When fifteen-year-old Will is rejected by battleschool, he becomes the reluctant apprentice to the mysterious Ranger Halt, and winds up protecting the kingdom from danger.

Just as with his stirring narrative of the life of St. Francis, Saint Francis of Assisi: Passion, Poverty & the Man Who Transformed the Church, author Bret Thoman draws upon his profound knowledge of original sources, his familiarity with the places where these two great founders lived and breathed and changed the world, and his own Franciscan spirituality, to bring to life, like never before, the story of St. Clare of Assisi. Join Thoman as he skillfully weaves the known facts of Clare's life with imaginative passages that bring the reader into the profoundly spiritual world of the "Light from the Cloister." Hailing from an aristocratic or "Major" family, Clare continually-- in imitation of Our Lord and Francis--sought to make herself lesser or minor. In the process, in another of God's "divine paradoxes," she became a giant, not only of her Age, but of all time. Tenaciously attached to poverty, she became rich as only the saints are; docile and obedient, she stood up to her aristocratic family and, later, princes of the Church in following the path upon which God had set her; frail and vulnerable, she caused Saracen invaders to turn tail and run . . . merely by prostrating herself before the Blessed Sacrament; and though not learned in either theology or canon law, she became the first woman to write a Rule for a new religious community. St. Clare truly was a "light from the cloister" not only for her era but for all time. Meet her as never before in these pages and, in what is sure to be a profoundly spiritual reading experience, let her light shine

upon you.

Lost, forgotten, reimagined, and transformed: the compelling beauty of abandoned, reinvented, and rescued architecture This book captures the awe-inspiring drama of abandoned, forgotten, and ruined spaces, as well as the extraordinary designs that can bring them back to life – demonstrating that reimagined, repurposed, and abandoned architecture has the beauty and power to change lives, communities, and cities the world over. The scale and diversity of abandoned buildings is shown through examples from all around the world, demonstrating the extraordinary ingenuity of their transformation by some of the greatest architectural designers of the 20th and 21st centuries.

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or

bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.
