

Star Wars: The Approaching Storm

Following intense personal loss, Jaina Solo descends to the dark side, determined to take her revenge on the Yuuzhan Vong. In the process, she learns something new about how to fight the alien invaders, but she must also remember that revenge is not the way of the Jedi—even when it seems the only way to fight the enemy.

Before the onset of the Clone Wars, a group of explorers consisting of six Jedi Masters, twelve Jedi Knights, and a fifty-thousand-member crew sets out aboard a state-of-the-art starship on a mission to search for intelligent life outside the known galaxy, in an account of the Outbound Flight Project and of the first encounter with the alien warlord Thrawn. 70,000 first printing.

“It seems you have acquired about you a field that affects the links between multiple parallel worlds, causing objects and individuals from these worlds to slip into yours . . . or you to slip into theirs . . .” It was just an average day for tabloid reporter Max Parker when he arrived in Malibu for a demonstration of a brand new parallel-universe machine. But everything changed in an instant when inventor Barrington Boles succeeded in making Max the human gate to numerous parallelities. Now Max was lost in a virtual sea of collateral worlds, confronting man-eating aliens, dinosaurs, talking frogs, dead Maxes, girl Maxes, old Maxes, even ghost Maxes. His only chance to escape the space-time continuum was to find Boles and hope the loony genius could rescue him. But how could he be sure which world was real, which Max was Max, and which Boles was the Boles who could stop the madness—or trap Max in the wrong world forever. . . ?

NEW YORK TIMES BESTSELLER • Obi-Wan Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights in a high-stakes adventure set just after the events of Star Wars: Attack of the Clones. The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order’s most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy—and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master’s insistence that he listen this time—Anakin’s headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

Sent to aid a local dictator facing a revolution, Hallena Devis finds herself in danger as she is surrounded by belligerent freedom fighters at the same time Captain Gilad Pellaeon is facing a decision whether to rescue Hallena or stay true to the Republic.

The official novelization of Star Wars: The Force Awakens, the highly anticipated blockbuster film directed by J. J. Abrams, hitting cinemas in December 2015.

Flinx is the only one with any chance of stopping the evil colossus barreling in to destroy the Humanx Commonwealth (and everything else in the Milky Way). His efforts take him to the land of his mortal enemies, the bloodthirsty AAnn, where chances are excellent that Flinx may be executed. And he must also seek out an ancient sentient weapons platform wandering around the galaxy and then communicate with it, a powwow that could very well fry his brain. Then there are the oblivion-craving assassins determined to stop Flinx before he can prevent total annihilation. With a future that rosy, it's no surprise that Flinx is flirting with disaster. Still, he's no quitter. Now he's going to need every ounce of his know-how, because he's venturing to places where no one's ever been, to do what no one's ever done, and where his deadliest enemy is so close it's invisible.

Homicide - or cosmic catastrophe? Detective Vernon Moody is a modern cop who likes to catch killers the modern way - with computer webs, databases and common sense. So he's not happy when his latest case revolves around the supposedly mystical properties of a lost Navaho sandpainting. Or when the painting leads him to suspect an alien presence in his modern world. No Moody's getting scared and what started out as a routine murder investigation may uncover the very nature of reality - or destroy it forever!

The fledgling New Republic is threatening by the growing power of the arrogant, pernicious Yevethan race and its fleet of Imperial Star Destroyers, while Luke Skywalker embarks on a quest for the truth about his mother. Original.

The Approaching Storm: Star Wars Legends Del Rey

The first human-alien contact. The last word in galactic warfare. The story you must read-before Transformers rockets to the big screen! A mammoth robotic being, clearly of alien origin, has been found beneath the Arctic ice. Its advanced engineering dwarfs known human technology, and unlocking its secrets will catapult American science eons into the future. In search of the mysterious artifact's origin, a covert government agency sends the manned craft Ghost 1 on a perilous journey of discovery. When a mishap maroons Ghost 1 in the far reaches of unknown space, the ship's distress beacon reaches the very alien race Ghost 1's crew has been seeking: the Autobots. The gigantic mechanized beings are also on a quest: to find the Allspark, a device crucial to the salvation of their home world, Cybertron. But they're not alone. The Decepticons, the Autobots' brutal enemies, have their own sinister purposes in

seeking the Allspark. As these adversaries are drawn together once more, the stage is set for a death-dealing new battle in which each is driven by a single-minded aim: total annihilation of the enemy.

