

Saga: 7

In this national bestseller, David A. Robertson “weaves an engrossing and unforgettable story with the precision of a historian and the colour of a true Indigenous storyteller.” (Rosanna Deerchild) 7 Generations: A Plains Cree Saga is an epic, four-part graphic novel. Illustrated in vivid colour, the story follows one Indigenous family over three centuries and seven generations. This compiled edition was originally published as a series of four graphic novels: Stone, Scars, Ends/Begins, and The Pact. Stone introduces Edwin, a young man who must discover his family’s past if he is to have any future. Edwin learns of his ancestor Stone, a young Plains Cree man, who came of age in the early 19th century. When his older brother is tragically killed during a Blackfoot raid, Stone, the best shot and rider in his encampment, must overcome his grief to avenge his brother’s death. In Scars, the story of White Cloud, Edwin’s ancestor, is set against the smallpox epidemic of 1870–1871. After witnessing the death of his family one by one, White Cloud must summon the strength to find a new home and deliver himself from the terrible disease. In Ends/Begins, readers learn about the story of Edwin’s father, and his experiences in a residential school. In 1964, two brothers are taken from the warm and loving care of their grandparents, and spirited away to a residential school. When older brother James discovers the anguish that his brother is living under, it leads to unspeakable tragedy. In The Pact, the guilt and loss of James’s residential school experiences follow him into adulthood, and his life spirals out of control. Edwin, mired in his own pain, tries to navigate past the desolation of his fatherless childhood. As James tries to heal himself he begins to realize that, somehow, he must save his son’s life—as well as his own. When father and son finally meet, can they heal their shattered relationship, and themselves, or will it be too late? The complete Xenoworld Saga series – now available as a discounted e-book box set! Over 3,000 pages of thrilling post-apocalyptic fantasy set in The Wasteland Chronicles universe. Four hundred years after the Ragnarok War, the world will never be the same. Humanity never recovered from the impact of the meteor that unleashed the xenovirus. While the virus is no longer hostile to human life thanks to Alex Keener and his friends, there is strife between their Elekai descendants, the dragons, and those of pure human blood. As humanity fights amongst itself, an ancient evil awakens, plotting destruction. And at the center of it all stands Shanti Roshar, a young woman growing up in the slums of Colonia, capital of the Annaran Covenant. Her life forever changes the day she discovers she shares the blood of the Elekai, as well as their amazing connection to dragons. And that connection might be the world’s only hope... The Xenoworld Saga is the sequel series to The Wasteland Chronicles, and completes the overall story.

Naddalin is a young girl finds the link to the past, is a train that she falls too, in all ways; that is just a possessed as she is by it. The train takes over her body mind and soul, as she starts at wizard schooling, a hidden railway to a new world of good versus evil; where all the girls that have passed to young go too before their reasoned; to their new projects to linger within other minds.

Njáls saga is the best known and most highly regarded of all medieval Icelandic sagas and it occupies a special place in Icelandic cultural history. The manuscript tradition is exceptionally rich and extensive. The oldest extant manuscripts date to only a couple of decades after the saga’s composition in the late 13th century and the saga was subsequently copied by hand continuously up until the 20th century, even alongside the circulation of printed text editions in latter centuries. The manuscript corpus as a whole has great socio-historical value, showcasing the myriad ways in which generations of Icelanders interpreted the saga and took an active part in its transmission; the manuscripts are also valuable sources for evidence of linguistic change and other phenomena. The essays in this volume present new research and a range of interdisciplinary perspectives on the Njáls saga manuscripts. Many of the authors took part in the international research project “The Variance of Njáls saga” which was funded by the Icelandic Research Council from 2011–2013.

A Mistborn Novel

The historia mutila of Njála

Five years after attacking the human-colonized worlds of the Spiral Arm, the hydrogues maintain absolute control over stardrive fuel...and their embargo is strangling human civilization. On Earth, mankind suffers from renewed attacks by the hydrogues and decides to use a cybernetic army to fight them. Yet the Terran leaders don't realize that these military robots have already exterminated their own makers - and may soon turn on humanity. Once the rulers of an expanding empire, humans have become the galaxy's most endangered species. But the sudden appearance of incredible new beings will destroy all balances of power. Now for humans and the myriad alien factions in the universe, the real war is about to begin...and genocide may be the result.

What is TIME? What is REALITY? In King’s Gambit, Charles Sinclair ponders these questions and more as he slowly finds his way through the inner clockwork of an ancient Time Maze. It’s a perilous journey, planned by the Fallen Realm, but allowed by God Almighty to prepare the duke for his ultimate future. God’s ways are not our ways. He takes all our choices, all our mistakes, then weaves in the dark plots of fallen angels, demons, and devils, and he works all of it together for good, according to HIS plans and purposes. Because God is omniscient, seeing the end from the beginning, this great and mighty Lord of Armies faithfully prepares his angels and his human children, for every battle and every war. And so it begins...

