

Non Abbiate Paura... Del Bullo

Zoe is wary when, in the dead of night, the beautiful yet frightening Simon comes to her house. Simon seems to understand the pain of loneliness and death and Zoe's brooding thoughts of her dying mother. Simon is one of the undead, a vampire, seeking revenge for the gruesome death of his mother three hundred years before. Does Simon dare ask Zoe to help free him from this lifeless chase and its insufferable loneliness?

Andrew Clements delivers the latest in his adventure-filled school series. This could be the last great Memorial Day weekend on Barclay Bay, and Ben knows it. This time next year, he might not be able to stand in the yard of the Oakes School and watch the harbor shake off winter—boats buzzing just beyond the bulkhead and families spreading picnics in the fields. If the school gets torn down and replaced by an amusement park, the town will never be the same. But that 's only if the school gets torn down. Ben and Jill are determined to keep that from happening. And the evil janitor Lyman has taken note. He 's following their every move—and undoing their progress along the way. Good thing Ben and Jill have a secret weapon. (Who knew that annoying Robert Gerritt would be such a spy wiz?) But Lyman has a secret weapon as well: a vicious guard dog. These kids are smart, but can they outsmart Lyman—and his beast—as the clock tick, tick, ticks toward total demolition?

A moving holiday story from New York Times bestselling author Andrew Clements. For Hart Evans, being the most popular kid in sixth grade has its advantages. Kids look up to him, and all the teachers let him get away with anything - all the teachers except the chorus director, Mr. Meinert. When Hart's errant rubber band hits Mr. Meinert on the neck during chorus practice, it's the last straw for the chorus director, who's just learned he's about to lose his job due to budget cuts. So he tells the class they can produce the big holiday concert on their own. Or not. It's all up to them. And who gets elected to run the show? The popular Mr. Hart Evans. Hart soon discovers there's a big difference between popularity and leadership, and to his surprise, discovers something else as well - it's really important to him that this be the best holiday concert ever, and even more important, that it not be the last.

Maria Scarpa de Masellis Palazzo è nata a Salento, piccolo paese cilentano, dove per quarant'anni ha svolto con amore e dedizione il servizio di insegnante nelle scuole elementari. In occasione di un congresso scolastico, ha presentato la sua prima silloge di poesie intitolata "Su per l'erta" e più tardi, con l'Editore Galstaldi di Milano, ha pubblicato la sua seconda raccolta col titolo "A bassa voce" e un libro di racconti per bambini intitolato "Un mondo piccolo così." L'autrice ha partecipato al giornale salernitano diretto da Eduardo Galdieri sul quale hanno visto la luce articoli vari, poesie, racconti e il romanzo "Antivigiilia" pubblicato a puntate. Si è iscritta al "Centro elaeico di fratemità latina" collaborando con alcuni poeti francesi che hanno voluto inserire due sue poesie nell'antologia "Poètes d'Italie". Col Gruppo Editoriale L'Espresso ha pubblicato il romanzo "Al di là dello specchio" Alcune sue opere sacre sono state rappresentate a Salento e in alcuni paesi del Cilento. Nel salone della scuola e nella piazza del suo paese sono state rappresenate con successo più di venti commedie scritte e musicate da lei stessa. Con l'Editore Arduino Sacco è stata pubblicata la sua sceneggiatura cinematografica "Bagliori nell'alba" presentata e commentata da Renzo Rossellini e dallo stesso autore col quale l'autrice ha pubblicato anche il romanzo "Fari, Fuffi e Fido" e un libro di favole intitolato "Favole per sognare." Con Aletti Editore hanno visto la luce la commedia intitolata "Incontri al buio" e due raccolte di poesie, "Cielo sul mondo" e "Parole scritte nell'aria" Altre sue raccolte sono state pubblicate in libri presentati dall'Editore Aletti in forma antologica, onde favorire la comunicatività tra i poeti mettendone a confronto ideologie e metodiche. Anche oggi l'autrice, nonostante l'età avanzata, continua a dedicarsi alla cultura e alla ricerca. Elena Palazzo

