Keeping a journal for your vegetable garden is like taking notes in class. Every year you'll have some successes and failures. This journal is designed to give you a place to record important information about the food you grow so you can be a better

Download Free
Project Garden: A
Month By Month
gardener.From
Guide To Planting,
record keeping to
sketching your
garden plans, there's
a place for everything
in this journal. Each
month you have a
place to record a list
of tasks, planting
inventory, harvest
inventory, make
notes, sketch plans,
and more.In the back
of the journal, there's

Download Free Project Garden: A Month By Month

extra space for sketching, a place to record your favorite (and least favorite) plants of the year, a garden wish list, and blank charts to fill in as you see fit.

Whether you choose to record plant variety comparisons or inventory your saved seed, root cellar, or preserves,

Download Free Project Garden: A Month By Month

there's plenty of
space to customize to
your needs. There's
even space to record
your favorite recipes
for your homegrown
food. You'll be
amazed by how
much you learn when
you start journaling
about your vegetable
garden today.
