

fiction to action-packed speculative fiction, as well as hallucinatory realism, magical realism, noir, and science fiction. Fascinating characters and unexpected plots unpack what it means to be Latinx in contemporary—and perhaps future—America. The characters work, love, struggle, and never stop trying to control their reality. They dream of building communities and finding peace. How can they succeed if they must constantly leave one place for another? In a nation that demands assimilation, how can they define themselves when they have to start anew with each generation? The characters in *The Book of Wanderers* create their own lineages, philosophies for life, and markers for their humanity at the cost of home. So they remain wanderers . . . for now.

An interior look at Roberto Calasso's work as a publisher and his reflections on the art of book publishing In this fascinating memoir, the author and publisher Roberto Calasso meditates on the art of book publishing. Recalling the beginnings of Adelphi in the 1960s, he touches on the Italian house's defining qualities, including the considerations involved in designing the successful *Biblioteca* series and the strategy for publishing a wide range of authors of high literary quality, as well as the historic critical edition of the works of Nietzsche. With his signature erudition and polemical flair, Calasso transcends Adelphi to look at the publishing industry as a whole, from the essential importance of graphics, jackets, and cover flaps to the consequences of universal digitization. And he outlines what he describes as the "most hazardous and ambitious" profile of what a publishing house can be: a book comprising many books, a form in which "all the books published by a certain publisher could be seen as links in a single chain"—a conception akin to that of other twentieth-century publishers, from Giulio Einaudi to Roger Straus, of whom the book offers brief portraits. An essential book for writers, readers, and editors, *The Art of the Publisher* is a tribute to the elusive yet profoundly relevant art of making books.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The David Story: A Translation with Commentary of 1 and 2 Samuel

Big Book of WHF: Revised and Updated (A TIME For Kids Book)

The Pleasantries of the Incredible Mulla Nasrudin

"Just as awe-inspiring as the Nobel judges claimed." – *The Washington Post* "Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño's 2666." – *AV Club* "Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy." – *Dwight Garner, The New York Times* The Nobel Prize–winner's richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect's secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—*The Books of Jacob* captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, *The Books of Jacob* is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally. Front cover to back.

Master storyteller Alice Hoffman brings us the conclusion of the *Practical Magic* series in a spellbinding and enchanting final Owens novel brimming with lyric beauty and vivid characters. The Owens family has been cursed in matters of love for over three-hundred years but all of that is about to change. The novel begins in a library, the best place for a story to be conjured, when beloved aunt Jet Owens hears the deathwatch beetle and knows she has only seven days to live. Jet is not the only one in danger—the curse is already at work. A frantic attempt to save a young man's life spurs three generations of the Owens women, and one long-lost brother, to use their unusual gifts to break the curse as they travel from Paris to London to the English countryside where their ancestor Maria Owens first practiced the Unnamed Art. The younger generation discovers secrets that have been hidden from them in matters of both magic and love by Sally, their fiercely protective mother. As Kylie Owens uncovers the truth about who she is and what her own dark powers are, her aunt Fanny comes to understand that she is ready to sacrifice everything for her family, and Sally Owens realizes that she is willing to give up everything for love. *The Book of Magic* is a breathtaking conclusion that celebrates mothers and daughters, sisters and brothers, and anyone who has ever been in love.

What would this reading trajectory say about you? With passion, humor, and insight, the editor of *The New York Times Book Review* shares the stories that have shaped her life. Pamela Paul has kept a single book by her side for twenty-eight years – carried throughout high school and college, hauled from Paris to London to Thailand, from job to job, safely packed away and then carefully removed from apartment to house to its current perch on a shelf over her desk – reliable if frayed, anonymous-looking yet deeply personal. This book has a name: Bob. Bob is Paul's Book of Books, a journal that records every book she's ever read, from *Sweet Valley High* to *Anna Karenina*, from *Catch-22* to *Swimming to Cambodia*, a journey in reading that reflects her inner life – her fantasies and hopes, her mistakes and missteps, her dreams and her ideas, both half-baked and wholehearted. Her life, in turn, influences the books she chooses, whether for solace or escape, information or sheer entertainment. But *My Life with Bob* isn't really about those books. It's about the deep and powerful relationship between book and reader. It's about the way books provide each of us the perspective, courage, companionship, and imperfect self-knowledge to forge our own path. It's about why we read what we read and how those choices make us who we are. It's about how we make our own stories.
