9 Simple Steps to Financial Freedom - FFC 2nd Edition

Congressional Record

Transforming Your Relationship with Money and Achieving Financial Independence

The Simple Path to Wealth

"In the dark, bewildering, trap-infested jungle of misinformation and opaque riddles that is the world of investment, JL Collins is the fatherly wizard on the side of the path, offering a simple map, warm words of encouragement and the tools to forge your way through with confidence. You'll never find a wiser advisor with a bigger heart." -- Malachi Rempen: Filmmaker, cartoonist, author and self-described ruffian This book grew out of a series of letters to my daughter concerning various things-mostly about money and investing-she was not yet quite ready to hear. Since money is the single most powerful tool we have for navigating this complex world we've created, understanding it is critical. "But Dad," she once said, "I know money is important. I just don't want to spend my life thinking about it." This was eye-opening. I love this stuff. But most people have better things to do with their precious time. Bridges to build, diseases to cure, treaties to negotiate, mountains to climb, technologies to create, children to teach, businesses to run. Unfortunately, benign neglect of things financial leaves you open to the charlatans of the financial world. The people who make investing endlessly complex, because if it can be made complex it becomes more profitable for them, more expensive for us, and we are forced into their waiting arms. Here's an important truth: Complex investments exist only to profit those who create and sell them. Not only are they more costly to the investor, they are less effective. The simple approach I created for her and present now to you, is not only easy to understand and implement, it is more powerful than any other. Together we'll explore: Debt: Why you must avoid it and what to do if you have it. The importance of having F-you Money. How to think about money, and the unique way understanding this is key to building your wealth. Where traditional investing advice goes wrong and what actually works. What the stock market really is and how it really works. Why the stock market always goes up and why most people still lose money investing in it. How to invest in a raging bull, or bear, market. Specific investments to implement these strategies. The Wealth Building and Wealth Preservation phases of your investing life and why they are not always tied to your age. How your asset allocation is tied to those phases and how to choose it. How to simplify the sometimes confusing world of 401(k), 403(b), TSP, IRA and Roth accounts. TRFs (Target Retirement Funds), HSAs (Health Savings Accounts) and RMDs (Required Minimum Distributions). What investment firm to use and why the one I recommend is so far superior to the competition. Why you should be very cautious when engaging an investment advisor and whether you need to at all. Why and how you can be conned, and how to avoid becoming prey. Why I don't recommend dollar cost averaging. What financial independence looks like and how to have your money support you. What the 4% rule is and how to use it to safely spend your wealth. The truth behind Social Security. A Case Study on how this all can be implemented in real life. Enjoy the read, and the journey!

Want to conquer your e-mail inbox once and for all? Need help getting organized and staying focused? Start reading! Millions of people already benefit from the innovative, time-saving tips that Stever Robbins dispenses each week in his #1 ranked Get-It-Done Guy podcast. Now he's come up with a 9-step plan to transform even the most overwhelmed into an overachiever. You will learn to: Beat procrastination by speed dating your tasks: You'll face anything if it's just for three minutes; schedule small, finite periods of time for those tasks that seem too overwhelming to get started on. Give your technology a performance review: Our smart phones, PDAs, and computers often make less work in one area while making much more work in others. Review your technology to make sure it's delivering on its promise. Cut out the small talk: Small talk builds superficial relationships, which is a grand waste of time. Ask better questions to make instant connections that'll benefit you for years to come. Written in the uniquely humorous style Stever is known for, Get-It-Done Guy's 9 Steps to Work Less and Do More will help you break the bad habits slowing you down and holding you back. Work less and do more—your free time is waiting!

