

The Demon's Prisoner

Of the Deepest Shadows and The Prisons of Fire is a literary canvas of leaders who have affected humanity in very serious and unquestionable ways. the core of this artistic engagement is the destiny of the black world. There are tangential departures into temtones with crises the world cannot afford to ignore. The poet visits each leader. living or dead, with equal passion. His curious brush is delicate, ecstatic. melancholic or even celebratory depending on what image or circumstance he pans into view. The corpus comes with the characteristic anguish and tenderness of a very sensitive and caring mind... "Nwankwo's visceral. hypnotic lines are filled with unexpected and challenging metaphorical combinations. His poems display the intense political commitment and Diasporic awareness of a skillful seasoned poet"---Joseph McLaren, Professor of English Hofstra University, New York "(In this volume), Chimalum Nwankwo holds the globe in his hands; his craft presents it to us in cadences of dance and deja vu..."---Chuks Iloegbunam, Nigerian Vanguard "Chimalum Nwankwo's enchanted language, rhythm, and startling juxtapositions make him a poet of prodigious beauty and genius-simply one of the best poets writing in any language today. (This collection) ... is a dazzling performance... a great feat of thought and expressive range." ---Ode

Ogede, Professor of English North Carolina Central University, Durham ...a remarkable weaving of thoughts and feelings into rhythmically supply verse."---Emmanuel Obiechina Associate Fellow W.E.B. Du Bois Institute, Harvard University & Fellow of Nigerian Academy of Letters

Follow Ian McTavish's journey, from the emotional state that caused him to commit the crime that sent him to prison, to the spiritual enlightenment and soul transformation he gained both in and out of prison. The true-life stories depicted in this book are written with simplicity and understanding that are applicable to everyday living. Learn and journey with author Ian Mctavish as he faces many challenges along the way in a prison environment that any reader can relate to. The tests he encounters unfold like a video game getting harder and harder as he ascends to different levels of spirituality, shedding many layers of his ego and proving that the circumstances of your life are purely manifestations of your inner thoughts. A rapist! You bastard! The three most important things in a woman's life are whether she wants a child, when she wants one and who the father should be. You have denied her all three. The furious attack continued.

Black Kingo And The Prisoners Of Alcaban - English Horror Novel 2021

I investigate a murder at a paranormal prison and end up behind bars with four psycho inmates. Flynn Native American, half vampire, half lion shifter, in prison for double homicide (and my student) Ronan Black, silver hair, violet eyes, treacherous fae, in prison for identity theft and possible murder Marco Dangerously sexy, bisexual Italian demon, and one of the devil's bastards, in prison for armed robbery Aedan HUGE Irish golden dragon, in prison for arson They will use me in ways I never thought possible. But they don't know who I really am. What I really am. My family has danced with the devil, and I inherited the darkness. When in danger, when my family is in danger, I don't just bite, I don't just kill, I'm more psycho than all of you, and I won't hesitate to bring the world upside down. Enjoy this 110k-word (500-page) standalone. You don't have to read the previous books in this universe first to read All the Teacher's Prisoners You like vampires, shifters, monsters, devils and demons, faes, dragons and dark stories, this paranormal why choose romance is definitely for you. Download your copy now. Because you have to.

Author Amelia Hang expresses the poignancy of love and loss in Prisoner's Dilemma, a touching collection of poetry. The bittersweet exhortations of a rejected lover to the man who has turned away evoke that exquisite agony only felt by the very young. The author remembers her late father in lyrically haunting poems of longing and regret. Often Ms. Hang represents herself as a small figure against vast images of

sky and sea, overwhelmed by the largeness of the world and the difficulty of finding her place in it. At once youthful and wise, these finely wrought poems leave a lasting impression.

-Rutledge Books

Prisoners of the World involves the unleashing of Satan upon the earth to fulfill his role as Destroyer, conjuring up a number of hellish visions and circumstances. I have introduced the reader to a number of characters that are involved in the melee - some human and some otherwise - and I depict Satan's activities as he searches the earth for the Morning Stone. Prisoners of the World features a narrative that makes use of symbolism and religious imagery, relating my tale in a manner designed to blend Christian imagery with adventure and suspense.

