

Rocky Horror Picture Show: Original Movie Scripts

Within just a few years, The Rocky Horror Picture Show grew from an oddball musical to a celebrated cinematic experience of midnight features and outrageous audience participation. This study tells the extraordinary story of the film from initial reception to eventual cult status. Uncovering the film's non-conformist sexual politics and glam-rock attitude, this volume explores its emphasis on the theatrical body (tattooed, cross-gendered, flamboyant), and its defiant queering of cinema history.

The Rocky Horror Show 40th Anniversary Songbook celebrates 40 years since the making of Richard O'Brien's schlock-horror musical masterpiece The Rocky Horror Show, which made its debut in London before going on to conquer the world. This collection contains all the songs from his glorious musical tribute to sci-fi and B-movie horror, arranged for Piano, Voice and Guitar, complete with lyrics and Guitar chord symbols. The exclusive 40th anniversary songbook is complete with a lavish photo section plus rarely seen scrapbook memorabilia from the composer. The Rocky Horror Show was always big on audience participation, so here's your chance to sing along with the music! The included card gives you instantly downloadable sound-alike backing tracks.

Queer Images chronicles representations of lesbian, gay, bisexual, and queer sexualities over one hundred years of American film. The most up-to-date and comprehensive book of its kind, it explores the ever-changing images of queer characters onscreen as well as the work of queer filmmakers and the cultural histories of queer audiences--from the works of discreetly homosexual filmmakers during Hollywood's Golden Age and classical Hollywood's attempt to purge sex perversion from films, to queer exploitation and physique films, cinematic responses to AIDS, and how contemporary Hollywood deals with queer issues. An essential volume for film buffs and anyone interested in sexuality and culture. Visit our website for sample chapter!

The Rocky Horror Picture Show

A Fram Stoker Award finalist for Best First Novel: This endlessly inventive thriller pays homage to 1950s Hollywood horror films—with a demonic twist Schlock horror director Landis Woodley lives in a decaying mansion in the Hollywood Hills. When he abandoned the movie business—after being reduced to filming skin flicks and peep shows—he also left a laundry list of enemies, including the IRS. But avid fan Clint Stockbern is determined to write a piece on the alcoholic recluse for *Monster* magazine. Woodley agrees to the interview—for \$600 in cash. As the tape recorder starts rolling, Stockbern travels back in time with Woodley. He hears recollections of *Attack of the Haunted Saucer*, the worst movie of all time, and *Blood Ghouls of Malibu*. But he really wants to know about Woodley's masterpiece, *Cadaver*. Shot on location in the Los Angeles County morgue, the film was rumored to have used real corpses and everyone associated with the production has been fatally haunted since its 1957 release. But the truth is far more terrifying than Stockbern imagined. Is a dead Satanist, possessed by the devil, reaching out beyond the grave? Or is the reporter the final victim in a diabolical scheme dreamed up by mortals? *Horror Show* is a wild and wacky romp that sends up mid-century Hollywood horror movies and schlockmeisters Roger Corman, William Castle, and Ed Wood.

5m, 5f (with doubling) / *Ints.* This girl loves ghoul rock and roll *Off Broadway* musical is set in the atomic 1950s at Enrico Fermi High, where the law is laid down by a zany, tyrannical principal. Pretty senior Toffeee has fallen for the class bad boy. Family pressure forces her to end the romance, and he charges off on his motorcycle to the nuclear waste dump. He returns glowing and determined to reclaim Toffeee's heart. He still wants to graduate, but most of all he wants to take Toffeee to the *"Working On A Song* is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anais Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hadestown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anais Mitchell with a foreword by Steve Earle *On Broadway*, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as “The best new musical of the season,” by *The Wall Street Journal*, and “Sumptuous.

Gorgeous. As good as it gets,” by *The New York Times*, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anais Mitchell takes readers inside her more than decade’s-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to Hadestown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from “the underground” evolved, and became the songs we sing again and again.

(Vocal Selections). "This show has guts!" proclaimed Richard Zoglin of Time magazine about this 2012 revival, which won the Off-Broadway Alliance Award for Best Musical Revival. It features music by Michael Gore, lyrics by Dean Pitchford, and book by Lawrence D. Cohen (based on the novel by Stephen King). Our folio features vocal selections for 18 songs from the *Mater* * And Eve Was Weak * Carrie * Carrie (Reprise) * Do Me a Favor * Dreamer in Disguise * Epilogue * Evening Prayers * I Remember How Those Boys Could Dance * In * A Night We'll Never Forget * Once You See * Open Your Heart * Unsuspecting Hearts * When There's No One * Why Not Me? * The World According to Chris * You Shine.

