

Spraylizz: 2

Alchemy tore the Elric brothers' bodies apart. Can their bond make them whole again? A hardcover, deluxe collector's edition of one of the most beloved manga and anime of all time! Fully remastered with an updated translation and completely fresh lettering, and presented with color pages on large-trim archival-quality paper, this gorgeous hardcover edition presents the timeless dark adventures of the Elric brothers as they were truly meant to be seen. Includes brand-new cover art, with color insert and behind-the-scenes character sketches from author Hiromu Arakawa! In an alchemical ritual gone wrong, Edward Elric lost his arm and his leg, and his brother Alphonse became nothing but a soul in a suit of armor. But before the Elrics' personal tragedy, a bloody, unjust war caused suffering for many of their friends and allies.

English teacher by day turned hostess by night. Meet Elizabeth, a privileged, spoiled rich party girl from America's Los Angeles, who has decided that in order to prove to her parents she isn't a slacker, a year or two living and working in Japan will be the perfect pit-stop for her and boyfriend / future husband, Eddie. Life overseas will all be a breeze, easy money, and fun, right? WRONG. Not only does living abroad come with its share of challenges, it also comes with culture shock and danger as her unresolved substance abuse problems and craving for excitement get her into trouble and put a strain on her relationship. Will it survive? Her brushes with the underworld place her in life-threatening situations that can get her chopped up and dumped into the East Sea, because somewhere along the way, she has made enemies uninterested in fun and games! Based on and a true story and real-life events When the Stone Towers that control the Abominations start to crumble, wizard Alben recruits Myrva, a Technocrat warrior, her brother Ian, a former soldier, his sidekick Gmor the ogre, and the priestess called Ecuba to battle the rising evil.

The Podcaster's Dilemma

Join everybody's favourite beer-swilling, chain-smoking, kangaroo-worrying lunatic as she 'bumps' her way through another increasingly bizarre escapade. Tank Girl's back and this time she's pregnant ... yes, pregnant! How will our manic heroine cope with looming motherhood? Is it Booga's? What will it look like? And what do the followers of the Blood God Baal have to do with it? Not only does she have all that to contend with, but there's also a meteorite headed straight for Earth ... all this and plenty more will be revealed in this final slice of Tank Girl's lunatic adventures.

On a quiet suburban street in Dublin, a piece of graffiti tears apart a group of neighbours, exposing a deep divide between them. In one long scene over one night, six people must confront their pride, privilege and prejudice. Who will concede power and how will they move forward? Power will be undone. It won't be pretty. But it could be beautiful.

Who said coming home is easy? Liz Beacon has life all planned out--prioritized, color-coded and cross-referenced. She long ago traded in the geeky high school nickname, teenage pounds and dysfunctional family for a fab career, killer abs and a man every woman would envy. Okay, so her sex life is non-existent and her almost-fiancé is technically a coworker. Life, if not perfect, is still on track. But then, Liz is called home to Sugar Falls, NH, to prepare her childhood home for sale. She's spent ten years denying her insecurities and hokey lawn-ornament roots.

There's nothing she'd rather do less than face all she happily left behind, including her embarrassingly one-sided high school crush. Carter McIntyre has sailed through life on his winsome smile... and by the skin of his teeth. A college drop-out with ADHD, he's learned it's safer to play the carefree charmer than step up and take over his uncle's landscaping business. But then his class valedictorian returns to Sugar Falls and hires him for some home improvements. Now Carter's wondering if it's too late--to grow up, take a chance and win over the only girl who ever believed in him... **Mild sexual content; Mild language; No violence**

Decolonizing Podcasters in the Era of Surveillance Capitalism

l'altra metà dei comics italiani : temi, autrici, personaggi al femminile

A fascinating exploration of modern podcasting as a tool for decolonization In The

