The Coveted (The Unearthly Book 2)

Poor Theodora Oglethorpe! Her biologist father has gone off to explore the jungles of Laos without her, her two best friends are away on vacation, and a long, hot, lonely Boston summer is all she has to look forward to. Poor Gideon! Wycca, his pet wyvern, has disappeared through a magic hole in time in search of a place to lay her egg. Kobold, Gideon's rival wizard, wants nothing more than to capture Wycca and turn her against her master. In a desperate attempt to rescue Wycca from Kobold's evil clutches, Gideon follows her

through the magic hole...and finds himself transported from his castle in thirteenth-century England to the terrifyingly modern world of Boston, Massachusetts, in the year 2002. Little does Gideon know that what he needs most in order to find his wyvern is stuck to the bottom of Theodora's shoe. And little does Theodora know that Gideon is the reason why her summer vacation has begun to seem a whole lot more interesting...

couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in

which everything occurs but once, existence seems to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals --

He wants her for all eternity, and if she gives in, everything he has to offer can be hers. The only cost? The last of her soul-and her humanity. By a twist of myth, Gabrielle finds herself back on earth from dusk to dawn. Back where the living breathe, where Andre de Leon, the king of vampires and her former soulmate, await her. the island. The murders have compromised the truce between the Politia and vampires, and as long as the killer roams free, it is in danger of dissolving. If that happens, no vampire is safe from persecution, not even Gabrielle. Now Gabrielle must team up with Andre, her soulmate and the one person she's tried to stay away from, to investigate the murders before the truce dissolves. And keeping her distance is proving to be impossible. But Gabrielle has a bigger problem. The world of the dead know about her, and their whispers hint that something is coming for her. And it's coming soon.

The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. "Jonathan Coe finally provides a sequel to *The Winshaw Legacy*, the 1995 novel that introduced American readers to one of Britain's most exciting new writers -- an acerbic, hilariously dark, and unflinching portrait of modern society. In *Number 11*, Coe has filled his intricate plot with a truly Dickensian cast of characters. The novel opens in the early aughts with two ten-year-old girls, Alison and Rachel, and their frightening encounter with the "Mad Bird Woman," a mysterious figure who lives down the road. As the narrative progresses through time, the novel broadens in scope toward other people who are somehow connected to the two

girls. We follow the trials and tribulations of Alison's mother, a has-been singer, as she competes on TV's reality hit *I'm a Celebrity... Get Me Out of Here!* Rachel's university mentor confronts her late husband's disastrously obsessive search for an untraceable German film he saw as a child. A young police constable investigates the seemingly accidental and unrelated deaths of two stand-up comedians. And when Rachel becomes a nanny for ludicrously wealthy family, she discovers a dark and terrifying secret lying beneath their immense mansion in London's most staggeringly expensive neighborhood. Combining psychological insight, social commentary, vicious satire, and even surrealist horror, this highly accomplished work holds a revealing and disquieting mirror up to the world we live in today"--

The vast Deccan plateau of south-central India stretches from the Arabian Sea to the Bay of Bengal. In the sixteenth and seventeenth centuries, the region was home to several major Muslim kingdoms and became a nexus of international trade – most notably in diamonds and textiles, through which the sultanates attained remarkable wealth. The opulent art of the Deccan courts, invigorated by cultural connections to the Middle East, Africa, and Europe, developed an otherworldly character distinct from that of the contemporary Mughal north: in painting, a poetic lyricism and audacious use of color; in
