

Sammy Spider's First Rosh Hashanah

A bond of love unites a family throughout generations in this companion to the beloved and bestselling classic The Keeping Quilt. As a young Russian Jewish girl in the early 1900s, Anna and her family lived in fear of the Czar's soldiers. The family lived a hard life and had few possessions—their treasure was a beautiful china tea set. A wedding gift to Anna's parents, the tea set came with a wish that "Anyone who drinks from this will have blessings from God. They will never know a day of hunger. Their lives will always have flavor. They will know love and joy and they will never be poor." When Anna's family leaves Russia for America, they bring the tea set and its blessings. A source of heritage and security, the tea set helps Anna's family make friends and find better lives in America. A cup from the tea set—The Blessing Cup—became an anchor of family history, and it remains a symbol of lasting love

more than a century later. This tender tribute to the importance of loving lineage is a prequel and companion to the perennial bestseller The Keeping Quilt and is told and illustrated with authenticity and tremendous heart. As she and her family celebrate these two Jewish holidays, a young girl contemplates their meaning in her life. Brosh can't find his blue cap, and suspects that one of his friends has taken it. When Grover returns the lost item, Brosh is glad that the High Holidays offer him a chance to say, "I'm sorry."

Sammy Spider crawls down his web to inspect the candy apple Josh has attached to his Simchat Torah flag. When Josh leaves for synagogue, he doesn't notice the spider stuck to his apple! Atop Josh's flag, Sammy joins the Simchat Torah parade, dances with the Torah, and learns about this very special holiday in the Jewish year. Young readers will learn how Simchat Torah is celebrated, as Jews finish reading their "favorite book" the Torah, and start all over again, just as Josh loves to do with his own books! A wonderful new addition to the Sammy Spider series from the team of Sylvia A. Rouss and Katherine Janus Kahn.

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.
