also psychologists, general physicians, social workers, and "all whose work is closely concerned with human relationships."

Expressing yourself from behind a screen has always been the easy way out; and for Lady O - pen name of Olivia Cardoso - writing in this way makes her life lighter, less complicated, and easier to bear. Especially when she thinks of her past, and the oppression that came with it. Especially when she lives and breathes the insecurities her mother planted firmly inside her. Through the pages of her books, and the words of her newspaper column, the Upper East Side’s most infamous journalist demolishes men one-by-one, always fighting the corner of each woman who writes to her. She forgets, briefly, that these same men were the ones who caused her so much pain during her teenage years. But she can never fully forget - not about everything. Suddenly, Gerard Gordon comes crashing back into Olivia’s life: one of the main contributors to her suffering all those years ago. Spiteful, arrogant, deceitful...or so it seemed. Could it be possible that this cursed angel, with his sparkling sapphire eyes and spellbinding smile, is exactly who he claims to be? A neurosurgeon who is so fascinated by Olivia that he wants to protect her, even from herself? From the brilliant mind of Charlotte Lays, best-selling Italian author, comes this moving, ingenious novel, laden with emotion... Because, often, looks can be deceiving - and beauty does not always come from the heart. Charlotte Lays Pseudonym of Carlotta Pugli, born in 1980, who lives in Montale: a pretty little town embedded in the rolling Tuscan hills. She is lucky enough to have a husband, two children and a dog, who have taught her to fall in love with life. She enjoys writing about strong women in her sexy, mischievous novels.

From influential feminist artist and essayist Anaïs Nin, Delta of Venus is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book Review). Anaïs Nin pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing. "Inventive, sophisticated . . . highly elegant naughtiness."—Cosmopolitan

Pablo Borla’s marriage is reduced to confrontations with his wife over their daughter’s rebellious ways and his firm builds only repellent office blocks destroying the fabric of old Buenos Aires. It all changes with the arrival of a young woman who brings to light a murder committed decades ago by those in his office. A murder everyone assumed was forgotten. Claudia Piñeiro, after working as a professional accountant, became a journalist, playwright and television scriptwriter and in 1992 won the prestigious Pleyade journalism award. She has more recently turned to fiction; All Yours (finalist for the 2003 Planeta Prize) and Thursday Night Widows.