La stampa periodica milanese della prima metà dell'Ottocento: Concordanze

Saggio sui dialetti gallo-italici

Living among other people, in their families and communities, children become aware from a very early age of questions related to justice, and they search for the meaning of the world. By fostering an understanding of human rights, shaping opinion and developing attitudes, human rights education strongly supports this natural interest and learning process. This is what human rights education is about and this is what 'Composito manual on human rights education for children' is for. 'Compassio' is a starting point for educators, teachers and trainers who are ready to deal with human rights education with children of 7-13 years. The book covers the key concepts of human rights and children's rights, and provides substantial theoretical background to 13 key human rights issues, such as democracy, citizenship, gender equality, environment, media, poverty, and violence.The 42 practical activities serve to engage and motivate children to recognise human rights issues in their own environment. They help children to develop critical thinking, responsibility and a sense of justice, and help them learn how to take action to contribute to the betterment of their school or community. The manual also gives practical tips on how it can be used in various formal and non-formal educational settings.

è il compendio di Hank Reed. Come cittadino della Federazione delle nazioni unite significa che è in arrivo un mandato di sentenza di morte solo perché ha superato i sessant'anni. Riferito come "pensionamento" è un passo disperato del governo per risolvere il problema del sovrappopolamento. Il pensionamento è un accettare a malincuore il fatto di vivere su un pianeta governato tirannicamente. L'esecuzione di Hank va a gonfie vele ma si scopre che non è ciò che sembra. La famiglia Reed imparerà cose succede realmente quando i segreti verranno svelati.

*Once the legendary knights of the Gabala defended the nine duchies, their hearts were beautiful; their armor was beyond compare. They were greater than princes, more than men. But they were gone, disappeared through a demon-haunted gateway between worlds. Only one held back -- Manannan, whose every instinct told him to stay. Now he was the coward knight, and in torment. Murder and black magic beset the land. Rumors circulated that the king was enchanted, changed, that his soul was dead. . . . and that a reign of terror was about to begin. Now Manannan realized he would have to face his darkest fears: he had no choice but to ride through that dreaded gate and seek out his vanished companions. And the secret he would learn there would tear his soul apart. . . . "A sharp, distinctive medieval fantasy. Dramatic, colorful, taut." -- *Locus**

From #1 New York Times bestselling author Stephen King whose "storytelling transcends genre" (Newsday) comes "another winner: creepy and touching and horrifyingly believable" (The Boston Globe) a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis's parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kaliaha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Hall. Others, Luke learns, graduated to Back Hall, "like the roach motel," Kaliaha says.

"You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Hall, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the spectacular kid power of It, The Institute is "first-rate entertainment that has something important to say. We all need to listen" (The Washington Post).

As two clever boys exploit a clerical oversight, each one discovers new perspectives on selfhood, friendship, and honesty. Identical twins Ray and Jay Grayson are moving to a new town. Again. But at least they'll have each other's company at their new school. Except, on the first day of sixth grade, Ray stays home sick, and Jay quickly discovers a major mistake: No one knows about his brother. Ray's not on the attendance lists and doesn't have a locker, or even a student folder. Jay decides that this lost information could be very...useful. And fun. Maybe even a little dangerous.

The Last Holiday Concert

The Best of Me (Movie Tie-In Enhanced Ebook)

50th Anniversary Edition

Troublemaker

Lost and Found

The second book in this riveting and mysterious six-book series is as action-packed as the first one, culminating in a faceoff between Ben, Jill, and Lyman. "After five bells sound, time to sit down" makes for a good riddle, but Ben and Jill also knows when it's time to stand up...for Oakes School and for themselves. Time is ticking as the countdown to Ben Pratt's school's total demolition continues. Ben has been given a handful of clues that could help them save the school, but they are all written in maritime riddles. "After five bells sound, time to sit down." What the heck does that mean? It's hard to know where to begin when Ben and Jill don't even know what they are looking for. All Lyman, the snake posing as the school janitor, needs to know, though, is that they are looking, and that could mean the end of the 30-million-dollar development deal that pays his salary. (Which, by the way, is MUCH larger than what a typical janitor makes.) As Lyman lurks in the shadows—and sometimes not in the shadows—Ben and Jill have to add another to do to their list of things to accomplish in the next twenty-one days: (1) figure out the clues left by past Keepers of the School groups, (2) figure out how these clues will help them save the school, and (3) stay one step ahead of Lyman. That's the mission...which seems, at times, impossible.

