

## Sherlock Holmes And John Watson: The Day They Met: 50 New Ways The World's Most Legendary Partnership Might Have Begun

Some things belong together, the one with the other, natural pairs. Sherlock Holmes and John Watson. Holmes and Watson. Sherlock and John. Whether it's in an empty house during the Blitz, a West London strip club in the 70s, or deep in the heart of a Hong Kong computer lab, the meeting of these two legendary men is inevitable. Spanning one hundred and twenty-eight years, here are the stories of that destiny. Of how a detective meets a doctor, of how they change each other in heart and mind. Of how they fall in love.

First book in a New Series for those who love traditional mysteriesIFANS OF SHERLOCK HOLMES -- AND ALL MYSTERY LOVERS -- REJOICEFATHER OF LIES is the first in an exciting new series taken directly from newly-discovered files of John H. Watson, M.D., friend, biographer and colleague of England's legendary detective, Sherlock Holmes.When his brother Mycroft disappears, Sherlock Holmes is drawn into the most thrilling case of his career, one that puts his powers to the test as he goes up against the Father of Lies, the Lord of Evil himself. The stakes couldn't be higher as Holmes and Watson are sent by leaders all over the globe to battle for the very survival of mankind. An international chase will lead them from the serene rooms of London's Diogenes Club to a scenic, frozen wasteland in upper New York. The two friends will battle their way through caves and underground tunnels and even confront the magnificent Niagara Falls. Readers will love this eerie journey into the lair of the most diabolical villain ever.The immortal pair's friendship -- indeed, their very lives -- will be threatened by the Father of Lies, a cunning creature who would drain every ounce of their willpower and courage. Along the way they -- and readers -- will meet memorable characters. Like Wiggins, former head of the Baker Street Irregulars, now all grown up! Everyone in this powerful narrative, heroes and villains and supernatural beings, will linger in readers' memory.Fans of Laurie R. King, Anthony Horowitz, Kareem Abdul-Jabbar and Anna Waterhouse, Sherry Thomas, William Ritter, and of course, Sir Arthur Conan Doyle will delight in these new adventures of the brilliant sleuth, his good friend, and his nemesis.

There is nothing more tragic than a story left untold. At least that is what Sherlock Holmes thought. Through his urgings Doctor Watson opens his tin dispatch box to recall a series of strange and grotesque events which consumed their daily lives in the early months of 1899. Follow Holmes and Watson as they tackle an unusual case of hysteria, race through fires in Whitechapel, find mystery and murder in a seaside village, and discover what strange game is afoot when an assault in the confines of 221b sends Holmes and Watson racing against time towards a deadly and toxic end! One thing is certain, sometimes the most deadly villain is their legacy. The Untold Adventures of Sherlock Holmes - Volume 2.

I knew it was absurd.But every time I laid down on my bed to sleep the shadows in my room started moving and morphing into creatures that I hadn't seen since I was a child. I knew that they weren't actually there, the shadows weren't moving, but sleep still evaded me. I think I finally managed to pass out around three in the morning.And now it was seven. Four hours of sleep for the first day of my new job.

The Case Notes

A John Watson and Sherlock Holmes Case

The Amazing Rise and Immortal Life of Sherlock Holmes

Lost Heroes

"Ever since his first appearance, in Arthur Conan Doyle's 1887 novella A Study in Scarlet, readers have loved reading about Sherlock Holmes almost as much as writers have loved writing about him. In this deluxe hardcover edition, Otto Penzler collects eighty-three wonderful stories about Sherlock Holmes and Dr. John Watson, published over a span of more than a hundred years."--Jacket.

Things were going great. The children were growing. Little Sandi was less than a month away from being three and Thomas would be nine at the end of the year. His marriage to John was going so amazing. They still fought sometimes but they always worked it out before something too emotionally damaging happened to either.

The car crawled away from the suburbs, tinted windows fracturing the sun's glare into dull grey. The small screen in the passenger cabin was broadcasting a repeating loop of footage. Mercifully, the sound had cut out after ten minutes. Any more of it and John might have ordered Mycroft's driver to pull over and shoot John on the side of the motorway as Moriarty's face stuttered in front of them. "Did you miss me?"

