**In the debut of the New York Times–bestselling Victorian crime series, Inspector Thomas Pitt seeks an elusive strangler among upper-class British society. Panic and fear strike the Ellison household when one of their own falls prey to the Cater Street murderer. While Mrs. Ellison and her three daughters are out, their maid becomes the third victim of a killer who strangles young women with cheese wire, leaving their swollen-faced bodies on the dark streets of this genteel neighborhood. Inspector Pitt, assigned to the case, must break through the walls of upper-class society to get at the truth. His in-depth investigation gradually peels away the proper veneer of the elite world, exposing secrets and desires until suspicion becomes more frightening than truth. Outspoken Charlotte Ellison, struggling to remain within the confining boundaries of Victorian manners, has no trouble expressing herself to the irritating policeman. As their relationship shifts from antagonistic sparring to a romantic connection, the socially mismatched pair must solve the mystery before the hangman strikes again. Rich with authentic period details and blending suspenseful mystery with a budding romance between Inspector Pitt and Charlotte Ellison, *The Cater Street Hangman* launched the long-running series by Edgar Award–winning author Anne Perry, with recent titles including *The Angel Court Affair* and *Treachery at Lancaster Gate*. Also the creator of the *William Monk Novels*, Perry has become one of the great names in detective fiction. As the *Philadelphia Inquirer* says, “Pitt’s compassion and Charlotte’s cleverness make them compatible sleuths, as well as extremely congenial characters. . . . Perry has the gift of making [the Victorian era] seem immediate and very much alive.”**

**A substantial chapter of World War II is resurrected in this sometimes tragic tale of one family's flight from their Latvian homeland and subsequent uncertainty as displaced persons. On the day Dagnija Neimane's parents married in 1940, the Soviet Russians killed the Latvian border guards, leading to the first Soviet occupation of their country. The following months culminated in the Year of Horror, with mass arrests, executions, and deportations of fifteen thousand Latvians to Siberia. Though Nazi Germany drove off the invaders and in turn occupied Latvia, in 1944 the Soviets gained the upper hand once more. Some Latvians joined the German forces to fight the Soviets, others who could, formulated plans for escape, wondering if there was hope left for their country. Flight from Latvia is a true narrative of an extended family's exile and journey through refugee camps to find a safe home once more. The narrator, only a youngster at the time, derives details from family stories and periodicals to relay this significant chapter of her family's history. Children, parents, even elderly grandparents flee together as a family-though conditions for food and health are abysmal. Now, having come this far, who**

Members of Parliament are murdered crossing Westminster Bridge, in the New York Times–bestselling series set in Victorian London: “A sterling performance” (Library Journal). In the few minutes it takes to cross Westminster Bridge, Sir Lockwood Hamilton has his throat slit and is tied securely to the lamppost with his evening scarf. The killer then vanishes without being seen. Inspector Thomas Pitt thinks the motive might have been personal . . . or political. When a second Member of Parliament is murdered in the same way, politics appear to be the reason. Soon the suspect list includes anarchists and suffragettes. Public outrage mounts and fear grips London and Parliament after a third lamppost murder. Deep in his end of the investigation, Pitt must rely on his wife, Charlotte, and Great-aunt Vespasia to explore the drawing rooms of the upper class for clues to the mystery. With burning social issues swirling around them, the three of them must solve the case before another MP falls victim to the Westminster cutthroat.

The stylish gentlemen of London’s Paragon Walk are suspects in a novel that “combines murder with a profile of the morals and manners of Victorian society” (The Atlanta Journal-Constitution). When innocent Fanny Nash of exclusive Paragon Walk dies in the arms of her exquisite sister-in-law, Jessamyn, Inspector Pitt is assigned to investigate her rape and murder. Every man of Paragon Walk is under suspicion, even Pitt’s brother-in-law, Lord George Ashworth, who was the last to have seen her. Could it be the charming, enigmatic Frenchman? Fanny’s cruel brother? Wealthy Dilbridge, who hosts wild, decadent parties? As Pitt digs deeper into the mystery, Paragon Walk’s aristocratic haughtiness gives way to fear, its calm to hatred. To keep her sister Emily, Lady Ashworth, company in this difficult time, inquisitive Charlotte once again finds herself in the midst of a deadly mystery. In the drawing rooms of her sister’s neighbors, Charlotte engages in witty and sharp-edged conversations that reveal unsavory intrigues and bitter rivalries. On Paragon Walk, Charlotte’s probing despite Thomas’s warnings may prove fatal.

