

## ***The Art Of The Pimp: One Man's Search For Love, Sex, And Money***

A one of a kind work of Urban Fiction that also serves as a strategy guide based on the Art of War by Sun Tzu. This is a story about a man named Lorenzo from Memphis that wants to make it out of the hood, but things don't always work the way he wants it too. Clocking a 9 to 5 job doesn't seem to get the job done so instead he turns to the streets. Learning to pimp women, his whore steals a large amount of money from the wrong trick. This gets him in trouble with a local mob boss. Going on a robbing spree seems like the only way to pay him back in time. Welcome to the streets of Memphis. A death trap for some. Check out this work of Art and see if Lorenzo will survive the cards he was dealt and make it out of his situation in one piece. Creative, comedic, dark, and suspenseful. Far from corny like the average urban novels flooding the book market.

Some say the era of Detroit Player is over. NOT EVEN! Freeze emerges as one of Detroit's most promising mouthpieces (he's always promising something—LOL), representing the Pimpin' and keeping the game alive. In 'Memoirs of A Pimp' he takes you from sitting in a house with no heat or water to making over a million dollars in the pimp game. Living proof that "Pimpin' ain't dead!" Thanks to the underground powerhouse "Paper In My Pocket" and the cult classic "Pimp Game: Instructional Guide (Ex-Pimp tells all)," Freeze's charisma and authentic style has quickly positioned him as one of Detroit's biggest and brightest stars. To check and see if a thoroughbred is authentic, you check the bloodline. With players, you check their gameline. Freeze comes from a line of some of the greatest pimps to ever play the game, such as Filmore Slim, Jimi Starr, Rosebudd, and The Boss Hogg macaroni, and on 'Memoirs of A Pimp' Freeze reveals the secrets no one else will tell you, such as: \*How to get a woman to choose you\* How to get her to give you ALL the money\* How to get multiple women to get along and much more of the game that affords him the luxury to do nothing but rest, dress, and finesse. The same thing he's been doing for years. The icing on the cake is that Freeze is a true artist, not just a hustler with money who felt like rapping. He's been at it since age 9, and it shows through the way he lays out the pimp game so clearly you can almost walk into it. Anyone even remotely interested in the pimp game, or living a life full of fine women and lots of money, must buy this album now. It's a 'must-have' in the collection. "Damn... Freeze dun packaged up the Pimpin!"

In the tradition of Donald Goines and Iceberg Slim comes A Pimp's Life, the story of the rise and fall of Mack Jones. He's at the top of his pimp game in Queens, New York, until he breaks one of the cardinal rules of Pimping 101 and falls in love with one of his girls. Destiny was once an innocent young girl tricked into selling her body, but now she's as tough as the most seasoned professionals on the street. Then a tragic turn of events causes her to open her heart once again. When Mack is shot, she stays by his side during his recovery, proving

herself to be as devoted as any wife would be to her husband. After she sees that Mack has regained his strength, Destiny finally gathers the courage to leave the life behind her, and Mack is forced to make a decision. He won't stop her from leaving, but he must decide if he will follow her out of the game. Will he stay with what he's always known, or take a chance on love? And even if he does choose to get out, will the streets let him go that easy?

"One part Doctor Who, one part Hustler Magazine, and the most fun you'll have reading cosmic smut." - Jeff Burk, author of Shatnerquake  
"A wonderfully ridiculous book . . . delivers imagination balanced by genuinely caring and adept writing." - Kris Saknussemm, author of The Humble Assessment  
The Time Pimp has been saving the galaxy by getting history's most important figures laid. From Caligula to Teddy Roosevelt, the Time Pimp has rolled up to the scene in his interstellar purple Cadillac and got them some ass. But a new power threatens the future of the Time Pimp - The Morality Front, a prudish force hell-bent on imposing its values on the galaxy. With the aid of the Death Pimp they will stop at nothing to end Free Love across time and space. But the Time Pimp ain't taking no shit from these jive-ass turkeys!

