AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World, Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they desire each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

The creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when - coworkers push their work on you—then take credit for it - you accidentally trash-talk someone in an email then hit “reply all” - you’re being micromanaged—or not being managed at all - you catch a colleague in a lie - your boss seems unhappy with your work - your cubemate’s loud speakerphone is making you homicidal - you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works. . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

PLEASE NOTE: Some recent copies of Let Your Life Speak included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to josseybasseducation@wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, Let Your Life Speak hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward going for all who seek the true calling of their lives.

Includes an excerpt from What to Say next.

Well-researched and daring! A bomb waiting to explode! Revolutionary! THE BEATLES: EXTRAORDINARY PLAGIARISTS by EDGAR O. CRUZ cuts the Beatles' apple to reveal the core of the artistry: Where did all the pumping and smashing songs by John Lennon, Paul McCartney, George Harrison and Ringo Starr come from? Following their creative cycle, it presents the origination of the 213 officially released songs, the first it is ever attempted. The brief of two decades of extensive research and editorial work, this 172-page book is seven chapters details how African-Americans shaped the art of the Four Lads of Liverpool and made them the most viable rock act of all time. Based on the recollections of the Beatles and the group's constant insiders, past & present musicologists and pop culture historians, authoritative sources such as Time, Newsweek, The New York Times, Rolling Stone, NME, Playboy, and the author's own unique probing on the subject, here's the Beatles naked!

I am a first and one-of-a-kind special purpose self-understanding and personal growth through my memoirs. After six years of digging through life's events, tapping into my eidetic memory for the pointed details of the good and bad days of my soul, I give myself to you. The good loves, along with those entangled with evil and low self-esteem, are revealed up in a search for what love is supposed to be. Love would be kindred and found for me but then lost in not being able to give, believe or receive life's greatest treasure. I shrouded love in poisonous passion, fear and hate. Some choices in my life moved me toward self-interpreted success while other things I chose to do took me to the edge of society and the law. My voice is from the heart in the hope to inspire within you an empathy to those different than yourself. Two lifelong friends encouraged me and stood by me through my journey of self-reflection. After all the years of knowing me, one said "she loved me even more after reading my story," and it doesn't get any better than that. So please, sit down and have a cup of coffee with me, be amused, and understand why I did the things I did. Yes, you'll laugh and even possibly experience shock at times, but more importantly, you will "see me." Though the book does not end with a "happily ever-after," you will see the magic of introspection, along with the peace and acceptance it provides. While dysfunctional times can be a part of our lives, they're certainly not present all of our life. - Jim Rostello "I was engrossed in this memoir from the first chapter. The relationships chronicled in this book are so real and they are varied, and they are moving. Jim Rostello openly shares the complicated father-son relationship he had as a child as he internally struggled to love himself as a closeted gay man in a rural environment where acceptance of those feelings was unheard of at the time. The author takes you on a journey from his childhood all the way through his adult life describing his family, his Catholic upbringing, his teaching career, and his pursuit to find love and happiness in often risky and unconventional places. ." Dawn Wilson

" We Are the Luckiest is a masterpiece. It 's the truest, most generous, honest, and helpful sobriety memoir I 've read. It 's going to save lives. " —Glennon Doyle, #1 New York Times bestselling author of Love Warrior: A Memoir What could possibly be " lucky " about addiction? Absolutely nothing, thought Laura McKowen when drinking brought her to her knees. As she puts it, she " kicked and screamed . . . wishing for something — anything — else " to be her issue. The people who got to drink normally, she thought, were so damn lucky. But in the midst of early sobriety, when no longer able to anesthetize her pain and anxiety, she realized that she was actually the lucky one. Lucky to feel her feelings, live honestly, really be with her daughter, change her legacy. She recognized that " those of us who answer the invitation to wake up, whatever our invitation, are really the luckiest of all. " Here, in straight-talking chapters filled with personal stories, McKowen addresses issues such as facing facts, the question of AA, and other people ' s drinking. Without sugarcointing the struggles of sobriety, she relentlessly emphasizes the many joys and blessings of an honest life, one without secrets and debilitating shame.