A rollicking look at popular culture's most beloved sleuth: "For even the casual fan, the history of this deathless character is fascinating" (The Boston Globe). Today he is the inspiration for fiction adaptations, blockbuster movies, hit television shows, raucous Twitter banter, and thriving subcultures. More than a century after Sherlock Holmes first capered into our world, what is it about Sir Arthur Conan Doyle's peculiar creation that continues to fascinate us? Journalist and lifelong Sherlock fan Zach Dundas set out to find the answer. The result is The Great Detective: a history of an idea, a biography of someone who never lived, a tour of the borderland between reality and fiction, and a joyful romp through the world Conan Doyle bequeathed us. In this "wonderful book" (Booklist, starred review), Dundas unearths the inspirations behind Holmes and his indispensable companion, Dr. John Watson; explores how they have been kept alive over the decades by writers, actors, and readers; and visits locales—from the boozy annual New York City gathering of one of the world's oldest and most exclusive Sherlock Holmes fan societies; to a freezing Devon heath out of The Hound of the Baskervilles; to sunny Pasadena, where Dundas chats with the creators of the smash BBC series Sherlock. Along the way, he discovers the ingredients that have made Holmes go viral—then, now, and as long as the game's afoot.

Sherlock Holmes

Goldfish

A Study in Illusions of Terror

The detective story through the eyes of Holmes's friend

The Day They Met: 50 New Ways the World's Most Legendary Partnership Might Have Begun

It is the year 1888. A madman stalks the East End of London and only Sherlock Holmes and his trusted colleague and scribe Dr. John Watson stand between him and the women he preys upon. However, the World's first Consulting Detective is plunged into a web of intrigue and deceit. Is Jack the Ripper acting alone? Is there a conspiracy to murder fallen women in Whitechapel? How far must Holmes go to stop it? Add a plot to steal the most famous jewels in existence and a sinister figure known only as "The Professor" and you have more than one mystery to be solved...

In Nicholas Meyer's The Return of the Pharaoh, Sherlock Holmes returns in an adventure that takes him to Egypt in search of a missing nobleman, a previously undiscovered pharaoh's tomb, and a conspiracy that threatens his very life. With his international bestseller, The Seven Per Cent Solution, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes that reinvigorated the world's interest in the first consulting detective. Now, many years later, Meyer is given exclusive access to Dr. Watson's unpublished journal, wherein he details a previously unknown case. In 1910, Dr. John Watson travels to Egypt with his wife Juliet. Her tuberculosis has returned and her doctor recommends a stay at a sanitarium in a dry climate. But while his wife undergoes treatment, Dr. Watson bumps into an old friend--Sherlock Holmes, in disguise and on a case. An English Duke with a penchant for egyptology has disappeared, leading to enquiries from his wife and the Home Office. Holmes has discovered that the missing duke has indeed vanished from his lavish rooms in Cairo and that he was on the trail of a previous undiscovered and unopened tomb. And that he's only the latest Egyptologist to die or disappear under odd circumstances. With the help of Howard Carter, Holmes and Watson are on the trail of something much bigger, more important, and more sinister than an errant lord.

"Sherlock Holmes and John Watson have wandered far from the light of Victorian gas lamps. As Holmes and Watson they've tangled with Nazis, as Sherlock and John they roam the corridors of New Scotland Yard. In a world of so many fresh adventures, why not fresh beginnings to those adventures? From an 1879 Kabul train station to a King's College lecture theatre in 2015. The Day They Met includes stories both classic and contemporary, offering fifty intriguing new ways that the world's most legendary partnership might have begun."--Book cover.

"He said we're friends."
"Well, that's what you get from friends."
That last word was sneered as if it had a filthy taste to it. Mycroft pulled him towards the backdoor of their grandmother's house. Sherlock had a hard time walking, everything seemed to be spinning and he felt sick. He bent over a bush lining the gravelled garden path and threw up. In the dark all he could do was hoping he had not aimed onto one of her beloved little statues lining the path up to the house."Oh, you idiot, how much did you have?"
Sherlock shrugged, he felt miserable. It probably wasn't a good idea to confess they had challenged him to finish the entire bottle if he wanted to come along to the beach tomorrow. And he wanted to, badly.