A Comic Book on the Life of Dennis Hof, author of The Art of the Pimp Gospel of the Game

***Dennis Hof, proprietor of the world-famous Moonlite BunnyRanch brothel and the P.T. Barnum of prostitution, charts his path to fame and infamy, while dispensing homespun wisdom about sex, sales, money, and how to live as the country's most recognizable pimp. In The Art of the Pimp, Dennis Hof offers a hilarious, insightful, behind-the-scenes look at life as the proprietor of The Moonlight BunnyRanch, the world's most famous legal brothel, and recounts his chaotic life as the king of America's sex industry. Hof, the star of HBO's critically lauded series Cathouse, reveals the tricks of turning tricks, the secrets of his outrageous marketing stunts, and scandalous details of his friendships with porn stars, prostitutes, and politicians. Readers will learn how Hof's "girls" negotiate the highest prices for sex, the dirty little secrets of getting men to fall in love with them, and the inside tales of "The Girlfriend Experience," the #1 requested menu item. The Art of the Pimp will take readers on a wild ride through his countless sexual conquests, romantic failures, and business successes.***

***What if I told you the whole world is based on Pimping..? From Business Owners (of all types) to Employees... Everything in this society is based on PIMPING. Therefore, pimping by definition is all about OWNERSHIP. On the flip side, hoeing is all about SERVITUDE. You don't have to be a brain surgeon to UNDERSTAND this. You just have to use your common sense. Anyone who sets out to OWN instead of SERVE, is setting out to be a PIMP. In all relationships, the same dynamic exists. Someone (he or***

*her) is going to be the BOSS. Any man who says "we rule the home together" is lying to himself. In fact, whenever you hear a man say this, I can assure you HIS WIFE IS RUNNING SHIT!! Although your momma probably didn't teach you this but, THE WORD "MAN" LITERALLY MEANS "AUTHORITY!!!" While, "WOMAN," on the other hand means "SUPPORT." Most relationships in the west are defined by the proverbial POWER STRUGGLE. That's because in most western homes, the ROLES of men and women have been REVERSED. This is especially true in the black community. MEN today are no longer "MEN" (AUTHORITATIVE FIGURES). They have become "BOYS" only masquerading as men. Children being raised in these types of environments ARE NOT USE TO SEEING A MAN DELEGATING "AUTHORITY" IN HIS HOME. This is what the Black community has become... A BIG DYSFUNCTIONAL LIVING ARRANGMENT. An arrangement where the WOMEN are trying their best to be MEN and vice-versa. Black women got this BRIGHT IDEA (to try and be a man) from the dominant white society. But, what the white man did not tell them is, NO WOMAN CAN BE A MAN BECAUSE SHE WAS NOT "WIRED" TO BE ONE. And the harder they try, the more DYSFUNCTIONAL they become. White men can live with the BLACK WOMAN'S DYSFUNCTION so long as she don't get shit twisted. Because we all know he ain't about to deal with any disrespect from her. She know it too. For that reason, black men must no longer tolerate black female disrespect, either. KNOW THIS... The coldest PLAYERS on planet earth are WOMEN. Women have been manipulating men since the beginning of time. That's why men need to learn the GAME. Not to put their lovers on the corner; but to put them on some stricter rules, regulations and guidelines. Love it or hate it, the only men who have MASTERED THE GAME WOMEN CREATED, IS PIMPS. You don't have to be a PIMP to UNDERSTAND this GAME. But, you do need to PAY CLOSE ATTENTION. People, there is a shift in consciousness taking place in the universe. And there is nothing anyone can do about it. This shift, is a shift towards WHAT IS NATURAL. EITHER YOU GET ON BOARD, OR GET ELIMINATED. THAT'S IT. PIMP GOD, "What Yo Momma Shoulda' Told You" is not a book about teaching men to be PIMPS. It's about teaching men to TAKE BACK THE "AUTHORITY" THEY LOST TO WOMEN A LONG, LONG TIME AGO. JOIN THE MOVEMENT!!!*

*The pimp has reached nearly mythical status. We are fascinated by the question of how a guy from the ghetto with no startup capital and no credit -- nothing but the words out of his mouth -- comes not only to have a stable of sexy women who consider him "their man," but to drive a Rolls, sport diamonds, and wear custom suits and alligator shoes from Italy. His secret is to follow the "unwritten rules of the game" -- a set of regulations handed down orally from older, wiser macks -- which give him superhuman powers of charm, psychological manipulation, and persuasion. In Pimpology, star of the documentaries Pimps Up, Ho's Down and American Pimp and Annual Players Ball Mack of the Year winner Ken Ivy pulls a square's coat on the unwritten rules that took him from the ghetto streets to the executive suites. Ken's lessons will serve any person in any interaction: Whether at work, in relationships, or*