The Spirian Saga continues with Shifter, bringing back familiar characters and an old grudge that resurfaces as a new and surprising conflict between the Spirians and Shadows. Standing at the apex of this conflict is Zebastian, a young Spirian with unique gifts that raise concern among his clan. After escaping the Shadows' clutches, he is accused of killing his brother and is branded a monster. Now banned from his clan, Zebastian confronts the crossroads that divide good and evil. Have the Shadows destroyed all that is pure in him? Kaili, a feisty female with high standards, has shunned every male who has tried to know her, earning her the detested title of "Ice Queen." That is until she meets Zebastian, a wolf shifter with a dangerous side that intrigues her spirit. Pursuing him, however, comes with a price. Is it one she is willing to pay? Time runs short as the Shadows rise with forces that threaten the Spirian clans. Will the Spirians prevail over impossible odds or will the Shadows rise the victor and claim a promising prize that ensures future conquests?

The titanic war between the elemental alien hydrogues and faeros continues to sweep across the Spiral Arm, extinguishing suns and destroying planets. Chairman Wenceslas and King Peter must now unify the human race with iron-fisted policies in a final bid to stand together -- or face total annihilation. But disparate civilizations are forging new alliances that threaten the old order. The Roamer and Theron clans will not yield their independence, and the new Mage-Imperator Jora'h now faces a threat that no other Ildiran leader has ever seen -- a civil war that could break apart the entire Empire.

Editorial Reviews "This series is a MUST READ. " -United Indie Book Blog Synopsis Dusty O'Donovan doesn't fear a feisty stud bull deemed untamable. The accomplished rider knows life presents much more fearsome challenges. The animal's owner, Zach McCray, is offering half a million dollars to anyone who can stay on him for a full eight seconds. That purse would go a long way to help Dusty and her brother rebuild their nearly bankrupt ranch. Will Zach let a woman ride his bull? Not likely. Still, the headstrong Dusty intrigues him. Her father worked on the McCray ranch years ago, and Zach remembers her as a little girl when he was a cocky teen. Times change, and now she's a beautiful and desirable young woman. A few passionate kisses leave Zach wanting more, but will Dusty's secrets tear them apart? Destiny Jones ist eine lausige Prinzessin. The Mighty Laid Low Thanks to his claim by lineage, the attackers surrounding Jomsborg want Thorfinn to be their leader, but it is a mantle he intensely rejects. When the battle for leadership over the powerful Jomsvikings reaches a stalemate, Thorfinn must make a critical decision. With Gudrid held captive within the fortified city, walking away will not be an option. He must infiltrate Jomsborg to break her out, and the ensuing battle will leave the greatest mercenary force in the North Sea changed forever...

Savannah Orlando escaped horrendous abuse and torture at the hands of her father. As his trial approaches, she struggles to accept her newfound happiness with her husband, Damián, and to keep from falling back into old habits that once served her well, but no longer work. Nightmares and memories of the past threaten to destroy all she has gained since her escape. Damián Orlando knows her father will go to any lengths to destroy them, even from within custody. The need to protect Savannah wars with his need to prepare her to face again the monster who robbed her of her childhood innocence. If anything happens to Savannah, their daughter, or their unborn child, Damián will finish the job he started at the desert compound where he rescued her.

Representative of a unique literary genre and composed in the 13th and 14th centuries, the Icelandic Family Sagas rank among some of the world’s greatest literature. Here, Heather O’Donoghue skilfully examines the notions of time and the singular textual voice of the Sagas, offering a fresh perspective on the foundational texts of Old Norse and medieval Icelandic heritage. With a conspicuous absence of giants, dragons, and fairy tale magic, these sagas reflect a real-world society in transition, grappling with major new challenges of identity and development. As this book reveals, the stance of the narrator and the role of time – from the representation of external time passing to the audience’s experience of moving through a narrative – are crucial to these stories. As such, Narrative in the Icelandic Family Saga draws on modern narratological theory to explore the ways in which saga authors maintain the urgency and complexity of their material, handle the narrative and chronological line, and offer perceptive insights into saga society. In doing so, O’Donoghue presents a new poetics of family sagas and redefines the literary rhetoric of saga narratives.

After Nathan and Verin save Rose and Sharon they travel to Balta, the home of Nathan's mother's family. Where they find a new home. One filled with magic and Intrigue.

In the far future, humanity began to search the stars, sending out vast spaceships that would take generations to reach their goals. In the depths of space they encountered the Ildiran empire – apparently the galaxy's only other intelligent civilization. The Ildirans came to Earth and passed on the knowledge of their stardrive, allowing humanity to expand to the stars. Almost two hundred years after that first contact, there are human colonies proliferating through the galaxy. As Mankind seizes the future, danger comes from the past, for two human archaeologists glean forbidden knowledge from the ruins of a dead world. Once, the insect-like Kliikiss ruled the stars. Now, only their robot servants remain, guardians of a terrible technology – the Kliikiss Torch, which has the power to create suns. Now, Humanity prepares to flex its new found muscle and activate the Torch for the first time in millennia, but there are reasons the Kliikiss empire fell, and a train of events is about to be set in motion, that will change the universe...

