

## Sweet Table: Le Più Belle Creazioni Di Cake Design

Frances Mayes, whose enchanting #1 New York Times bestseller *Under the Tuscan Sun* made the world fall in love with Tuscany, invites readers back for a delightful new season of friendship, festivity, and food, there and throughout Italy. Having spent her summers in Tuscany for the past several years, Frances Mayes relished the opportunity to experience the pleasures of primavera, an Italian spring. A sabbatical from teaching in San Francisco allowed her to return to Cortona—and her beloved house, Bramasole—just as the first green appeared on the rocky hillsides. *Bella Tuscany*, a companion volume to *Under the Tuscan Sun*, is her passionate and lyrical account of her continuing love affair with Italy. Now truly at home there, Mayes writes of her deepening connection to the land, her flourishing friendships with local people, the joys of art, food, and wine, and the rewards and occasional heartbreaks of her villa's ongoing restoration. It is also a memoir of a season of change, and of renewed possibility. As spring becomes summer she revives Bramasole's lush gardens, meets the challenges of learning a new language, tours regions from Sicily to the Veneto, and faces transitions in her family life. Filled with recipes from her Tuscan kitchen and written in the sensuous and evocative prose that has become her hallmark, *Bella Tuscany* is a celebration of the sweet life in Italy. Now with an excerpt from Frances Mayes's latest southern memoir, *Under Magnolia*. DigiCat Publishing presents to you this special edition of "The Sonnets, Triumphs, and Other Poems of Petrarch" by Francesco Petrarca. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

*This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.*

A collection of essays containing some of the most up-to-date Handel research from both sides of the Atlantic.

My novel begins one snowy evening in cold snowy Buffalo on a typical American street where a light from the topmost room of an otherwise ordinary home shines into the wintry night with a rare golden glimmer and the miracle of invincible youth. From the garret room in this house young Elan Duclair shares with the silent falling snowflakes a voice destined to carry him from his untutored singing in a church choir and a high school rock band onto the grandest of the world 's opera stages in only a few short years. He journeys through the world of early 1960 ' s New York, making his way past older temptresses, despotic bosses, unreliable landlords, months of city cab driving, waitering, catering, and dishwashing, selling on Wall Street and a graveyard shift in an ice cream factory where the ten degrees Nordic temperature temporarily damages his vocal cords. Inspired by the pure brilliance of his musical gift, an array of opera coaches and mentors offer friendly guidance and a beautiful young musician offers her heart.

*A History of Western Choral Music explores the various genres, key composers, and influential works essential to the development of the western choral tradition. Author Chester L. Alwes divides this exploration into two volumes which move from Medieval music and the Renaissance era up to the 21st century. Volume I surveys the choral music of composers including Josquin, Palestrina, Purcell, Handel, and J.S. Bach while detailing the stylistic, textual, and extramusical considerations unique to the topics covered. Consideration of Renaissance music includes both sacred and secular works, specifically addressing the growth of sacred music, the rise of secular music, and the proliferation of sacred polyphony from Josquin to Palestrina. Discussion of the Baroque era is organized by geographic location, exploring the spread of Baroque style from Italy to German, France, and England. Volume I concludes by examining the aesthetic underpinnings of the early Classical and Romantic eras. Framing discussion within the political, religious, cultural, philosophical, aesthetic, and technological contexts of each era, A History of Western Choral Music offers readers specialized insight into major composers and works while providing a cohesive understanding of choral music's place in Western history.*

*Treats you can make without putting on the oven—also includes many gluten-free desserts! With plenty of puddings—chocolate, pistachio, butterscotch, maple bourbon, rice pudding with lemon—plus Nutella fluff, Thai sticky rice with mango, wholesome “jello” made with fruit juice, no-bake cookies, icebox cakes with whipped cream and graham crackers, you’ll find tons of special, delicious desserts here—and lots of them are gluten-free too. Bakeless Sweets is the first cookbook to give you all of these beloved no-bake desserts in one big collection. “The fact that most of the recipes in Bakeless Sweets are naturally gluten-free makes it a boon for anyone who still wants decadent desserts without baking. Also, there’s root beer and cream soda terrine. Need I say more?” —Shauna James Ahern, author of Gluten-Free Girl and the Chef*