*among friends, somebody's got to be on top. To be the one with the upper hand, you've got to have good game, and good game starts with knowing the rules. If you want the money, power, and respect you dream of, you can't just "pimp your ride," you need to pimp your whole life. And unless you've seen Ray Charles leading Stevie Wonder somewhere, you need Ken's guidelines to do it. They'll reach out and touch you like AT&T and bring good things to life like GE. Then you can be the boss with the hot sauce who gets it all like Monty Hall*

*The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House. From the late 1960s until it closed in 2008, Holloway House specialized in cheap paperbacks with page-turning narratives featuring black protagonists in crime stories, conspiracy thrillers, prison novels, and Westerns. From Iceberg Slim's Pimp to Donald Goines's Never Die Alone, the thread that tied all of these books together—and made them distinct from the majority of American pulp—was an unflinching veneration of black masculinity. Zeroing in on Holloway House, Street Players explores how this world of black pulp fiction was produced, received, and recreated over time and across different communities of readers. Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society—and the appeal of black masculinity as a way to counter it. In essence, it was the original form of blaxploitation: a strategy of mass-marketing race to suit the reactionary fantasies of a white audience. But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature, from 1973 onward, Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers. The standard account of this literary phenomenon is based almost entirely on where this literature ended up: in the hands of black, male, working-class readers. When it closed, Holloway House was synonymous with genre fiction written by black authors for black readers—a field of cultural production that Nishikawa terms the black literary underground. But as Street Players demonstrates, this cultural authenticity had to be created, promoted, and in some cases made up, and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored.*

This book examines one of the most contested issues facing feminists, human rights activists and governments around the globe - the international sex trade. For decades, the liberal left has been conflicted as to whether pro-prostitution activists or abolitionists hold the correct view, and debates are ongoing as to who holds the key to the solutions facing the women and girls involved. Over the course of two years, Bindel

conducted 250 interviews in almost 40 countries, cities and states, traveling around Europe, Asia, North America, Australia, New Zealand, and East and South Africa. Visiting legal brothels all around the world, Bindel got to know pimps, pornographers, survivors of the sex trade, and the women being sold by men classed as 'business entrepreneurs'. Whilst meeting feminist abolitionists, pro-prostitution campaigners, police and government officials, and the men who drive the demand, Bindel uncovered the lies, mythology and criminal activity that shroud this global trade, and suggests here a way forward for the women seeking to abolish the oldest oppression. Informed by the lived human experience of those interviewed, this book will be of great interest to feminists, students, criminal justice advocates, criminologists and human rights activists.

The book Rosebudd the American Pimp is about the choices one has to make in order to go to the highest plateau in that lifestyle. Rosebudd did all that was in his power to become a legend. His day to day activities and mental savvy and toughness is displayed throughout the book. His book is not a book on how to become a pimp, but rather a book on how not to be a brutal, uncaring person and still receive the rewards of being one of the best pimps there ever was. In his book he has listed the 27 rules to becoming a master at this game. If you pick this book up, you will not put it down until you are completed. You must be cautious with this material, because you will be handling dope.

Whoreson Jones is the son of a beautiful black prostitute and an unknown white john. As a child, he's looked after by his neighbourhood's imposing matriarch, Big Mama, while his mother works the streets. At the age of 12, his street education begins when a man named Fast Black schools him in trickology. By 13, Whoreson is a cardsharp. At the age of 16 his childhood comes to an abrupt end when he becomes a fully-fledged pimp: cold-blooded and ruthless. As he battles to understand his world, he must learn to live up to his mother's words, 'First be a man, then be a pimp'.

Has arrived. The shit im kicking in this book is explosive. Its overflowing with game and general insight. I always was one to believe that you dont gotta be a pimp to think like one. Most of what i kick in this book can be applied equally to the game of life. The first section of the book is deeply influenced by business and psychology. What's really unique about this master piece is that, im not only exposing secrets to dealing with these hoes, im also giving you a personal account of my life. A short bio of my journey throughout the game.

