

The Ancient Black Hebrews Vol II: The Forensic Proof Simply Explained

"This volume is a reprint of newspaper reports of a series of lectures delivered by the author from the pulpit of Congregation B'nai Jehudah, Kansas City, Mo., during the Fall and Winter of 1885-1886. The lectures were prepared to fulfill the requirements of popular discourses, and designed to convey information upon a highly important epoch of the world's history, that is almost neglected in English literature. The thought of publishing these lectures in book form was utterly foreign to the author throughout their preparation, until an urgent solicitation from very many persons, both Jews and Gentiles, in all parts of this country, whose interest in these lectures was aroused by their wide-spread republication by the Press, made it a duty."--Goodreads.com.

A glimpse into the diverse stories of Black Jews in the United States What makes a Jew? This book traces the history of Jews of African descent in America and the counter-narratives they have put forward as they stake their claims to Jewishness. The Soul of Judaism offers the first exploration of the full diversity of Black Jews, including bi-racial Jews of both matrilineal and patrilineal descent; adoptees; black converts to Judaism; and Black Hebrews and Israelites, who trace their Jewish roots to Africa and challenge the dominant western paradigm of Jews as white and of European descent. Blending historical analysis and oral history, Haynes showcases the lives of Black Jews within the Orthodox, Conservative, Reconstruction and Reform movements, as well as the religious approaches that push the boundaries of the common forms of Judaism we know today. He illuminates how in the quest to claim whiteness, American Jews of European descent gained the freedom to express their identity fluidly while African Americans have continued to be seen as a fixed racial group. This book demonstrates that racial ascription has been shaping Jewish selfhood for centuries. Pushing us to reassess the boundaries between race and ethnicity, it offers insight into how Black Jewish individuals strive to assert their dual identities and find acceptance within their respective communities. Putting to rest the simplistic notion that Jews are white and that Black Jews are therefore a contradiction, the volume argues that we can no longer pigeonhole Black Hebrews and Israelites as exotic, militant, and nationalistic sects outside the boundaries of mainstream Jewish thought and community life. The volume spurs us to consider the significance of the growing population of self-identified Black Jews and its implications for the future of American Jewry.

"This book presents, one by one, the different groups of Black Jews in Western central, eastern, and southern Africa and the ways in which they have used and imagined their oral history and traditional customs to construct a distinct Jewish identity. It explores the ways in which Africans have interacted with the ancient mythological substrata of both western and African ideas of Judaism."--Résumé de l'éditeur.

"From beyond the Rivers of Ethiopia My worshippers, My dispersed ones, Will bring My offerings." - Zephaniah 3:10 Modern Jewry has been looking for the "10 Lost Tribes of Israel" in countries like Afghanistan, Pakistan, China, Arabia, and India but they never seem to look in Africa. The Ethiopian Jews and the Lemba Jews have been recognized by modern Jewry as having a connection to Ancient Israel but other African countries are often overlooked. Why is this? Jews today now boast to have "Israelite" heritage based on the "Cohen Model Haplogroup" genetic marker that they say links them to the High Priest Cohenite clan of Aaron, the brother of Moses. But what exactly is this "Cohen Model Haplogroup"? Who else in the world has it and is it really an "Israelite Genetic Marker" as they claim? In the Book, "Hebrews to Negroes 2: Volume 2, I dive in deep into the "world of genetics" to debunk the lies that has been spread about who we call "Jews" or the "Chosen People" today. Using Linguistics, Ancient written records from Arab historians, Craniometry, Tooth records, Ancient maps, Ancient archaeological relics, Ancient pictures, the Bible, Genetics and "Critical Thinking" one can find out the TRUTH about who the REAL ISRAELITES of the Bible are. It will tell us where we should be looking in regards to finding the "authentic" scattered "Children of Israel," not "outsiders" who have invaded Judea for the last 2,000 years and decided to convert to Judaism. In this Book many clues to our "many" questions about the Bible will be answered and explored. Such as: Who are the descendants of the Ancient Egyptians, Canaanites, Cushites and Phutites today? Who are the "Original Arabs" and where are they at today? What is the connection between the Lemba Jews, African-Americans, Caribbean Blacks, Afro-Latinos and "Bantus" West/East Africans? Who are the indigenous Native Amerindians? Are they descendants of Ham, Shem or Japheth? Are the Native Amerindians Israelites? Do Latinos have any "Israelite" heritage? Where did the 10 Lost Tribes of Northern Israel (Samaria) go after they were exiled in 700 B.C. and is there any DNA proof of this? Who were the Jews that were exiled from Spain and Portugal in 1492 A.D.? Were they "Black Jews" or "White Jews"? Who are the Sephardic Jews and are they "imposters" as well? Who were the Moors? Were they mixed with "Israelite Blood"? Can we trace the migration pattern of the Edomites? If so, where are the Edomites today and what nations of people can we find the "bloodline" of Edom in? How do we know that the Ashkenazi Jew, the Sephardic Jew and the Mizrahi Jew today are "Gentiles" and not "Jews"? Are there any Israelites in Asia or the Middle East? A LIE CANNOT LIVE FOREVER! It is time for "Black America" and the World to know the Truth!"

