

Raither Warriors The Complete Series (Books 1 4)

"I have read every one of the books in this series and I can't put them down once I start reading! Absolutely mesmerizing. I love the fact that each book builds on the last. I love "meeting" new characters and enjoy learning more about the previous characters. Not many authors do this in their series but when they do it is AMAZING! I feel as if I know each of them personally and am now dying for book 10 Dark Warriors Legacy to be available! I am sure it is going to be as awesome as the rest of the series!" "Wow! Can I give it 10 stars? Great story line , great characters. I'm totally invested in this series and following the author and anxiously awaiting the next one!" The new ghost in Nathalie's head remembers who he was in life, providing Andrew and her with indisputable proof that he is real and not a figment of her imagination. Convinced that she is a Dormant, Andrew decides to go forward with his transition immediately after the rescue mission at the Doomers' HQ.Fearing for his life, Nathalie pleads with him to reconsider. She'd rather spend the rest of her mortal days with Andrew than risk what they have for the fickle promise of immortality.While the clan gets ready for battle, Carol gets help from an unlikely ally. Sebastian's second-in-command can no longer ignore the torment she suffers at the hands of his commander and offers to help her, but only if she agrees to his terms.

This volume captures the complexity and diversity of ideas surrounding the life course in early medieval English culture, with chapters ranging across the interconnected realms of language, culture, medicine, onomastics, literature and the material world. Networks have long been regarded as methods to connect resources. While this is still that case, today's networks are required to support an increasing array of real-time communication methods. Video chat, real-time messaging, and always-connected resources put demands on networks that were previously unimagined. Fundamentals of Communications and Networking helps readers understand today's networks and the way they support the evolving requirements of different types of organizations. It covers the critical issues of designing a network that will meet an organization's performance needs and discusses how businesses use networks to solve business problems. Using examples and exercises, this book incorporates hands-on activities to prepare readers to proficiently understand and design modern networks and their requirements. The present book reflects on the life, work, and legacy of an exceptional and enigmatic woman: the philosopher and French Jewish mystic Simone Weil. It constitutes a testimony so unique that it is impossible to ignore. In a Europe where authoritarian regimes were dominant and heading, in a sinister manner, toward WWII, this woman of fragile health but indomitable spirit denounced the contradictions of the capitalist system, the brutality of Nazism, and the paradox of bourgeois thought. At the same time, her spiritual journey was one of zeal and sorrow - that of a true mystic - but her radical intransigence and passion for freedom kept her from actually approaching the institutional church. Curious and insatiable, she wanted to experience, in the flesh, the suffering of society's least fortunate and the truths of other religions. The reader will need to develop a discerning empathy for Simone Weil's sensibility, beyond her particular passion and zeal, in order to appreciate her in depth. But undeniable are this truly singular woman's authenticity, her capacity to suffer, her identification with the other, her inner passion, her almost magical perception of the depths of the human spirit. And that is why her story merits being toldas one of the great witnesses of our age. Early Medieval English Life Courses Annual Report of the American Historical Association Letters of William Vans Murray to John Quincy Adams, 1797-1803 Saved Warriors Virtues in Action

Introduction to Politics

This book provides a comprehensive examination of the police role from within a broader philosophical context. Contending that the police are in the midst of an identity crisis that exacerbates unjustified law enforcement tactics, Luke William Hunt examines of the police—those seeing them as heroes, warriors, and guardians. The book looks at the police role considering the overarching societal goal of justice and seeks to present a synthetic theory that draws upon history, law, society, psychology, and philosophy. Hunt's intent is that clarifying the police role will likewise elucidate any constraints upon policing strategies, including algorithmic strategies such as predictive policing. This book is essential reading for thoughtful policing and legal scholars as well as those in philosophy, political theory, psychology, and related areas. Now more than ever, the nature of the police role is a philosophical topic that is relevant not just to police officials and social scientists, but to everyone.