Crimes of Dr. Watson

The Day They Met (50 Ways the World's Most Legendary Partnership Might Have Begun)

*Written by his trusted friend and companion, Dr John Watson, this book chronicles nine of the most fascinating cases solved by the world's most famous detective. Based on the many notes and evidence gathered during the course of Sherlock Holmes's investigations, this collection is painstakingly presented as a scrapbook by Dr Watson.*

*IT'S A "THREE PIPE PROBLEM"! Holmes and Watson are in for another rousing adventure in classic Holmesian style. They are joined by their erstwhile friend Inspector Lestrade, and aided by the Baker Street Irregulars, Holmes' brother Mycroft, and Mrs. Hudson who is always there with a hot cup of tea. Holmes and Watson are also joined by some new friends including English Royalty, the Fenians, an Indian Illusionist and the beautiful Susan Spaulding whom Watson finds devastatingly alluring. THE GAME IS AFOOT! The riveting storytelling will keep the reader enthralled until the climactic, twist ending.*

*In the year 1908 Holmes believed himself to be in retirement. Watson was once again in private practice and unwed. Mrs. Hudson had gone to Sussex to act as Holmes's housekeeper. But the fates had agreed that Martha Hudson and John Watson should be together. Or had they? When Dr. Watson proposes to Martha Hudson it sets off a series of events that only Sherlock Holmes can deal with. Watson has already had three wives, all have died under unfortunate circumstances. Colm Campbell, Martha Hudson's nephew, thinks there is more here than meets the eye. Is Watson just unlucky or are the deaths suspicious? Holmes must come to his best friends defence.*

*Meet spunky sleuth Shelby and her sports loving sidekick Watson, as they take on a dog-napper in this fresh twist on Sherlock Holmes.*

*The Return of Sherlock Holmes*

*The Big Book of Sherlock Holmes Stories*

*The Lost Case Files of Sherlock Holmes*

*Secrets from the Deed Box of John H. Watson M.D.*

*Sherlock Holmes and the Whitechapel Murders*

*A Study in Scarlet*

*Sherlock Holmes and John Watson: The Day They Met*

*'Well, I have a trade of my own. I suppose I am the only one in the world. I'm a consulting detective, if you can understand what that is.' - Sherlock Holmes to Dr John Watson, A Study in Scarlet. Since his first appearance in 1887, Sherlock Holmes has been the quintessential English sleuth, alongside his loyal companion and biographer, Doctor John Watson. But what if they had come from some other place in the world, or another time? How would they differ from Conan Doyle's creations? How similar might they remain? Holmes and Watson are herein re-imagined in new cultural contexts, in different genders and sexualities, and in stories rich in foreign detail that still reflect their origins. Fourteen writers with cultural or historic expertise explore the possibilities in stories set in Germany, C17th England, Ireland, Australia, South Africa, Russia, India, Poland, USA, Ancient Egypt, Viking Iceland, and even the entire world. You will discover how the Great Detective remains singular in every world!*

*Sherlock Holmes has only been deceased a month when Dr. John Watson, still grieving, recounts his final case with Holmes. A terrifying mystery, it sends Watson and Holmes into the dark reaches of London's back alleys - and the human soul. It begins when Anne Prescott, a lovely Scottish nurse, begs Sherlock Holmes and Watson to help her find her fiancé and her sister, who have gone missing in the teeming streets of London. Immediately, Watson feels an attraction to her that shocks him. Newly married to Mary, and deeply in love with her, he struggles to put Anne out of his mind. As Watson and Holmes dig into the slums and sewers of London looking for Anne's fiancé and sister, they uncover a deadly web of bloody murders, horrific medical experiments, and even voodoo ritual that threatens not only London, but the entire British empire, and beyond. Watson must call on his unique combination of expertise in the medical sciences, as well as his military training to stop this killer before London --and Anne -- are lost to the killer's bloody plan. But time is short and the mystery ever more complex. How can he manage his feelings for Anne? What about his loyalty to Mary? He can't have both.*

*Contains an interactive Sherlock Holmes mystery with 12 removable clues and sealed section revealing clues. This book is based around an original novella from Dr John Watson - companion to Sherlock Holmes.*

*The rocky path, leading down to the beach, and beyond it, the gray white swells of the North Atlantic, bends out of sight. Home. She will never see it again; she knows this, and with that knowledge comes a twisted, specific internal conflict--gratitude complicated by remorse, relief tinged by sorrow. It is every bit as unfathomable to think she will never see this place again as it feels--even still--to know she will never again set eyes on the endless gleaming escalator at the Angel Tube station, or the great granite edifice of St. Bart's. She will never again text with her uni friends. Snuggle her cat. Laugh with her father. He died before she had finished her second year at Cambridge and the loss of him remains as sharp as it had been nearly three decades before. Pinpoint precise, but deep down, too. Undeniably present, though smoothed over, now; altered by time.The coastline vanishes. The trees crowd out her view. Fog drifts in. Molly Hooper watches the streak of bough, of cloud, of stone. They have all been altered by time.*