The people of Beykla are attacked by dwarves (dwarfs), frozen by a giant white dragon, and paralyzed by magical rings. In a story that weaves fantasy with revelations about love, loss, and freedom, young Lance learns to cope with and heal from the travesties and triumphs he experiences as he seeks to bring renewal to the people of Terrigan.

To the Western imagination, Tibet evokes exoticism,

mysticism, and wonder: a fabled land removed from the grinding onslaught of modernity, spiritually endowed with all that the West has lost. Originally published in 1998, *Prisoners of Shangri-La* provided the first cultural history of the strange encounter between Tibetan Buddhism and the West. Donald Lopez reveals here fanciful misconceptions of Tibetan life and religion. He examines, among much else, the politics of the term “Lamaism,” a pejorative synonym for Tibetan Buddhism; the various theosophical, psychedelic, and New Age purposes served by the so-called Tibetan Book of the Dead; and the unexpected history of the most famous of all Tibetan mantras, om mani padme hum. More than pop-culture anomalies, these versions of Tibet are often embedded in scholarly sources, constituting an odd union of the popular and the academic, of fancy and fact. Upon its original publication, *Prisoners of Shangri-La* sent shockwaves through the field of Tibetan studies—hailed as a timely, provocative, and courageous critique. Twenty years hence, the situation in Tibet has only grown more troubled and complex—with the unrest of 2008, the demolition of the dwellings of thousands of monks and nuns at Larung Gar in 2016, and the scores of self-immolations committed by Tibetans to protest the Dalai Lama’s exile. In his new preface to this anniversary edition, Lopez returns to the metaphors of prison and paradise to illuminate the state of Tibetan Buddhism—both in exile and in Tibet—as monks and nuns still seek to find a way home. *Prisoners of Shangri-La* remains a timely and vital inquiry into Western fantasies of Tibet.

True nature is impossible to escape. In the conclusion to *The Forgotten Gemstone & The Other Castle...* Ule's current male form, Ulmaen, is on the verge of deathmorphing when he realizes what he truly must be—a monster. It explains why his kind, the Xiinisi, keep him imprisoned in the world of Elish. Accepting his fate, Ul decides to become a tree demon, only to discover that being a demon has its consequences. After deathmorphing back into a female-looking Elishian, Ul is captured by two bounty hunters and learns that, due to a prison break at Sondshor Castle, Mithreel, the deadliest of demons, walks free. During Ul's pursuit of Mithreel, she gains unexpected allies along the way, learns to push beyond the limits of her abilities, but strangest of all, she finds a way out of her own prison. Upon returning to her home world, the realm of Xii, she discovers the Xiinisi are nowhere to be seen. As Ul struggles to restore her realm, she is forced to let go of what she thinks she knows about herself and embrace a part of her nature that will assure her place among her kind once and for all. Join Ul as she pursues a demon and learns she can't escape the call of her true nature, and undergoes her most authentic transformation of all.

This anthology gives a voice to prisoners and their family members. 'The voices, male and female, are sorrowful and bleak. I learnt more about contemporary prison experience than I have from any recent media report.' - *The Age*

Lightning struck close by; it was raining, windy, and cold. Whisper reached urgently for a nearby boulder to catch her balance. The labor of her reckless escape had taken an incredible toll on her already weary and battered frame. Whisper's vision had become so blurred that she could barely tell where the sky ended and the ground began. Fatigue was sweeping throughout her entire body and threatening to overwhelm her. She reminded herself that she was too angry to die, that she still had too much to do before Death could drag her to whatever afterlife awaited her. A Valor Infinity the Role-Playing Game Spotlight Book, this short is a supplement storyline to the Masarai character race. Struggling to uphold the vows of her commission in the Royal Hunter Regiment, Whisper, a Masarai Hunter, leads a team of three hunters on a mission to quell the demon uprising that is systematically hunting her people towards extinction.

