The wildly popular YouTube star behind Clean My Space presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution:

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper products, tools, and techniques (PTT) for the job
- Implement these new cleaning routines so that they stick

Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!) her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.

IT CAME FROM THE SOCK DRAWER is the first book in the Relative Nightmare series; a series starring characters based on the author's own beloved relatives and written for all ages who enjoy a suspenseful, often humorous, thrill. In IT CAME FROM THE SOCK DRAWER, you'll meet Brian who has always had an aversion to socks. When he marries Kim, the girl of his dreams, he thinks his sock troubles are far behind him - until he discovers Kim is a sock hoarder. When the socks start behaving strangely, Brian blames his over-active imagination. The truth will literally knock your socks off!

Grandma's Sock Drawer

A little purple hippo faces a dilemma. While getting dressed one day, she realizes that she is missing a red sock. But as she searches throughout her sock drawer, she cannot find a suitable replacement. From blue to green and gray to white, nothing she finds will match. Does that really matter? This new picture-book offering from Jennifer Sattler (Bully) reads like a dream for readers of all ages of the enjoyment that may occur when one lets go and embraces imperfection.

Whether you knit them toe-up or top-down, getting just the right fit on hand knit socks is a major challenge! In Custom Socks, Kate Atherley sets out to teach knitters of all levels the skills and tools they need to understand sock fit, and to knit a pair of socks that fit perfectly.

Read PDF Start With Your Sock Drawer: The Simple Guide To Living A Less Cluttered Life

She calls on her years of experience as Knitty's Managing Technical Editor, where she edited hundreds of sock patterns, to share this information in a way that is easy to use with patterns that inspire. So go ahead and treat yourself to these 15 original sock patterns that are easily customizable and work with any needle configuration. Your feet will thank you!

Jock and Spock, a pair of sock brothers, were never more than a foot apart. That is, until one day Jock was thrown into the wrong wash, bleached, and tossed out! This is the story of the socks' hilarious struggle to reunite. You'll never look in your sock drawer in the same way again.

When someone tries to threaten me by telling me they know my name, I take that personally. G'day. I'm not really a pet anymore, but you might as well keep calling me Pet. It's not like I'm gunna tell you my name anyway. And if I sound stroppy, well, I am. First, I was threatened. Now, someone has cut off my house from the human world and left my entire support vampire on the human side. On the inside, it's just me and an emotionally compromised fae; outside, a closed arena in the world Behind, where everyone is out to win and a few of that everyone might actually be capable of it. Yep. The Heirling Trials have begun, and it seems like it's either be king or be dead when it comes to the world Behind.

Enjoy a fresh new approach to sock knitting! Stephanie van der Linden is a master knitter and shows her technical skills to great effect in Op-Art Socks. A collector of op-art ceramics, she was inspired to translate graphic optical illusions into knitted patterns for socks, replicating their eye-popping effects. Op-Art Socks contains 19 projects. Explore graphic colorwork, textured knitting (knit and purl), shadow knitting, and shifting ribbing to create optical illusions. The book includes black and white swatches of all patterns so that you can readily perceive the op-art illusions in each piece. Op-Art Socks is truly unique in theme and designs. Go beyond ordinary sock knitting into new territory!

Suki and Sosh love their life. Each day they go to work together on their pair of feet, and each night they snuggle together in their sock drawer. But then disaster strikes: Sosh spots that Suki has a hole. Darn it! Sure enough, his warm, woolly wife starts to unravel, until one day Suki is nowhere to be found. The rest of the underwear warn him

not to go it alone - no one likes an odd sock. But Sosh swears to find her.

For Magic Tree House readers who are ready for something longer, the Dragon Keepers series has the perfect length and reading level, along with the fast-paced writing, adventure, and sense of teamwork that kids love to read. TEN-YEAR-OLD COUSINS Jesse and Daisy have always wanted something magical to happen to them. So it's a wish come true when Jesse's newly found thunder egg hatches, and a helpless, tiny but very loud baby dragon pops out. Soon the two kids are at the dragon's beck-and-call, trying to figure out what to feed her. An Internet search leads them to the library, which leads them back to the Internet, where they find a very strange Web site called "foundadragon.org." It is here that the cousins discover that the dragon's hatching has designated them "Dragon Keepers" and that not only do they have to feed her, but they have to keep her safe from the villainous Saint George who has kept himself alive over centuries by drinking dragons' blood.

