

## Slave Girl Return To Hell: Ordinary British Girls Are Being Sold Into Sex Slavery; I Escaped, But Now I'm Going To Help Free Them This Is My True Story

Sir Richard Francis Burton was a British explorer, geographer, translator and diplomat. Burton's best-known achievements include a well-documented journey to Mecca, in disguise; an unexpurgated translation of One Thousand and One Nights; the publication of the Kama Sutra in English and an expedition with J. H. Spake to discover the source of Nile.
DigiCat Publishing present his greatest works as an author, translator and explorer. His works and the works about his life act as the true legacy of his untamed travel spirit and eternal curiosity.

#1 New York Times Bestseller - Winner of the Pulitzer Prize - Winner of the National Book Award - Winner of the Andrew Carnegie Medal for Excellence in Fiction - Longlisted for the Man Booker Prize
One of the Best books of the Year: The New York Times, The Washington Post, NPR, The Boston Globe, The Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune
Look for Whitehead's acclaimed new novel, The Nickel Boys, available now. Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood--where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage--and a powerful meditation on the history we all share.

Tarl Cabot must prove his final loyalty to the harsh and caste-bound planet known as Counter Earth. "Surrender Gor," reads a message sent from the Others, a mysterious people from the worlds of steel. Either the proud rulers of Gor must submit or be destroyed. Now Tarl is leaving the decadent city of Port Kar to wander in the wilds of Gor, taking up the sword to defend his rulers and enemies, the Priest-Kings, for he knows that the fate of his home planet, Earth, is inextricably tied to the fate of Gor. Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Slave Girl of Gor is the 11th book in the Gorean Saga, but you may enjoy reading the series in any order.

A Time Best YA Book of All Time (2021) In this "searing work of historical fiction" (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known--except hope. Amari's life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present." Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

Return to an Order ... Dated 22 April 1841

Slaves and Slave Agency in the Ottoman Empire

INCIDENTS in the LIFE of a SLAVE GIRL. Written by Herself (Annotated)

Arabian Nights, in 16 volumes

Slave Girl of Gor

*Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes in length cotton and sugar cultivation on major plantations in Louisiana.*

*Ellen Melville. Exposed for Your Delight You will laugh and lust when Ellen Pierce Melville gets a grip on you. You may scream once in a while; she can get a little rough. You may sigh occasionally, too, because there is poignancy in these tales-as when Ellen runs by the ocean alone, naked, through the warm night. And actually a little sticky with cum, too. The author of two extreme pornographic novels--"Naked Town, Naked Lives" and "Games Some People Play"--both praised by readers for their elegant style and erotic energy, now turns to her own life, loves, and lust at a uniformed boarding school in Connecticut, an Ivy League College, and New York City. Nothing is concealed, nothing is played down, "and nothing is politically correct." If anything, readers rejoice that the conflict, high-drama, and imagination Melville brings to sex is unsurpassed in erotic literature. She rounds out her accounts of her own increasingly hot sex life with a few stories that she chosen as sexy and hilarious from among those told to her by guys. Energized by her high-octane style, she tells these "inside" stories of a first Ashley Madison date and a trip to the "New Aloha Spa" in erotic detail and with her usual wacky, wild perspective. These treats are supplemented by a handful of poems, since Melville is an accomplished poet, in which she turns her talents to harry, galloping, laugh-aloud ballads of howdiness. With Melville, you won't be leaving--and you probably can't miss coming. And the laughs make you plain delighted at how amusing life can be!*

*Harriet Jacobs was born into slavery; it's the Middle Ages you live in her mistress, there is a chance she will get her freedom, and for the first time Harriet feels hopeful. But hoping can be dangerous, because disappointment is devastating. Harriet has one last hope, though: escape to the North. And as she faces numerous ordeals, this hope gives her the strength she needs to survive. Based on the true story of Harriet Ann Jacobs, LETTERS FROM A SLAVE GIRL reveals in poignant detail what thousands of African-American women had to endure not long ago. It's a story that will enlighten, anger, and never be forgotten.*

*This is a non-fiction book which introduces readers to a young mulatto slave named Hannah born in the year 1828 in the state of Georgia. Her life before the year 1870 has long since been a mystery. The author bridges the gaps in history and brings Hannah back to life starting with a deed from the year 1840 which gives Hannah away as a wedding present.*

