

STARGATE SG 1: Ouroboros

In 1997, the series "Stargate SG-1" first aired on American cable television and over the course of nearly nine seasons has developed its own unique mythological superstructure. "Stargate SG-1" focuses on the dynamic relationships among the show's main characters, the four-person first-contact team: SG-1. Each week they are taken to new planets where ancient human civilizations have been seeded as slave populations by the show's arch-villains, the parasitic, body-snatching Goa'uld. The series' concerns therefore range from ancient cultures and contemporary politics, to aliens and advanced technologies, all given life

with award-winning special effects and anchored by the central icon of the Stargate. "Stargate SG-1" has blossomed into a series driven by fierce fan loyalty, with lively internet discussion groups, growing 'textual poaching' in fan fiction and art, and popular annual conventions. It has also generated a spin-off, "Stargate: Atlantis". In this welcome critical celebration, contributors discuss "Stargate SG-1's" characters, cinematic techniques, its themes and its place within science fiction television and film, along with its interaction with fan fiction, its Canadian setting, its ideological framing in the American point-of-view, and the tensions between its humanistic morality and its representation of military/political objectives. There is also assessment of the currently fledgling "Stargate: Atlantis".

Written for both fans and scholars, the book also includes an episode guide to the first eight seasons of "Stargate SG-1" and to the first season of "Stargate: Atlantis", as well as a glossary of terms.

When a Stargate malfunction throws Colonel Cameron Mitchell, Dr. Daniel Jackson, and Colonel Sam Carter back in time, they only have minutes to live. But their rescue, by an unlikely duo - General Jack O'Neill and Vala Mal Doran - is only the beginning of their problems.

This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements. I've been told this information was once

classified as "Above Top Secret" and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format.

Hotep is a word associated with recognizing that there is a Creative Force eminent in all things. Hotep deals with the commemoration of the ancestors, some of whom are great figures that stand out in history, such as Imhotep, the world's first known multigenius and true father of medicine; Ptahhotep, the author or the world's oldest book of instruction; Neithhotep, the First Dynasty queen and wife of Pharaoh Mena; and Amenhotep, who designed the Ipet-Isut Temple in the west. All the major Western religions teach that man wound up being cast out of his heavenly abode due to woman's ungodly act of enticing him to eat of the fruit of the forbidden tree of the

knowledge of good and evil, thereby incurring the wrath of God. The Meaning of Hotep traces the historical records that have left an indelible proof that before God was conceived of in his masculine forms that are known of in the worlds today, God was, primarily, a woman. The Meaning of Hotep presents evidence that the Ten Commandments existed long before Moses and the Psalms before David. This book is for anyone interested in learning about spirituality in general.

The Meaning of Hotep

AN EVIL The creators of the monster called Link once were human, but that was distant ages in their past.

Now, from the far future, they have sent their creation back to shape the world of the 6th century AD into the form that will make their own foul existence possible.

Taught and ruled by Link, the Malwa Empire has spread from the Indus Valley, across India and into Mesopotamia. Its inhuman master has chosen its

A GUIDE Those in the future who never were human have sent their own messenger to the past: Aide, a gleaming jewel who can warn but not lead; who can teach the construction of new weapons but cannot wield those weapons himself. Aide has come to Belisarius, the greatest general of the 6th century and perhaps any century. Between them they have forged an alliance of all the world against evil^{3/4}and an army that can be the spear through evil's heart. A CRUSADE With lancers and
