Thick clusters of vivid blue flowers, which resemble old-fashioned sunbonnets, cover the Texas hills in the springtime every year. These lovely wild flowers, known by the name of bluebonnet, are the state flower of Texas. This favorite legend based on Comanche Indian lore, tells the story of how the bluebonnet came to be. Tomie dePaola's powerful retelling and his magnificent full-color paintings perfectly capture the Comanche People, the Texas hills, and the spirit of She-Who-Is-Alone, a little girl who made a sacrifice to save her tribe.

The Earth Under Sky Bear's Feet

"Should appeal to all rugged individualists who dream of escape to the forest."—The New York Times Book Review Sam Gibley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

After Possum and Buzzard fail in their attempts to steal a piece of the sun, Grandmother Spider succeeds in bringing light to the animals on her side of the world.

This lavishly illustrated and comprehensive volume is the first devoted entirely to the subject of Irish furniture and woodwork. It provides a detailed survey—encompassing everything from medieval choir stalls to magnificent drawing-room suites for the great houses—from earliest times to the end of the eighteenth century. The first part of the book presents a chronological history, illustrated with superb examples of Irish furniture and interior carving. In a lively text, the Knight of Glin and James Peill consider a broad range of topics, including a discussion of the influence of Irish craftsmen in the colonies of America. The second part of the book is a fascinating pictorial catalogue of different types of surviving furniture, including chairs, stools, baroque sideboards, elegant tea and games tables, bookcases, and mirrors. The book also features an index of Irish furniture-makers and craftsmen of the eighteenth century, compiled from Dublin newspaper advertisements and other contemporary sources.

Cherokee Stories for Children

In Just a Walk, a young boy named Chuck goes for a simple walk that turns into a day of crazy adventure. Chuck encounters animals, fish and birds that lead him on a wild journey through their various habitats.

First Fire is an ageless Cherokee myth about the revered water spider in their culture. The story happens in a time when animals could do many of the things that people do. The Creator gave the animals the world to live on, but they were without a source for heat at night. Great Thunder and his sons saw the plight of the animals so he sent lightning down to strike a tree. The tree burst into flames but the tree was on an island. Many animals tried to bring the fire over the water to the shore, but they were all unsuccessful. One small creature, the Water Spider, then volunteered. Curious, the animals said to her "IWe know you could get there safely, but how would you bring the fire back without getting burned?" Water Spider was successful and to this day, the water spider is revered in Cherokee culture.

This volume presents over 200 selected original artworks from the collection of Betsy Beinecke Shirley, one of the great collectors of American children's literature. Shirley gathered an authoritative collection of books, original illustrations, manuscripts, as well as drawings and paintings from such children's classics as "Treasure Island" and "Eloise." The artwork in Shirley's collection guides the reader on a tour through the stages of childhood reading, this volume begins with ABC's and nursery books. It continues through adventure stories, magazines, and more, then concludes with a miscellany section of odds and ends. The images demonstrate how children's books evolved, from the nation's first days of independence to modern times. Artists whose works are represented include many of the favorites, among them Ludwig Bemelmans, Maurice Sendak, A.B. Frost, Wanda Gag, Peter Newell, N.C. Wyeth, Tony Sarg, Robert Lawson, and Johnny Gruelle.

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

One of the most terrifying creatures to be found in traditional Inuit stories is the nanurluk, a massive bear the size of an iceberg that lives under the sea ice. Its monstrous size and ice-covered fur make it an almost impenetrable foe. But when a lone hunter spots the breathing hole of the nanurluk on the sea ice near his iglu, he quickly uses his quick thinking and excellent hunting skills to hatch a plan to outsmart the deadly bear. Jose Angutingunrik, a gifted storyteller and respected elder from Kugaaruk, Nunavut, brings to life a story of the great nanurluk that has been told in the Kugaaruk region for generations.

Kids will delight in this witty story of mistaken identity from acclaimed author-illustrator Petr Horáček. Peter and Paul are puffins and the best of friends. But one day Peter gets lost in a terrible storm, and Paul is nowhere to be found. With the help of a big blue whale, Peter sets out, determined to find his pal. What the pair discovers is that many other birds match the description Peter gives of Paul, but none are quite like his friend. With gorgeous collage artwork and a lighthearted touch, this fun read-aloud tale will both amuse and enlighten.

The Creator gave the Cherokee people a beautiful island with everything they could ever need. It came with only one rule: They must take care of the land and the animals living there. But what happens when the children decide to play with the turtles instead of tending to their responsibilities? The Land of the Great Turtles is a Cherokee origin story that introduces the reader to Cherokee beliefs and values. Written in both Cherokee and English, the book will familiarize readers with the Cherokee syllabary and language.

Grandma finds a way to dispel her grandchild's fear of thunderstorms.

How the World Was Made is a traditional Cherokee creation story. It takes place during a time when animals did many of the things that people can do. When the earth was young, the animals lived on a rock above it, and the earth was covered with water. The animals needed more room, but where could they find it? This book retells the delightful Cherokee tale of how the earth was created, while teaching the valuable lesson that even the smallest creature can make a big difference. Written in both Cherokee and English so readers can become acquainted with the Cherokee syllabary and language.
