

## The Four Horsemen: Bound (The Four Horsemen Series Book 2)

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

The Hebrew-Christian religion remains the most potent verifiably truthful religion on the planet. It suffers horrendously from murderous oppression in the Middle East, its homeland; and was crushed-flat by the largest political State the world has ever known (Soviet Russia); and it endures heavy disheatterment by flawed innuendo and secularisation throughout Europe. Despite these massive attacks from mistaken religion, hard-line atheists, and dont know-cant be bothered groups yet it remains. And more than this: It remains, philosophically, socially, prophetically, and scientifically the largest, most credible and consistent belief-system on the planet. Its not by accident that non-violent Christianity (believing in the non-violent Ten Commandments and the beautiful spirit of them in the Beatitudes), can survive such intense mentalphysical violent persecution and still remain so vibrant. True Christians know: The only reason it is so, is because the holy Messiah God of Israel is the only true God. He rules over all the kingdoms of men, but its only the kingdom of Christianity which knows this. He loves all humans (but not their thoughtsactions). However only Christians recognise this and sincerely give thanks that He is their God, their prophet, priest and king. He prophesied that enormous ungodliness would come against His church, and followers but these gates of hell would not overcome it, and so it is now, as we head towards Armageddon and the end of the human age. This book explains His prophecies, and associated key milestone calculations. This is one of many ways, witnessing that He is the genuine-unique-article, just as the Hebrew-Christian Bible says. The purpose of our existence is to have a loving relationship with Him. When humans choose to reject Him it causes us to create corrupt and false gods. Without realising it, many religious people worship corrupt gods, and atheism worships its false no-God god. These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living-death. This grieves the Messiah God of Israel because He loves fruitful life. To encourage us and to verify who He is He leaves indicators throughout history, evidencing even now, in these days of the deeply sceptical cheating spirit that humans are without excuse, come the judgement. Lawrence D. Shawbrooks is now retired but continues to work as an Elder in the Church oversight.

Riders. A new fantasy adventure from New York Times and USA Today bestselling author Veronica Rossi. For eighteen-year-old Gideon Blake, nothing but death can keep him from achieving his goal of becoming a U.S. Army Ranger. As it turns out, it does. Recovering from the accident that most definitely killed him, Gideon finds himself with strange new powers and a bizarre cuff he can't remove. His death has brought to life his real destiny. He has become War, one of the legendary four horsemen of the apocalypse. Over the coming weeks, he and the other horsemen--Conquest, Famine, and Death--are brought together by a beautiful but frustratingly secretive girl to help save humanity from an ancient evil on the emergence. They fail. Now--bound, bloodied, and drugged--Gideon is interrogated by the authorities about his role in a battle that has become an international incident. If he stands any chance of saving his friends and the girl he's fallen for--not to mention all of humankind--he needs to convince the skeptical government officials the world is in imminent danger. But will anyone believe him? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in The Language of Heaven as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

**From the Brink of the Apocalypse**

"By the author of the award-winning To Be a Machine, a deeply considered look at the people and places in confrontation with the end of our days. We're alive in a time of worst-case scenarios: The weather has gone uncanny, volatile. Our old post-war alliances are crumbling. Everywhere you look there's an omen, a joke whose punchline is the end of the world. How are we to live in the shadow of such a grim future? What does the world hold for our children? What might it be like to live through the worst? And what is anybody doing about it? Dub based writer Mark O'Connell ("wryly humorous, cogently insightful"--NPR) is possessed by these questions. In Notes from an Apocalypse, he crosses the globe in pursuit of answers. He tours survival bunkers in South Dakota. He ventures to New Zealand, a favored retreat of billionaires banking on civilization's collapse. And he bears witness to those places where the future has already arrived--real-life portraits of the end of the world as we know it. In doing so, he offers us a unique window into our apocalyptic imagination. Part tour, part pilgrimage.