There are plenty of books on how to buy, sell, or invest in real estate. But there isn't one that brings together homeownership with money management investing and retirement planning. This is that book. Bruce Sellery, author of Moolala and CEO of Credit Canada This handbook for smart homeownership explains how to... Proactively maintain your home Increase property value with smart renos Reduce monthly expenses Take advantage of debt Live life as a happy homeowner What this book will give you Just because you buy a home or buy stock or save money doesn't make it smart. It's what you do with the asset whether it's a home or stock purchase or savings in some account that is smart. It's whether the asset ends up being an investment that works to grow your net worth or just an expensive product you own. What you'll find in this book are strategies for maintaining, protecting and increasing the value of your home, while finding small and big ways to save money. Broken down into eight steps, with the final ninth step that wraps up what you've learned. What people are saying about the book Personal finance experts agree, this is a must read for homeowners There are plenty of books on how to buy, sell or invest in real estate. There isn't one that brings together homeownership with money management, investing and retirement planning. This is that book. Bruce Sellery, author of Moolala and CEO of Credit Canada House Poor No More is the perfect handbook to prepare yourself as a homeowner. After reading House Poor No More, I know what renovations are worth the investment and how to prioritize maintenance, plus so many other homeownership secrets you could never find with a Google search or internet-deep-dive. Romana King's 20 years of real estate experience and homeownership knowledge are pared down into digestible takeaways extremely valuable for the average homeowner. Alyssa Davies, author of The 100-Day Financial Goal Journal and MixUpMoney Romana offers readers important tools for making strategic real estate decisions. She shows how to fulfil our emotional desire for homeownership while also building long-term wealth without having to pinch our lifestyle or compromise other financial goals. Rita Silvan, former Editor-in-Chief at ELLE CANADA and Golden Girl Finance In her new book, Romana King dismisses the notion that homeownership is either a good decision or a bad decision. Instead, she helps us acknowledge the emotional need for owning a home and then sets out a plan to help all homeowners make smarter, more strategic decisions when it comes to their home. Karin Mizgala, author of Unstuck: How to Get Out of Your Money Rut and Start Living the Life You Want and CEO Money Coaches Canada Romana King helps readers understand if homeownership is the right decision for them (right now.) House Poor No More, King discusses how to set a goal of homeownership and to use it to build your wealth long term. Most importantly she provides much-needed tools to help you navigate today's overheated housing market. Rubina Ahmed-Haq, creator of Always Save Money, 20-year business and finance reporter House Poor No More does an excellent job of explaining how and why homeownership is a smart, strategic tool for our emotional and financial well-being. Following the tips and tactics outlined in this book, anyone can become a smarter homeowner and grow their personal net worth. Robert R. Brown, author of Wealthing Like Rabbits

Summary of Suze Orman's The 9 Steps to Financial Freedom

Suze Orman's Financial Guidebook

9 Steps to Creating a Rich Future for You and Your Partner

Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

The 9 Steps to Financial FreedomPractical and Spiritual Steps So You Can Stop WorryingCurrency

Suze Orman has transformed the concept of personal finance for millions by teaching us how to gain control of our money -- so that money does not control us. She goes beyond the nuts and bolts of managing money to explore the psychological, even spiritual power money has in our lives. The 9 Steps to Financial Freedom is the first personal finance book that gives you not only the knowledge of how to handle money, but also the will to break through all the barriers that hold you back. Combining real-life recommendations with the motivation to overcome financial anxieties, Suze Orman offers the keys to providing for yourself and your family, including: * seeing how your past holds the key to your financial future * facing your fears and creating new truths * trusting yourself more than you trust others * being open to receiving all that you are meant to have * understanding the lessons of the money cycle The 9 Steps to Financial Freedom is useful advice and inspiration from the leading voice in personal finance. As Orman shows, managing money is far more than a matter of balancing your checkbook or picking the right investments. It's about redefining financial freedom -- and realizing that you are worth far more than your money.

The #1 New York Times bestseller, now revised and updated, filled with tools and advice that can take you from a place of financial fear to a place of financial security. WHAT WILL YOU LEARN IN THE MONEY CLASS? How to find the courage to stand in your truth and why it is a place of power. What daily actions will restore the word “hope” to your vocabulary. Everything you need to know about taking care of your family, your home, your career, and planning for retirement—no matter where you are in your life or where the economy is heading. In nine electrifying, empowering classes, Suze Orman teaches us how to navigate these unprecedented financial times. With her trademark directness, she shows us how to tackle the complicated mix of money and family, how to avoid making costly mistakes in real estate, and how to get traction in your career or rebuild after a professional setback. And in what is the most comprehensive retirement resource available today, Suze presents an attainable strategy, for every reader, at every age. In The Money Class you will learn what you need to know in order to feel hopeful, once again, about your future.