Not Afraid to Tell You Who I Am

The Beatles Extraordinary Plagiarists

Wounded in Iraq while his Army unit is in convoy and treated over the course of many months for a traumatic brain injury, the first person Ben remembers from his earlier life is his autistic brother, and although Ben will never be the person he once was, this is the story of his struggle and transformation.

A heartbreaking and hilarious memoir by Caroly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *Carly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

A journalist receives a proposal to investigate the eventful life of his great-grandmother, about whom all that is known is that she fled Spain, abandoning her husband and child, shortly before the Civil War broke out. The memoir of an entire century, this novel adds a new, original chapter to Julia Navarro's best-selling career. Tell Me Who I Am surprises and enchants with a captivating and heartrending story. This is a novel about memory and identity with an exceptionally well-drawn and unforgettable literary character: a woman who throughout her extraordinary life has introduced millions of students to the essay as a genre. The classic reader that has introduced millions of students to the essay as a genre. The classic reader that has introduced millions of students to the essay as a genre. A woman who decided that she couldn't be neutral in this cause. Navarro's most personal novel surprises for its melodrama and the raw emotions transmitted by many of its stories. It is filled with pure adventure, introspection and political chronicle. From the tumultuous years of the Second Spanish Republic to the present day, this novel is a journey through time and space. The pages are packed with emotion, intrigue, politics, espionage, love, betrayal and settings like Madrid, Barcelona, Paris, Buenos Aires, Mexico, Moscow, London, Berlin and Warsaw with brief stopovers in The Basque Country, Cairo, Athens, Lisbon and New York.

Who to Marry, Where to Work, Which Car to Buy...And I'm Pretty Sure I'm Not Crazy

In this searingly honest memoir, Jane Hayes recalls to her psychotherapist her extraordinary story. Having overcome her strange childhood, overshadowed by her mother's absence and father's descent into madness, she attempts, vividly but without sentimentality, to understand the construction of her own life. Now a psychotherapist in her own right, Hayes opens up her case files, which include a gifted young man on the cusp of a nervous breakdown; the middle-aged woman tormented by suicidal thoughts; the pornography addict, unable to connect emotionally with his girlfriend. Tragedy is brought home to her when her son-in-law is murdered. Her account powerfully demonstrates the resilience and life force of human nature. I recommend it to anyone concerned with the life of the imagination! Hilary Mantel

At the beginning of the 1990s, Linda Grant's mother, Rose, was diagnosed with Dementia. In Remind Me Who I Am, Again Linda Grant tells the story of Rose's illness and tries to reconstruct the history of their Jewish immigrant family, stalking them from Russia and Poland to New York and London. Writing with humour and great tenderness, Grant explores profound questions about memory, autonomy and identity, and asks if we can ever really know our parents.

Beautiful World, Where Are You

A James Patterson Presents Novel From the #1 New York Times and USA Today bestselling author of the Stalking Jack the Ripper series comes a new blockbuster series... Two sisters.One brutal murder. A quest for vengeance that will unleash Hell itself!... And an intoxicating romance. Emilia and her twin sister Vittoria are streghe -- witches who live secretly among humans, avoiding notice and persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant, Emilia soon finds the body of her beloved twin...desecrated beyond belief.

Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems...

Does an almighty and all-powerful God really care about the everyday concerns of people? Jim Samra answers with an unequivocal and enthusiastic "Yes!" in this guide to hearing God's direction in everything. From the trivial and mundane to the life-changing, God cares about it all because it concerns his creatures, his creation, and his kingdom. In this unique book, Samra unpacks biblical passages and shares fascinating and surprising true stories about God's guidance, encouraging readers to keep up a running conversation with their creator, to search for guidance in Scripture, and to pay attention to apparent coincidences. Readers who want to make goodly decisions about the big things (where to live, where to go to school, where to work, who to marry) and the seemingly little things (which car to buy, which song to sing in church, who to talk to, what to say to) will find a gifted and encouraging guide in Samra.