*Harriet Jacobs' narrative of a life as a slave girl is unabridged, and contains an additional annotation at the start of the book. This section aims to give the reader an historical context, and contains a brief History of Slavery in America, and the Abolishment of Slavery. This will help set the stage for Harriet Ann Jacobs autobiography that is to follow: "I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account; but I deemed it kind and considerate towards others to pursue this course. When I first arrived in Philadelphia, Bishop Paine advised me to publish a sketch of my life, but I told him I was altogether incompetent to such an undertaking. Though I have improved my mind somewhat since that time, I still remain of the same opinion; but I trust my motives will excuse what might otherwise seem presumptuous. I have not written my experiences in order to attract attention to myself; on the contrary, it would have been more pleasant to me to have been silent about my own history. I want to add my testimony to that of abler pens to convince the people of the Free States what Slavery really is. Only by experience can any one realize how deep, and dark, and foul is that pit of abominations. May the blessing of God rest on this imperfect effort in behalf of my persecuted people!" --Linda Brent (Pseudonym used by Harriet Ann Jacobs)*

*"Multilayered, compassionate, and thought-provoking." — Kirkus Reviews (starred review) Thirteen-year-old Sophie isn't happy about spending the summer of 1960 at her grandmother's old house in the bayou. Bored and lonely, she can't resist exploring the house's maze, or making an impulsive wish for a fantasy-book adventure with herself as the heroine. What she gets instead is a real adventure: a trip back in time to 1860 and the race-haunted world of her family's Louisiana sugar plantation. Here, President Lincoln's Emancipation Proclamation is still two years in the future and passage of the Thirteenth Amendment is almost four years away. And here, Sophie is mistaken, by her own ancestors, for a slave.*

*(Complete Annotated Edition)*

*Twelve Years A Slave (Illustrated)*

*Harriet Jacobs' slave narrative is remarkable for its candid exposure of the sexual abuse suffered by slaves at the hands of their owners. Her sufferings, and eventual escape to the North, are described in vivid detail. This edition also includes her brother's short memoir, 'A True Tale of Slavery'.*

Illuminating the moral dilemma that lie at the heart of a slaveholding society, this book tells the story of a young slave who was sexually exploited by her master and ultimately executed for his murder. Celia was only fourteen years old when she was acquired by John Newson, an aging widower and one of the most prosperous and respected citizens of Callaway County, Missouri. The pattern of sexual abuse that would mark their entire relationship began almost immediately. After purchasing Celia in a neighboring county, Newson raped her on the journey back to his farm. He then established her in a small cabin near his house and visited her regularly (most likely with the knowledge of the son and two daughters who lived with him). Over the next five years, Celia bore Newson two children; meanwhile, she became involved with a slave named George and resolved at his insistence to end the relationship with her master. When Newson refused, Celia one night struck him fatally with a club and disposed of his body in her fireplace. Her act quickly discovered, Celia was brought to trial. She received a surprisingly vigorous defense from her court-appointed attorneys, who built their case on a state law allowing women the use of deadly force to defend their honor. Nevertheless, the court upheld the tenets of a white social order that wielded almost total control over the lives of slaves. Celia was found guilty and hanged. Melton A. McClaurin uses Celia's story to reveal the tensions that strained the fabric of antebellum southern society. Celia's case demonstrates how one master's abuse of power over a single slave forced whites to make moral decisions about the nature of slavery. McClaurin focuses sharply on the role of gender, exploring the degree to which female slaves were sexually exploited, the conditions that often prevented white women from stopping such abuse, and the inability of male slaves to defend slave women. Setting the case in the context of the 1850s slavery debates, he also probes the manner in which the legal system was used to justify slavery. By granting slaves certain statutory rights (which were usually rendered meaningless by the customary prerogatives of masters), southerners could argue that they observed moral restraint in the operations of their peculiar institution. An important addition to our understanding of the pre-Civil War era, Celia, A Slave is also an intensely compelling narrative of one woman pushed beyond the limits of her endurance by a system that denied her humanity at the most basic level.

