

The Day After Never: A Time Travel Adventure (In Times Like These Book 3)

THE AMERICAN EDITION Satan is being outsourced. According to the Powers That Be, Hell isn't hellish enough, and Satan is given seven days to figure out how to bring back the fire and brimstone days of Hell's fury. The Devil takes on human form-a ramshackle, disease ridden body-and sets out on a road trip exploring new and novel miseries of the human condition to save his job. From L.A. to Miami, Satan, accompanied by Eustice Seeneey, the only man who managed to escape Hell twice (and live to never shut up about it), some bent doctors, an average medium femme fatale with a Tarot tattoo, and an angelic escort service hit the road. Satan manages to finagle his way into one mess of life's affairs after another culminating in an explosive finale revealing who or what puts the lighting in our dreams, and begs the question of who would rid the world of the Devil they know?

Maggie Whitaker decides to forego college to work in her family-run jewelry shop. She becomes entangled with a mysterious John Doe.

What do you do after life has handed you a wake-up call?Author Brian Seth Hurst experienced a significant professional setback, but, rather than “soldier on,” he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create.The question of “Why?” began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source.What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. W H O L E is your companion as you review the past, balance all areas of your life, and begin to create anew.W H O L E prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding.How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts.W H O L E allows you to make sense of the pieces of your life as part of the greater being that is You.W H O L E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future.W H O L E literally answers the question, “What was I thinking?”“To know “whole” in the duality of your reality, you must know broken.To know broken is to recognize that you are, always have been, and always will be WHOLE.”

Hundreds of thousands of lives, millions of animals and billions in property are at stake. And... Never Again, is the 3rd in the Michael Grant, PI, mystery/suspense series. Terry Dean Ballard, a young terrorist who killed 19 innocents in Texas before escaping Michael's grasp at the end of Judas Oracle, surfaces in Colorado bent on destruction. Ballard's Christmas day sabotage of area ski slopes and towns kills 67 bringing his death toll to eighty-six. Ballard, a young computer geek, finds he excels as a user, abuser and natural leader. He next focuses his cold careless fury on New Year's Eve. Leading a small gang of eco-terrorists, he plots his next debacle. Above, millions of acre feet of water, Below the dam, a town, a chemical munitions storage facility. Can Michael Grant and his team of 'agency' operatives stop the inevitable? How many more times can Michael Grant say: And... Never Again.

The tenth installment in the international bestselling Day After Never series follows Lucas' trek to Houston at the helm of the Freedom Army - but nothing could have prepared him for the deadly obstacles he and those he loves encounters, or an enemy so deadly that the slightest miscalculation could cost him everything.

*FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. **H Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my brused ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."*

Our lives are spent watching the clock. We go to sleep by it. Rely on it. Race it.It's easy to forget that we're only given so much.We ignore it because we're convinced we'll always have more.I am proof that we aren't promised anything.The clock owes us nothing.I know this because not only was Time my name, I wasn't given enough of it.Sure I had challenges but I vowed to make the most of it, of my young life.My limitations wouldn't hold me back.Time was on my side.Then I was told otherwise.Now the clock was working against me.I would face this disease alone.Then he walked in and changed everything.He gave me a reason to fight.He helped me prepare.Like others before me, when time slowed I wasn't ready.I begged for more.But the clock, it stopped for no one.On the day my world went black, I refused to take him with me.Only he didn't listen.I was a doctor.A bringer of bad news.I read the chart.She was fucked.My hands, they were tied.I was a doctor who could not heal what was beyond that door.I had no hope to offer her.But I wanted this over with.The sooner the better.I walked in, looked up and saw color.Not one.All of them.They surrounded her.She was a patient.You did not cross that line.I would not cross that line.I should have kept my eyes closed.Life was easier when you didn't see.But they were open now.They saw her.They saw everything.Suddenly invisible lines ceased to matter.For me, Time mattered.How far would you go to make sure the one you loved had enough of it?Would you challenge the clock?Help them prepare?Could you watch them suffer?Could you accept a life without them in it?Or, would you follow them into the darkness?I did. This is our story.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

To Save Her Future, He Can't Have One. Ben Travers is facing an impossible choice. When a girl arrives from his future claiming to be family, she brings nothing but bad news. Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

Join the twins as they explore the rocky beach and we practice Chinese "almost counting vocabulary." The story is completely translated to English, with both bopomofu and pinyin for Chinese pronunciation help. There are many notes reviewing and explaining Chinese grammar and word choices.