Ballantyne" is formatted for your eReader with a functional and detailed table of contents: The Coral Island Snowflakes and Sunbeams (The Young Fur Traders) Ungava Martin Rattler The Dog Crusoe World of Ice The Gorilla Hunters The Golden Dream The Red Eric Away in the Wilderness Fighting the Whales The Wild Man of the West Fast in the Ice Gascoyne The Lifeboat Chasing the Sun Freaks on the Fells The Lighthouse Fighting The Flames Silver Lake Winds Hunting the Lions Over the Rocky Mountains Saved by the Lifeboat Erling the Bold The Battle and the Breeze The Cannibal Islands Lost in the Forest Digging for Gold Sunk at Sea The Floating Light of the Goodwin Sands The Iron Horse The Norsemen in Black Ivory Life in the Red Brigade Fort Desolation The Pirate City The Story of the Rock Rivers of Ice Under the Waves The Settler and the Savage In the Track of the Troops Jarwin and Cuffy Philosopher Jack Post Haste The Lonely Island The Red Man's Revenge The Giant of the North The Madman and the Pirate The Battery and the Boiler The Thorogood Family The Young Trawler Dusty Diamonds, Cut and Polished Twice Bought The Island Queen The Rover of the Andes The Prairie Chief The Lively Poll Red Rooney The Fugitives Blue Lights The Middy and the Moors The Eagle Cliff The Crew of the Water Wagtail Blown to Bits The Garret and the Garden Jeff Benson Charlie to the Rescue The Coxswain's Bride The Buffalo Runners The Hot Swamp Hunted and Harried The Walrus Hunters Wrecked but not Ruined Six Months at the Cape Memoirs: Personal Reminiscences in Book Making

Father Santamaria becomes quite agitated as he watches Lady Melrose being escorted from the ball to her car. Scantly clad boys with chalk harnesses and trans-gender ushers trail just behind them. The priest is an intense character. He is a peeping tom to the activities, behind the hundreds of hidden peepholes and hidden wall spaces, that surround the old church buildings.

Lady Melrose's evening dress has been spoiled by Dolly the sheep. For her dignity, it is best that she leaves. As she disappears through the gates, we are interrupted by the blasphemous head of a statue. Its head has accidentally broken-off from the rest of the statue and captured the head in a laundry basket. They are followed by a rabble of guests, as they make their way across to the entrance porch of the archbishop's rectory. Father Santamaria takes control, whilst the archbishop can be woken and brought down to order with the head in the bucket.

In the meanwhile, it seems to channel multiple characters and slogans. One entity is a grumpy old Speaker of the House whom we assume has passed over. We observe the dropping of the 'Little Boy' and 'Fat Man' (1945) atomic bombs, as they are channelled through the head. Other voices come through—to give the guests some cheek.

The head is one of the most fanciful props of the novella. It is an artistic device: simply a 'channel' by which a variety of voices come through to exclaim a set of lines and slogans, such as for example, Gandhi's universal mantra, 'Truth, Force'.

It is Dirk and Micah, a technician that rescue the situation. They suggest to the archbishop that they try to attach the head back on to the body of the statue.

The last part of the chapter features a short performance by a fancy-trick, performance donkey; as he swills beers and swallows them. His final act involves an interaction with a baby tub, which the audience enjoy as they are led by Royston Bustwick, the donkey on.

Archbishop Garibaldi features for a few moments as he deals with what is a metaphysical problem. There is humour mixed with irony derived by the way the statue is silenced. The proctor's news of apparitions in the Cathedral is an artistic re-conjuring of the period. In that time, winged angels were prevalent in some of the great devotional paintings of the period. Eventually - this form of art almost disappeared entirely as the Renaissance drew to a close. The angels re-surfaced in other forms and depictions in the 19th century.

In recent decades, many philosophers have considered the strengths and weaknesses of a virtue-centered approach to moral theory. Much less attention has been given to how such an approach bears on issues in applied ethics. The essays in this volume address this issue to a variety of contemporary moral issues, and in so doing offer a fresh and illuminating perspective. Some of the essays focus on a particular virtue and its application to one or more realms of applied ethics, such as temperance and sex or humility and environmental ethics. Other chapters focus on an issue in applied ethics and bring several virtues into a discussion of that issue or realm of life, such as sport, education, and business. Finally, several of the chapters engage relevant psychological research as well as current neuroscientific research in support of the philosophical arguments.