From the author of fantasy novel Arianna's Tale come ten new short stories set in the magical world of Vorina. These stories, featuring the main characters introduced in Arianna's Tale, give the reader further insight into the characters and aid in the understanding of the greater plot of the entire Imperial Series. Some of the stories included in this anthology take place before the events portrayed in Arianna's Tale. These include Arrival, Deception, Exiled, and Awakening. The first two deal with Dammuk and his family. The second two are concerned with Arianna and her family and friends. The other six stories all happen within the novel but are not describes. All ten short stories are alluded to during the course of the novel. If you enjoyed any of the novels in The Imperial Series, are looking for a quick

introduction to the world of Vorina, or simply want a fun and interesting read, this anthology is for you. In 1859 twelve-year-old Clotee, a house slave who must conceal the fact that she can read and write, records in her diary her experiences and her struggle to decide whether to escape to freedom.

Empress of the East

Or Can a Classy Bitch Get Laid?

An American Controversy

Sapphira and the Slave Girl

The Freedom Maze

**Newbery Medal Winner:** A young Louisiana boy faces the horrors of slavery when he is kidnapped and forced to work on a slave ship in this iconic novel. Thirteen-year-old Jessie Bollier earns a few pennies playing his fife on the docks of New Orleans. One night, on his way home, a canvas is thrown over his head and he's knocked unconscious. When he wakes up, Jessie finds himself aboard a slave ship, bound for Africa. There, the Moonlight picks up ninety-eight black prisoners, and the men, women, and children, chained hand and foot, are methodically crammed into the ship's hold. Jessie's job is to provide music for the slaves to dance to on the ship's deck--not for exercise, as a way to keep their muscles strong and their bodies profitable. Over the course of the long voyage, Jessie grows more and more sickened by the greed of the sailors and the cruelty with which the slaves are treated. But it's one final horror, when the Moonlight nears her destination, that will change Jessie forever. Set during the middle of the nineteenth century, when the illegal slave trade was at its height, The Slave Dancer not only tells a vivid and shocking story of adventure and survival, but depicts the brutality of slavery with unflinching historical accuracy.

In her final novel, Willa Cather departed from her usual Great Plains settings to plumb the turbulent relationships between slaves and their owners in the antebellum South. Sapphira and the Slave Girl is set in Virginia just before the Civil War. Sapphira is a slave owner who feels she has come down in the world and channels her resentments into jealousy of her beautiful mulatto slave, Nancy. Sapphira's daughter Rachel, an abolitionist, opposes her mother's increasingly shocking attempts to persecute Nancy. The struggles of these three strong-willed women provide rich material for Cather's narrative art and psychological insight. **BONUS:** The edition includes an excerpt from the Selected Letters of Willa Cather.

SLAVE GIRL AND THE PIRATES OF AMBURTHE LOST PRINCESSMALU THE SLAVE GIRL: "TOWER OF INDECISION"THE FLAME GODDESSMALU AND THE FALL OF ZANKHARATHE comic reprints from Calumet History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. "In tide of yore and in time long gone before, there was a King of the Kings of the Banu Sāsān in the Islands of India and China, a Lord of armies and guards and servants and dependents . . . So he succeeded to the empire; when he ruled the land and forded it over his lieges with justice so exemplary that he was beloved by all the peoples of his capital and of his kingdom." The Book of the Thousand Nights and A Night is a collection of Middle Eastern, West Asian and South Asian stories and folk tales compiled in Arabic during the Islamic Golden Age. It is often known in English as Arabian Nights, as the Arabian stories proceed from an original tale of ruler Shahryār and his wife Scheherazade where some stories are framed within other stories, while others begin and end of their own accord. This edition contains more than 1001 tales of romance, erotica, supernatural and adventure along with copious notes transport you into the land of magic and nostalgia.

Incidents in The Life of A Slave Girl

Thomas Jefferson and Sally Hemings

Stories from Slave Girl #2

The Complete Works of Sir Richard Francis Burton

Now Intituled The Book of the Thousand Nights and a Night

Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. 25,000 first printing.

Sex abuse.