Destiny Jones is a princess with a bad attitude. She doesn't play nice with others, she doesn't dress up in pretty clothes, and she has absolutely zero interest in behaving like a lady. Especially when she's so close to catching the people who tried to have her killed. Oh, and kidnapped her mother, queen of the planet Alera. Destiny's sex-starved body, and it's annoying Aleran Ardor, might kill her if her enemies don't find her first. But she's not afraid to suffer, or risk her life to protect those she loves, but she's terrified of risking her heart.Vennix was trained to hunt and to kill from the shadows. After years of serving in the Hive wars as an elite member of the Coalition's Shadow Unit, he returned home to fight for the one thing he believes in, honor. Dedicating his life to the queen's guard was an easy decision-but watching the most beautiful woman he's ever met repeatedly risk her life is about to drive him mad.Because Destiny is his. His body awakened for her. And if his new mate thinks Nix will stand idly by as she suffers without his skillful lover's touch, she is very, very mistaken; Byock sees the crucial element in the origin of the Icelandic sagas not as the introduction of writing or the impact of literary borrowings from the continent but the subject of the tales themselves – feud. This simple thesis is developed into a thorough examination of Icelandic society and feud, and of the narrative technique of recounting it.

Usagi Yojimbo is one of the longest running and best-loved comic adventures of all time. Running from 1984 to the present day, and showing no sign of diminishing in popularity, the rabbit ronin is now seen as a figurehead of the comic book scene, and crucial to bringing the ideas of feudal Japan to a wider western audience. Roaming an anthropomorphic version of feudal Japan, the rabbit samurai has no master, but takes on tasks from any aggrieved animals he encounters - always ensuring he sticks to the noble way of the samurai. The Redwing Saga is a series of novels set in the 19th and early 20th centuries. Though commencing with the Jack the Ripper murders, the books go far beyond this dark series of murders and shine the light on spiritual warfare and prophetic plans within a fictional setting. The characters include human and inhuman players, and as the series unfolds the plans of the Enemy will become more and more clear, not only to these characters but also to the reader. 'Blood Lies' reveals the men and unseen spirits behind the dark and shadowy group known as Redwing. Opposing these sinister men and their plots to bring hell to Earth is a group of men and women who keep a secret. A very special secret. A secret of blood. This group of brave, spiritual warriors is known as 'The Inner Circle'. And it all begins when a little girl is left next to her dead mother in Whitechapel.

Endlich ist die immer grösser werdende Familie wiedervereint! Doch Hazel muss sich zu einem vom Krieg zerrissenen Kometen aufmachen. Um diesen wird schon seit Jahrzehnten gekämpft. Dieser Band gilt als abgeschlossener Event in der Geschichte von SAGA. Die Serie hat 2013, 2014 und 2015 alles abgeräumt, was ein US-Comic an Preisen von Rang und Namen abräumen kann: Die wichtigsten Eisner-Awards und Harvey-Awards und auch einen Hugo-Award. Bereits jetzt ein moderner Comic-Klassiker mit unverbrauchten Charakteren und innovativen Ideen.

At the turn of the 11th century, the North Sea is in the grip of the Viking terror. The clever Askeladd leads his small band of mercenaries into London, with the aid of the ruthless young Thorfinn, son of a warrior in the dreaded Jomsvikings. But this is an alliance of convenience: Thorfinn has sworn to kill Askeladd one day to avenge his father's death. When a race begins to capture the prince and secure the rights to the throne, personal grudges will clash with the fate of a kingdom, and blood will be spilled!

The Lost Metal

This sweeping family saga now moves to the lives and loves of the Cherrells in the early 30s, cousins by marriage to the Forsytes. An old English family, their one constant in an age of change and uncertainty is their ancestral home, Condaford Grange. It is especially precious to young Elizabeth Cherrell, or 'Dinny', whose family is everything to her. And when her brother faces extradition to South America, falsely accused of murder, and her cousin is threatened by her mentally unstable husband, Dinny does everything she can to shield them from harm.

The world has evolved into a society where violence and death affect our everyday lives. This presentation of the gospel in comic book form challenges the reader to remember the good in their hearts, and not overlook the fact that we are all God's children.

Return to #1 New York Times bestseller Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with The Alloy of Law, comes to its earth-shattering conclusion in The Lost Metal. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set - with his late uncle and his sister among their leaders - since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel Senate - whose corruption Wax and Steris have sought to expose - and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god reveals that Harmony's power is blocked in Bilming. That means the city has fallen under the influence of another god:

Trell, worshipped by the Set. And Trell isn't the only factor at play from the larger Cosmere - Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial . . . at any cost.

Harmony's vision of future possibilities comes to an abrupt halt tomorrow night, with only blackness after that. It's a race against time, and Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin.