The Darkness of Light

Compassion Fatigue and Burnout in Nursing, Second Edition

? ????? ??????. The Greek Testament, with English notes, critical, philological and explanatory ... By the Rev. S. T. Bloomfield ... Fifth edition, revised

The City of the Saints

Bringing together an expert team of authors, Introduction to Politics, Second Edition, provides an intellectually stimulating yet accessible introduction to politics that takes current global realities into account. The text is divided into three sections that reflect the authors' expertise: concepts and ideologies, comparative politics, and international relations. Moving beyond a descriptive narrative, the authors take an analytical approach that introduces students to the debates and inherent complexities of the topics covered. Adopting an international perspective, the authors avoid a focus on Western democracies and assumptions of liberal democratic supremacy, instead illustrating points by using examples from a wide range of places including the Islamic states, Eastern Europe, Asia, and Africa. One third of the book is dedicated to international relations, and the authors also examine transnational factors and forces throughout. Introduction to Politics is enhanced by excellent pedagogical features including case-study boxes, numerous practical examples, readers' guides, key points, cross-references, a guide to further reading, and a glossary. An innovative Companion Website features additional case studies and a variety of resources for both students and instructors. New to this Edition: * A substantially revised final section on global politics that is more integrated with the first two parts of the text * A new case study on Wikileaks, a highly topical example * Increased coverage of hung parliaments, federal systems, the financial crisis, and securitization

World War II, 1939-1945, was easily the most destructive war in history; claiming the lives of from fifty to sixty millions of people. This historical fiction takes us "behind the scenes" in the lives of everyday people who became reluctant warriors. Each of the men depicted in this bookJoseph [Chip] Wiley, Jimmy DeValery, Harry Conners, and Theodore Rodgers[were admirable people who gave everything they had and became Army scouts, men in aircraft like the B-25, B-17, P-38, P-47. They went from the guy next door to operating Navy PT boats, submarines, destroyers, and heavy cruisers. They did what America and the world needed them to do. These men, and the millions they represent, had lives, families, and careers they left behind. And they were not the only ones to report for duty: their families also had to fight daily battles through hardships, through defeats, through loss. Reluctant Warriors brings these stories home to our hearts and reignites our gratitude for those who fight so we can live free.

Between the Great Depression and The Second Great War, lies a story of two men with similar goals of finding one Nazi Soldier name James Stein. One of them was a young 30-year-old black man named Siddiq Walser and the other was a young 30-year-old white male Nazi Soldier named Marchellus Book. The Journey these men will soon come across with each other and during their time, they had to face many battles in order to make things better during crisis. As they try to find James Stein, they keep on getting into trouble and making their situation even worse. These two men soon realized that they must fight their way through and may have to keep on fighting to finish it all.

R. M. Ballantyne was a prolific author, whose most famous novel [The Coral Island] helped change the course of children's literature. This comprehensive eBook presents Ballantyne's complete fictional works, with numerous illustrations, rare texts appearing in digital print for the first time, informative introductions and the usual Delphi bonus material. Mystic of Passion and Compassion

The Complete Works of R. M. Ballantyne

The Crystal Warriors Series Bundle

A talented young artist whose dreams have been crushed... A crystal warrior who'd rather die than be condemned again... Jade's so desperate to provide for her chronically ill sister that she decides to sell herself. Her first "client" locks her in a motel room with Malach, the Crystal Warrior destined to be her life-mate. Malach is a complex, compelling man, and he soon captures Jade's heart. But Malach has a dark secret: he plans to kill himself rather than risk being imprisoned in his cursed crystal a third time. And saving him could be a losing battle... because he's still in love with the woman who refused to bond with him decades ago.