Notes from an Apocalypse is an affecting and hopeful meditation on our alarming present tense. With insight, humanity, and wit, O'Connell leaves you to wonder: What if the end of the world isn't the end of the world?""-

She knows her husband will come for her...but will he be in time? After years of living in a troubled marriage, Alexis Marron reveals her deepest desires to her husband, Pierce. As they explore the world of domination and submission, a fire explodes between them, and their decaying marriage is reborn--until an old lover returns to claim what he feels has always been his. Alexis has to keep her family safe, even if that means submitting to the monster in the shadows. She must learn to bend without breaking and trust that her husband will move heaven and earth to bring her back to the safety of his arms. Pierce must keep his family together until they can safely rescue his wife—but at what cost? Bound in Love is a full-length standalone novel with cartel members and dark as well as adult content. Please read at your own discretion as some may find the material offensive.

She's got a magical hand cannon and is carrying God's sword. That makes her tough to beat, but when the devil himself sends the four horsemen of the actual impending apocalypse after her ... .. let's just say all bets are off. With a demon at her side, who she's not crazy enough to trust, Anastasia is going after the missing armour of God. It would be an easier task if anyone on Earth knew where the angels hid it. She'll recruit help, but can she get to the armour before the horsemen get to her? Be ready for a wild-assed ride!

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Tiberius Bound

Fans of Sarah J. Maas will love this story about when one of the four horseman comes to spread the plague, a young woman risks her life to save her town from him, only to fall in love with him.

An epic adventure that marks legendary artist Simon Bisley's triumphant return to interior comics work! The End of Days is here, and four lost souls must climb from the depths of Hell itself to stand against the monstrous Four Horsemen of the Apocalypse - for the sake of humanity!

Poli's Theatre, Washington, D.C., presenting Shubert attractions. S.Z. Poli, proprietor, C.J. Harris, manager. Metro Pictures Corporation presents "The Four Horsemen of the Apocalypse," adapted by June Mathis from the epochal novel by Vicente Blasco Ibanez, a Rex Ingram production.

In this novel in Jim Butcher's #1 New York Times bestselling series, an old debt puts Chicago wizard Harry Dresden in harms way... Harry's life finally seems to be calming down. The White Council's war with the vampiric Red Court is easing up, no one's tried to kill him lately, and his eager apprentice is starting to learn real magic. For once, the future looks fairly bright. But the past casts one hell of a long shadow. Mab, monarch of the Sidhe Winter Court, calls in an old favor from Harry. Just one small favor he can't refuse...one that will trap Harry Dresden between a nightmarish foe and an equally deadly ally, and one that will strain his skills—and loyalties—to their very limits. And everything was going so well for once...

Revelation (Brazos Theological Commentary on the Bible)

The Book of Signs

The Restoration

*If you knew sudden destruction would fall upon the earth in the next twenty-four hours, how would you spend your last moments? Join New York Times bestselling author John Hagee as he uses Scripture as a guide to count down the prophetic minutes through the events which must occur before every individual faces God on Judgment Day. Charting international news events, including recent peace agreements in the Middle East, Hagee synchronizes these headlines with the biblical timeline for the last days, producing a compelling argument that life on Earth is about to expire. What else must take place before the arrival of Judgment Day? This very timely message discusses: The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title From Daniel to Doomsday, this is quintessential Hagee on Bible prophecy and End-Times teaching. This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about the end times--and how to recognize that they are approaching. Mark it down: The End of the Age is approaching, but it won't be ushered in by space aliens or catastrophic asteroids. Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day.*

*Death and War, two of the feared Horsemen, are sent to stop a group of renegades from locating a hoard of weapons possessing ultimate power and malice and unleashing total destruction.*

*Apollo and Amaya Shelly are twins, living deep in the forest of Stockwood Washington and away from civilization. Raised by their father and under the protection of their leader, Maximiliano, Apollo and Amaya live what they consider a normal life with the Sanguis clan. Three days before their 18th birthday, the twins discover that their -normal- existence is anything but normal: their father and the Sanguis clan are vampires. Worse yet, they learn that an agreement was made that would predestine them to become vampires on their special day. In a chilling race against time, the twins uncover a secret that could destroy their lineage and alter their existence. Whether past or present, family or clan, the line between good and evil can easily blur. . . . Especially when they are bound to darkness*