Beth Chambers' life is no fairytale, even if she feels like a damsel in distress. After four years in a destructive relationship, Beth has decided enough is enough and leaves her girlfriend, taking with her only her dog Dudley, her broken spirit, and a shattered view of life. At her lowest point, she meets Amy Fletcher, a woman who has it all-and whom she believes would never want more than friendship. But what Beth fails to realise is that there are definitely two sides to every story. Could Amy Fletcher be Beth's Princess Charming? Could her story end with a happily ever after?

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

Her Happy Ever After

Lucas embarks on a cross-country journey for what's supposed to be a simple vaccine delivery mission, but which quickly devolves into a battle to survive when he and his team become embroiled in a conspiracy so massive it will change the fate of America.

In this second volume of the two book arc that began with Insurrection (book 5), Lucas braves all odds to free his friends and in the process spawns the only hope for the nation's future: a new resistance movement that will take the battle to its enemies and drive them from its shores.

Jas Herzog is a normal seventeen year old girl living in Gorizia, a small town on the border with Slovenia. She has long blond hair, intense dark eyes; she has an Italian girlfriend she tells everything to and big dream: to join her best friend Nick's team of investigators. As she waits for this dream to become a reality, and for her training to be completed, she goes to school like every other girl her age, with days of boredom and exams which she tries to avoid in any way she can. When Spela, one of the student at the school is attacked and ends up in a coma, panic spreads among the students' families. The old fear of the different, of the "foreigner" comes back to haunt them, creating a climate of distrust and tension. Jas doesn't give up and, together with her fellow students, will do all she can to stop ancient resentments from exploding again and to bring the culprits to justice.

The fiercely-anticipated sequel to the #1 New York Times bestseller Once Upon a Broken Heart, starring Evangeline Fox and the Prince of Hearts on a new journey of magic, mystery, and heartbreak Not every love is meant to be. After Jacks, the Prince of Hearts, betrays her, Evangeline Fox swears she'll never trust him again. Now that she's discovered her own magic, Evangeline believes she can use it to restore the chance at happily ever after that Jacks stole away. But when a new terrifying curse is revealed, Evangeline finds herself entering into a tenuous partnership with the Prince of Hearts again. Only this time, the rules have changed. Jacks isn't the only force Evangeline needs to be wary of. In fact, he might be the only one she can trust, despite her desire to despise him. Instead of a love spell wreaking havoc on Evangeline's life, a murderous spell has been cast. To break it, Evangeline and Jacks will have to do battle with old friends, new foes, and a magic that plays with heads and hearts. Evangeline has always trusted her heart, but this time she's not sure she can. . . .

Cally was like any other teenage girl; she was smart, funny, caring, and beautiful. She loved going shopping with her mother, Kate, as well as beating her dad, Bill, at a game of basketball. Sure, she had her fair share of problems, like peer pressure and the occasional arguments with her parents--which usually led to being grounded. However, none of this could ever prepare her for the ultimate problem, an abusive boyfriend. Cally had been with her boyfriend, Ryan, for exactly one year. Nine months of that year was absolutely wonderful. They did everything together and were very much in love. However, the last three months were a pure and living hell for Cally. Ryan had started drinking very heavily and had become mentally and physically abusive. The abuse was terrible for Cally; in only three months Ryan had busted her lip and had put bruises all over Cally's body. The abuse was getting worse by the day and Cally knew that she had to end the relationship soon. Cally still cared for Ryan, despite his cruel and abusive ways, but she knew that he was not going to change; he was too far gone. Cally had planned to break up with him on prom night, but as a fatal turn of events unfolds, Cally discovers that it's not so easy to escape from Ryan's grip.

They said it could never happen - that the day would never come. They were wrong. Five years post-collapse, former Texas Ranger Lucas Shaw is surviving hardscrabble in a kill-or-be-killed wasteland. When an enigmatic young woman enters his life with a desperate plea, Lucas must face impossible odds and battle an adversary who will stop at nothing to destroy them. Lightning-paced and gritty, Blood Honor, the debut novel in The Day After Never trilogy, is a non-stop adrenaline rush set in a chillingly plausible dystopian future. Fans of Jack Reacher, The Hunger Games, and Road Warrior are sure to enjoy this post-collapse epic. From The NY Times and USA Today bestselling author of the JET, Assassin, BLACK, and Fatal series, and co-author with Clive Cussler of The Eye of Heaven and The Solomon Curse.