Are you a leader who has been called abrasive, aggressive, or even a bully? This book is written for—rather than about—you. You have probably noticed that many, if not most authors and speakers who deal with this subject refer to leaders like you with demeaning names, because they think you need to be more respectful. Jordan Goldrich challenges this irony—or perhaps hypocrisy—by recognizing that, in reality, you possess a warrior spirit that is crucial to the success of organizations in our current VUCA environment (volatility, uncertainty, complexity, and ambiguity). Goldrich acknowledges that (just like himself) these leaders are imperfect human beings whose leadership or communication styles can sometimes create a negative impact. But he also acknowledges an important truth—that they bring unique value to the workplace and to society. His challenge to you, in this book, is to become a better leader by measuring yourself against the greatest warriors on the planet: the Navy SEALs, the Green Berets, and the rest of the special operations community—because you have something in common with them. Like you, these heroes have an uncommon desire to succeed, are committed to taking charge, and are focused on accomplishing the mission. In addition, they commit to humbly serve and to place the welfare and security of others before their own. Goldrich shows you how to do the same. Some of the author’s advice revolves around the clever use of the phrase, “The Least You Can Do.” If you are interested in doing the least you can do to be both authentic and protect yourself in a politically correct, over-protective world, you will find what you need in Workplace Warrior. If, on the other hand, you want to do the least you can do in the sense that it is the right thing to do, you will find resources to authentically take your leadership to a higher level. Human resources executives, executive coaches, and people who work with and for leaders labeled as abrasive or bullies will find a unique perspective on these leaders’ motivations and mindsets—and will then be able to do their part in building collaborative relationships with their colleagues.

"The City of the Saints, and Across the Rocky Mountains to California" by Richard Francis Sir Burton. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Warfare exerts a magnetic power, even a terrible attraction, in its emphasis on glory, honor, and duty. In order to face the terror of war, it is necessary to face how our biblical traditions have made it attractive -- even alluring. In this book Mark Smith undertakes an extensive exploration of "poetic heroes" across a number of ancient cultures in order to understand the attitudes of those cultures toward war and warriors. Smith examines the Iliad and the Gilgamesh; Ugaritic poems commemorating Baal, Aqhat, and the Rephaim; and early biblical poetry, including the battle hymn of Judges 5 and the lament of David over Saul and Jonathan in 2 Samuel 1. Smith's Poetic Heroes analyzes the importance of heroic poetry in early Israel and its disappearance after the time of David, building on several strands of scholarship in archaeological research, poetic analysis, and cultural reconstruction.