Transcending the Ego

Prisoner Reentry and Social Capital

A Whisper's Tale

'If you do the crime you gotta do the time.' This adage reflects the overall attitude most Americans have about crime and the criminal justice system. Implicit in this adage is the notion that once 'the time' is done, the individual is free to re-enter society and resume a normal life. In Prisoner Re-entry and Social Capital, authors Earl Smith and Angela J. Hattery challenge this myth. Prisoner Re-entry and Social Capital takes as its starting point interviews with twenty-five men and women during the summer of 2008 about their experiences with re-entering the 'free world' after a

period of incarceration. By analyzing the experiences of these men and women, Smith and Hattery look in depth at the factors that inhibit successful re-entry and illustrate some successes and failures. The book examines individual characteristics that inhibit successful re-entry such as addiction and sex offender status as well as the unique challenges faced by women. Uniquely, Smith and Hattery focus on the role that social capital plays as one of the most important factors that shapes the re-entry experience. Today, one of the most pressing issues facing scholars, those who work in the criminal justice system, and the citizenry as a whole is the extraordinarily high rate of recidivism. These interviews and analyses provide a deeper and more precise understanding of the biases faced by re-entry felons in the labor market and work to address the key barriers to re-entry in hopes to aid in their elimination.

This unique book explores criminalized identities and the idea of 'viscous culture' to provide new understandings of crime, punishment and justice. It shows that viscous culture encourages some of us to become outlaws, monsters or shapeshifters who challenge systems of domination and forces of control. *Crime, Prisons and Viscous Culture* interweaves analyses of popular culture with extensive empirical research to explore both the glamorous and grotesque nature of crime, control and containment. Through encounters with numerous popular and mythological archetypes the book explores the boundaries of the criminological discipline. Criminology itself is

presented as fragmented, distorted and fascinating, and the important transdisciplinary potential of criminology is highlighted. In doing so, this book will be of great interest to scholars of criminology, cultural studies, popular culture and sociological theory.

Prisoner of the Mind - Spiritual Self-Improvement

Personal Development We have the largest prison

population in the world in America today, but how many men and women were locked up in their minds before

they got to prison? Prisoner of the Mind by Jeff Hairston

is much more than a self improvement book- it's a

personal development tool that can help you overcome your fears and FINALLY live your life as God intended.

"Prisoner of the Mind" by Jeff Hairston is a thought

provoking book aimed at helping you find a spiritual balance in life and to break free of the prison of negative

thoughts and emotions that your mind has created over the years. Jeff artfully guides you through the many

aspects of life that plague our minds today intertwining important lessons with examples from his own life story.

Fear is one of the most important emotions when

experienced in the right way. It can help us in life

threatening situations by keeping our mind on high alert.

but what happens when fear comes into contact with the ego? That very same fear that is there to save you can also stop you from living a normal, healthy life -and in some cases even kill you! It's all about using the fear to your advantage and being consistent and persistent against it. Many of the issues plaguing our mind are created by past life events that are left unresolved.

"Prisoner of the Mind" asks the important spiritual questions and expertly tackles negative personal issues to help you better understand and overcome the prison that your own mind had created. Break free from the personal prison that your own mind created - order your copy of "Prisoner of the Mind" by Jeff Hairston today!

Written by philanthropist James Neild, this 1812 publication exposes the harsh conditions of debtors' prisons and advocates penal reform.

The Prisoner's Wife is a political thriller ripped from today's headlines –a tense trip through the murky worlds of state– sponsored terrorism, nuclear politics, secret American jails and lawless rendition. Shawn Maguire, unemployed American spy, has been paid to find a young Iranian now being interrogated in one of the CIA's black prisons. The prisoner may be in Fes, in Cairo or in Peshawar, but Shawn has every confidence that he'll find his man. Based on his time as an agent, it's an assignment he knows he can handle. But he's not so sure he can handle... the prisoner's wife. Gerard Macdonald's The Prisoner's Wife takes a pulse-pounding look at the political intrigue in the Middle-East.

You've broken the law, been sentenced, and now find yourself in jail. You could be in for a hard life. But all is not lost. In Deen-ul-Sujanaa', author Shaykh Ali Jai Al-Zakar, a prison chaplain, offers a straightforward Islamic guidebook to help you move away from your past life of wrongdoing and instead submit yourself to Allah and change your life for good. Especially focusing on people struggling with incarceration and addictive behaviors, Ali Jai relies on the wisdom of the Qur'an to promote individual recovery and to help free you from your own self-made prisons through nineteen steps. Deen-ul-Sujanaa' gives a crash course for any detainee, inmate, or prisoner who is seeking solace and resolve, peace, and comfort while awaiting trial, or while serving time. It communicates that the steps to true freedom are not dependent upon probation or parole for the serving of time, but they are realized in complete submission and unification with God.

