When Turkey Tot and his friends spot some fat, juicy blackberries hanging high above their heads, Turkey Tot tries hard to figure out a way to reach them.

Unlike those in the wild, farm turkeys are round, plump, and unable to fly. Their heavy bodies keep them in their pens where they are safe and sound. Young readers will gobble up this fact-filled book about turkeys on the farm.

As Thanksgiving Day approaches, Turkey nervously makes a series of costumes, disguising himself as other farm animals in hopes that he can avoid being served as Thanksgiving dinner.

A REESE'S BOOK CLUB PICK Shortlisted for the Women's Prize for Fiction "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia Avenue A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the

taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a *Ficus carica* grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, *The Island of Missing Trees* is Elif Shafak's best work yet.

Turkey Tot

An unforgettable story about the fascinating behavior of the most elusive of wild game birds. When Joe Hutto began his experiment in imprinting two dozen wild turkey--in the tradition of the great animal behaviorist, Konrad Lorenz--he had no idea that it would change his life. Told with skill and humor, and vibrating with the natural wonders of the Florida flatwoods, *Illumination in the Flatwoods* will amaze and enrich all who share this season with the wild turkey.

Athena Lee was is back in the Navy. Her own military forget about her, assassins tried to kill her, her government locked her up and treated her as if she were a terrorist. She is just trying to what she does best. Be the best Engineer in the Galaxy. Now pirates are a threat to her while she searches for the Ghost ships of Terra!

When I Was a Turkey is a middle-grade adaptation of the remarkable true story of a naturalist who raised a flock of wild turkeys using imprinting. After a local farmer left a bowl of wild turkey eggs on Joe Hutto's front porch, his life was forever changed. Hutto incubated the eggs and waited for them to hatch. Deep in the wilds of Florida's Flatlands, Hutto spent each day living as a turkey mother, taking on the full-time job of raising sixteen turkey chicks. For two years, Hutto dutifully cared for his family, roosting with them, taking them foraging, and immersing himself in their world. In return, they taught him how to see the world through their eyes. Here is the remarkable true story of a man with a singular gift to connect with nature. A Christy Ottaviano Book

against President Erdogan in 2016, an event which shocked the world, journalist and novelist Kaya Genc travelled around his country on a quest to find the places and people in whom the contrasts of Turkey's rich past meet. As suicide bombers attack Istanbul, and journalists and teachers are imprisoned, he walks the streets of the famous Ottoman neighbourhoods, telling the stories of the ordinary Turks who live among the contradictions and conflicts of Anatolia, one of the world's oldest civilizations. The Lion and the Nightingale presents the spellbinding story of a country whose history has been split between East and West, between violence and beauty - between the roar of the lion and the song of the nightingale. Weaving together a mixture of memoir, interview and his own autobiography, Genc takes the reader on a contemporary journey through the contradictory soul of the Turkish nation. All three books in the series in one volume. Athena Lee had everything going for her. She graduated the Space academy and had become an Engineer. Lois E. Scott has generated and collected pithy one-liners for the past 50 years, gems that her husband Fred refers to as LOISisms. These one-liners can cut through the froth to the heart of a topic with wisdom, common sense, and often humor. They may give comfort to a hurting person, or challenge a teenager as he or she struggles to deal with this world. With these gems, she has guided and instructed three sons and eleven grandchildren and their friends. She is now working on seven great-grandchildren. Friends and family have enjoyed and have been challenged by her kitchen bar stool ministry. Hopefully, these gems will give the reader a laugh or two, or as the Christian comedian Ken Davis would say, “ Lighten up and live! ” If you are a believer in Jesus Christ, these gems may provide some food for thought as you live your life and raise your children. If you have not yet come to a saving relationship with the living Christ, hopefully some of these gems will challenge you to contemplate your relationship with Him, and hence your future beyond this limited time you have on this earth.

be a “refugee”? It is easy for those who live in relative freedom to ignore or even to villainize people who have been forced to flee their homes. After all, it can be hard to identify with others’ experiences when you haven’t been in their shoes. In *Hakim’s Odyssey*, we see firsthand how war can make anyone a refugee. Hakim, a successful young Syrian who had his whole life ahead of him, tells his story: how war forced him to leave everything behind, including his family, his friends, his home, and his business. After the Syrian uprising in 2011, Hakim was arrested and tortured, his town was bombed, his business was seized by the army, and members of his family were arrested or disappeared. This first leg of his odyssey follows Hakim as he travels from Syria to Lebanon, Lebanon to Jordan, and Jordan to Turkey, where he struggles to earn a living and dreams of one day returning to his home. This graphic novel is necessary reading for our time. Alternately hopeful and heartbreaking, *Hakim’s Odyssey* is a story about what it means to be human in a world that sometimes fails to be humane.
