The title for my novel

The Yes Men
(Doctor Who)

is taken from a
scripture verse out of
the book of
Revelation. The
connection is made by
relating that verse to
Jeffery Lucas, the
main character in The
Pretender Lamb. Prior
to meeting Jessica
Thompson, Jeffery
spends most of his
early life only

Madison, Wisconsin.
A misunderstanding
during the single night
they stayed on the

Jeffery tells of how he was raised in a small Iowa town and learned at an early age to fend for himself.

Jessica tells of how fate had found her still single at thirty, but with a satisfied mind.

The Pretender Lamb is a love story bursting at the seams with twists and turns. Its