The Nation of Islam's Secret Relationship between Blacks and Jews has been called one of the most serious anti-Semitic manuscripts published in years. This work of so-called scholars received great celebrity from individuals like Louis Farrakhan, Leonard Jeffries, and Khalid Abdul Muhammed who used the document to claim that Jews dominated both transatlantic and antebellum South slave trades. As Saul

Friedman definitively documents in *Jews and the American Slave Trade*, historical evidence suggests that Jews played a minimal role in the transatlantic, South American, Caribbean, and antebellum slave trades. *Jews and the American Slave Trade* dissects the questionable historical technique employed in *Secret Relationship*, offers a detailed response to Farrakhan's charges, and analyzes the impetus behind these charges. He begins with in-depth discussion of the attitudes of ancient peoples, Africans, Arabs, and Jews toward slavery and explores the Jewish role in colonial European economic life from the Age of Discovery to Napoleon. His state-by-state analyses describe in detail the institution of slavery in North America from colonial New England to Louisiana. Friedman elucidates the role of American Jews toward the great nineteenth-century moral debate, the positions they took, and explains what shattered the alliance between these two vulnerable minority groups in America. Rooted in incontrovertible historical evidence, provocative without being incendiary, *Jews and the American Slave Trade* demonstrates that the anti-slavery tradition rooted in the Old Testament translated into powerful prohibitions with respect to any involvement in the slave trade. This brilliant exploration will be of interest to scholars of modern Jewish history, African-American studies, American Jewish history, U.S. history, and minority studies. [Dedicated to the One and only God from whom all blessings flow]. There is more than enough evidence to prove that the historical Jesus was a Black man. Today Jesus Christ is widely portrayed as a White man. This eBook explains how and why Jesus Christ metamorphosed from Black to White.

Are the tribes of Israel really "lost" or were they hidden as prophesied in Psalms 83? The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are. If this is true, then history as we know it has been hijacked, and it is only through searching that we will find the truth. In this book, you'll find the answers to the following questions, just to name a few: Why does a 1747 English map place the tribe of Judah on the "slave coast" of Africa? Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships? Why did slaves sing songs in Hebrew and call out to Yah for help? Why did Christ mention the slavery of Israel as a sign of the end of the age? Are "the times of the Gentiles" coming to an end? If you are 100% honest with yourself as you find the answers to these questions, your eyes will be opened. If you're ready to start this eye opening adventure through scripture then keep reading. ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE! ¶ Thus saith the LORD, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name: If those ordinances depart from before me, saith the LORD, then the seed of Israel also shall cease from being a nation before me for ever. Thus saith the LORD; If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith the LORD. ¶ Jeremiah 31:35-37

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

This book is part of a 3 volume series. In this volume Muller explains in plain language how genetic evidence proves the ancient Israelites were Black. There is also a section devoted to the Lemba Jews of Africa whose authenticity has recently come under attack. Muller defends the Lemba evidence admirably. Every Black person should read this book!

What ethnic group did Abraham and his family belong to? What colour was this ethnic group? Does the Bible say they looked like Cushites? Are there pictures of this ethnic group from the time of Abraham? All of these questions are fully answered in this book and the pictures are shown!!!