More importantly, it showcases exciting new research on the experiences and memories of "forgotten" participants who have often been ignored in dominant narratives or national histories. Contributors to this international study highlight the transnational character of memory-making in the Great War's aftermath. No single memory of the war has prevailed, but many symbols, rituals, and expressions of memory connect seemingly disparate communities and wartime experiences. My Dad never wanted to be a hero. No war needs to be promoted from the acts of violence and inhumanity. The men, who served in the Battle of the Bulge, need to be remembered for their sacrifice and courage. Survival and duty were the only options. This book is based on truthful events. Many gaps exist in the record. No one knows exactly what happened, except for the men, who experienced the horror. The threads are true from my Dad's testimony, other men, who served, and the historical record. From my perspective, I hope; this book presents a realistic view of combat and the aftermath for the men, who fought during the Battle of the Bulge, against the Nazis threat for domination. The war changed my Dad and the world.

The sleuthing couple pursues a serial killer through Victorian London in an exciting entry in the “unfailingly rewarding” New York Times–bestselling series (The New York Times). A serial killer is loose in the slums of Devil’s Acre. The murders are brutal, but it is the killer’s grisly signature that shocks even Inspector Thomas Pitt, no stranger to death and violent crime. The victims are stabbed and sexually mutilated. When Pitt recognizes one of the victims as a blackmailing footman from a case on Callander Square, his investigation takes him from the brothels to the high reaches of Victorian society and into a world where upper-class women descend to depravity to relieve their boredom. Despite Pitt’s warnings, his wife, Charlotte, pursues her own investigation. With the help of her sister Emily, Lady Ashworth, Charlotte reenters the elegant drawing rooms of Callander Square to find out more about the former footman who, Pitt discovers, owned an exclusive high-class whorehouse with—what else—exclusive high-class whores. As Pitt and Charlotte approach the same dangerous conclusion from differing paths, no one is spared—not even Pitt.

discover it is actually a portal to another world. Transported to the middle of a lopsided battle, the group is forced to choose sides and fight against a huge medieval army. Once the great battle is over, the reality of this new world leaves the sojourners from earth conflicted and searching for answers about reality, God, and eternity. Sean is particularly conflicted about his life as a prodigal and his attraction to Dr. McKenzie. Into the Breach is a war of ideals, a war between living a good life and living an obedient life. Liam Morgan takes the reader through adventure after adventure while unraveling our calling, not to be right, but to be obedient.

Shot down on a mission, 19-year-old pilot Henry is alone in a treacherous land. Desperate to get back to his family and the girl he loves, he is forced to rely on the cunning of the French Resistance. But in his battle to survive the deadly journey across Nazi-occupied Europe, he must face a terrible choice: can he take a life to save his own? "A brilliantly paced, action-packed story with some breathtaking moments" - Primary Times

Having survived the worst effects of the Civil War, the city of Memphis, battered but unbowed, finds itself facing a far more dangerous foe. It is invisible, lethal, and unstoppable: a plague of yellow fever. It is the story of JP Mahoney, 14-year-old farm boy who dreams of escape from tedious chores and farmlife routine. It is the story of a courageous young woman, Ginnie Moon, onetime Confederate spy, who now operates a boarding house for men who have survived the war. And it is the story of Kevin O'Boyle, an embittered riverfront laborer, who blames the world for his troubles, and finds the crippled city his perfect prey. Several characters in the novel are actual historical figures, most notably Ginnie Moon, Judge "Pappy" Hadden, and Cap'n Jim Lee. Their actions, and those of the other characters, are entirely fictional. The plague, one of several to hit the city in the years following the war, was all too real.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Through the intervention of the village priest she meets Zoe Lambros, a young Greek woman with vengeance in her heart and a faith in God that has been shattered by the death of her family.