**Pimp Game 102: The Psychology Of Pimping**

This is my second venture into the world of pimping. My first book was a hit and I decided to go back to the dark underworld of pimps and their hold over the women that adore them. Their power lies within their charm and charisma. One look can say a thousand words and their voice can scream louder than the music we call life. Let us journey together once again into the mind and thoughts of the psychology of pimping. Let us try to comprehend the complex thoughts and actions that create these mysterious men of intrigue and illusion. The psychology of pimping is real and the relationships with women based on trust, understanding and the power given to him.

"When I speak of love, It's Pimpin I'm speaking of." - Pimpin Ken  
Pimpology refers to the study of pimping and the psychology behind it. The principals of Pimpology teaches you how to control and manipulate others, by understanding the principles of brain psychology. When one learns how the brain works and how to use the brain to get others to move how you want to, you have entered into the world of a true PIMP. The Pimp game runs through every culture, color and financial status, regardless of whether you realize it or not. The Pimp game has stood the test of time, by selling a product that will always be in demand. Disclaimer: This book is not about using people or getting over on others, even if the techniques listed to do so. The sole purpose of this book is to teach you the Psychology techniques that pimps use to control prostitutes. By learning the psychology and thinking behind some of the most successful pimps such as Bishop "Magic" Juan, Pimpin Ken, Fillmore Slim and many more, you will gain the techniques that empower your self esteem, communication skills and self awareness. Pimp the Game of Life, instead of being Pimped by it.

Originally published in 1973, "Black Players" was the first book to undertake a thorough examination of the urban pimp culture. Social anthropologists Richard and Christina Milner were allowed access into the secretive and controversial world of pimps and prostitutes, and allowed the players to describe themselves, and the rules of the game in their own words.

Foreword by Drake The successful Hip Hop mogul, boxing manager, and entrepreneur who has had a lasting impact on modern popular music reveals the foundation of his success--respect--and how to get it and how to give it. "I was taught that you must believe in something bigger than yourself in order to get something bigger than yourself." For decades, serial entrepreneur James Prince powered over Rap-A-Lot Records, one of the first and most successful independent rap labels. In this memoir, told with the brutal, unapologetic honesty that defines him, Prince explains how he earned his reputation as one of the most respected men in Hip Hop and assesses his wins, his losses, and the lessons he's learned in between. Throughout his life, Prince has faced many adversaries. Whether battling the systemic cycle of poverty that shaped his youth, rival record label executives, greedy boxing promoters, or corrupt DEA agents, he has always emerged victorious. For Prince, it was about remaining true to his three principles of heart, loyalty, and commitment, and an unwavering faith in God. The Art of the Science of Respect brings into focus a man who grew up in a place where survival is everything; who found hope just a concept; who outlived most of his childhood friends by age twenty-four; who raised five children; who helped develop international superstars like Drake and world champion boxers like Mike Tyson, Mayweather and Andre Ward; who rose to the heights of a cutthroat business that has consumed the souls of ambitious hustlers and talented artists alike. Throughout this raw memoir, Prince's love for his family, music, boxing, and Houston's Fifth Ward-- "Texas' toughest, proudest, baddest ghetto" (Rolling Stone Monthly)--shines through. Yet one major lesson looms over all: Respect isn't given, it's earned. In recounting his compelling life story, Prince analyzes the art and science of earning respect--and shows how to apply these principles to your life.

**"[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.**

A facsimile edition of the first 1972 edition that followed Silky, a pimp, and his women through an entire year of life on the streets of New York City. Bob Adelman dives headlong onto the world of the original Macks and players - the Big City Pimps - in this in-depth photographic exploration of the underworld figures that populated the streets of New York City. Armed with only a camera Adelman entered the lives of Silky and his women. This facsimile edition re-introduces this classic of the times and makes available, once more, this compelling and hugely popular book.

