The back side of each of these page contains a section to document transferring, surrendering, and discontinuing the medications. The Shift Count pages document the accuracy of the drug/medication counts. NOTE: This book does not contain an "Emergency Drug/Medication Supply" (EDK - Emergency Drug Kit) section. - - - - Number and Letter Codes - - - - Some of our record books have numbers and letters and some do not. Understanding the codes will ensure that you get the record book that is best suited for your needs. The record books that do not have numbers or letters are the original record books. Those with numbers are different variations of the originals, based upon customer input / feedback. For example, the record book title that ends with 2 is the second version of that particular book. The interior pages of each version of the books are formatted differently to facilitate specific needs. Record books with letters at the end of the title (i.e. an M or S) indicate the size relative to the original record book. For example, an M indicates Mid sized and contains 2/3 the number of pages, while an S indicates Slim sized, which contains 1/3 the number of pages of the original. For Example a title of Controlled Substance Record Book (without any numbers or letters) would indicate the original record book with the most pages. A title of Controlled Substance Record Book 2M would indicate the second version, mid-sized book with 2/3 as many pages as the original size. Please review each version / variation to find the one that best suits your needs. Then decide on the number of pages you need and choose the original (no letters), mid (M), or slim (S) sized book. - - - - Alternate Record Books - - - - We carry a full line of record keeping book series in various formats and colors, including: - Controlled Drug Record Books - Individual Narcotic Record Books - Controlled Substance Record Books - NEW - Veterinary Record Books - NEW - - - - Customize Your Books - - - - Can't find what you're looking for?