While in prison for a life sentence for shooting and killing his pregnant wife, Jim Townsend experienced a transformation due to God's love and forgiveness, which led to his early release from prison as a Capuchin Brother, who chose to go back to the prisons, this time to provide a ministry of healing and hope to thousands. Original.

It's an account of life as a British prisoner of war during the War of 1812, and it's also a mystery. Prisoner of the British was originally released in 1816 as A Journal of a Young Man of Massachusetts, Late a Surgeon on Board an American Privateer, Who Was Captured at Sea by the British. As such it is an immensely readable, if eye-opening, account of the author's experiences as a British prisoner of war during the War of 1812. At first he was held at Melville Island, Halifax, then in a prison ship at Chatham, England, and last in the infamous Dartmoor Prison. His descriptions and observations of the characters and characteristics of three nations are truly remarkable-as is his detailed descriptions of the massacre of American prisoners at Dartmoor on April 6, 1815. But there is a mystery surrounding this book as well-a mystery that is debated to this day. Who wrote it? Benjamin Waterhouse, the

pioneering American physician, is credited with authorship, but he would have been 59 years old when the story transpired, and there is no record of his ever having served in the military. Modern scholars now suspect a 21 year old seaman from Massachusetts by the name of Henry Torey, but no one knows for sure. Whoever wrote it, it's a must read for anyone who wishes to genuinely understand the War of 1812.

All the Teacher's Prisoners

This whole book takes you into a depth of thinking where you realize the mystery, the thrill and the magic - at the same time you are exposed to a unique truth that allows a person to commit suicide and live a cursed life. If we or anyone else is still living in the misconception that instead of facing the fight with life and its challenges, committing suicide gives freedom; When all our problems go away, I feel free to claim that our arguments are completely wrong; The reality is that by committing suicide neither we get freedom nor our problems are overcome - we are punished for this gross crime - a cursed life which is thousands of times worse than that life and full of torture Due to which we commit extreme crime like suicide to get rid of. We have to be aware of the fact that the door of entry into the kingdom of God is closed for us till we are born, till we live our lives fully; Then think wholeheartedly - Where does a person who lives half-dead live after committing suicide? How is the world around him? What does and

what eats? What is the punishment for this felony and who is the one who has the right to punish this felony? 5 The answer to these illogical reasoning questions is clearly explained in this book on the basis of imaginativeness. Every parent has the same dream that their child should be long; Stand up on your feet, read and write; Walk step by step with the world and do something big in life so that the whole world will know and recognize them by their names. How much a mother and father do for their children; But if they expect something from him in return, then only when their eyes become weak; If there is no strength in their arms and knees, then their children will become the support of their old age - then think - what will pass on the heart of the parents of those who commit suicide - thinking that my hands trembled

Jails, jails everywhere and counting! We are all in some jail. The challenge of imprisonment goes beyond physical incarceration and is well into the spiritual realm. These problems are real and brutal, and pose serious social and health issues to the inmates, prison personnel and the entire society. Find out the challenges you will face and be prepared before hand. This helpful insight into prison situations, sorcery, same sex issues and bereavement highlights some of the challenges of the fruits of unfaithfulness and the available divine provisions to enable an individual sustain a proper attitude and find liberty when engaging with any of these difficulties. The author, Rubby Obula is a five-year veteran of a medium scale adult correctional facility. He holds a bachelors degree in Statistics and an MBA in Marketing, and reaches out in the worldwide web on www.christsimple.com. "Witchcraft in your neighborhood" another title from this author is an important background to this book. Prisons in Ancient Mesopotamia explores the earliest historical evidence related to imprisonment in the history of the world. While many historical investigations into prisons have revolved around the important question of punishment, this work moves beyond that more narrow approach to consider the multifunctional practices of detaining the body in ancient Iraq. It is the contention of this book that

