When the widowed owner of the wine bar Vineyard decides she wants to take some time off and travel abroad, she leaves her business in the very capable hands of the two women she trusts most: Vineyard's general manager, Lindsay, and her daughter, Piper. For Lindsay Kent, Vineyard is her dream job. She's thrilled when her boss leaves her in charge (well, half-charge), delete and tells her to feel free to make changes. Lindsay has tons of ideas that she's been dying to put into action, and this is her big chance to increase the success of the business and prove

she's more than ready to run things solo. But getting the boss's daughter on board is harder than expected. The uptight and annoyingly attractive Piper is blocking her every move. For Piper Bradshaw, Vineyard is not her job. She already has one. She's VP at a large tech company, and she's damn good at it. Who cares if people say she's a workaholic and an icy bitch? She didn't get to the top by being prone to whims and experiments. She's not happy when her mother suddenly decides to gallivant all over the country and furious that the family business has been left in the hands of the happy-go-lucky, born-a-generation-too-late hippie who manages it. Good thing Lindsay can't make any changes unless they both agree, because Piper doesn't intend to. Lindsay and Piper are like night and day. Working together won't be easy, but not falling in love might prove the hardest job of all.

When Maggie's not working, she loves to rappel off cliffs or go skydiving. Nothing frightens her. Forced to stay longer than she intended, Maggie finds her family a complete mess, including the niece her sister has abandoned. Ten-year-old Riley is struggling in school and out of control at home. from one mishap to another, she realizes she's going to need to ask for help from the one person who scares her the most. To save one little girl--and herself--can Maggie let go of her fears and just trust God?

Stacked

Quick & Easy Food

From the money nerds behind the award-winning Stacking Benjamins podcast, a new kind of personal finance book to get your house in order. Rich. Wealthy. Well-heeled.

Moneyed. Affluent. Not bad—but why not get Stacked instead? If you've ever dreamed of a basic philosophy of money that'll help you live bigger, be bolder, and laugh harder, you need this book. In these uncertain times, the basics matter more than ever. But for most of us, concepts such as investing, budgeting, and getting out of debt just don't float our boats (or 150-foot yachts)—and so we put them off longer than we should. Joe Saul-Sehy and Emily Guy Birken are here to tell you that personal finance can be a lot more fun than you think. (No haberdashery, maritime knowledge, or specialized flatware required.) Learn about everything from side hustles, to hiring a legit financial adviser, to planning for emergencies, to what's new and exciting—and actually worth your time—in financial apps and software. If you're looking for the same old get-rich-quick clichés, avocado toast shaming, or alphabet soup of incomprehensible financial terms, you won't find them here. Instead, Saul-Sehy and Birken take you step by step along the way to financial success, with their signature blend of

shrewd financial information and wacky humor. Indulge your naughtiest food fantasies and satisfy your gluttony and lust with this succulent cook-and-look book, from a self-described “burger pervert” and creator of the notorious PornBurger blog. PornBurger is Washington, DC, chef, food stylist, and creative producer Mathew Ramsey’s orgasmic experiment: ingredient-driven, flavor-intense, sensually divine excess that caters to the food fetishist in all of us. Shamelessly health-unconscious and ready to entertain (or offend), Ramsey’s recipes deliver the ultimate in debauched burger stackography—handcrafted buns, patties, toppings, and sides, even some boozy beverages—expertly designed and lusciously photographed in a set of bombshell burger pinups. But don’t be fooled by raunchy descriptions and Ramsey’s signature burger puns, like the Bill U Murray Me?, Spamela Anderson, and the Willem DaFoe-nut. This burger freak is a culinary-school-educated chef devoted to the dark arts of hamburgery. Ramsey shows you how to master as many essential cooking techniques as he offers graphically delicious images to ogle. Whet your appetite with delectable concoctions like the Horn Dog: clover honey, whole kernel corn jalapeño batter, slow-roasted pork belly, pickled hot dog, two smash-cooked PornBurger beef patties; the James Francophile: quick pickled beets, truffled demi-glace, Gruyère de Comté, one PornBurger beef patty, bone marrow onion jam, potato-chip-crustéd fois gras gougère; and I Woke Up Like This: sriracha mustard, arugula, smoked bacon, American cheese, fried chicken thigh, quick-pickled hamburger dills, White Castle cheeseburger waffle. Combining tantalizing meat blends, grinds, and cooking methods, a tempting range of vegetarian and pescatarian