Podcaster's Dilemma: Decolonizing Podcasters in the Era of Surveillance Capitalism, Drs. Nolan Higdon and Nicholas Baham III connect contemporary podcasting to the broader history of the use of radio technology in the service of anti-colonial struggle and revolution. By organizing the book's analysis of decolonization through podcasting via three distinct activities—interrogation and critique, counter-narrative, and call to action—the authors create a lens through which they analyze and evaluate the decolonizing potential of new podcasts. The book also critiques the threat to the decolonizing efforts of some modern podcasts by the growing phenomena of surveillance capitalism and the emerging podcast oligopoly. The Podcaster's Dilemma reveals both potential and challenges in the podcasting space as podcasters struggle to put forward insightful new narratives funded by anti-capitalist models. This important book also includes: A thorough introduction to the podcasters profiled in the book and an examination of how they're using podcasts to decolonize themselves from colonial mentalities Practical discussions of how the profiled podcasters interrogate and critique the veracity of neoliberal, racist, imperialist, patriarchal, heterosexist, classist, and ableist white-centered ideologies Comprehensive explorations of the counter-narrative production phase of a decolonizing podcaster's process In-depth treatments of the community activism created by decolonizing podcasts The Podcaster's Dilemma: Decolonizing Podcasters in the Era of Surveillance Capitalism is an indispensable new resource for critical media, communications, ethnic studies, and political science scholars, as well as undergraduate and graduate students. It is also perfect for anyone interested in the broad expansion of intersectional voices in dialogue about everything from political organizing to plant-based diets.

Stand at attention with this pocket-sized army of free, proud, masculine fantasy men committed to pleasure and male camaraderie. With multi-panel comics and single-panel drawings and paintings, as well as personal photographs, sketches, and reference images, *The Little Book of Tom: Military Men* celebrates the artist's most iconic vision of... Die NPD und andere Rechtsextreme nutzen bei ihrem "Kampf um die Köpfe" Comics, andererseits sollen die populären Bildergeschichten in der politischen Jugendbildung und im Schulunterricht der rechtsextremen Meinungsbildung aufklärerisch entgegenwirken. Doch für einige Comics gegen Rechts gilt: Gut gemeint ist nicht immer auch gut gemacht. Generell herrscht ein großer Mangel an Wissen über die gesellschaftspolitische Bedeutung, über die Wirkungs- und Einsatzmöglichkeiten von Comics. Werden hier Gefahren für die Gesellschaft und Mittel zu ihrem Schutz sträflich übersehen? Welches bildungspolitische Potential steckt in Comics? Über 20 namhafte internationale ExpertInnen analysieren in diesem Buch im interdisziplinären Rahmen Inhalte, Funktionen, Mechanismen und Wirkungen der "Comics von Rechts" und der "Comics gegen Rechts". "Durch mehrere Verdienste ragt dieser wissenschaftliche Sammelband aus der Menge der Comic-Sekundärwerke und politischen Fachbücher heraus. Zum einen wird hier zum ersten Mal das Titelthema von allen Seiten her bearbeitet. Hier werden nicht nur Comics zum Thema analysiert, sondern auch konkrete Modelle für den praktischen Einsatz im Unterricht und der Bildungsarbeit vorgestellt. Wer mit 'Comics gegen Rechts' arbeitet, sollte wissen, welche 'Comics von Rechts' es gibt. Wer Comics im

Schulunterricht einsetzt, sollte nicht nur eine kritische Sicht auf die Inhalte haben, sondern auch erkennen können, ob und welche Stereotypen sich darin befinden und wie man mit ihnen umgehen kann. Daher ist es nur folgerichtig, dass sich die meisten Aufsätze mit der Darstellung der NS-Zeit und des Holocausts in Comics beschäftigen und der Verwendung dieser Comics im Unterricht. Gerade hier kommt der weitere große Verdienst des Sammelbands zu tragen, nämlich die interdisziplinäre Offenheit, die verschiedene Perspektiven, Meinungen und Ansätze zugelassen hat. Hier treffen Autoren mit unterschiedlichen, zum Teil konträren Ansichten zu bestimmten Comics aufeinander und geben damit entscheidende Anstöße für eigenes Reflektieren der besprochenen Comics. Viele der thematisierten Comics kennt man auch als Graphic Novels, als Sach- und Geschichtscomics aus den aktuellen Besprechungen des Feuilletons her und als Gegenstand akademischer Veranstaltungen. Wer hier mitreden will, wird auf diesen Sammelband nicht verzichten können. Dabei dürfte dieses Buch auch dem eher allgemein als speziell interessierten Comicleser einen neuen Blick auf die Möglichkeiten (aber auch die Grenzen) des Mediums öffnen. Ein wissenschaftliches Buch über Comics und Rechtsextremismus mit beeindruckendem Gewicht von der Anzahl der Seiten wie vom spannenden Inhalt her." Heiner Lünstedt in: highlightzone.de

The Complete Terry and the Pirates: 1934-1936

Guida al fumetto italiano

"A bold, compelling challenge to conventional thinking about obesity and its fixes, *Weighing In* is one of the most important books on food politics to hit the shelves in a long time."