*In 2007, Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett filmed a landmark discussion about modern atheism. The video went viral. Now in print for the first time, the transcript of their conversation is illuminated by new essays from three of the original participants and an introduction by Stephen Fry. At the dawn of the new atheist movement, the thinkers who became known as “the four horsemen,” the heralds of religion's unraveling--Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett--sat down together over cocktails. What followed was a rigorous, pathbreaking, and enthralling exchange, which has been viewed millions of times since it was first posted on YouTube. This is intellectual inquiry at its best: exhilarating, funny, and unpredictable, sincere and probing, reminding us just how varied and colorful the threads of modern atheism are. Here is the transcript of that conversation, in print for the first time, augmented by material from the living participants: Dawkins, Harris, and Dennett. These new essays, introduced by Stephen Fry, mark the evolution of their thinking and highlight particularly resonant aspects of this epic exchange. Each man contends with the most fundamental questions of human existence while challenging the others to articulate their own stance on God and religion, cultural criticism, spirituality, debate with people of faith, and the components of a truly ethical life. Praise for The Four Horsemen “This bracing exchange of ideas crackles with energy. It’s fascinating to watch four first-class minds explore a rugged intellectual terrain. . . . The text affords a different, more reflective way of processing the truly vital exchange of ideas. . . . I commend the book to those seeking an honest reckoning with their religion--and those curious about how the world looks from a rigorously naturalistic and atheistic point of view.”--Pittsburgh Post-Gazette “The full, electrifying transcript of the one and only conversation between the quartet of luminaries dubbed the ‘four horsemen’ of the New Atheism, which took place in Washington, D.C., in 2007. Among the vast range of ideas and questions they discuss: Is it ever possible to win a war of ideas? Is spirituality the preserve of the religious? And, are there any truths you would rather not know?”--The Bookseller (UK) (starred review)*

*Pestilence (The Four Horsemen Book #1)*

*More romance. More adventure. More dinosaurs. More dad jokes. The third and (thankfully) final part of the Pride and Perpetration trilogy brings back Elizabeth and Fitzwilliam Darcy in a whole new adventure in a whole new land. Dragged into a centuries old conflict in the Mediterranean, our heroes must use their wits, their skills and a fair amount of dumb luck to get back to England, probably rowing the whole way there. Will magic rise once again to plunge the world into a new dark age? Will Admiral Georgiana Darcy and the young Captain Emma Woodhouse be able to come to their rescue? Will a herd of very large dinosaurs ruin everyone's plans?*

*Raised by the ancient Order of Solomon, Adam Cahill is one of the rare handful of highly trained warriors bound to bloodline to guard the Seven Holy Seals that contain the End of Days. But ageless forces have conspired towards a prophetic event foretold by numerous cultures and multiple religionsÉ and when that cryptic date arrives, they strike against the order without mercy! The entire saga is collected at last, with all-new bonus features, including covers, posters, and concept art by the Eisner Award-winning master of painted horror himself! Ð the BIZ!*

*This commentary, like each in the Brazos Theological Commentary on the Bible, is designed to serve the church--providing a rich resource for preachers, teachers, students, and study groups--and demonstrate the continuing intellectual and practical viability of theological interpretation of Scripture. In this addition to the series, Joseph Mangina offers a constructive ecclesiology for the role and mission of the church in the twenty-first century formed by a close examination of Revelation.*

*In an effort to regain his Prince of Hell title, Lucifer recruits four demons to masquerade as the Four Horsemen of the Apocalypse.Archangel Michael, Angel Warriors Mihdael and Liftheon, and Angel Aleilah form the Heavenly Task Force sent to stop the Fake Four. Bound by their human forms, the Angels try to survive long enough on Earth to destroy the phony Horsemen, and defeat the powerful, unholy leader of the Old Ones, who has taken on the mantle of the Horseman of Death.Join the Heavenly Task Force as they pursue the Fake Four from Texas, to Kansas, to Kentucky as the embark on the DEMON HUNT!*

**From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. “The end times.” “The apocalypse.” “The day of judgment.” These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, The Book of Signs is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God’s promises for the future with a renewed sense of hope and purpose.**

BoundPestilence (The Four Horsemen Book #1)