#1 NEW YORK TIMES BESTSELLER • The official novelization of Star Wars:

The Force Awakens, the blockbuster film directed by J. J. Abrams • Includes two tie-in short stories: "The Perfect Weapon" by Delilah S. Dawson and "Bait" by Alan Dean Foster More than thirty years ago, Star Wars burst onto the big screen and became a cultural phenomenon. Now the next adventures in this blockbuster saga are poised to captivate old and new fans alike—beginning with the highly anticipated Star Wars: The Force Awakens. And alongside the cinematic debut comes the thrilling novel adaptation by New York Times bestselling science fiction master Alan Dean Foster. Set years after Return of the Jedi, this stunning new action-packed adventure rockets us back into the world of Princess Leia, Han Solo, Chewbacca, C-3PO, R2-D2, and Luke Skywalker, while introducing a host of exciting new characters. Darth Vader may have been redeemed and the Emperor vanquished, but peace can be fleeting, and evil does not easily relent. Yet the simple belief in good can still empower ordinary individuals to rise and meet the greatest challenges. So return to that galaxy far, far away, and prepare yourself for what happens when the Force awakens. . . . Praise for Star Wars: The Force Awakens "Like all the best novelizations, Alan Dean Foster's adaptation of Star Wars: The Force Awakens enriches the movie experience. The novel goes beyond simply giving us insight into the characters' thoughts, with plenty of additional scenes painting a broader picture of the galaxy."—New York Daily News "Fast-moving, atmospheric, and raises goose-bumps at just the right moments. [Foster] not only evokes entire onscreen worlds . . . he also gives us glimpses of an even more vast, unseen

universe.”—The Washington Post “Was my experience of the film enriched by the book? Yes. No question. Is the novelization worth reading? Yes. . . . Foster has written a book that captures the spirit of the film, while presenting additional information that helps answer some of the questions that linger.”—Coffee with Kenobi

The Dangerous Games

Star Wars Approaching Storm

Bestselling author Alan Dean Foster returns to his acclaimed Humanx universe, where a young human orphan called Flinx seeks to unlock the dangerous secrets of his past – and the uncertain prospects of his future with the aid of the formidable minidrag known as Pip. This mind-bending Pip and Flinx adventure is a roller-coaster ride into the unknown, filled with wonder and humor, and a host of deadly adversaries. Using his enhanced empathic abilities, Flinx finesses his way into a top-secret security installation on Earth. Once there, he bamboozles a sophisticated AI program into releasing classified information about the Meliorare Society, the sect of renegade eugenicists whose experiments with human beings had horrified the civilized universe more than twenty years ago. After all, as one of the few Meliorare experiments to survive, Flinx has a right to know about his past. Especially since his telepathic powers seem to be evolving. The question is, evolving into what? The excruciating headaches afflicting Flinx with increasing frequency make him wonder if he will be alive to find out. . . .

In the years since the events of Star Wars: The Phantom Menace, the Republic has continued to crumble, and the Jedi are needed to help the galactic government maintain order. As Star Wars: Episode II opens, Obi-Wan Kenobi and Anakin Skywalker have just returned from a mission on a world called Anison. This work tells the story of that mission.

Making their way through a future world where physical alterations and enhancements are commonplace, a group of thieves weigh considerable options in order to change their appearances and take on advantageous features.

From bestselling author Alan Dean Foster, an exciting early Pip and Flinx novel that shows the origins of a certain boy with special powers—and the mini-dragon that becomes his devoted sidekick. . . . Flinx was just a freckle-faced, redheaded kid with green eyes and a strangely compelling stare when Mather Mastiff first saw him at the auctioneer's block. One hundred credits and he was hers. For years the old woman was his only family. She loved him, fed him, taught him everything she knew—even let him keep the deadly flying dragon he called Pip. But when Mother Mastiff mysteriously disappears, Flinx tails her kidnapers on a dangerous journey. Across the forests and swamps of the winged world called Moth, their only weapons are Pip ' s venom . . . and Flinx ' s unusual talent.