When his older brother gets in serious trouble, sixth-grader Clay decides to change his own mischief-making ways, but he cannot seem to shake his reputation as a troublemaker.

What motivates sexual abusers? Why are so few caught? Drawing on the stories of abusers, Anna C. Salter shows that sexual predators use sophisticated deception techniques and rely on misconceptions surrounding them to evade discovery. Arguing that even the most knowledgeable among us can be fooled, Salter dispels the myths about sexual predators and gives us the tools to protect our families and ourselves.

Winner of American Library Association Schneider Family Book Award! Bobby Phillips is an average fifteen-year-old-boy. Until the morning he wakes up and can't see himself in the mirror. Not blind, not dreaming-Bobby is just plain invisible. There doesn't seem to be any rhyme or reason to Bobby's new condition; even his dad the physicist can't figure it out. For Bobby that means no school, no friends, no life. He's a missing person. Then he meets Alicia. She's blind, and Bobby can't resist talking to her, trusting her. But people are starting to wonder where Bobby is. Bobby knows that his invisibility could have dangerous consequences for his family and that time is running out. He has to find out how to be seen again-before it's too late.

116 poems by the great 1st century B.C. Latin poet.

The *Sheik* is a 1919 novel by Edith Maude Hull, an English novelist of the early twentieth century. It was the first of a series of novels she wrote with desert settings that set off a major revival of the "desert romance" genre of romantic fiction. It was a huge best-seller and the most popular of her books, and it served as the basis for the film of the same name starring Rudolph Valentino in the title role. The novel opens in a hotel in the Algerian city of Biskra. A dance is being held, hosted by a young woman named Diana Mayo and her brother, Sir Aubrey Mayo. It transpires that Diana is planning to leave on a month-long trip into the desert, taking no one with her but an Arab guide. Nobody thinks this is a sensible idea, and Lady Conway-a real person who appears in the book as a minor character-disapprovingly attributes Diana's adventurous plan to her "scandalous" upbringing. Diana's mother had died giving birth to her and her father had killed himself from grief, with the result that Diana grew up tomboyish, with a freedom that at the time was normally only allowed to boys. Before Diana leaves on her journey, her independent character is further established when she refuses a proposal of marriage, explaining that she doesn't know what love is and doesn't want to know. Once she begins travelling in the desert, it is not long before she is kidnapped by the eponymous Sheik, Ahmed Ben Hassan. It turns out her guide had been bribed. Ahmed takes Diana to his tent and rapes her, an event that happens off stage, between the second and third chapters. Diana spends a few months as Ahmed's captive, being raped regularly and brooding on her hatred for him and her self-loathing. Eventually, she is allowed increasing liberty and starts going riding with Ahmed's valet, Gaston. One day, she manages to escape Gaston on one of these rides and gallops away. She is quickly recaptured by Ahmed, however, and as they are riding back to camp, she is overcome by the sudden realisation that she is in love with him. She knows she can say nothing of this, as Ahmed-who claims to find love dull-will send her away if he learns of her love.

Voglio parlarvi di un argomento molto sentito dai ragazzi: il bullismo. Se ne parla spesso e tutti sanno che non è per niente giusto. Si sente spesso dire di ragazzi che insultano e ridono del loro coetanei, minacciano di picchiarli se fanno "la spia". Gli amici delle vittime spesso sono onertosi. Ho provato a riflettere sulle cause del bullismo ed ho capito: ognuno lo fa per una motivazione diversa! A volte si hanno problemi personali e familiari cui si reagisce utilizzando atteggiamenti aggressivi. Certi fanno i bulli per darsi importanza e per mettersi in mostra; altre volte, invece, si tratta di una semplice imitazione di figure di riferimento quali il papà o il fratello maggiore. Ho per voi una curiosità: persone famose come Taylor Swift, David Beckham o altri sono state vittime del bullismo. Se siete o no fan credo che già lo sappiate. Taylor Swift ricorda ancora i brutti momenti di quando a scuola veniva evitata da tutti. Adesso, grazie alla sua fama, le cose sono cambiate. Ho intervistato dei ragazzi vittime di bullismo (ovviamente non si tratta di persone famose). Ho trovato normale la loro vergogna riguardo all'argomento, così ho promesso loro di mantenere l'anonimato, usando degli pseudonimi.