This aspect of the history and heritage of the " Black Jews " is dedicated to all oppressed African people whose religion differs from those who control the power of life and death over most of us. Out of this it is hoped that a better understanding between African people will prevail in spite of our religious differences. Remember, religion is nothing more, or less, than a belief, and that any one of them is as Godly as another. Yosef A. A. Ben-Johnannan

Does the term "Gentiles" refer to all non Jews or is that just the lie we've been sold to cover up the truth? Who were the Gentiles and where are they now? What role do they play in Bible prophecy and where are we at on the prophetic countdown clock? Believe it or not, the Bible tells us exactly who the Gentiles are, where they are, and what's about to happen when their time is up... and unfortunately it is too often ignored. We're about to get into some DEEP and CONTROVERSIAL, but pure Biblical truth, in this eye opening study. There were two Bible verses that really inspired me to look into who the Gentiles are, according the Bible. I've heard many people teach on these verses, and I couldn't shake the feeling that the in-formation was just being repeated, but not actually researched (myself included). Here are the verses: Verse 1 "And they shall fall by the edge of the sword, and shall be led away captive into all nations: and Jerusalem shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled." - Luke 21:24 Verse 2 "For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fullness of the Gentiles be come in." - Romans 11:25 In verse 1, we see that Jerusalem will be trodden down by Gentiles until the times of the Gentiles is fulfilled or completed. This is what I get from the context of verse 1. But was the times of the Gentiles really fulfilled in 1967 during the Six Days War, or are we still looking at the Gentile occupation of Jerusalem? In verse 2 we see that the partial blindness of Israel is only temporary, and will be lifted after the fullness of the Gentiles is come in. What does that really mean, and what specifically would the blindness of Israel encompass? Whatever the answers to these questions are, they do seem to be connected. In Luke, Christ connects the fulfillment of the time of the Gentiles to the end of the age. That leads us to the first big question: Has the time of the Gentiles been fulfilled? Break out your pens, papers, styluses, etc, and let's get down to some good ol' intense Bible study. In order to answer all of the above questions, we first need to figure out who the Gentiles are.

Named Outstanding Academic Title by CHOICE Winner of the Wesley-Logan Prize of the American Historical Association Winner of the Byron Caldwell Smith Book Prize Winner of the 2014 Albert J. Raboteau Book Prize for the Best Book in Africana Religions Jacob S. Dorman offers new insights into the rise of Black Israelite religions in America, faiths ranging from Judaism to Islam to Rastafarianism all of which believe that the ancient Hebrew Israelites were Black and that contemporary African Americans are their descendants. Dorman traces the influence of Israelite practices and philosophies in the Holiness Christianity movement of the 1890s and the emergence of the Pentecostal movement in 1906. An examination of Black interactions with white Jews under slavery shows that the original impetus for Christian Israelite movements was not a desire to practice Judaism but rather a studied attempt to recreate the early Christian church, following the strictures of the Hebrew Scriptures. A second wave of Black Israelite synagogues arose during the Great Migration of African Americans and West Indians to cities in the North. One of the most fascinating of the Black Israelite pioneers was Arnold Josiah Ford, a Barbadian musician who moved to Harlem, joined Marcus Garvey's Black Nationalist movement, started his own synagogue, and led African Americans to resettle in Ethiopia in 1930. The effort failed, but the Black Israelite theology had captured the imagination of settlers who returned to Jamaica and transmitted it to Leonard Howell, one of the founders of Rastafarianism and himself a member of Harlem's religious subculture. After Ford's resettlement effort, the Black Israelite movement was carried forward in the U.S. by several Harlem rabbis, including Wentworth Arthur Matthew, another West Indian, who creatively combined elements of Judaism, Pentecostalism, Freemasonry, the British Anglo-Israelite movement, Afro-Caribbean faiths, and occult kabbalah. Drawing on interviews, newspapers, and a wealth of hitherto untapped archival sources, Dorman provides a vivid portrait of Black Israelites, showing them to be a transnational movement that fought racism and its erasure of people of color from European-derived religions. Chosen People argues for a new way of understanding cultural formation, not in terms of genealogical metaphors of "survivals," or syncretism, but rather as a "polycultural" cutting and pasting from a transnational array of ideas, books, rituals, and social networks.