Reading lists of some of the author's favorite books accompany her thoughts on the role of books and reading in her life

The ebook of the stunning new novel from the bestselling author of SHIVER, LINGER AND FOREVER. Stay alive, stay astride, stay out of the water... Every November, the Scorpio Races are run beneath the chalk cliffs of Skarmouth. Thousands gather to watch the horses and the sea that washes the blood from the sand. The mounts are capall uisce: savage water horses. There are no horses more beautiful, more fearless, more deadly. To race them can be suicide but the danger is irresistible. Sean Kendrick knows the dangers of the capall uisce. With one foot in the ocean and one on land, he is the only man on the island capable of taming the beasts. He races to prove something both to himself and to the horses. Puck Connolly enters the races to save her family. But the horse she rides is an ordinary little mare, just as Puck is just an ordinary girl. When Sean sees Puck on the beach he doesn't think she belongs. He doesn't realize his fate will become entwined in hers. They both enter the Races hoping to change their lives. But first they'll have to survive.

The value of the editor's craft to a finished film cannot be underestimated, and it's no surprise that directors rely heavily on the same editor over and over again. Seventeen exclusive interviews with some of the world's top film editors, including Walter Murch, Virginia Katz, Joel Cox, Tim Squyres and Richard Marks, explore the art of film editing; its complex processes, the relationship with other film practitioners, and the impact of modern editing techniques. The Filmcraft series is a ground-breaking study of the art of filmmaking?the most collaborative and multidisciplinary of all the arts. Each volume covers a different aspect of moviemaking, offering in-depth interviews with a host of the most distinguished practitioners in the field. Forthcoming titles include Cinematography, Directing, Costume Design, Production Design, Producing, Screenwriting, and Acting.

The classic reader that has introduced millions of students to the essay as a genre.

Persephone's life has been one of leisure among the verdant fields: the maiden of flowers, sheltered by her mother, the Harvest Goddess Demeter. Now she is a woman, a goddess in her own right, yearning for freedom—even as the terms of an ancient pact are about to come due. Hades's life has been one of solitude in the somber land of the dead: for millennia he has served as the God of the Underworld, living without attachments, eternally governing the souls of mortals. But he dreams of the young goddess who was promised to be his wife, and knows it is time for his Kingdom to have a Queen.

When Hades arrives to claim his betrothed, he finds a young goddess eager to unearth her divine potential—and a powerful mother unwilling to let go. Receiver of Many begins an erotic story of passion and possession, duty and desire, and a struggle that threatens both ancient Greece and the Realm of the Dead itself.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. Remind Me Who I Am, Again

This book by the author of Why Am I Afraid to Love? contains insights on self-awareness, personal growth and communication with others. Why do people continually hide their real selves from the people around them? Why are so many so insecure and afraid to open up? The answer, explains John Powell, is that maturity is reached by communicating and interacting with others. This book considers the consequences our real self faces if no one else ever finds out what we are like. In this enduring classic, the companion to Why Am I Afraid to Love?, John Powell explains how to be more emotionally open, and shows how to play and play the psychological games to protect their inner selves. The courage to be our real selves can be developed, and then we can begin to grow. Now newly designed for a fresh audience, Why Am I Afraid to Tell You Who I Am?'s as relevant as it has been for twenty years. With a proven track record, it continues to speak to the needs and aspirations of people today. It is best included in self help sections of general bookshops, but also has a religious appeal.

#1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Tom Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race"

(Rolling Stone) **NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR** By The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Imagine waking up one day to discover that you have forgotten everything about your life. Your only link with the past, your only hope for the future, is your identical twin. Now imagine, years later, discovering that your twin had not told you the whole truth about your childhood, your family, and the forces that had shaped you. Why the secrets? Why the silences? You have no choice but to begin again. This has been Alex's reality: a world where memories are just the stories people tell you, where fact and fiction are impossible to distinguish. With dogged courage he has spent years hunting for the truth about his hidden past and his remarkable family. His quest to understand his true identity has revealed shocking betrayals and a secret tragedy, extraordinary triumph over crippling adversity and, above all, redemption founded on brotherly love. Marcus his twin brother has sometimes been a reluctant companion on this journey, but for him too it has led to staggering revelations and ultimately the shedding of impossible burdens. Their story spans continents and eras, from 1950s debutantes and high society in the Home Counties to a remote island in the Pacific and 90s raves. Disturbing, funny, heart-breaking and affirming, Alex and Marcus's determination to rebuild their lives makes us look afresh at how we choose to tell our stories.

