There are a lot of gratitude books out there, but none quite like this, which comes with actual gifts: a sign, a totem, an answer, and a present from the natural world! Most of us believe we can think our way out of problems. We believe that if we just exert enough mental effort, we will pull up a solution to whatever ails us. And

that has gotten us nowhere. So in this book, we're going to forget thinking . . . and start thanking. This playful but easy practice has the power to reconnect us with our true nature. When we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we tune in to a frequency of