Buy fewer (and better) things. Store like with like. Get rid of the plastic. Display—don't stash—your belongings. Let go of your inner

perfectionist and remember that rooms are for living. These are a few of the central principles behind Remodelista: The Organized Home, the new book from the team behind the inspirational design site Remodelista.com. Whether you're a minimalist or someone who takes pleasure in her collections, we all yearn for an unencumbered life in a home that makes us happy. This compact tome shows us how, with more than 100 simple and stylish tips, each clearly presented and accompanied by full-color photographs that are sure to inspire. Readers will learn strategies for conquering their homes' problem zones (from the medicine cabinet to the bedroom closet) and organizing tricks and tools that can be deployed in every room (embrace trays; hunt for unused spaces overhead; decant everything). Interviews with experts, ranging from kindergarten teachers to hoteliers, offer even more ingenious ideas to steal. It all adds up to the ultimate home organizing manual.

Sock Club

Tidying Up with Marie Kondo: The Book Collection

It Came from the Sock Drawer

Cousins Jesse and Daisy always knew they would have a magical adventure, but they are not prepared when the "thunder egg" that Jesse has found turns out to be a dragon egg that is about to hatch.

DIV How many socks make a pair? The answer is not always two. And behind this question lies a world of maths that can be surprising, amusing and even beautiful. Using playing cards, a newspaper, the back of an envelope, a Sudoku, some pennies and of course a pair of socks, Rob Eastaway shows how maths can demonstrate its secret beauties in even the most mundane of everyday objects. If you already like maths you'll discover plenty of new surprises. And if you've never picked up a maths book in your life, this one will change your view of the subject forever. /div

HOUSEHOLD HINTS. The world's gone tidying-up mad. We're increasingly desperate to declutter our crowded homes, in the hope that it will help us declutter our crowded minds. But while we may understand that the chaos most of us call 'life' can be calmed when we feel in control of our living space, many of us are overwhelmed by the prospect of tackling what seems like an impossible job. Vicky Silverthorn is a professional organiser and declutterer, and her friendly back-to-basics method involves taking on small, achievable tasks one at a time; manageable chunks that even the busiest person can fit into their day. She understands how people really live, and offers practical and realistic tips on organising your home, minimising the mess - and clearing your mind.

Spring clean your life with this practical, achievable guide to living with less clutter Cupboards packed with unused gadgets. Boxes full of obsolete chargers. Wardrobes bursting with unworn clothes. Heaps of neglected children's toys. A dresser jammed full of mismatched socks. . . Sound familiar? Many of us feel increasingly overwhelmed by - and guilty about - the sheer amount of stuff packed into our homes. And we're starting to realise that being organised at home doesn't just mean always knowing where you left the remote; it means being able to face the world with a clear mind and increased energy. It all starts at home. But where? When the problem is so vast and we are all so busy, how do you even begin to tackle the clutter mountain? Professional organiser Vicky Silverthorn has the simple answer: start with your sock drawer. Using tried-and-tested methods, Vicky will guide you through practical, bite-sized tasks that will help you achieve a friendly level of organisation throughout your home and a new clarity of

Read PDF Start With Your Sock Drawer: The Simple Guide To Living A Less Cluttered Life

mind. With Vicky's help, you can fight back against the clutter and learn to love your home once more. 'Vicky is a wonder. Her meticulous and practical re-organisation of my wardrobe has freed me from clutter and spared up valuable time' (Jonathan Ross)

colored socks. Now match those colors with an activity throughout the day or match a color to some of your favorite toys!

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo*: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

100 Realistic Strategies to Keep Any House Under Control

A handbook for women on how to take control of their financial lives is filled with quizzes, planning tools, and anecdotes designed to inspire women everywhere. Reprint. 17,500 first printing.