—Susanne Freidberg, author of *Fresh: A Perishable History* "*Weighing In* is filled with counterintuitive surprises that should make us skeptics of all kinds of food -- whether local, fast, slow, junk or health -- but also gives us the practical tools to effectively scrutinize the stale buffet of popularly-accepted health wisdom before we digest it." —Paul Robbins, professor of Geography and Development, University of Arizona "If you liked Michael Pollan, this should be your next read. Guthman gives us the research behind the questions we should be asking, but, falling all over ourselves in the rush to consensus, we have overlooked. A self-described Berkeley foodie, Guthman takes on the self-satisfaction of the alternative food movement and places it in rich context, drawing on research in health, economics, labor, agriculture, sociology, and politics. This marvelous, surprising book is a true game-changer in our national conversation about food and justice." —Anna Kirkland, author of *Fat Rights: Dilemmas of Difference and Personhood* "This groundbreaking book calls into question the ubiquitous claim that 'good food' will solve the social and health dilemmas of today. Combining political economic analysis, cultural critique, and clear explanation of scientific discoveries, the author challenges our deeply held convictions about society, food, bodies, and environments."

—Becky Mansfield, editor of *Privatization: Property and the Remaking of Nature-Society Relations* "Step back from that farmer's market -- Guthman shows us that good foods and good eating are not enough. By questioning the fuzzy facts on obesity, the impact of environment, and capitalism's relentless push to consume, *Weighing In* challenges us to think harder, and better, about what it really takes to be healthy in the modern age." —Carolyn de la

Peña, author of *Empty Pleasures: The Story of Artificial Sweetener from Saccharin to Splenda*

Jazz Maynard was born in the slums of Barcelona, surrounded by the sort of criminal element that gets under your skin for good. He tried to escape their influence by moving to New York City, but after ten years of living by his own rules, his past caught up with him, forcing him back to the streets that groomed him. Shadows of his former life have been waiting for him, and it's time for him to face the inescapable. Jazz Maynard and his childhood friend Teo are not enjoying this unexpected reunion. Jazz had spent the previous ten years in New York, until just three days earlier, when he received a desperate letter from his long-lost sister, who had fallen in with bad company. Jazz did what any good brother would do—he rescued her from the bad company and whisked her back home to Barcelona, the homeland he left ten years earlier. But it didn't take long for trouble to catch up with him. Three days, in fact. Old criminal relationships are renewed, and Jazz's skills as a thief and bodyguard are put on display, forced into various underground jobs by foes both old and new. It becomes pretty clear why Jazz might have left, but the question now is whether he will ever be able to leave again . . . A complex tale of antiheroes and criminal agendas in deadly competition, with our hero trapped in the middle. When the city is evacuated, Cat is happy to follow the rules and leave New Orleans with everyone else. Instead, she finds herself mixed up with Anomaly, the domestic terror group responsible for the bombing in Chicago three months ago—or so the world believes. It's the last place she wants to be, and after everything she's seen, they aren't willing to let her walk away. For Cadence, the middle of nowhere seemed like a good place to lay low, but staying off Homeland Security's radar is tricky, especially if her bosses continue to make deals with the local Anomaly contingent. She survives by working for an aging drug organization, and getting ahead means going after the ones in charge. But she's not the only one scheming. And while Anomaly's leaders fight over their next move, its supporters are hungry to give the country the hard reset they believe it needs, and with the leading terrorist hunter distracted by his own troubles, there may not be anyone who can stop them.

Tank Girl: Apocalypse

Offers a collection of true facts about animals, food, science, pop culture, outer space, geography, and weather.

