Griffin's INVITATION TO PUBLIC SPEAKING: NATIONAL GEOGRAPHIC EDITION, 6th Edition, brings a unique invitational approach to the public speaking course. As an antidote to the argument culture promoted by the media, INVITATION TO PUBLIC SPEAKING represents public speaking as a public dialogue, whether its purpose is to persuade, inform, or entertain. Audience-centered and practical, this approach emphasizes real-world contexts for public speaking with special features on Public Speaking in the Workplace, Ethical Moments, Civic Engagement, and relatable case studies from NATIONAL GEOGRAPHIC researchers, scientists, artists, educators, and activists who use public speaking to save endangered species, document human tragedies, or promote scientific and cultural discoveries. Expository sermons on the Epistles for the Sundays of the Christian year

The astonishing talent of Argentine women writers belies the struggles they have faced—not merely as overlooked authors, but as women of conviction facing oppression. The patriarchal pressures of the Perón years, the terror of the Dirty War, and, more recently, the economic collapse that gripped the nation in 2001 created such repressive conditions that some writers, such as Luisa Valenzuela, left the country for long periods. Not surprisingly, power has become an inescapable theme in Argentine women's fiction, and this collection shows how the dynamics of power capture not only the political world but also the personal one. Whether their characters are politicians and peasants, torturers and victims, parents and children, or lovers male and female, each writer explores the effects of power as it is exercised by or against women. The fifteen writers chosen for *Women and Power in Argentine Literature* include famous names such as

Valenzuela, as well as authors anthologized for the first time, most notably María Kodama, widow of Jorge Luis Borges. Each chapter begins with a "verbal portrait," editor Gwendolyn Díaz's personal impression of the author at ease, formed through hours of conversation and interviews. A biographical essay and critical commentary follow, with emphasis on the work included in this anthology. Díaz's interviews, translated from Spanish, and finally the stories themselves—only three of which have been previously published in English—complete the chapters. The extraordinary depth of these chapters reflects the nuanced, often controversial portrayals of power observed by Argentine women writers. Inspiring as well as insightful, *Women and Power in Argentine Literature* is ultimately about women who, in Díaz's words, "choose to speak their truth regardless of the consequences." This volume contributes rich, new material to provide insights into indigenous responses to the colonial empires of Great Britain and Germany (Namibia) and explore the complex intellectual, cultural, literary, and political borders and identities that emerged across these spaces.

"In the early 1970s, an ascendant women's rights movement enjoyed strong support from both political parties and considerable success, but was soon challenged by a conservative women's movement formed in opposition. Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston, Texas. As Bella Abzug, Gloria Steinem, and other feminists endorsed hot-button issues such as abortion rights, the ERA, and gay rights, Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro-family movement"--Back cover.

Memorable Characters Come to Life in WOMEN OF VALOR In this story, Nella inadvertently uncovers evidence that the death of an American soldier was a murder, not a suicide, and she becomes the next target for the killer. Suddenly it seems that everyone is a suspect or has something to hide. Who can she turn to when everyone seems to be harboring secrets and her own heart seems untrue? Will God's goodness and faithfulness surmount even the horrors of war?

The fact that you are reading this is an indication that you or someone you know could use some help in understanding the men in your lives. Of all the books on this subject currently in print, Because We Stand is the only one that gives you the tools and the guidance you need to gain and maintain 100% control of the relationships with the men in your life. If you are tired of bouncing in and out of one failed relationship after another, then this is the book for you. It is not too difficult. It is not too late. All that is required is a commitment from you to yourself to end the merry-go-round. A happier, healthier and more enlightened YOU is just a few pages away! This book is produced by women's suffrage leaders: the Great Elizabeth Cady Stanton, Susan B. Anthony, Matilda Joslyn Gage & Ida Husted Harper. It presents the complete history of the women's suffrage movement, primarily in the United States. This edition presents the major source for primary documentation about the women's suffrage movement from its beginnings through the ratification of the Nineteenth Amendment to the U.S. Constitution, which enfranchised women in the U.S. in 1920. In addition to the remarkable history of suffrage movements this collection is enriched with the biographies of the most influential figures of

American movement for women's suffrage: Elizabeth Cady Stanton, Susan B. Anthony, Anna Howard Shaw, Jane Addams, Lucy Stone, Carrie Chapman Catt and Alice Paul.

"A classic 'must-read.' Bold, countercultural, and more relevant than ever." Mary A. Kassian, author, Girls Gone Wise Have you sensed God's call to change your world? Do you believe you can be one of those women who, by her virtue, wisdom, dignity, and faith, makes an impact in her home and community? Maybe you've heard the call but weren't sure how to maximize the opportunities. Maybe society's definition of "true womanhood" has clouded your view of who you are in Christ. Or maybe you've just been waiting for a little encouragement and inspiration. In any case, Susan Hunt says, "Start now." And let this book be your encourager and companion. You will read how other Christian women are reflecting Christ despite difficult and sometimes tragic circumstances—and how you can reflect him, too. You'll explore what the Bible says about your identity as a true woman of God. And you'll discover how to further develop a biblically shaped and Spirit-driven character that people are drawn to. Begin today to draw closer to God and deepen your impact. This exhortation to biblical womanhood will set your

heart on fire and help you take up the unique opportunity you have—an opportunity to make a difference for eternity.

Sean Thomas was single, thirty-seven, and just “a tiny bit desperate” to meet the woman of his dreams when a men’s magazine asked him to try Internet dating for a year and write unflinchingly about his experiences. The result is a painfully funny and gloriously indiscreet diary the Los Angeles Times calls “a hilarious romp through the London dating scene.” Thomas lays bare answers to such questions as: Why are so many men fascinated by lesbians? What’s so great about pantyhose? And what’s it like to have sex with someone really famous? His story will appeal to any woman interested in what men really think about sex and romance, and to any man who’s ever taken honest stock of his relationships with the fairer sex.