Your Money Or Your Life

The instant NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER PUBLISHERS WEEKLY BESTSELLER USA TODAY BESTSELLER THE PATH TO YOUR ULTIMATE RETIREMENT STARTS RIGHT HERE! Retirement today is more complex than ever before. It is most definitely not your parents' retirement. You will have to make decisions that weren't even part of the picture a generation ago. Without a clear-cut path to manage the money you've saved, you may feel like you're all on your own. Except you're not—because Suze Orman has your back. Suze is America's most recognized personal finance expert for a reason. She's been dispensing actionable advice for years to people seeking financial security. Now, in The Ultimate Retirement Guide for 50+, she gives you the no-nonsense advice and practical tools you need to plan wisely for your retirement in today's ever-changing landscape. You'll find new rules for downsizing, spending wisely, delaying Social Security benefits, and more-starting where you are right now. Suze knows money decisions are never just about money. She understands your hopes, your fears, your wishes, and your desires for your own life as well as for your loved ones. She will guide you on how to let go of regret and fear, and with her unparalleled knowledge and unique empathy, she will reveal practical and personal steps so you can always live your Ultimate Retirement life. "I wrote this book for you," Suze says. "The worried, the fearful, the anxious. I know you need help navigating the road ahead. I've helped steer people toward happy and secure retirements my whole life, and that's exactly what I want to do for you."

“The newbie investor will not find a better guide to personal finance.” —Burton Malkiel, author of A RANDOM WALK DOWN WALL STREET TV analysts and money managers would have you believe your finances are enormously complicated, and if you don’t follow their guidance, you’ll end up in the poorhouse. They’re wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling Pound Foolish, he made an offhand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

“[David Bach’s] advice is heartfelt and worthy. Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money–and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible–because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to · Protect yourself · Spend smart · Build your future · Give to others Also included is a bonus chapter on investing–for those who are living by Suze’s unbreakable financial ground rules and ready to learn how to invest with confidence. Women & Money speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze’s unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It’s the means to living a full and meaningful life.

As a young and na ï ve pastor, Dan Willis maxed out twenty-three credit cards and ruined his credit to support his ministry. It wasn’t until massive debt caused the cards to stop working that he realized that God never asked him to do this. Through his candor and honesty, Dan reveals the five steps God showed him to get out of debt: stop spending, create a budget, develop a debt payoff plan, begin saving, and repair bad credit. This led him to becoming a thriving and financially-free ministry. Now, Dan is on a mission to teach this to the world. Using biblical principles, but not relying on miracles or “name-it-and-claim-it” theology, Dan provides easy-to-follow, practical steps that can be used by anyone to escape financial bondage. Finally, he encourages readers to use their financial freedom to help others and advance God’s kingdom, and to use their newfound fiscal wisdom to store up wealth. Without shaming those who struggle financially, 5 Simple Steps to Financial Freedom is the perfect combination of spiritual wisdom and practical advice for those who desperately need it.

Book Praise & Reviews ""As a how-to guide, this book contains everything you may need to know to turn your passions into profits."" Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says entrepreneur Duane Harden in his wise and entertaining new book, 5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It. Turning your passion into a profitable business is easy, fast, and fun, says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the inspiration you need to go out and do the concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, 5 Easy Steps to Financial Freedom also offers a 90-day action plan that includes blueprints for success that Harden himself used to build his wealth. His own journey included the purchase of numerous real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He explains how the real difference between rich people and poor people is fear and an unwillingness to keep an open mind to new opportunities. Rich people are not afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the money will miraculously follow. Keep daily positive reminders taped where you can see them, or even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right frame of mind for moving on to something much better. "You are what you think and will become what you dream," says Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. 5 Easy Steps to Financial Freedom shows you how go from rags to riches and is understandable and easy to read. This invaluable guide will change your life!

The Psychology Of Money - A Simple Guide To Financial Intelligence

MONEY Master the Game

Women & Money (Revised and Updated)

The Ultimate Retirement Guide for 50+

9 Steps to Transforming Your Relationship with Money and Achieving Financial Independence

Retirement Planning in 8 Steps

Dave Ramsey explains those scriptural guidelines for handling money.

The best-selling author of The Courage to Be Rich and You've Earned It, Don't Lose It shows readers how to obtain control over their money through changing their spending habits; how to understand investments, retirement, insurance, and credit; and how to gain true financial freedom. Reprint. 250,000 first printing.

The updated companion volume to the best-selling The 9 Steps to Financial Freedom introduces a series of interactive exercises and self-tests designed to help readers learn about money, financial habits, and personal finance goals as they follow the path to true financial freedom. Original. 30,000 first printing.