imprisonment arose out of the desire to control and detain the body in relation to labor. The practice of detainment for coercion became adaptable to a variety of circumstances and goals, which shaped the contexts and practices of imprisonment. With time, religious ideology was attached to imprisonment. In one literary text, a prisoner was refined like silver and given new birth in the prison. The misery of imprisonment gave rise to lament through which a criminal could be ritually purified and restored to a right relationship with their personal god. Beyond this literary perspective, this work reconstructs how imprisonment and religious ideology intersected with the judicial process and explores the evidence related to the reasons behind imprisonment, the treatment of prisoners, and the evidence related to the lengths of their stays.

Prisoner's Friend

The far north coast of Scotland. Spring 1745. It begins with a murder. But is it a murder when someone is forced to kill his brother, so that he might save his own life? The guilty man is a nobody, a poor fisherman. The person who arrogantly and unthinkingly makes him commit this terrible act, simply to see how he behaved, is the richest man in Scotland, the Earl of Dunbeath. Dunbeath invents his game of life the Prisoner's Dilemma. He invites his old friend, David Hume, to Caithness to play the new game with him. But into their planned discussions blow two survivors from a shipwreck - the beautiful and brilliant Sophie Kant and the calm, charismatic captain,

Alexis Zweig. What follows is a claustrophobic and fast-moving game of cat and mouse, as the characters drive relentlessly towards their destinies in life and death, love and betrayal and the passion they each have to achieve their different ambitions. Under the game-playing, the deceits and feints, the science and the philosophy, is a simple tale of three utterly determined and ruthless men struggling to the death to succeed in the race for an extraordinary woman. Which of them will win? How? And why?

Virendra V. Vaishnav is jailed in Lajpore Central Prison, Surat, Gujarat in India from November 2010 in connection with an alleged crime of murder, charged under Section 302 of the Indian Penal Code. He has been waiting for seven years for the court trial to end. He is devoting his time to the other prisoners and guards. His deep religious faith enables him to remain strong and survive his incarceration, and he uses faith to help those around him. *Prison Prisoners Pain & I* is a fascinating yet disturbing insight into the mind of a prisoner who can see no end to the relentless mental torture of his prison sentence.

First published in 1951, this is a supernatural fantasy/horror novel involving a magic mirror with the power to make the dreams of men real, and delivered to the world by a strange devil-god.

Battle field and prison pen, or Through the war, and thrice a prisoner in rebel dungeons. A graphic recital of personal experiences throughout the whole period of the late War for the Union--during which the author was actively engaged in 25 Battles and Skirmishes, wa three times taken prisoner of war, and incarcerated in the notorious rebel dungeons, Libby, Andersonville, Savanah, and others. An inside view of those dens of death, atocities practiced, etc., etc.; in fact, a recital of possibly as varied and thrilling experiences as were known during all the wild vicisitudes of that terrible four years of internicine strife.

Nothing seemed to happen on December 21st, 2012, when the Mayan calendar heralded the end of the world. At least until the portals showed up on the evening news. With the demons invading the Pacific Northwest, a new agency was tasked to policing them. When Agent Hank Gorning started investigating the death of one of these demons, the case quickly seemed to be unsolvable. As all his leads turned into nothing, he took a tip from the strangest place. He wasn't expecting that tip to lead him to stumble upon a conspiracy to rid the world of all demons. But when you play with demons, you're likely to get burned.

Musings of a Dignified Prisoner is a collection of the authors' (a former correctional inmate) deepest ponderings of our Creator. Forced into isolation (jail within a jail) due to God-

orchestrated circumstances, he was left alone with God, the Bible, and his own thoughts. For twenty-three hours and only one hour out of his cell for forty-five days, the author faced one major question: "Why?" He was serving the Lord doing things right and suddenly falsely accused which led him to be thrown in the "hole." The author has known many miracles and seen God work but faced by this large turn of events brings to you Musings of a Dignified Prisoner. The author's hope is that you will be exalted by the hand of God by reading this humbling experience shared. Also included is a forty-day-and-forty-night devotional to help you ponder your way into the arms of Christ.