For Love of Mother Not

The last known human searches the galaxy for companionship in a brilliant standalone novel from the legendary author of the Pip & Flinx series. “A provocative read.”—The Washington Post Once Homo sapiens reigned supreme, spreading from star system to star system in an empire that encountered no alien life and thus knew no enemy . . . save itself. As had happened many times before, the basest, most primal human instincts rose up, only this time armed with the advanced scientific knowledge to create a genetically engineered smart virus that quickly wiped out humanity to the last man. That man is Ruslan, the sole known surviving human being in the universe. Rescued from the charnel house of his home planet by the Myssari—an intelligent alien race—Ruslan spends his days as something of a cross between a research subject and a zoo attraction. Though the Myssari are determined to resurrect the human race, using Ruslan’s genetic material, all he wants for himself and his species is oblivion. But then the Myssari make Ruslan an extraordinary offer: In exchange for his cooperation, they will do everything in their considerable power to find the lost home world of his species—an all-but-mythical place called Earth—and, perhaps, another living human. Thus begins an epic journey of adventure, danger, heartbreak, and hope, as Ruslan sets out in search of a place that may no longer exist—drawn by the slimmest yet most enduring hope. Praise for Relic “Relic is a thrilling and thoughtful epic. With Alan Dean Foster’s trademark invention in both the psychology and physiology of his aliens, he also enriches the narrative with their complex cultures. The plot spans galaxies!”—Hugo and Nebula Award – winning author Greg Bear “The stunning plot of Foster’s stand-alone novel will intrigue readers for not only the ‘last man in the universe’ trope but also the well-developed alien species. A true first contact novel on many different levels.”—Library Journal “Foster’s sympathetic novel successfully surveys human frailty, the tendency not to learn from history, and an enduring capacity for adaptation and emotional attachment.”—Publishers Weekly “Foster’s high-concept novel is a gripping tale of serenity amid sorrow.”—World Magazine Come home to Star Wars with this ebook sampler of excerpts from Del Rey’s latest novels—including the official adaptation of *The Force Awakens*—set a long time ago in a galaxy far, far away. . . . In this year’s sampler, you’ll also find selections from the *Battlefront* videogame tie-in novel and from a pair of gripping titles that fill the gaps between Episodes VI and VII. Plus, don’t miss four Star

Wars short stories presented in their entirety: “Bait” by Alan Dean Foster, “Inbrief” by Janine K. Spendlove, and “Blade Squadron” and “Blade Squadron: Zero Hour” by David J. Williams and Mark S. Williams! BLOODLINE by Claudia Gray Taking place in the years before the events of The Force Awakens, this thrilling novel from the New York Times bestselling author of Star Wars: Lost Stars recounts the birth of the Resistance as witnessed by Leia Organa. THE FORCE AWAKENS by Alan Dean Foster The acclaimed novelization of Star Wars: Episode VII: The Force Awakens, the international megahit film directed by J. J. Abrams, Alan Dean Foster’s sweeping narrative “gives us glimpses of an even more vast, unseen universe,” raves The Washington Post. AFTERMATH by Chuck Wendig The second Death Star has been destroyed, the Emperor killed, and Darth Vader struck down. Devastating blows against the Empire, and major victories for the Rebel Alliance. But the battle for freedom is far from over. BATTLEFRONT: TWILIGHT COMPANY by Alexander Freed A companion novel inspired by the blockbuster videogame Star Wars: Battlefront, this action-packed adventure “effortlessly thrusts readers onto the frontlines of the Galactic Civil War in a gripping tale” (New York Daily News).

Sent to the Galactic Games to preserve the peace, Anakin Skywalker defies his mentor Obi-Wan Kenobi's orders against pod racing when he learns of the chance to challenge childhood rival Sebulba.