Reverse Harem and Menage Sci-Fi Romance Series Abducted? Check. Caged with female aliens, only wearing my birthday suit? Double-check. Swoon-worthy male aliens brooding my way? Triple-check. Oh, God! I'm in trouble. Kalista Foster is a fighter and a survivor—ready for any challenge that comes her way. That's what life and serving in the military taught her. Getting abducted wasn't high on her list of priorities, and when it happens, escaping becomes the most important thing she'll ever do. But there's a problem, or rather, three drop-dead gorgeous problems standing in her way to freedom. And it seems she's not the only one in a bind. Her alien saviors need to overcome their own obstacles too, but they claim she's the key to their survival and demand her surrender. Given what she's been through, trust isn't something she offers freely, but if anyone can change her mind, it just might be them. That is, if they can work together long enough to outwit and outrun outside forces bend on separating the fated mates before they have a chance to establish their bond. Saved Warriors, book 2 in the Intergalactic Enosis: The Pyxis System series, is a science fiction alien warrior MFMM reverse harem romance featuring a human female and three aliens who are determined to claim their fated mate. No M/M. A happily ever after is guaranteed. ** NOTE: This book contains violence, explicit sexual situations, bad-language, and content that some readers may find triggering. If this material offends you, please do not read. Visit aurorawelkin.com for further information. Best enjoyed when read after Fallen Warriors—free for my newsletter subscribers. What readers are saying about Saved Warriors "This book is absolutely magnificent! I loved the characters so much! Kali is brave, sarcastic and strong. She's been through a horrible experience in her past but she's one tough cookie and holds her own even amongst aliens. Arana, Rorc and Mac are strong, possessive and domineering. I loved their stubbornness, thoughtfulness and determination to keep and protect their mate. They're just absolutely wonderful and yummy. The chemistry between the four is out of this world and scorching hot. I loved how their relationship developed throughout the story. They might be strong each on their own, but together they are a force to be reckoned with. I really liked that we got a glimpse of both planets - Saber and Wravuk. Both look quite intriguing and beautiful. Overall, the story is filled with action, drama, fun, conflicts, alpha characters and sizzling romance. I loved every page of it and can't wait for more stories from the Pyxis System!" Nevena, Goodreads "loved it !!! love this series !!! this is book 2, where are heroes all meet. Kali, Arana, Mes and Rorc. they are all broken and not only need each other but, complete each other. they are in an unique situation and have to accept it ASAP...danger is all around...you will cry and scream some more....and have hope..." Indie, Goodreads "This book was a very well-written story by a new favorite author to me, Aurora Welkin. This book 2 in Intergalactic Enosis: The Pyxis System Book Series was interesting and it had very well-thought out scenes, characters, and story. These characters have strong wills and personalities with realistic interactions.This wonderful story has the following: intrigue, twists, turns, adventure, action, love, steam and a HEA." Sara M., Goodreads "...Ms. Welkin has a way of drawing you into her stories with amazing storytelling and world building. She then takes you on a wild roller coaster ride and trust me you will need a fan and tall glass of iced tea in order to survive. Her characters are so delightfully flawed that you can't help cheer for their happily ever after..." Linda B., Goodreads "...The interaction among the characters helps to bring the story to life and keeps the reader intrigued. Action-packed, entertaining, and clever, this book is worth experiencing. It will have you eagerly looking forward to the next one in the series!" Emily P., Goodreads Intergalactic Enosis: The Pyxis System 1. Fallen Warriors (Arana - Origin Story) 2. Saved Warriors (Arana, Rorc, Mes, & Kali) 3. Divided Warriors (Urien, Thora, & River) 4. Broken Warriors (Calliboehr, Hunter, & Lyra) (Coming Q1 2022) Keywords: alien love, happily ever after, love books, love stories, romantic science fiction novels, sexually romantic books, alien romance, smoking hot alien, sci-fi romance, science fiction romance, no cheating, possessive male, fated mates, strong woman, galactic empire sci fi romance books, action scifi, alien warrior, genetic engineering, multicultural, intergalactic, alien shifter, alien royal, royalty, sabertooth, shifters, MFMM, reverse harem, slow burn, royalty, royal male, guaranteed HEA, military, science fiction romance, paranormal romance, psychic romance, space opera, abducted bride, alien mate, mate, scifi harem, Sabertian, Wravukian, Intergalactic Enosis, warrior.

And Across the Rocky Mountains to California

Western Novels, Sea Tales, Historical Thrillers & Children's Books: The Coral Island, The Gorilla Hunters, The Prairie Chief...

Delphi Complete Works of R. M. Ballantyne (Illustrated)

To be as good as them, she has to be better...A female warrior in a world of men, Vixen has spend most of her life proving herself. The only female kyn to carry warriors marks, she's as deadly as the blades she wields night after night, protecting the innocent from the bloodsuits and savagery of the rogue vampires that plague their society. But everything comes with a price. Proving herself a warrior means no man sees her as a woman and other women see her as a freak. Even though she's locked down her feelings, she's never been able to squash some very female thoughts where fellow warrior, Kalen, is concerned.Asked to stand in as a bridesmaid at the king's wedding, Vixen must face her toughest challenge yet... appearing in a dress rather than her warriors leathers. And she's not the only one surprised by the change...The female of the species is definitely more deadly than the male, especially this one...Kalen has had his eye on Vixen for years, but he's not stupid enough to try his luck, not when she shuts him down at every opportunity. But a stolen moment in the garden at the king's wedding and the hottest kiss he can ever recall shatters his carefully constructed indifference. Vixen is his... until his ex-wife steps in and Vixen thinks he's playing her for a fool. Getting back into her good graces isn't going to be easy, not when he manages to screw things up with her at every step.But when Vixen is kidnapped, and a challenge fight goes horribly wrong, will he be prepared to make the ultimate sacrifice rather than lose her forever?*"Please note this was previously released title under the title of 'Blood Sacrifice'"