*The Night They Met*

(This story has just been updated and proofed to correct mistakes made in the first printing) I have received the transcript of a recent discovery of a here-to-fore unknown chronicle written by Dr. John H. Watson, and whether or not these pages proves to be genuine, they present a fascinating chronicle of events paralleling the lives of Dr. Watson and Sherlock Holmes. If true, then a vast store of new knowledge has been opened to us and I think will gleam as bright as a diamond to be treasured by all who hold Sherlock Holmes and Dr. Watson dear in their hearts and minds. This transcript is somewhat long and at times rambling but I believe it to be a true accounting of what Dr. Watson felt at the time it was written, and at worst, if it be a forgery, it was cleverly done and still laudable in its context.The last known writings of Dr. Watson uncovered by an London dealer in antiquities. In the reminiscing of his marriages, his steadfastness with Holmes, Watson is reunited one last time with Sherlock Holmes as he entails the surprising developments of a life sustaining substance by Sherlock Holmes. If what Holmes claims is true then the consequences of this discovery hold changes that would affect for all of humanity. The decision will be determined by Sherlock Holmes and his brother, Mycroft Holmes as they strive to outwit the forces determined to obtain the secrets of the life sustaining substance. The surprise ending of the story will leave the reader seeing Holmes in a different light.

Seminar paper from the year 2013 in the subject English Language and Literature Studies - Linguistics, grade: 1,0, Johannes Gutenberg University Mainz (English and Linguistics), course: Reading/Writing London, language: English, abstract: This paper focuses on the genesis of one of the most iconic friendships and juxtaposes the literary birth of Sherlock Holmes and Dr Watson with their televisual re-birth. Furthermore, it is primarily concerned with the evolving friendship between the well-known inhabitants of 221B Baker Street and the question of whether or not it might be regarded as “symbiotic”. In addition to an analysis of the homosexual innuendos that occur in A Study in Pink, there will be a brief section on the city of London, which is often

perceived as a third protagonist. Due to the finite length of this paper, other aspects concerning the crime case, literary adaptation theory/filming politics, the visual aesthetics of A Study in Pink and the question of (post)modernity have either only briefly been touched on or been omitted altogether.

It is over a century since Sherlock Holmes made his first appearance, and readers throughout the world still clamour for more of his exciting adventures. We are happy to announce that seven stories from the despatch-box of John Watson, M.D. have recently come to light. In them you will meet such characters as the Reverend Nathaniel Flowerdew, vicar of Great Mowl; Professor Hendricks and his aquarium; the Right Honourable Robert Bonnington Smythe, once expected to become Premier of England; and the man in the red flannel waistcoat who was at both ends of the street at the same time. 'My mind is like a racing engine, tearing itself to pieces because it is not connected up with the work for which it was built,' Holmes said of himself in his darker moments. In these stories the engine is fully engaged and at full throttle as Holmes brings all his daring and intelligence to bear on the puzzle of the Quiet Crescent, the case of the Apprentice's Notebook, and other mysteries in this collection.

The world's most famous detective uses his celebrated skills of deduction in A Study in Scarlet, the tale that introduces Dr. John Watson. Their investigation of a bizarre crime proves to be an opportune beginning for one of the most illustrious crime-solving partnerships of all time.This exciting tale serves as an excellent introduction to readers who have never made the acquaintance of this incomparable detective and his colleague.

Adventures of Sherlock Holmes

Dr. John H. Watson's Last Chronicles

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Bayreuth, course: PS Whodunit, language: English, abstract: If we think about Sir Arthur Conan Doyle and his writings, we automatically think about Sherlock Holmes. But what about his partner and friend Dr. Watson? Is he not as important as his famous companion? Maybe he does not solve the mysteries and crimes maybe he is even a little slow and featherbrained. But Dr. Watson should not be underestimated. He functions as the mediator between the story and the reader. Speaking of a mediator implies that this instrument builds a connection between two poles. In this case it is the figure of Dr. John Hamish Watson. Mediation occurs for example if a call center should connect two business partners. Without a connection both could in fact speak but would not be able to either understand or hear each other. Hence the question arises between which two poles Dr. Watson is a mediator? One of these poles lies similarly to Dr. Watson within Fiction. Namely Sherlock Holmes. On the other hand the second pole lies beyond fiction. It is the reader or even better the readership. So to speak Dr. Watson mediates between the internal text and action and the external world and surroundings, between fiction and reality. First I want to analyze the relationship between Watson and Holmes as well as the meaning of Watson within the story. In a second step I will try to illuminate correlation among the reader, Dr. Watson and the surroundings.

