A war for your money is raging and it is time to fight back! In a book that will forever change how you spend your hard earned money, America's favorite financial coach, David Bach, shows you how to save thousands of dollars every year by taking on the "corporate machines." In these times when every dollar counts, big businesses are using dishonest tricks to rip you off, making themselves billions while they keep you living paycheck to paycheck. David Bach knows that until you learn to fight for your money, you will overpay for almost everything you buy. In *Fight for Your Money*, he gives you the tools to FIGHT BACK and WIN. Bach shows you how every dollar you spend is really a battle between you and the businesses—and the government—who want to take it as profit. When you know how the system is rigged—the extra points, the hidden fees, the late charges, the unused tax breaks, the escalating rates—you can fight back against the pickpockets and save literally thousands every year—money in your pocket that can help you live your dreams. *Fight for Your Money* shows how you are being taken on your cell phone contract, cable bill, car purchase, credit card, life insurance, healthcare, 401(k) plan, airfare, hotel bills, and much more. Bach gives you all the tools you need to fight back, with websites, phone numbers, sample letters and real-life stories of ordinary people who have fought for their money and won. You'll learn how to: Beat the credit card companies at the games they play that cost you thousands annually in interest and fees Make your bank accounts work for you with higher yields and lower fees Save thousands by pre-paying college tuition at TODAY's prices Raise your credit score and pay thousands less in mortgage interest Cut your life insurance premiums in half by making one call Save hundreds on air travel, hotels, and car rentals—just by being an informed consumer Avoid huge rip-offs like bank-issued gift cards, medical credit cards, 401(k) debit cards, and sneaky renewals of your cell-phone plan. David Bach knows that when you are being taken financially, you work harder than you have to, for longer than you need to. This book helps you fight for your money, so you can live your life doing what you really want to do.

NEW YORK TIMES BESTSELLER “A rollicking good time.” –Golfweek \* “Thoroughly engaging.” –The Washington Post A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can’t tear himself away. Mickelson’s career and public image have been

defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years--full of heart, humor, and unexpected turns.

**OVER 250,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS.** *There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law in its first year of being in effect, and how they can extend the life of their retirement savings by taking advantage of it now.