"Dr. Todaro-Franceschi calls us to look with open eyes, open hearts, and open minds at the good, the bad, the ugly, and the ugliest in health care so that together we can cultivate a healthcare world in which compassion prevails and our shared humanity is embraced... It is up to all of us to hold and safeguard each other in this sacred work. Dr. Todaro-Franceschi helps us in this mission through this extraordinary book." Mary Koloroutis, RN, MSN CEO Creative Health Care Management, Minneapolis, Minnesota Co-Creator of the Relationship-Based Care Model In this second edition of her seminal text, Dr. Todaro-Franceschi offers new insights on professional quality of life, incorporating current practice, research literature, and examples to show how contentment and happiness of the nursing workforce is related to quality of care. The book provides practical strategies for dealing with a myriad of issues, including compassion fatigue, burnout, moral distress, caring for the dying, PTSD, and workplace violence. This resource will help empower nurses so they can create a more compassionate work environment. Written by an acknowledged expert in end of life education, professional quality of life, and clinical leadership, the text addresses the complex nature of well-being in the nursing workforce. Supported by research but written from a holistic and personal perspective, the text includes case studies and exercises that will help the reader to identify negative patterns and explore ways to find purpose in one's life. New to the Second Edition: Expanded emphasis on how workforce well-being contributes to care quality Updated resources and information on national nursing initiatives related to professional quality of life New chapter on workplace violence (incivility, bullying and mobbing) New chapter on education related to improving PQOL and work environment Provides a Nurse Leaders Resource Toolkit to guide staff education Key Features: Articulates an ethic of care developed from a transdisciplinary perspective Increases nurse awareness of issues that might be hindering their PQOL Provides strategies for enhancing staff contentment and productivity, thereby promoting a healthy work environment Includes real-life examples from critical care, end-of-life care, hospice, oncology, and more Assists nurses with grief healing

Jade's Choice

*The Crystal Warriors Series Bundle*The Crystal Warriors Series (Books One, Two and Three)Maree Anderson

It has many names; Asatru – Odinism – Heathenry – Wodenism – Northern Traditions. Historical references, modern psychological analysis, and personal experiences form the basis for a voyage of discovery into the warrior ethos within the Northern Traditions. Were the Vikings, Anglo-Saxons and other Germanic tribes mindless barbarians or misunderstood spiritual journeymen?, does the Warrior have a place in modern society? And if so, how can it help you and I evolve spiritually, emotionally and physically in an age where emphasis is placed on "Me" rather than "We," a world that puts human greed before human need?. Together we will explore the Warriors weapons of Fortitude, Humility and strength of personal will. Has the Golden Era of the Hero passed or do we need them now more than ever? The author does not claim to be an Historian, Psychologist nor for that matter an "Expert" but rather, a prolific human observer walking the Warrior path who has complete belief that the God's and Goddesses are looking down on us all. Sometimes bleak, occasionally humorous but always brutally honest, Heathen Warrior is one man's personal quest to reclaim the Northern Hero and drag him kicking and screaming into a world that has forgotten his worth

Vodou, Santeria, Candomble and other religious practices in the African diaspora

The people who held the Amalgamation's empath's as virtual slaves have been defeated, and finally all the empath's are free to begin living their own lives. But all the trouble is far from being over with. No one knows that the empath's have freed themselves, and that's what needs to be done sooner rather than later. The job of helping with all the needed adjusting falls to Jilin meern Khay, a newcomer to Rimilia only three months after the end of Terry's story. And one of the biggest problems is that Jilin is herself a talented warrior, one who won't bow her head to the Rimilian male variety. It doesn't take long before the sparks begin to fly, especially since Jilin has a secret she hasn't mentioned...