From the Booker Prize-winning author of The Remains of the Day and When We Were Orphans, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. Never Let Me Go breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

Conflicting imperatives tear Lucas in different directions as a mounting threat to Shangri-La's survival looms large. In this eighth installment in the bestselling Day After Never series, Lucas faces more ominous challenges than ever before and must risk everything if he, and those he loves, are to survive.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from

wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

A B&N Young Reader Monthly Pick! *Finalist in the 2021 Goodreads Choice Awards!* *A New York Times Bestseller!* Discover a new middle-grade fantasy saga from the #1 New York Times bestselling author of The Descendants series, Melissa de la Cruz, where real life and fairy tales collide! Nothing ever happens in Filomena Jefferson-Cho's sleepy little suburban town of North Pasadena. The sun shines every day, the grass is always a perfect green, and while her progressive school swears there's no such thing as bullying, she still feels bummed out. But one day, when Filomena is walking home on her own, something strange happens. Filomena is being followed by Jack Stalker, one of the heroes in the Thirteenth Fairy, a series of books she loves about a brave girl and her ragtag group of friends who save their world from an evil enchantress. She must be dreaming, or still reading a book. But Jack is insistent—he's real, the stories are real, and Filomena must come with him at once! Soon, Filomena is thrust into the world of evil fairies and beautiful princesses, sorcerers and slayers, where an evil queen drives her ruthless armies to destroy what is left of the Fairy tribes. To save herself and the kingdom of Westphalia, Filomena must find the truth behind the fairytales and set the world back to rights before the cycle of sleep and destruction begins once more.

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ..Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

Never Let Me Go

When Time Stood Still

Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

The Final Book In The Divinity Saga The Earth is breaking open. The wall between the Spirit and Human realm has begun to shatter, allowing darkness to seep in and converge like an epidemic. The End Has Begun... Even after setting everything in motion by attacking Morning Star first, Camael finally has everything that he's ever wanted in his existence; Starling's love and a family. Camael's happiness is short-lived when he's finally given the harsh and inexplicable truth about why Starling has always been such a unique Chosen. A Fiery Will... Shortly after giving birth, Starling begins to realize what must be done in order to save the world and the future of their children. But having made the the promise to Camael of never sacrificing herself for him, how can she risk it? While the Elders and other warriors see her as a traitor, her friends begin to see her as something more. In every battle and every war there will be sacrifices and betrayals, but if darkness prevails- light will cease to exist.

"We broke something. How do you break time? Can something so bad happen that you fracture the world?" Benjamin Travers has been electrocuted. What's worse, he and his friends have woken up in the past. As the friends search for a way home, they realize they're not alone. There are other time travelers, and some of them are turning up dead. The Wonder Years Daylen Daniels and Chase McCoy are as different as night and day. Chase is the beautiful golden boy. Gorgeous, popular, and the quarterback of the football team. Daylen is the quiet introvert. Lovely curves, shy, and sees herself as an orchestra geek. After Day moves next door to Chase, a run-in with a bully, a domestic dispute, and one treehouse hideout, an impenetrable bond is made. As they grow up, their attraction for each other grows with them, but is it strong enough to risk their friendship? A party, a little game of spin the bottle, and a devious enemy could shake the very foundation of their friendship. Or it could start a tumultuous romance that spans decades. Take a journey with these two best friends through first love, heartbreak and tragedy from childhood to adulthood as the two find that young love isn't as strong as they'd hoped. A story of true growing pains in...Chasing Day.

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

Never After: The Thirteenth Fairy

Book Three of the Love's Territory Series

The Thirteenth Fairy is the first title in Never After, an exciting contemporary fantasy adventure series for readers of 9 to 11 by Melissa de la Cruz, the bestselling author of Disney's Descendants series. Perfect for fans of Disney's Twisted Tales. Nothing exciting ever happens in Filomena Jefferson-Cho's small town. Until the day Jack Stalker, one of the heroes from her all-time favourite books, the Never After series, turns up. She must be dreaming! But Jack insists that he's real, the stories are real, and she must come with him at once. Filomena is thrust into a world of fairies, sorcerers, dragons and slayers, where an evil queen is determined to wipe out the fairy tribes. To save the kingdom, Filomena and her new friends must find the truth behind the tale of the Thirteenth Fairy before it's too late.