Fare i genitori non è un mestiere facile. Pare anzi che, al giorno d'oggi, lo sia diventato ancora meno, e che ci sia più che in passato bisogno di orientamento. Nonostante gli episodi di violenza nelle nostre comunità e nelle nostre scuole aumentino in maniera preoccupante, talvolta le istituzioni tendono a non fornire alcun tipo di supporto alle famiglie, che avrebbero invece bisogno di conoscenze e competenze per garantire la sicurezza dei loro figli nella vita scolastica ed extrascolastica. Questo libro ha l'obiettivo di insegnare ai genitori alcune di queste abilità riguardo a uno dei fenomeni più pericolosi e sottostimati degli ultimi tempi: il bullismo. È stato scritto precisamente per loro, per aiutarli a evitare che i loro figli diventino vittime del bullismo o, se lo sono già, a cogliere in tempo i sintomi del loro disagio e impedire che vengano ulteriormente maltrattati. Intende essere uno strumento pratico, con suggerimenti e indicazioni efficaci per aiutare al meglio i bambini, restituendo loro la speranza di poter spezzare il cerchio della violenza, per vivere una vita felice e gratificante. Dal libro Ci si può imbattere nel bullismo in ogni angolo di strada, in ogni ordine di scuola, in ogni istituto. Per prevenirlo, e per limitarlo, occorre fare degli sforzi sistematici in ogni scuola. Occorre un impegno condiviso da tutti, dentro il sistema scolastico, per procedere in questa direzione. È necessario che anche gli adulti facciano la loro parte, ivi compresi i genitori e le altre figure di riferimento della comunità. Non sempre ciò avviene: forse non ci crederete, ma mi è davvero capitato di sentire dirigenti scolastici che sostenevano l'assenza, nelle loro scuole, di ogni forma di bullismo. Che gli adulti neghino l'esistenza di questo fenomeno, o che la ignorino, è quanto di peggio potrebbe accadere a un bambino. Se invece insegnanti, genitori, rappresentanti della comunità e ragazzi stessi lavorano di comune accordo, diventa allora possibile prevenire il bullismo, interromperlo, o per lo meno ridimensionarlo. Mi viene spesso da chiedermi se riusciremo mai a eliminarlo, considerata la natura degli esseri umani. Eppure, nutro grandi speranze al riguardo. Mi auguro che vostro figlio non debba mai patirli il bullismo. Spero che la sua vita sia piena di salute, pace e felicità. Se così non è, spero che questo libro abbia portato un po' di luce, anche in mezzo all'oscurità. Spero che anche vostro figlio porti un po' di luce dentro l'oscurità degli altri.

Colin Fischer is 14 and has Asperber's. Although he struggles to understand human emotions, he's brilliant at logical deduction. Sherlock Holmes is his pin-up. When a gun fires into the ceiling of the school cafeteria, everyone blames Wayne, school bully and usual suspect. But Colin Fischer turns detective; only he spots a connection between the gun and some birthday cake. Only Colin can uncover the truth. A brilliantly entertaining read for anyone who loved The Curious Incident of the Dog in the Night-time.