The huge word-of-mouth bestseller – completely updated for 2019 THE LONDON THAT TOURISTS DON'T SEE Look beyond Big Ben and past the skyscrapers of the Square Mile, and you will find another London. This is the land of long-forgotten tube stations, burnt-out mansions and gently decaying factories. Welcome to DERELICT LONDON: a realm whose secrets are all around us, visible to anyone who cares to look . . . Paul Talling – our best-loved investigator of London's underbelly – has spent over fifteen years uncovering the stories of this hidden world. Now, he brings together 100 of his favourite abandoned places from across the capital: many of them more magnificent, more beautiful and more evocative than you can imagine. Covering everything from the overgrown stands of Leyton Stadium to the windswept alleys of the Aylesbury Estate, DERELICT LONDON reveals a side of the city you never knew existed. It will change the way you see London.

PRAISE FOR THE DERELICT LONDON PROJECT 'Fascinating images showing some of London's eeriest derelict sites show another side to the busy, built-up capital.' Daily Mail 'Talling has managed to show another side to the capital, one of abandoned buildings that somehow retain a sense of beauty.' Metro 'Excellent . . . As much as it is an inadvertent vision of how London might look after a catastrophe, DERELICT LONDON is valuable as a document of the one going on right in front of us.' New Statesman 'From the iconic empty shell of Battersea Power Station to the buried 'ghost' stations of the London Underground, the city is peppered with decaying buildings. Paul Talling knows these places better than anyone in the capital.' Daily Express '[London has an] unusual (and deplorable) number of abandoned buildings. Paul Talling's surprise bestseller, DERELICT LONDON, is their shabby Pevsner.' Daily Telegraph

Comics and other graphic narratives powerfully represent embodied experiences that are difficult to express in language. A group of authors from various countries and disciplines explore the unique capacity of graphic narratives to represent human embodiment as well as the relation of human bodies to the worlds they inhabit. Using works from illustrated scientific texts to contemporary comics across national traditions, we discover how the graphic narrative can shed new light on everyday experiences. Essays examine topics that are easily recognized as anchored in the body as well as experiences like migration and concepts like environmental degradation and compassion that emanate from or impact on our embodied states. Graphic Embodiments is of interest to scholars and students across various interdisciplinary fields including comics studies, gender and sexuality studies, visual and cultural studies, disability studies and health and medical humanities.

Together with their cousins, Liz and Tom Austen plunge into a dangerous mystery after they see a yacht off Newfoundland's coast. While they try to find out why the yacht's light was flashing, they have to get past a group of people called the Renegades and someone named Hawk. In *The Ice Diamond Quest*, Eric Wilson draws on Newfoundland's customs and explores the environment, redevelopment and women's rights. Wilson's Liz and Tom Austen mysteries are in constant demand among young people who have tapped into Canada's answer to the Hardy Boys.

Comedy / 3f, 3m Here is an hilarious romantic comedy bursting with witty dialogue about a couple who take their two daughters and their husbands on a cruise from Copenhagen to St. Petersburg. Before the boat docks, the course of all three marriages changes drastically and unpredictably in a laugh filled, comedy that enjoys record breaking runs in theatre after theatre. "Delightful." - Variety "Sails on a sea of comedy." - L.A. Times "Ironic and wise. Clever and perceptive. Superb." - Holl

A seasonally appropriate anthology of poems about the deadly art of murder ranges from old Scottish ballads to hard-boiled 20th-century noir and includes depictions of colorful villains and victims as immortalized by such writers as Browning, Hardy and Auden.

Hard Reset

Collects the complete run of the newspaper adventure strip which made its debut in November 1934 and continued for twelve years.

A disparate group of human protagonists from Dark Horse's past thirty years of *Predator* are set on a collision course with their most hated enemy--rendered in frenetic, violent detail by artist Francisco Ruiz Velasco! Since time immemorial, the aliens known as Predators have come to Earth to hunt us. Now a group of survivors of those visits have begun a hunt of their own. This is the year that humanity turns the tables on the Predators! When Enoch Nakai is recruited by a privately funded group of former soldiers, drug runners, and FBI agents to investigate the killers from beyond the stars, he sees it as a chance to strike back

at the creatures who derailed his life. But the team's destination--a South Pacific island paradise--hides a terror no one expects!