Straight from the source: Iceberg Slim gives unprecedented insight into his incredible life and mind in this second collection of rare, explicit, interviews. Iceberg Slim is infamous as a pimp. But he was many things: Victim of childhood abuse, racism and the Great Depression; drug addict; hustler; prison escapee; multi-million book selling author; one of the first rap record artists; orator; pre-eminent writer; father; husband; advocate of socially constructive life. The interviews (big topics from applying the game in square relationships, to the con game, sex, drugs, education, writing, racial issues, fatherhood, politics, crime and punishment) are complimented by: Camille Beck's tragic story, told by her sister Misty; FBI records, mug shots, historical records; the true story of Baby Bell and Sweet Jones; and the true story of Henry and Iceberg's mother. Revealing insights with those who knew Iceberg Slim are included: Mike Tyson; Camille and Misty Beck; Diane Beck; Betty Beck's story from the day she met Iceberg; Bentley Morriss (CEO, Holloway House Publishing). Plus Ice-T, Bishop Don Magic Juan and others provide relevant commentary on Iceberg's life, work and great legacy.

*I'm proud to present to you this advance summary of "organized game."The book could in fact be one of the most highly anticipated books to drop this year. The book is a must read. Guaranteed you have never read anything like it before. Everything a person wonder about pimpin but was ashamed or afraid to ask. Without a doubt the best and most comprehensive book ever published on the game. This is the first complete step by step guide. why Step 1 which is chapter one will explain why it's so important why you should prefer to get paid not laid. Chapter 2 explains in an extraordinary way how a pimp goes in pursuit of a prostitute. Chapter 3 brakes down the fundamentals in turning a hoe out into the game. Chapter 4 you will learn how to run a willing and able stable of top notch hoes. Chapter 5 you will learn how to teach your girls the art of dealing with tricks. Chapter 6 will lace you up with the track guidelines for your girls to follow in or out of town. Chapter 7 would be basically touching on money expectations. Chapter 8 is what I call open game it's where I explain the ups and downs smiles frowns in the game. Chapter 9 is called chopping it up where I just free style game and exposes the lames. Chapter 10 is where I fully explain why conversation runs the nation. You will learn how to peep game and use what you hear from a hoe to your advantage I also threw in some poems and some slick hooks that you can add to your vocabulary But there you have it ten chapters of brain busting game. Even if you're not relating in one way or the other still check this book out. It's bursting with general insight that just leaps out at you instantly giving you a genuine interest in "organized game" Let's be honest. We all want to be successful in dealing with these hoes. The reason for this book is to share my experience with people that can relate and also to the ones that cannot. To be honest I'm just a typical nigga but with a tremendous amount of game. You will find out that most of what you read in my book pertains to what I done discovered about the true nature of hoes. How they act and react to certain situations and how some succeed in this game and why others don't. The good game and methods presented in this book do not represent shit I done dreamed up but it represents my struggle throughout the many years of dealing with these hoes. Listen we don't need more books on how to get along with these hoes. Throughout our short time here on earth we all have a choice to do it small or big, the choice to be the one that make things happen or the one that watch things*

*Never before have prostitution, strip clubs and pornography been as profitable, widely used or embedded in mainstream culture as they are today. How society should respond to the rise of the sex trade is shaping up to be one of the Twenty-First Century's big questions. Should it be legal to pay for sex? Isn't it a woman's choice whether she strips for money? Could online porn warping the attitudes of a generation of boys? An increasingly popular set of answers maintains that prostitution is just work, porn is fantasy, demand is inevitable; so fully legalise the sex trade and it can be made safe. Kat Banyard contends that these are profoundly dangerous myths. Sexual consent is not a commodity, objectification and abuse are inherent to prostitution, and the sex trade poses a grave threat to the struggle for women's equality. Skilfully weaving together first-hand investigation, interviews and the latest research, Pimp State powerfully argues that sex trade myth-makers will find themselves on the wrong side of history.*