People Like Us is a photographic documentation of the tight-knit community of dedicated fans who perform in and produce weekly shows of The Rocky Horror Picture Show in theaters around the country, and who in doing so, have kept the film on screens in the pop-culture collective consciousness for forty years. These "shadow cast" performers spend countless reproductions of their characters' costumes, special theme nights, set fabrication, and promotions. The film becomes an anchor for their world, with its gently satirical silver screen archetypes and saucy one-liners lending themselves to an abundance of internet memes and fan fiction.

(FAQ). The Rocky Horror Picture Show FAQ is the in-depth story of not only the legendary stage show and movie but of a unique period in theatrical history in the movie's UK homeland as well as overseas. Rocky Horror has been performed worldwide for more than 40 years in over 30 countries and has been translated into more than 20 languages. Inside these pages sexual cabaret and political subversion, as modern mega-hit and Broadway disaster. At the movie house, we learn when to shout, what to throw and why people even do those things. Here is the full story of the play's original creation: its forebears and its influences are laid out in loving detail, together with both the triumphs and tragedies that attended it across anecdotes. The Rocky Horror Picture Show FAQ is the story of dozens of worldwide performances and the myriad stars who have been featured in them. From Tim Curry to Anthony Head, from Reg Livermore to Gary Glitter, from Daniel Abneri to Tom Hewitt, the lives and careers of the greatest ever Frank N. Furters stalk the pages, joined by the Riff-Raffs, Magent

book also includes the largest and most in-depth Rocky Horror discography ever published, plus a unique timeline The Ultimate Rocky Horror Chronology detailing the who, what, where, and when of absolute pleasure.

The Rocky Horror Treasury

The Original Sound Track from the Original Movie

The first scholarly collection devoted to The Rocky Horror Picture Show, dissecting the film from diverse perspectives including gender and queer studies, disability studies, cultural studies, genre studies, and film studies. This volume focuses on postmodern film aesthetics and contemporary challenges to the aesthetic paradigms dominating analyses of Hollywood cinema. It explores conceptions of the classical, modernist, post-classical/new Hollywood, and their construction as linear history of style in which postmodernism forms a debatable final act. This history is challenged by using Jean-François Lyotard's non-linear conception of postmodernism in order to view postmodern aesthetics as a paradigm that can occur across the history of Hollywood. This study also explores 'nihilistic' theorists of the postmodern, Jean Baudrillard and Frederic Jameson, and 'affirmative' theorists, notably Linda Hutcheon, charting the ways in which the latter provide the means to conceptualize nuanced and positive variants of postmodern aesthetics and deploying them in the analysis of Hollywood films, including Bombshell, Sherlock Junior, and Kill Bill.

The Rocky Horror Picture Show and Popular Culture

Based on the classic 1989 film, *Westerberg High* is ruled by a shoulder-padded, scrunchie-wearing junta: *Heather, Heather and Heather*, the hottest and cruelest girls in all of Ohio. But misfit *Veronica Sawyer* rejects their evil regime for a new boyfriend, the dark and sexy stranger *J.D.*, who plans to put the *Heathers* in their place – six feet under.

Punk Slash! Musicals is the first book to deal extensively with punk narrative films, specifically *British* and *American* punk rock musicals produced from roughly 1978 to 1986. Films such as *Jubilee*, *Breaking Glass*, *Times Square*, *Smithereens*, *Starstruck*, and *Sid and Nancy* represent a convergence between independent, subversive cinema and formulaic classical Hollywood and pop musical genres. Guiding this project is the concept of "slip-sync." Riffing on the commonplace lip-sync phenomenon, "slip-sync" refers to moments in the films when the punk performer "slips" out of sync with the performance spectacle, and sometimes the sound track itself, engendering a provocative moment of tension. This tension frequently serves to illustrate other thematic and narrative conflicts, central among these being the punk negotiation between authenticity and inauthenticity. Laderman emphasizes the strong female lead performer at the center of most of these films, as well as each film's engagement with gender and race issues. Additionally, he situates his analyses in relation to the broader cultural and political context of the neo-conservatism and new electronic audio-visual technologies of the 1980s, showing how punk's revolution against the mainstream actually depends upon a certain ironic embrace of pop culture.