Three full-length paranormal romances by Maree Anderson. The Crystal Warriors Series Bundle is approximately 234,000 words and contains: The Crystal Warrior (Book One, Chalcedony & Wulf's story), Ruby 's Dream (Book Two, Ruby and Kyan's story), Jade 's Choice (Book Three, Jade and Malach's story). The CRYSTAL WARRIOR, Book One: When career-focused dancer Chalcedony (Chalcey) accidentally breaks a wulfenite crystal, she 's confronted by a man dressed like an ad for We Love Leather. Wulf has finally escaped from a centuries-long hell and he wants Chalcedony more than anything he 's wanted in his entire life. Before either of them realize what 's at stake, Chalcey is bonded to Wulf and his life is in her hands. And when the Crystal Guardian 's curse threatens everything she 's worked for, Chalcey must figure out how to save Wulf before it 's too late. (Winner: Romance Writers of New Zealand Clendon Award for full-length romantic manuscript) RUBY'S DREAM, Book Two: Ruby 's plus-sized, boyfriend-less, and turning thirty. But things are looking up when her BFF gives her a piece of kyanite crystal, and Ruby encounters the most beautiful man she 's ever seen. Wow, best birthday present ever! Pity a veritable Adonis like Kyan couldn' t possibly be attracted to someone like her. Kyan can ' t figure what makes Ruby tick and seducing her proves to be a big mistake because now he wants more than Ruby 's prepared to give. They both think they 've got plenty of time to sort through this mess... and then the Crystal Guardian intervenes, and time runs out for them both. JADE'S CHOICE, Book Three: Jade 's so desperate to provide for her chronically ill sister that she decides to sell herself. Her first " client " turns out to be the Crystal Guardian, who promptly locks Jade in a motel room with Malach, the Crystal Warrior destined to be her life-mate. Malach is a complex, compelling man, and he soon captures Jade 's heart. But Malach has a dark secret: he plans to kill himself rather than risk being imprisoned in his cursed crystal a third time. And saving him could be a losing battle... because he 's still in love with the woman who refused to bond with him decades ago. Also available in The Crystal Warriors Series: OPAL'S WISH (Book 4, Opal & Danbur's story)

FROM POPULAR ROMANCE AUTHOR CHEYENNE MEADOWS This fast paced and smooth flowing plot captures the heart with drama and romance with a some danger and excitement added to spice things up. -The Jeep Diva Wind Warriors: Part One &- a box set 1 - Tiger's Lily When a wounded man shows up, Lily agrees to nurse him back to health, not realizing she will fall for his scowling brother. She vows to teach him to smile even as revenge-seeking criminals threaten their lives. 2 - Loco Loco knows he'll give his life in the line of duty as a Wind Warrior sooner rather than later, but once he meets his new neighbour, Oakley, he has something to live for. Love. 3 - Summer's Night Night tells himself Summer is his mother's physical therapist and nothing more. Until she's kidnapped on his watch and he realises how much he truly cares. 4 -Sky's Lark When a mission comes back to haunt Lark, will Bryce be able to protect her? The Wind Warriors exist for one reason: riding the earth of the most vile and lowest forms of humanity in existence. Former special ops members, these retired military men and one woman still carry the fire and drive to protect the innocent, only now they work in total secret, pick and choose their missions, and have free rein to complete their assignments in the most complete way possible. They take on impossible odds, put their lives on the line, and are only known to exist by the very top level of national security. Failure isn't an option. For them, finding love and settling down is a dream. Their career keeps them on the move and at the mercy of a phone call. Not to mention, the danger anyone attached to them could face if one of their targets tracks them back. Yet, as each one stumbles across a special person, they can't help but wonder if just maybe they can balance both work and love for the right person. After all, Wind Warriors are brave, smart, and downright determined. What they want, they find a way to get.
