lovers and a wonderful celebration of natural habitats all over the world! The Comedy Wildlife Photography Awards is one of the most popular celebrations of animal welfare and receives thousands of entries every year. It celebrates animals in their natural habitats being themselves. Backed by the global conservation charity Born Free Foundation, the awards applaud the tireless efforts made by some of the most talented wildlife photographers on the planet.

Illustrating his points with examples, and supporting them with the latest research findings, he documents the cognitive, social, and motivational processes that distort our thoughts, beliefs, judgments and decisions. In a rapidly changing world, the biases and stereotypes that help us process an overload of complex information inevitably distort what we would like to believe is reality. Awareness of our propensity to make these systematic errors, Gilovich argues, is the first step to more effective analysis and action.*