Rock Musical Characters: 7 males, 3 females *Scenery: Interior That sweet transvestite and his motley crew did the time warp on Broadway in a 25th anniversary revival. Complete with sass from the audience, cascading toilet paper and an array of other audience participation props, this deliberately kitschy rock 'n' roll sci fi gothic is more fun than ever. "A socko wacko weirdo rock concert."*—NBC TV. "A musical that deals with mutating identity and time warps becomes one of the most mutated, time warped phenomena in show business."—N.Y.

Times. "Campy trash."—Time.

The hit series returns, cuz you can't kill a never-ending army of zombies...you can only hope to beat the \$%&# out of them! After tragically losing their first Chosen One against the zombie plague, Vampirella, Miss Fury, and what remains of the Project Superpowers look for a new savior -- but Ash Williams is an even more reluctant Deadite hunter than usual! This time, the Army of Darkness has ray guns, super powers and a brilliant new general: Evil Sonja, who takes her role of Queen of Hel quite seriously!

When The Rocky Horror Picture Show was released in 1975, it initially received an indifferent reception in movie theatres, but it began to gain notoriety after it was embraced by audiences at midnight screenings in New York City and elsewhere. The movie tells of the misadventures of Brad and Janet, newly engaged, whose car breaks down in a rainstorm, forcing them to seek refuge in the castle of the bizarre and flamboyant Dr. Frank-N-Furter. An homage to campy B-movies, sci-fi, and horror films, the movie was — and still is — more than the sum of its parts. Participatory and party-like, midnight showings attract moviegoers who dress as film characters, sing along with the catchy show tunes and interact with the action on screen. In the four decades since its release, it has become a cultural phenomenon, not to mention one of the most commercially successful films of all time. In Fan Phenomena: The Rocky Horror Picture Show, Marisa C. Hayes brings together a diverse group of writers who explore the film's influence on the development of the pastiche tribute film, emerging queer activism of the 1970s, glam rock style and the creative use of audience dialogue in recreating and interacting with the spoken and sung language of the film. Spotlighting a cult phenomenon and its fans, many of who count the number of times they've seen the movie in the hundreds, this contribution to the Fan Phenomena series covers never-before-explored topics related to The Rocky Horror Picture Show. For anyone who has ever done the "Time Warp", this will be essential reading.

Delving into the story and strangeness that is The Rocky Horror Picture Show, this revealing volume pays tribute to the cult classic and iconographical touchstone of 70s cinema, which has become a timeless romp that appeals equally to every fresh generation. Original.

When a small company of jobbing actors set out on the very first production of The Rocky Horror Show at the Royal Court Theatre on the Kings Road, London, in 1973, no one could have realised what a world-wide phenomenon it would become. Initially receiving mixed reviews, the stage show would enjoy a short life, but the subsequent film would steadily build a cult student following, filling hundreds of cinemas on a weekly basis, and gaining huge video sales. Now, in the 25th anniversary of the making of the infamous movie starring Tim Curry, Richard O'Brien, Susan Sarandon, Meat Loaf and Barry Bostwick, we find out what went on behind the scenes from those who were there. This celebration of Transylvanian proportions brings the true fan completely up to date, interviewing the main stars of stage and screen productions, describing how each evolved, the good times, the squabbles, the tantrums, the jealousy and the greed as Rocky Horror made a special piece of history.

Creatures of the Night

SHAW ON SHAKESPEARE

In *The Mikado to Matilda: British Musicals on the New York Stage*, Thomas Hischak provides an overview of British musicals that made their way to Broadway, covering their entire history up to the present day. This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City. The book covers 110 British musicals, ranging from 1750 to the present day, including the popular Gilbert and Sullivan comic operettas during the Victorian era, the Andrew Lloyd Webber mega-musicals of the late twentieth century, and today's biggest hits such as *Matilda*. Each London musical is discussed first as a success in England and then how it fared in America. The plots, songs, songwriters, performers, and producers for both the West End and the Broadway (or Off Broadway) production are identified and described. The discussion is sometimes critical, evaluating the musicals and why they were or were not a success in New York.