Stuffocation is a movement manifesto for “experiential” living, a call to arms to stop accumulating stuff and start accumulating experiences, and a road map for a new way forward with the potential to transform our lives. Reject materialism. Embrace experientialism. Live more with less.

Stuffocation is one of the most pressing problems of the twenty-first century. We have more stuff than we could ever need, and it isn't making us happier. It's bad for the planet. It's cluttering up our homes. It's making us stressed—and it might even be killing us. A rising number of us are

Read PDF Start With Your Sock Drawer: The Simple Guide To Living A Less Cluttered Life

already turning our backs on all-you-can-get consumption. We are choosing access over ownership, and taking our business to companies like Zipcar, Spotify, and Netflix. Fed up with materialism, we are ready for a new way forward. Trend forecaster James Wallman traces our obsession with stuff back to the original Mad Men, who first created desire through advertising. He interviews anthropologists studying the clutter crisis, economists searching for new ways of measuring progress, and psychologists who link stuffocation to declining well-being. And he introduces us to the innovators who are already living more consciously and with more meaning by choosing experience over stuff. Experientialism does not mean giving up all of our possessions. It is a solution that is less extreme but equally fundamental. It's about transforming what we value. Stuffocation is a paradigm-shifting look at our habits and an inspiring call for living more with less. It's the one important book you won't be able to live without. Praise for Stuffocation "The revelations come fast and furious as he asserts that acquiring 'stuff' is often just an easy way to ignore the tougher questions of life, dodging 'why am I here?' and 'how should I live?' for 'will that go with the top I bought last week?' Tart and often funny . . . [Stuffocation] will be an eye-opener for those long ago persuaded that more is better. A scintillating read that will provoke conversation (or at

Read PDF Start With Your Sock Drawer: The Simple Guide To Living A Less Cluttered Life

least closet cleaning).”—Booklist “James Wallman deftly hits upon a major insight for our times: that acquiring ‘stuff’ and ‘things’ is not nearly as meaningful as collecting experiences. Some of the happiest days of my life were when I had nothing and lived on a houseboat. Without stuff to tie me down, I felt completely free.”—Blake Mycoskie, founder of TOMS and author of the New York Times bestseller Start Something That Matters “A must-read . . . We think that more stuff will make us happier, but as the book nicely shows, we’re just plain wrong. A great mix of stories and science, *Stuffocation* reveals the downside of more, and what we can do about it.”—Jonah Berger, author of the New York Times bestseller *Contagious* “Wallman offers a deeply important message by weaving contemporary social science into very engaging stories. Reading the book is such a pleasure that you hardly recognize you’re being told that you should change how you live your life.”—Barry Schwartz, author of *The Paradox of Choice* “With a sociologist’s eye and a storyteller’s ear, Wallman takes us on a tour of today’s experience economy from the perspective not of businesses, nor even of consumers per se, but of everyday people.”—B. Joseph Pine II and James H. Gilmore, authors of *The Experience Economy* Celebrate holiday warmth with Little Mouse as Santa takes him on a magical journey to the North Pole. When Little Mouse hears a knock, he

Read PDF Start With Your Sock Drawer: The Simple Guide To Living A Less Cluttered Life

opens his door to find Santa asking him for help. Santa's reindeer are hungry and can't get back to the North Pole. Little Mouse is quick to share and his kind act is generously rewarded when Santa takes him for a ride to the North Pole. One kind act goes a very long way Little Mouse finds out. The Mouse in the Sock is sure to charm children and adults alike with magical illustrations and short, simple rhyming text about the virtues of kindness and sharing. Enter a snow-covered, sparkling world of festive Christmas cheer as you celebrate the most wonderful time of the year with Little Mouse and Santa.

Shelley has to pick up the socks she's left all over her room. But when she opens her sock drawer, a tiny troublemaking boy appears. She has to make her bed, but there he is again, underneath the sheets watering a tomato plant. Soon enough this tiny terror is making a mess all over the house and Shelley's efforts to get rid of him only make him grow bigger. The solution, to everyone's surprise, is banishment by hugs and kisses! A newly designed Classic Munsch picture book introduces this charming tale of a tiny, yet persistent interloper to a new generation of young readers.
