"Zade Holder has always been a free-spirited young woman, from a long dynasty of tarot-card readers, fortunetellers, and practitioners of magick. Growing up in a small town and never quite fitting in, Zade is determined to forge her own path. She leaves her home in Tennessee to break free from her overprotective mother Dela, the local resident spellcaster and fortuneteller. Zade travels to Las Vegas and uses supernatural powers to become part of a premiere magic show led by the infamous magician Charles Spellman. Zade fits right in with his troupe of artists and misfits. After all, when everyone is slightly eccentric, appearing 'normal' is much less important. Behind the scenes of this multimillion-dollar production, Zade finds herself caught in a love triangle with Mac, the show's good-looking but rough-around-the-edges technical director and Jackson, the tall, dark, handsome and charming bandleader. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers"--Amazon.com

Newbery Medalist Laura Amy Schlitz brings her sorcery to a Victorian gothic thriller — an enthralling, darkly comic tale that would do Dickens proud. The master puppeteer, Gaspare Grisini, is so expert at manipulating his stringed puppets that they appear alive. Clara Wintermute, the only child of a wealthy doctor, is spellbound by Grisini's act and invites him to entertain at her birthday party. Seeing his chance to make a fortune, Grisini accepts and makes a splendidly gaudy entrance with caravan, puppets, and his two orphaned assistants. Lizzie Rose and Parsefall are dazzled by the Wintermute home. Clara seems to have everything they lack — adoring parents, warmth, and plenty to eat. In fact, Clara's life is shadowed by grief, guilt, and secrets. When Clara vanishes that night, suspicion of kidnapping falls upon the puppeteer and, by association, Lizzie Rose and Parsefall. As they seek to puzzle out Clara's whereabouts, Lizzie and Parse uncover Grisini's criminal past and wake up to his evil intentions. Fleeing London, they find themselves caught in a trap set by Grisini's ancient rival, a witch with a deadly inheritance to shed before it's too late. Newbery Medal winner Laura Amy Schlitz's Victorian gothic is a rich banquet of dark comedy, scorching magic, and the brilliant and bewitching storytelling that is her trademark.

In a world of uniformity and globalized styles, only some cultivated gentlemen retain their independence over the way they dress

and live. In this book, photographer Rose Callahan and writer Nathaniel Adams document the well-kempt lives of 57 protagonists of contemporary dandyism with a keen, yet empathic eye. Their carefully composed portraits not only depict the clothes, accessories, and homes of their subjects, but also capture the essence of their lifestyles in thoroughly entertaining and deeply insightful texts. The diversity of the men portrayed in *I am Dandy* is striking. They come from a variety of different countries, cultures, and social circles and make their livings in a range of occupations. By showcasing their styles, attitudes, and philosophies in all of their nuances, the book reveals that dandyism today is an attitude and calling that can be cultivated on any budget. In the much-anticipated follow-up to the bestselling *In the Company of Women*, Grace Bonney turns to older women in a celebration of intergenerational bonds between women, and the role those bonds play in sharing vital knowledge, stories, power, and history through generations.