Pimp Game 104 Mastering The Game

What began as a public-health project by a Harvard medical student evolved into an intimate, ambitious, six-year study of the brothel ecosystem and a book that puts an unforgettable face on America's maligned and caricatured subculture. "A fascinating glimpse into a hidden lifestyle.... It's an instantly gratifying page-turner.... It emerges as a personality-filled memoir about an unforgettable group of women." —Seattle Weekly Not a single legal prostitute in Nevada had contracted HIV since testing began in 1980. Why? Harvard medical student Alexa Albert traveled to Nevada in search of answers. Gaining unprecedented access to the infamous and notoriously secretive Mustang Ranch, Albert reveals a fascinatingly insular world where the women share their experiences with unexpected candor. There's Dinah, Mustang's oldest prostitute, who turned her first trick years ago at age fifty-one. And Savannah, a woman who views her work as a "healing" social service for needy men. Nevada's legal brothels are an incredibly rich environment for examining some of this nation's thorniest social issues. From problems of class and race to the meaning of family, honor, and justice—all are found within this complex and singular microcosm. And in a country where prejudice is a dirty word—but not as dirty as hooker—these social issues are compounded and deepened by the stifling stigma that has always plagued the profession. But in the end, all of Mustang's working girls are just women trying to earn their way to happiness. Brothel is a landmark work that probes beyond the veil of desire and fantasy in which the sex trade shrouds itself—and uncovers the naked humanity at its core.

Welcome to the world of pimping and pandering! Be the best pimp you can be! There is so much knowledge and understanding of the world in the pimping game. First and foremost you must understand the true history of pimping in these United States of

America. It was created out of sheer necessity! The white wealthy European men in American society couldn't resist the temptation and lure of exotic dark skinned women. This sexual fantasy is not foreign or centralized to America but continues to expand and thrive throughout the earth worldwide all over the globe north and south of the equator! What did you want to be when you grew up? All I wanted to do was be a pimp. We all have dreams and mine was to become the best pimp I could be! I grew up in the streets and looked forward to being just like the stylish well-spoken silver tongued hustlers with money, power, and respect that I looked up to! Living in the ghetto children grow up admiring street super heroes like pimps and drug dealers. Options are very limited when you come from poverty. If you don't have god given talent athletic or musically you have to accept more realistic aspirations especially if you have little or no education. The streets become ground central for breeding and educating hustlers. The art of pimping is slowly dying off and adapting progressively in reverse into something primitive and unrecognizable. Young men in this millennium generation all calling themselves pimps when in all reality they are living off women in public housing who have little or no income on government assistance. In my opinion this is not real pimping it is a means of survival by mostly weak men with no talent or ability to make money on their own. When they end one of these types of relationships these little mama's boys go back to being in a romantic incestuous nest. These infantile adult toddlers are used to being spoiled and breast fed and require their lovers to do everything their mothers do for them. They need to be mothered in their romantic relations and continue to compare their lovers to their mothers until their girl gets tired of being compared to their weak man's mother and send them garbage bag in hand back to the loving maternal arms of their mom who will allow them to enter back into their accepting wombs. These loving and caring women coddle them and protect them from hurt harm and danger and comfort them like a familiar lover. It took a lot of time and dedication but I have my PhD in Pimping from Players University! This game is real and so are its players so enter into it cautiously with inspiration preparation and full dedication!

DEALING... PRODUCING... ALL IN A DAY'S WORK FOR A DRUGLORD. OR IN HOLLYWOOD. Ruined and on the lam, former drug kingpin Max Fisher stumbles upon the biggest discovery of his crooked life: a designer drug called PIMP that could put him back on top. Meanwhile, a certain femme fatale from his past is pursuing a comeback dream of her own, setting herself up in Hollywood as producer of a series based on her life and Max's life story. But even in La-La Land, happy endings are hard to come by, especially with both the cops and your enemies in the drug trade coming after you...

Born in Paterson, New Jersey to a Jehovah Witness mother and a subservient workaholic father. Randy L. Jackson's childhood was dominated and controlled by his obstinate mother and her religion. Hate for his mother's religion and the way his father let his mother rule the household burned inside him like a forest fire. He would grow up with a hatred for all women. Then his brother "Silky" a ex-pimp moved to Paterson from the south with his own hatred inside for being left behind and raised by his grandparents. His brother would begin teaching him the pimp game at an early age. With his brother as his mentor he knew he would be adept in making every woman pay for how his mother had controlled his father and destroyed his childhood. Randy whose street pseudonym was "Jashon" would think of himself as an intelligent hoodlum who was criminal minded. He was out to rob, steal, pimp and manipulate anyone he came in