It's Your Money. What Happens To It Will Directly Affect The Quality Of Your Life. "You don't want to become a story in one of my books, and you don't have to," says financial advisor Suze Orman, who goes beyond the usual financial primer to describe how to safeguard your financial future, illustrated with stories of ordinary, real-life people who faced misfortune because of naivetÉ, procrastination, or misinformation. So that you can avoid making similar mistakes and so you an better protect the money you have earned and saved, Orman gives you this easy-to-understand guide to eight vital areas essential for your security and well-being. With simplicity and clarity, complete with resource lists and glossary, she covers: Choosing and assessing financial advisors. Trusts, wills, gifts, joint tenancy: Which is right for you? Early retirement: What to do and how to avoid penalties when receiving your retirement money. Joint and survivor benefits: Making sure you protect those you love. Long-term care insurance: How to choose the right policy and what you should pay for it. Estate taxes and probate costs: How to avoid them. Durable power of attorney: How it works and why you should have one. Minimizing expenses and maximizing income: getting the most for your health-care money; getting the most for your life. As featured on QVC, CNN, FOX, and more. A selection of The Book-of-the-Month Club.

Get Good with Money

How many self-help books are written by authors whose biggest success is selling self-help books? Three Simple Steps is different. Despite stock market crashes, dot-com busts, and the specter of recession, the author started a virtual company from home, using a few thousand dollars of his savings. A few years later, without ever hiring an employee or leaving his home office, he sold it for more than $100 million. As the economy slipped into another free fall, he did this again with a company in a different field. He accomplished this through no particular genius. Rather, he studied the habits of the many successful men and women who preceded him, and developed three simple rules that, if followed diligently, virtually ensure success. Using them first to escape poverty, then to achieve a life of adventures, he finally turned them toward financial independence. Written in a straightforward and no-nonsense style, Three Simple Steps shows you how to take back control of your destiny and reshape your mind for increased creativity, serenity and achievement. While building on the wisdom of great thinkers and accomplished individuals from East and West, Three Simple Steps isn't a new age text or guide to esoteric fulfillment. Rather, it's a practical guide to real-life achievement by a pragmatic businessman who attributes his incredible successes to these very simple ideas. Three Simple Steps is a must-read guide for everyone who wants to achieve more, live better and be happier.

The words that seem to come up most often when people describe Suze Orman are "intense" and "passionate." These two qualities come through clearly in her inspiring book The 9 Steps to Financial Freedom. A financial adviser since the early '70s, Orman has come to believe that many of her clients know perfectly well what they ought to be doing to manage their money but still somehow neglect to do it. Taking readers back to their past to unearth their earliest memories of money and encouraging them to confront the fears that hold them back from taking action, Orman hopes to convince readers that they do have the power to control their money and their lives.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Financial freedom doesn’t depend on how much money you have. It’s when you have power over your fears and anxieties instead of the other way around. When you understand and address your fears, you can start to have power over your life. #2 I learned that money is important, but that it can’t buy me happiness. I began to understand that money will work for me, and I will always have enough when I give it energy, time, and understanding. #3 The first steps of this book take you back to why you don’t do the things you know you should do, and then beyond that to where you can take action. The laws of managing money teach you why you must trust yourself more than you trust anyone else with your money. #4 To achieve complete financial freedom, you must follow all nine steps. The most important thing to remember is that you can make your goals happen step by step. The power is within you.

Offers a nine-step program for living more meaningful lives, showing readers how to get out of debt, save money, reorder priorities, and convert problems into opportunities

The Money Class

My Blessed Life

Transform the Way Money Works in Your LifeMany of us grow up without ever learning anything about managing money or building wealth. Financial intelligence isn't taught in school, and unless you grew up rich, it probably wasn't taught in your home either. Creating financial freedom requires much more than just understanding numbers. The true secret to building wealth and achieving financial independence lies in the way you think about money. The Psychology of Money will teach you how to spend less, invest better, and make more money by changing the way you think about money. Just like anyone can train to participate in a 5K, anyone can develop the financial intelligence needed to become financially independent. The way you think and feel about the money you have matters more to your financial future than the amount of your current salary. This book isn't magic or a get-rich-quick handbook.Instead, it shows you step-by-step how to change your relationship with money by changing your attitudes, thoughts, and actions.Inside this book, you will learn: How to develop financial intelligenceHow to grow your incomeThe best ways to manage your cashflowWhat you can do to increase your financial securityHow to develop a financial plan that allows you to invest in your futureHow to use psychology to make better money decisionsBest ways to budget, save, and invest on any incomeHow to conquer your debtsEverything you need to know about investmentsHow to avoid common money mistakesAnd Much More!As you follow the steps in this book, you will find you have more money for the things that are important to you. You will start to see how it’s possible for you to build wealth, even on a meager paycheck.The Psychology of Money gives you the financial education you never knew you needed. If you are serious about improving your finances, you need to start with this book. Order your copy of the Psychology of Money Right Now