Four more adventures of Sherlock Holmes, rescued from John Watson's deed box by Hugh Ashton, one of the foremost creators of Sherlock Holmes pastiches writing today.

The first book in a new series featuring Sherlock Holmes and John Watson, written by a USA Today and Amazon Bestselling Author.The world was not prepared for this story, a conspiracy hatched in the highest levels of the British government. A rogue Minister of Defense plans to turn soldiers into blood-thirsty animals- and Holmes and Watson may be among their first victims.The adventure starts when Holmes is warned away from investigating Jack the Ripper's heinous crimes. Despite Holmes' well known skills, he is sidelined. He must content himself with a straightforward case, finding a bolting beau, the result of a simple lovers' quarrel.But that "romance gone wrong" is really the key to a nasty secret with tendrils reaching all the way to a Sumatran island. That's where four castaways made a difficult decision. They turned their backs on a society that sent them packing and allowed themselves to be infected with a deadly virus. After all, they never expected to ever come home again? And they certainly never expected to be considered lethal weapons! Can Holmes and Watson stop them from being used for evil purposes?This fast-paced adventure will take Holmes and Watson from the dregs of London to its noble heights. The two friends will travel from Bedlam, the hospital for the insane, to stately Windsor Park. Sherlock Holmes and the Giant Sumatran Rat is a fast-paced thrill ride that's sure to keep readers on the edge of their seats. If you like historical thrillers with a hint of the supernatural, you'll love this series. Each book stays true to Sherlock Holmes and his faithful friend, John Watson, whilst featuring a cast of real people and issues pertinent to the times.This series is perfect for fans of Laurie R. King, Preston Child, and Joanna Penn.

Holmes gets an invitation from one of his friends to investigate what is going on in his casino. Holmes did not know that a quick tour to Monte Carlo would turn him from a renown detective to a fugitive from law. Within 72 hours, he finds himself running from people at both sides of law and to tap all the things, Watson was not with him. Would Holmes be able to get back to his Baker Street flat safe and sound? Would he be able to clear his name in the eyes of every one? and would he be able to find out his best friend Dr. Watson?

Sherlock Holmes and the Affair in Transylvania

Sherlock Holmes and John WatsonThe Night They Met

Sherlock Holmes and Doctor John Watson are returning to London from Bucharest after the great detective has interceded in a delicate matter relating to the Rumanian Royal House. As they depart from Bucharest they receive their mail forwarded from London. Doctor Watson opens a distressing letter from his niece, Mina, now living in Budapest with her young husband, Janos, a newly qualified lawyer. It seems that the young man has not returned from a business assignment in Transylvania. Holmes advises that he and Watson should postpone their return to Baker Street. Watson wires ahead and they are met at the station by Mina and her friend, Lucy Westenra. Holmes is duly intrigued by their stay overnight at the home of Dr Westenra in the grounds of the asylum of which Dr Westenra is the Administrator. Holmes suspects that letters from the young lawyer may have been forged, or written under duress. Next day they set off for Castle Dracula.

Seminar paper from the year 2012 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Paderborn (Institut für Anglistik/Amerikanistik), course: Hauptseminar: The Bachelor in British and American Literature and Culture, language: English, abstract: 'But love is an emotional thing, and whatever is emotional is opposed to that true cold reason which I place above all things. I should never marry myself, lest I bias my judgement.' With these words Sherlock Holmes comments rather derogatorily on the marriage plans of his close friend and fellow bachelor Dr. John Watson when the latter reveals his engagement to Mary Morstan to him. While Watson's existence as a bachelor is about to end after the novel 'The Sign of the Four', Sherlock Holmes never had any intention to change his lifestyle from being a bachelor to become a husband and father. He never was married or engaged in any form and obviously didn't miss it. It is due to that attitude that the character of Sherlock Holmes became one of the most famous and best known examples of the bachelor in Victorian literature. But what exactly is a bachelor and how was this term defined during the time when the Sherlock Holmes stories were written? In this term paper I will point out how the life of unmarried men was depicted in Victorian literature and which images and stereotypes arose when it came to the term 'bachelor' in general. In order to do this it is essential to take a closer look at the society during the time the fictional characters of Sherlock Holmes and Dr. Watson were invented - the end of the 19th century. Which characteristics were typical for a bachelor of that time except for being an unwed male? In order to show how the bachelors stood out and differed from their married fellows it is necessary to examine the role of Victorian men in general. Which moral values were associated with the life of a bachelor and did they differ from the generally accepted values of the time? What was their status in society? After this quite general examination I shall take a closer look at the two bachelors invented by Sir Arthur Conan Doyle. Were Sherlock and Watson typical bachelors of their time? What were their reasons for being unmarried and how were their attitudes and interactions towards women? Did they simply had no luck with the ladies or were there other reasons for them to be unwed? I will try to answer these questions on the basis of the Sherlock Holmes novels 'A Study in Scarlet', 'The Sign of the Four' and the short story 'A Scandal in Bohemia'.

