This classic Dr. Seuss Beginner Book features silly tongue twisters that will have readers of all ages giggling with glee. When a fox in socks meets Knox in a box, you know that hilarity will ensue. Add chicks with bricks (and blocks and clocks) and you're sure to get your words twisted and lips locked. With his unmistakable gift for rhyme, Dr. Seuss creates a hysterical and energetic way for beginning readers to dive into the joy of reading. This book comes with the following warning: "This is a book you READ ALOUD to find out just how smart your tongue is. The first time you read it, don't read fast! This Fox is a tricky fox. He'll try to get your tongue in

trouble." Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. Hip Tranquil Chick addresses that huge but unacknowledged demographic of fashionistas equally at home at Bergdorf's and the yoga studio. The book is divided into two major sections that cover all bases for the style-minded seeker. "On the Mat" shares seven must-have modern-girl yoga sequences such as "Healing Hip Openers" and "Negativity Releasing Heart Openers," and explains yoga philosophy in hip chick language. "Off the Mat" showcases nine ways to become more fabulous and balanced by incorporating yogic qualities like introspection, strength, and flexibility into daily life. The nir

lifestyle chapters reveal how to turn on-the-mat wear into the-town style, how to create soulful surroundings at home, work, mindful money management, finding a passion-filled career, how strategic soiree-throwing creates community, for practicing social consciousness, and more. Each chapter accompanied by helpful "OMwork" to translate these concepts into reality. Abundant illustrations accentuate the text, and "savvy sources" section encourages further exploration.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even

Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column.