The masterpiece of one of the preeminent Talmudic scholars of the 20th century, the multivolume Legends of the Jews gathers together stories from the Talmud, the Midrash, the Bible, and oral traditions-also known as the Haggada-and offers them in chronological order. Volume V, first published in 1925, features tales of The Creation of the World, Adam, The Ten Generations, Noah, Abraham, Jacob, Joseph, the Sons of Jacob, Job, and Moses in Egypt. A work of brilliant erudition and deep devotion, this is an invaluable collection of religious lore. American rabbi LOUIS GINZBERG (1873-1953) founded the American Academy of Jewish Research and was a prolific contributor to the Jewish Encyclopedia.

The book "Hebrews to Negroes: Wake Up Black America" touches on subjects too controversial for most authors to reveal to the people. This book will expose the truths that have been hidden by the powers that be in America. Since the European and Arab slave traders stepped foot into Africa, blacks have been told lies about their heritage. This was all by Satan's design for he is the father of lies. There is an old stereotypical expression that says "If you want to hide something from a Black person, put it in a book." Well, this is THE BOOK that ALL Black people must read! Since biblical times, there has been a satanic agenda to destroy God's Chosen People. This agenda still exists today and is carried on by man in many forms. Satan knows who God's Chosen People are, but for centuries we have been blind to this knowledge even though it's been right in front of our face. After many years of research, the time has finally come for ALL Black people to know the truth. Inside Hebrews To Negroes you will find the answers to all the burning questions you have wanted ask your parents, teachers and pastors for years. It has been said that the mind has a strong drive to correct itself over a period of time if it can touch some substantial ORIGINAL historical base about itself. This time period is ending and the truth is being exposed! Is this signs of the End Times? The bible says in the last days that knowledge will increase. It also says "In the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: " Knowledge is the TRUTH and Satan's time is running out. Don't be left behind. Find out what's really going on behind the scenes as it relates to BLACK AMERICA then and now. Afterwards you be the judge as to who God's Chosen People really are and who Satan's army is really after. AT THE END OF READING THIS BOOK, I GUARANTEE YOU WON'T REGRET IT.

[Dedicated to the One and only God from whom all blessings flow]. Offers readers a concise introduction to the tools and data available for investigating the world of ancient Israel.

In the wake of the civil rights movement, a great divide has opened up between African American and Jewish communities. What was historically a harmonious and supportive relationship has suffered from a powerful and oft-repeated legend, that Jews controlled and masterminded the slave trade and owned slaves on a large scale, well in excess of their own proportion in the population. In this groundbreaking book, likely to stand as the definitive word on the subject, Eli Faber cuts through this cloud of mystification to recapture an important chapter in both Jewish and African diasporic history. Focusing on the British empire, Faber assesses the extent to which Jews participated in the institution of slavery through investment in slave trading companies, ownership of slave ships, commercial activity as merchants who sold slaves upon their arrival from Africa, and direct ownership of slaves. His unprecedented original research utilizing shipping and tax records, stock-transfer ledgers, censuses, slave registers, and synagogue records reveals, once and for all, the minimal nature of Jews' involvement in the subjugation of Africans in the Americas. A crucial corrective, Jews, Slaves, and the Slave Trade lays to rest one of the most contested historical controversies of our time.

From the mid-fifteenth century to the early seventeenth, German Jews were persecuted and tried for the alleged ritual murders of Christian children, whose blood purportedly played a crucial part in Jewish magical rites. In this engrossing book R. Po-Chia Hsia traces the rise and decline of ritual murder trials during that period. Using sources ranging

from Christian and Kabbalistic treatises to judicial records and popular pamphlets, Hsia examines the religious sources of the idea of child sacrifice and blood symbolism and reconstructs the political context of ritual murder trials against the Jews. "This volume combines clarity of thinking, elegance of style, and exemplary scholarly attention to detail with intellectual sobriety and human compassion."--Jerome Friedman, Sixteenth Century Journal "Hsia has... succeeded in turning established knowledge to illuminatingly new purposes."--G.R.