Sherlock Holmes and John Watson are introduced to an impossible crime; a killing by a mythological creature; the dreaded Chimera, part lion, part scorpion, part goat! But even if the death is some sort of sick hoax, it still means a hideous murder has taken place, which Holmes must solve. However dark forces swirl about the case, and an unsuspecting Holmes, besieged by doubts, has yet to contend directly with the most dramatic of those forces: Professor James Moriarty! THIS ISSUE: The Claws of the Chimera. Part 1 - "Showcase of Fear". Sherlock Holmes is on the edge of a personal abyss. Scotland Yard scorns his theory the criminal underworld is being directed by one mastermind, and he and his old friend John Watson's friendship is in tatters. But when a man is purportedly killed savagely by a mythical monster Holmes and Watson must try and stand together again to confront a nightmare conspiracy. From Christopher Sequeira (X-Men vs. Vampires) and Academy Award winner Dave Elsey. A Caliber Comics release.

A Sherlock Holmes and John Watson Parenting Adventure

Sherlock Holmes Studies in Legacy

Sherlock Holmes and John Watson have wandered far from the light of Victorian gas lamps. As Holmes and Watson they've tangled with Nazis, as Sherlock and John they roam the corridors of New Scotland Yard. In a world of so many fresh adventures, why not fresh beginnings to those adventures? From an 1879 Kabul train station to a King's College lecture theatre in 2015, The Day They Met includes stories both classic and contemporary, offering fifty intriguing new ways that the world's most legendary partnership might have begun.

The game is afoot. Again. A brand new anthology of Sherlock Holmes stories beautifully written in the style of the originals with meticulous attention to period detail and fiendish plotting. Holmes and Watson are at the height of their powers and in thrilling action from the corridors of the British Museum, to the deck of a battleship in The Curse of the Purser's Mate and on to New York for the horrors of the Burning Men. If you are a fan of the original Conan-Doyle stories then this book, that seamlessly mixes authentic short and extended feature length stories is for you. This is the Holmes and Watson you know and love. Professional praise for the "Lost Case Files of Sherlock Holmes" includes "I have rarely been so impressed by the competence of a piece of writing. It's a hard task to follow the master - but you have succeeded." "The voices of the two main characters are authentic and you make them sing from the page" "My verdict on the volume is that it is astoundingly successful - I think you will gain many fans and followers. Quite simply, it was a pleasure to read."

From USA Today and internationally bestselling author Leonard Goldberg comes The Daughter of Sherlock Holmes, a new thrilling tale of the great detective's daughter and her companion Dr. John Watson, Jr. as they investigate a murder at the highest levels of British society. 1914. Joanna Blalock's keen mind and incredible insight lead her to become a highly-skilled nurse, one of the few professions that allow her to use her finely-tuned brain. But when she and her ten-year-old son witness a man fall to his death, apparently by suicide, they are visited by the elderly Dr. John Watson and his charming, handsome son, Dr. John Watson Jr. Impressed by her forensic skills, they invite her to become the third member of their investigative team. Caught up in a Holmesian mystery that spans from hidden treasure to the Second Afghan War of 1878-1880, Joanna and her companions must devise an ingenious plan to catch a murderer in the act while dodging familiar culprits, Scotland Yard, and members of the British aristocracy. Unbeknownst to her, Joanna harbors a mystery of her own. The product of a one-time assignation between the now dead Sherlock Holmes and Irene Adler, the only woman to ever outwit the famous detective, Joanna has unwittingly inherited her parents' deductive genius.