Conoscete qualcuno che vi fa sentire davvero tanto deboli? Vi capita di evitare delle persone perché sapete che vi rovineranno la giornata se le incontrate? La vostra vita cade a pezzi da quando avete iniziato una relazione con una persona "unica"? È possibile che abbiate incontrato i vampiri della vita reale. Sappiamo che i vampiri, ovvero i succhiatori di sangue non-morti, sono personaggi inventati, ma ci sono persone realmente in grado di esaurire l'energia vitale degli altri e alle quali dovreste fare attenzione. Queste persone non sono altro che i vampiri energetici. I vampiri energetici sono persone che succhiano la vostra energia personale. Riescono a farlo persuadendovi a diventare dipendenti da loro, indebolendovi affinché diventiate indifesi contro i loro attacchi e confondendosi per evitare che vi rendiate conto di essere loro vittime. Perché lo fanno?

A Penguin Classics Deluxe Edition of a counterculture classic, and the inspiration for the new Netflix original series Ratched, with a foreword by Chuck Palahniuk Boisterous, ribald, and ultimately shattering, Ken Kesey's 1962 novel has left an indelible mark on the literature of our time. Now in a new deluxe edition with a foreword by Chuck Palahniuk and cover by Joe Sacco, here is the unforgettable story of a mental ward and its inhabitants, especially the tyrannical Big Nurse Ratched and Randle Patrick McMurphy, the brawling, fun-loving new inmate who resolves to oppose her. We see the struggle through the eyes of Chief Bromden, the seemingly mute half-Indian patient who witnesses and understands McMurphy's heroic attempt to do battle with the powers that keep them all imprisoned. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberator "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past? Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream. Complete your Divergent library with Four! Fans of the Divergent trilogy by #1 New York Times bestselling author Veronica Roth will be thrilled by Four: A Divergent Collection, a companion volume that includes four pre-Divergent stories plus three additional scenes from Divergent, all told from Tobias's point of view. This collection also makes a great pick for fans of the blockbuster movies who want to delve deeper into the character played by Theo James. Readers first encountered Tobias as "Four" in Divergent. His voice is an integral part of Allegiant. Readers will find more of this charismatic character's backstory told from his own perspective in Four: A Divergent Collection. When read together, these long narrative pieces illuminate the defining moments in Tobias's life. The first three pieces in this volume—"The Transfer," "The Initiate," and "The Son"—follow Tobias's transfer from Abnegation to Dauntless, his Dauntless initiation, and the first clues that a foul plan is brewing in the leadership of two factions. The fourth story, "The Traitor," runs parallel with the events of Divergent, giving readers a glimpse into the decisions of loyalty—and love—that Tobias makes in the weeks after he meets Tris Prior. Also includes three additional scenes from Divergent, told from Tobias's point of view!

Edith Maude Hull / Novel

The Landry News

Non abbiate paura... del bullo

NEW STUDENT GETS OLD TEACHER The bad news is that Cara Landry is the new kid at Denton Elementary School. The worse news is that her teacher, Mr. Larson, would rather read the paper and drink coffee than teach his students anything. So Cara decides to give Mr. Larson something else to read—her own newspaper, The Landry News. Before she knows it, the whole fifth-grade class is in on the project. But then the principal finds a copy of The Landry News, with unexpected results. Tomorrow's headline: Will Cara's newspaper cost Mr. Larson his job?

From the New Adult sensation and New York Times bestselling author of Rival Jaxon is the guy she's supposed to avoid. K.C. is the girl he won't let get away... K. C. Carter has always followed the rules—until this year, when a mistake leaves her the talk of her college campus and her carefully arranged life comes crashing to a halt. Now she's stuck in her small hometown for the summer to complete her court-ordered community service, and to make matters worse, trouble is living right next door. Jaxon Trent is the worst kind of temptation and exactly what K.C. was supposed to stay away from in high school. But he never forgot her. She was the one girl who wouldn't give him the time of day and the only one to ever say no. Fate has brought K.C. back into his life—except what he thought was a great twist of luck turns out to be too close for comfort. As they grow closer, he discovers that convincing K.C. to get out from her mother's shadow is hard, but revealing the darkest parts of his soul is nearly impossible...

When Students Love to Learn and Teachers Love to Teach In this revolutionary book, Marshall Rosenberg empowers educators to transform schools into life-serving, learning-rich environments that maximize the potential of each student. Filled with insight, adaptable exercises and role-plays, Life-Enriching Education gives educators practical skills to generate mutually respectful classroom relationships.