Unlikely duo Pip and Flinx return to right another wrong in this all-new sci-fi adventure from one of the genre’s living legends. Fans of fun, fast-paced, imaginative science fiction adventure, rejoice! #1 New York Times bestselling author Alan Dean Foster returns to his much-loved Commonwealth series with a new novel starring the indefatigable Flinx and his venomous minidrag, Pip. Facing danger and doing good is their business . . . provided the price is right. The unexpected return of an old friend draws Flinx and Pip to the backward planet of Largess, whose seal-like denizens’ primitive technology and fractious clan politics have kept a wary Commonwealth from a profitable trade relationship. But now a rogue human employing forbidden advanced weaponry threatens to ignite a war among the Larians. And Flinx is just the man to stop it before it starts. But once on Largess, Flinx discovers that his empathic abilities—usually his greatest asset—are rendered useless by the natives’ unique language, which is sung rather than spoken. Worse, the abduction of a powerful chieftain’s daughter has raised tensions to the boiling point. Now Flinx must depend on his own mettle—and of course Pip, the devoted minidrag with the deadly edge—to right wrongs, mend fences, and battle a cold-blooded adversary armed with enough firepower to blow them all away . . . and destroy the chance for peace in Largess forever. Advance praise for Strange Music “Adventure-loving readers new to the series, as well as old fans, will enjoy [Alan Dean] Foster’s return to Commonwealth space.”—Publishers Weekly

Star Wars Episode II: Attack of the Clones

Luke Skywalker expected trouble when he volunteered to follow Princess Leia on her mission to the planet Circarpous. But he discovered that hidden on the planet was the Kaiburr crystal, a mysterious gem that would give the one who possessed it such powers over the Force that he would be all but invincible. In the wrong hands, the crystal could be deadly. So Luke had to find this treasure and find it fast.... In nearly two dozen novels about the Humanx Commonwealth, Alan Dean Foster has fascinated readers with his brilliantly imagined interstellar realm—where humans, thranx, AAnn, and other species strive to work together to put the common good above selfish ends. But renewed efforts at cooperation prove that familiarity breeds contempt. Diuturnity's Dawn is the third thrilling novel in The Founding of the Commonwealth, a spectacular space adventure that traces the perilous early years of this remarkable universe. From the beginning, while sharing the Orion Arm of the galaxy, contact between humankind and the thranx has been tenuous at best. Yet nearly a century after first contact, the likelihood of closer human/thranx relations is as far away as ever. Humans still find these insectlike beings physically repulsive, a distaste the thranx return in kind. At times the cordial veneer barely conceals the suspicion and distrust boiling just below the surface. Yet idealists on both sides refuse to surrender their dreams of achieving a thranx/human alliance. Among the most dedicated are a minor diplomat named Fanielle Anjou and her thranx counterpart. Others intend to make sure such a liaison never comes to pass . . . by any means necessary. For these xenophobes, the upcoming Humanx Inter-Cultural Fair, the first wholly cross-species event, is a hideous confirmation of their worst fears. Zealots on both sides vow it will be the last of its kind, no matter how many must die. In the coming conflagration Fanielle holds the key to triumph but only if she can outwit those desperate to silence her forever. Meanwhile, on a faraway planet, the duplicitous AAnn watch intently as archaeologists labor to discover what happened to an advanced human race that perished thousands of years ago. For the answers contain grave consequences for human, thranx, and AAnn alike . . .

Anakin Skywalker searches for the evil Darth Sidious, struggles with his duty as a Jedi Knight and role as the secret husband of Senator Padme Amidala, and strives to eliminate all resistance to the Empire in his new role as Darth Vader.

Demonic spirit-beings are stealing into our world in this fantasy adventure from the #1 New York Times—bestselling author of The Damned Trilogy. Earth is being invaded by the shetani—spirit creatures so small and stealthy that only one man knows about the increasing peril. The potential savior is an African elder named Olkeloki who is capable of fighting evil both in this world and the spirit one. But to be successful he must recruit the help of two others: government agent Joshua Oak and a feisty young woman named Merry Sharrow. Only the three of them can keep the shetani from destroying reality as we know it.