He observes them, creating portraits that are intimate and objective, while breaking down stereotypes and dehumanizing labels often used to describe the homeless. Liebow writes about their daily habits, constant struggles, their humor, compassion and strength.

Desiring God

Between the World and Me

Only Ashes Remain

While studying the Harlem Renaissance, students at a Bronx high school read aloud poems they've written, revealing their innermost thoughts and fears to their formerly clueless classmates.

In recent years, Further Education has reached a crossroads, with questions being asked about its function, aims and focus, as well as querying the role of the FE teacher, the key aspects of the curriculum and which values should inform FE pedagogy. Identity and Resistance in Further Education explores these questions and effectively conveys the sense of uncertainty that those in the field are experiencing today. Connecting Higher Education and FE practitioners and researchers, the book gathers a collection of essays covering a range of topics, including: the journey from student to teacher, critical reflective practice as a way of organising identity, values-based teacher education and policy critique. In keeping with the themes of resistance and creativity, the chapters draw on a wide range of theoretical, as well as literary, perspectives to offer answers. Problematising relationships between the teacher and the institution and the teacher and government, the book argues that the profound challenge to teachers' values and identities finds its response in a critical collegiality. This book will be of great interest to researchers and postgraduate students engaged in the study of further education, educational policy and teacher education. It should also be essential reading for practitioners and policymakers.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of Glitter and Glue and The Middle Place “Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage.”—Glennon Doyle **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY REAL SIMPLE AND BUSTLE It’s a crazy idea: trying to name the phrases that make love and connection possible. But that’s just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in Tell Me More, she’s back with a deeply personal, unflinchingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In “I Don’t Know,” Corrigan wrestles to make peace with uncertainty, whether it’s over invitations that never came or a friend’s agonizing infertility. In “No,” she admires her mother’s ability to set boundaries and her liberating willingness to be unpopular. In “Tell Me More,” a favela-named Tish teaches her something important about listening. And in “I Was Wrong,” she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand “the thing behind the thing,” Corrigan swings between meditations on love and loss. “Corrigan swings between meditations on a wife with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-learned voice that defines Corrigan’s work, Tell Me More is a moving, meaningful take on the power of the right words at the right moment to change everything. Praise for Tell Me More “It is such a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating, funny but unafraid of pain frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to.”—Ariel Levy, author of The Rules Do Not Apply “With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so.”—Lena Dunham

Tell Me Who You Are

Why Am I Afraid to Tell You Who I Am?

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Nancy Durrell was a woman famous for her silences. Anais Nin said 'I think often of Nancy's most eloquent silences, Nancy talking with her fingers, her hair, her cheeks, a wonderful gift. Music again.' As the first wife Lawrence Durrell, author of The Alexandria Quartet, it is perhaps surprising that she is an unknown entity, a constant presence in the biographies of Durrell and others in the Bloomsbury set, yet always a shadowy figure, beautiful and enigmatic. But who was the woman who was with Durrell during the most important years of his development as a writer? Joanna Hodgkin decides to retrac her mother's fascinating story: the escape from her toxic and mysterious family; the years in bohemian literary London and Paris in the 1930s; marriage to Durrell and their discovery of the 'Eden' of pre-war Corfu and her desperate struggle to survive in Palestine alone with a small child as the British Mandate collapsed. Amateurs in Eden is a fascinating biography of a literary marriage and of an unusual woman struggling to live an independent life.

Fine, You Tell Me Who I Am: Teacher's Guide is to be used with the poetry book, Fine, You Tell Me Who I Am. This teacher's guide is a resource to help educators incorporate activities that will get scholars thinking, talking and hopefully taking action.

King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Lear of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudo-historical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain eBooks.