Newson for the delight he took in twaking the sexual taboos of the Victorian age-as well as the delight he took in the resulting shock of his bashful peers-British adventurer, linguist, and author CAPTAIN SIR RICHARD FRANCIS BURTON (1821-1890) is perhaps best remembered for his unexpurgated translation of the Eastern classic The One Thousand and One Nights, more famously known today as The Arabian Nights. Originating in Persian, Indian, and Arabic sources as far back as the ninth century AD, this collection of bawdy tales-which Burton was the first to bring to English readers in uncensored form-has exerted incalculable influence on modern literature. It represents one of the earliest examples of a framing story, as young Shahrazad, under threat of execution by the King, postpones her death by regaling him with these wildly entertaining stories over the course of 1,001 nights. The stories themselves feature early instances of sexual humor, satire and parody, murder mystery, horror, and even science fiction. Burton's annotated 16-volume collection, as infamous as it is important, was first published between 1885 and 1888, and remains an entertainingly naughty read. Volume IV includes: [ "Ni'amar Bin Al-Rabi'a and Naomi His Slave Girl" | "The Sweep and the Noble Lady" | "The Mock Caliph" | "All the Persian" | "The Lover Who Feigned Himself a Thief" | "Caliph Al-Maamun and the Strange Scholar" | "The Man of Al-Yaman and His Six Slave-Girls" | "The Man Who Stole the Dish of Gold Wherein the Dog Ate" | "The Woman Whose Hands Were Cut Off for Giving Alms to the Poor" | "The Ruined Man Who Became Rich Again Through a Dream" | "The King's Daughter and the Ape" ] and many others.

I take the initiating submissive woman to real consensual slavery, by a woman who's really been there! The first is autobiography, both clearly based on a sound, sympathetic and thorough understanding of the realities and paradoxes of such slavery. Apparently similar accounts are common - but the direct and graphic, never obscene, language shows both her gods and experience with every phrase. Then a true-life memoir of a lady's induction into the service of her Master, details of subsequent training, how he reduced her to absolute, unquestioning obedience using his particular brand of bondage and corporal punishment. An account of a sixth-form girl's interview at a school that promises to get her the qualifications she needs to get to university, with neat twist. Lady boss catches secretary, daughter dallying with manager, she comes daughter but a different approach to discipline him! an or woman, real or would-be Master or slave, this will fascinate you.

How a European Slave Girl Became Queen of the Ottoman Empire

1001 Nights, Kama Sutra, First Footsteps in East Africa, Perfumed Garden, Pilgrimage to Al-Madinah & Meccah and Book of Swords

An Astonishing Debut. 'Impassioned. Lyrical and Affecting' GUARDIAN

Copper Sun

Copx of the Dispatch from the Governor-General of India in Council to the Court of Directors of the East India Company, Dated the 8th Day of February 1841, ...

A sex slave who 's never been touched... National bestselling author Lisa Cach spins an erotic, passionate novel about a young Roman Empire slave who 's intended to become her king 's concubine--until a rugged barbarian prince takes her heart...and more. Lovely Nimia is a slave to King Sygarius, who 's grooming her to be his consort as soon as she reaches full womanhood. And that time is very close. Nimia is forced to attend shocking lessons in the erotic arts; lessons that leave her body aroused and her mind conflicted. Because while she 's attracted to Sygarius 's power and eroticism, her spirit rebels at being his slave. Then one of Sygarius 's allies comes to visit. Smart and ambitious, Clovis burns to take over Sygarius 's kingdom--and the beautiful Nimia. And though her virginity is meant for Sygarius, Clovis takes it with her enthusiastic consent. When Sygarius learns that she is no longer a virgin, Nimia flees for her life. But can she find Clovis before the wrath of Sygarius--and imminent death--finds her first?

The autobiography of Harriet Jacobs as told by herself. She details her life in slavery from a young girl until she becomes a free woman.

Sapphira Dodderidge, a Virginia lady of the 19th century, marries beneath her and becomes irrationally jealous of Nancy, a beautiful slave. One of Cather's later works.

The visionary author 's masterpiece pulls us along with her Black female hero--through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when it she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Incidents in the Life of Harriet Jacobs, a Slave Girl & Narrative of the Life of Frederick Douglass, a Slave Man - Written by Them

Volume IV

**Hekja is a poor farm girl, living alone with her mother in a quiet seaside village. When Viking raiders attack, both Hekja and her dog are taken as slaves, forced onto the ship that is commandeered by Freydis, a bold and often heartless Viking woman who bows to no man. Embarking on a remarkable adventure to Iceland, Greenlandand beyond, Hekja and her dog must finally find their home. Originally published in hardcover under the title Rover, Jackie French's SlaveGirl will keep readers enthralled.**

The "fascinating . . . lively" story of the Russian slave girl Roxelana, who rose from concubine to become the only queen of the Ottoman empire (New York Times). In Empress of the East, historian Leslie Peirce tells the remarkable story of a Christian slave girl, Roxelana, who was abducted by slave traders from her Ruthenian homeland and brought to the harem of Sultan Suleyman the Magnificent in Istanbul. Suleyman became besotted with her and forewore all other concubines. Then, in an unprecedented step, he freed her and married her. The bold and canny Roxelana soon became a shrewd diplomat and philanthropist, who helped Suleyman keep pace with a changing world in which women, from Isabella of Hungary to Catherine de Medici, increasingly held the reins of power. Until now Roxelana has been seen as a seductress who brought ruin to the empire, but in Empress of the East, Peirce reveals the true history of an elusive figure who transformed the Ottoman harem into an institution of imperial rular.