Financial struggles of American families are headline news. In communities across the nation, families feel the pinch of stagnant and sometimes declining incomes. Many have not recovered from the Great Recession, when millions lost their homes and retirement savings. They are bombarded daily with vexing financial decisions: Which bills to pay? Where to cash checks? How to cover an emergency? How to improve a credit report? How to bank online? How to save for the future? Low- and moderate-income families have few places to turn for guidance on financial matters. Not many can afford to pay a financial advisor to help navigate an increasingly complex financial world. They do their best with advice from family and trusted individuals. Social workers, financial counselors, and human services professionals can help. As "first responders," they assist families and help in finding financial support from public and private sources. But these professionals are too often unprepared to address the full range of financial troubles of ordinary working families. Financial Capability and Asset Building in Vulnerable Households prepares social workers, financial counselors, and other human service professionals for financial practice with vulnerable families. Building on more than 20 years of research, the book sets the stage with key concepts, historical antecedents, and current financial challenges of families in America. It provides knowledge and tools to assist families in pressing financial circumstances, and offers a lifespan perspective of financial capability and environmental influences on financial behaviors and actions. Furthermore, the text details practice principles and skills for direct interventions, as well as for designing financial services and policy innovations. It is an essential resource for preparing the next generation of practitioners who can enable families to achieve economic security and development.

Nine simple steps could mean the difference between living your best financial life or not. Michael Crews, who owns a financial practice with more than $500 million in assets under management as of August 2019, reveals those steps in simple langauge in this guide to pursuing financial freedom. By following his advice, you’ll be able to spend more time doing what you love so that every day is a Saturday. Learn how to: • build a foundation to survive financial downturns and life emergencies; • determine what you really want to spend your time doing; • design a life based around positive cash flow; • invest your money so that it works to grow over time; and • protect and keep more of what you earn. The book also explores how to maximize savings in an individual retirement account or 401(k) plan, active investments versus passive investments, fundamental versus technical analysis, annuities, social security, Medicare, and more. Crews’ collection of simple but powerful principles which can help you succeed no matter what career you choose or where you live. They are timeless and can be passed on so future generations can also live their best financial life.

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER • A ten-step plan for finding peace, safety, and harmony with your money—no matter how big or small your goals and no matter how rocky the market might be—by the inspiring and savvy “Budgetnista.” “No matter where you stand in your money journey, Get Good with Money has a lesson or two for you!”—Erin Lowry, bestselling author of the Broke Millennial series Tiffany Aliche was a successful pre-school teacher with a healthy nest egg when a recession and advice from a shady advisor put her out of a job and into a huge financial hole. As she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, Get Good with Money introduces the powerful concept of building wealth through financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her “Budgetnista Boosters”), Get Good with Money gets crystal clear on the short-term actions that lead to long-term goals, including: • A simple technique to determine your baseline or “noodle budget,” examine and systemize your expenses, and lay out a plan that allows you to say yes to your dreams. • An assessment tool that helps you understand whether you have a “don't make enough” problem or a “spend too much” issue—as well as ways to fix both. • Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future. • Detailed advice and action steps for taking charge of your credit score, maximizing bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs. • Ways to protect your beneficiaries' future, and ensure that your financial wishes will stand the test of time. An invaluable guide to cultivating good financial habits and making your money work for you, Get Good with Money will help you build a solid foundation for your life (and legacy) that’s rich in every way.

*The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." —Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had $2.26 in his bank account. Five years later, he had a net worth of over $1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to: * Create profitable side hustles that you can turn into passive income streams or full-time businesses * Save money without giving up what makes you happy * Negotiate more out of your employer than you thought possible * Travel the world for less * Live for free--or better yet, make money on your living situation * Create a simple, money-making portfolio that only needs minor adjustments * Think creatively--there are so many ways to make money, but we don't see them. But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.*