A powerful curse forces the exiled Queen of Faerie to choose between ambition and humanity in this highly anticipated and jaw-dropping finale to The Folk of the Air trilogy from a #1 New York Times bestselling author. He will be the destruction of the crown and the nihilation of the throne Power is much easier to acquire than it is to hold onto. Jude learned this lesson when she released her control over the wicked king, Cardan, in exchange for immeasurable power. Now as the exiled mortal Queen of Faerie, Jude is powerless and left reeling from Cardan's betrayal. She bides her time determined to reclaim everything he took from her. Opportunity arrives in the form of her twin sister, Taryn, whose life is in peril. Jude must risk venturing back into the treacherous Faerie Court, and confront her lingering feelings for Cardan, if she wishes to save her sister. But Elfhame is not as she left it. War is brewing. As Jude slips deep within enemy lines she becomes ensnared in the conflict's bloody politics. And, when a dormant yet powerful curse is unleashed, panic spreads throughout the land, forcing her to choose between her ambition and her humanity . . .

His quest to understand his true identity has revealed shocking betrayals and a secret tragedy, extraordinary triumph over crippling adversity and, above all, redemption founded on brotherly love. Marcus his twin brother has sometimes been a reluctant companion on this journey, but for him too it has led to staggering revelations and ultimately the shedding of impossible burdens. Their story spans continents and eras, from 1959s debutantes and high society in the Home Counties to a remote island in the Pacific and 90s raves. Disturbing, funny, heart-breaking and affirming, Alex and Marcus's determination to rebuild their lives makes us look afresh at how we choose to tell our stories.

An eye-opening exploration of race in America In this deeply inspiring book, Wnnona Guo and Priya Vulchi recount their experiences talking to people from all walks of life about race and identity on a cross-country tour of America. Spurred by the realization that they had nearly completed high school without hearing any substantive discussion about racism in school, the two young women deferred college admission for a year to collect first-person accounts of how racism plays out in this country every day--and often in unexpected ways. In Tell Me Who You Are, Guo and Vulchi reveal the lines that separate us based on race or other perceived differences and how telling our stories--and listening deeply to the stories of others--are the first and most crucial steps we can take toward negating racial inequity in our culture. Featuring interviews with over 150 Americans accompanied by their photographs, this intimate toolkit also offers a deep examination of the seeds of racism and strategies for effecting change. This groundbreaking book will inspire readers to join Guo and Vulchi in imagining an America in which we can fully understand and appreciate who we are.

Dexter needs Victoria Schwab in this dark and compelling fantasy about a girl who seeks revenge on the boy who betrayed her, a sequel to the critically acclaimed *Not Even Dones*. After escaping her kidnappers and destroying the black market where she was held captive, all Nita wants is to find a way to live her life without looking over her shoulder. But with a video of her ability to self-heal all over the dark web, Nita knows she's still a prime target on the black market. There's only one way to keep herself safe. Nita must make herself so feared that no one would ever dare come after her again. And the best way to start building her reputation? Take her revenge on Fabricio, the boy who sold Nita to her kidnappers. But killing Fabricio is harder than Nita thought it would be, even with Kovit by her side. Now caught in a game of kill or be killed, Nita will do whatever it takes to win.

The gripping story of two families struggling to overcome their own destinies. A mosaic of treachery and revenge, of possible and impossible loves, and of the great adventure that is living and surviving in a land marked by intolerance and outrage. Marian Miller, an NGO aid worker, is asked to write a report on illegal Jewish settlements on Palestinian territories. In order to do so, she wants to make sure she understands both sides of the story. Marian arranges a meeting in Israel with Ezekiel Zucker, an elderly man who, like many others, has a lot to tell and also, a secret to hide. Ezekiel will narrate his story as if it were a massive jigsaw puzzle with many complex pieces and Marian will tell him the version she's familiar with: the Arab one. At the twilight of the 19th century, the Zuckers are banned from their homeland of Russia because they are Jewish. After undergoing unspeakable horrors and injustices under the tsar's rule, they set out for the Promised Land and buy land owned by the Ziads, an Arab family headed by a man named Ahmed. The two men, Ahmed Ziad and Samuel Zucker, will establish a strong bond, a friendship that can overcome religious and political differences and that will continue on for generations. This riveting family saga that culminates in 1948 is not only Julia Navarro's best and most ambitious novel yet, it's a tale filled with real people taking responsibility for their own destinies by following their dreams and fighting for their lives. An unforgettable novel that, like all of history's greatest books, conceals many novels within.
