Summer Bridge Activities

The Story of Ruby Bridges

Comprehensive Curriculum of Basic Skills, Grade 3

Numbers & Counting, Grades PK - K

A hilarious, irreverent book about doing your own thing Meet Iggy Peck—creative, independent, and not afraid to express himself! In the spirit of David Shannon’s No, David and Rosemary Wells’s Noisy Nora, Iggy Peck will delight readers looking for irreverent, inspired fun. Iggy has one passion: building. His parents are proud of

Khis fabulous creations, though they're sometimes surprised by his materials—who could forget the tower he built of dirty diapers? When his second-grade teacher declares her dislike of architecture, Iggy faces a challenge. He loves building too much to give it up! With Andrea Beaty's irresistible rhyming text and David Roberts's puckish illustrations, this book will charm creative kids everywhere, and amuse their sometimes bewildered parents. Also from the powerhouse author-illustrator team of Iggy Peck, Architect, is Rosie Revere, Engineer, a charming, witty picture book about believing in yourself and pursuing your

K
passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's class, is available in September 2016.

Spectrum(R) Numbers and Counting for prekindergarten to kindergarten provides focused practice in numbers and counting to help your child develop number sense. Aligned to state standards, these activities include counting to 100, writing numbers through 20, and comparing numbers of objects. The Spectrum series offers early learning workbooks that help your child thrive in today's standards-based classroom. Spectrum Numbers and Counting builds math readiness with rigorous

K
practice. This resource provides focused instruction and a systematic approach to skill development for concept mastery. Spectrum is your child's path to academic success. This best-selling workbook series provides quality educational activities that meet your child's needs for learning achievement. These comprehensive workbooks address essential skills in reading, language arts, math, and science. Students in prekindergarten to grade 8 will find lessons and exercises that help them progress through increasingly difficult subject matter. No matter your child's academic need, Spectrum is with you every step of

K
the way.

Category: Biography "Please, God, try to forgive those people. Because even if they say those bad things, They don't know what they're doing." This is the true story of an extraordinary 6-year-old who helped shape history when she became the first African-American sent to first grade in an all white school. This moving book captures the courage of a little girl standing alone in the face of racism." Ford's moving watercolor paintings...capture the...warmth of Ruby's family and community, the immense powers against her, and her shining inner strength."
