By USA Today Bestselling Author, Lexy Timms. One night love affair It was only supposed to be one night. Ashley's just a low step on the ladder of her company's success. The company party was always a big to-do. Jimmy Sheldon, the CEO and found of Big Steps always made sure his employees had a good time. He should, he worked them hard, expected more than they thought they could give, but he always rewarded their efforts. It's what made him a great boss and the owner of a million-dollar company. He knew how to make things work. And boy, did he. A few too many cosmo's and Ashley hit the dance floor. She forgot how much fun it was to dance. After a few songs, her years of competitive dance routines came back to her and she had everyone trying to move like her. Even boss-man Jimmy. And he had some decent dance moves himself. From the dance floor to the hotel room, Ashley swore they'd both forget what happened in the morning and go back to their steps on the ladder. Except, no one ever forgets a hit song... They say it is not the fall that kills you. Maybe for humans this is true. Perhaps you could go on falling forever, and yet live on. I have heard them say you can get us through anything. Among my people, though, it is the Fall itself that is the end. It is not, as you might imagine, a literal casting out. God does not throw us down from on high. I believe, like many things, a process: one decision on top of another until you realize suddenly that you are too far gone to turn back. It is too late to do anything but go on. Fall. Or so, at least, it went for me. I did not rebel. There was no grand gesture or swiftness, no denunciation of our values. Only Nik, and the hundred little ways in which I betrayed those who had been my people to stand by his side. I Fell not because I hated him, but because I loved one of my own...