Slaves and Slave Agency in the Ottoman Empire offers a new contribution to slavery studies relating to the Ottoman Empire. Given the fact that the classical binary of 'slavery' and 'freedom' derives from the transatlantic experience, this volume presents an alternative approach by examining the strong asymmetric relationships of dependency documented in the Ottoman Empire. A closer look at the Ottoman social order discloses manifold and ambiguous conditions involving enslavement practices, rather than a single universal pattern. The authors examine various forms of enslavement and dependency with a particular focus on agency, i. e. the room for maneuver, which the enslaved could secure for themselves, or else the available options for action in situations of extreme individual or group dependencies.

Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this course. "I wish I were more competent to the task I have undertaken. But I trust my readers will excuse deficiencies in consideration of circumstances. I was born and reared in Slavery; and I remained in a Slave State twenty-seven years.""

Return to Hell

Incidents in the Life of a Slave Girl (EasyRead Super Large 20pt Edition)

A Plain and Literal Translation of the Arabian Nights Entertainments

Golden Age Adventures of Malu and Her Protector GARTH

*In the sequel to Slave Girl, a survivor of the sex trade details her recovery process, which she realizes must include a return to the site of her trauma to aid others. In Slave Girl, Sarah Forsyth told of her terrible ordeal as a young woman sex-trafficked from England to the red-light district of Amsterdam, and of her dramatic escape from forced prostitution. But as she relates in this memoir, Sarah's journey from the dark back into light was far from over. She discusses how, still addicted to drugs and drink, she struggled to cope with life, with love, and with the marriage she desperately hoped would bring her happiness. It would take three more long and painful years to be rid of the terrible after-effects of sex slavery. But as she fought her draining battle to survive, Sarah came to realize that there was something she needed to do. It was a decision that would take her back into the modern scandal of sex trafficking--and back into the hell of Amsterdam's red-light district. This is the incredible story of her very personal mental journey to find goodness within herself, and the shocking and painful physical journey to find the sex slaves she left behind. Both are journeys which will take all the strength, courage, and love that she has--but if she is to survive, they are journeys she must make.*

*When Annette Gordon-Reed's groundbreaking study was first published, rumors of Thomas Jefferson's sexual involvement with his slave Sally Hemings had circulated for two centuries. Among all aspects of Jefferson's renowned life, it was perhaps the most hotly contested topic. The publication of Thomas Jefferson and Sally Hemings intensified this debate by identifying glaring inconsistencies in many noted scholars' evaluations of the existing evidence. In this study, Gordon-Reed assembles a fascinating and convincing argument: not that the alleged thirty-eight-year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing. Friends of Jefferson sought to debunk the Hemings story as early as 1800, and most subsequent historians and biographers followed suit, finding the affair unthinkable based upon their view of Jefferson's life, character, and beliefs. Gordon-Reed responds to these critics by pointing out numerous errors and prejudices in their writings, ranging from inaccurate citations, to impossible time lines, to virtual exclusions of evidence--especially evidence concerning the Hemings family. She demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of Jefferson. This updated edition of the book also includes an afterword in which the author comments on the DNA study that provided further evidence of a Jefferson and Hemings liaison.00 Possessing both a layperson's unfettered curiosity and a lawyer's logical mind, Annette Gordon-Reed writes with a style and compassion that are irresistible. Each chapter revolves around a key figure in the Hemings drama, and the resulting portraits are engrossing and very personal. Gordon-Reed also brings a keen intuitive sense of the psychological complexities of human relationships--relationships that, in the real world, often develop regardless of status or race. The most compelling element of all, however, is her extensive and careful research, which often allows the evidence to speak for itself. Thomas Jefferson and Sally Hemings: An American Controversy is the definitive look at a centuries-old question that should fascinate general readers and historians alike.*