Welcome to the 3 Books To Know series, our idea is to help readers learn about fascinating topics through three essential and relevant books. These carefully selected works can be fiction, non-fiction, historical documents or even biographies. We will always select for you three great works to instigate your mind, this time the topic is: King Arthur. Le Morte D'Arthur By Thomas Malory Idylls of the King by Lord Tennyson A Connecticut Yankee In King Arthur's Court by Mark Twain Le Morte d'Arthur (The Death of Arthur) is a reworking by Sir Thomas Malory of existing tales about the legendary King Arthur, Guinevere, Lancelot, Merlin, and the Knights of the Round Table. Malory interpreted existing French and English stories about these figures and added original material. Le Morte d'Arthur was first published in 1485 by William Caxton and is today one of the best-known works of Arthurian literature in English. Idylls of the King, published between 1859 and 1885, is a cycle of twelve narrative poems by the English poet Alfred, Lord Tennyson (1809–1892; Poet Laureate from 1850) which retells the legend of King Arthur, his knights, his love for Guinevere and her tragic betrayal of him, and the rise and fall of Arthur's kingdom. The whole work recounts Arthur's attempt and failure to lift up mankind and create a perfect kingdom, from his coming to power to his death at the hands of the traitor

Mordred. A Connecticut Yankee in King Arthur's Court is an 1889 novel by American humorist and writer Mark Twain. The book was originally titled A Yankee in King Arthur's Court. Some early editions are titled A Yankee at the Court of King Arthur. In the book, a Yankee engineer from Connecticut named Hank Morgan receives a severe blow to the head and is somehow transported in time and space to England during the reign of King Arthur. This is one of many books in the series 3 Books To Know. If you liked this book, look for the other titles in the series, we are sure you will like some of the topics

The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation. He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound. The scriptures pertaining to the first three and a half years of seven-week years of Daniel is so full of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand. Consequently, the same vision of John's revelation are written plainly and simple, rolling up all of Daniel's entities into two basic ones. One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast. Secondly, the beast out of the land is the false prophet sent for the destruction of Israel. The scarlet woman is Jerusalem or Babylon. That is pretty much it made simple so any one reading should comprehend the book. Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book. As well, those who miss the catching away of the bride of Christ will need the information written in God's word. Not much mention of this by modern ministers. You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul! Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the "everlasting gospel" Jesus teaches in Mathew 25:31""46. Evidently with so many failures of souls saved during the first half, God sends an angel close to the first half ending of tribulation to announce the everlasting gospel. Many people have hoarded food and other supplies but are only concerned with themselves. It must have been that many people were unaware of this sheep and goat judgment in force. Those who will not share with folks in need are goats and will be cast out of the kingdom. You survived the 666 mark and the beast worship but failed to share! God help you!

As the second horsemen brings war and destruction, he meets a young woman who he believes is destined to be his wife, but unfortunately for him she does everything she can to sabotage his plans.

Rage

The Battle for Anastasia Aaronson

31 Undeniable Prophecies of the Apocalypse

The Mysterious Numerical Bible Code and Other Revelations

Bound to Darkness

The Four Horsemen of the Acropolis

**When Tess and Eliot stumble upon an ancient book hidden in a secret tunnel beneath the school library, they accidentally release a devil from his book-bound prison, and he'll stop at nothing to stay free. He'll manipulate all the ink in the library books to do his bidding, he'll murder in the stacks, and he'll bleed into every inch of Tess's life until his freedom is permanent. Forced to work together, Tess and Eliot have to find a way to re-trap the devil before he kills everyone they know and love, including, increasingly, each other. And compared to what the devil has in store for them, school stress suddenly doesn't seem so bad after all.**

**For Pestilence, the White Horseman, love becomes the most powerful cure. Having lost his wife and child during the Black Death, Pestilence accepts the fate destiny has given him as one of the Four Horsemen of the Apocalypse. For centuries, Pestilence did his job, spreading plagues and disease around the world. He does it to keep the balance between good and evil, yet he hates every minute of it. He longs to be left alone, but suddenly fate seems to have a different plan for him. When Bart Winston stumbles into an Amazon clearing, he's terribly ill and sure he's going to die. A tall white-haired man with unusual black eyes catches him in his arms and Bart's life takes a turn into the unbelievable. Blaming the whole situation on his illness might have worked, but as he gets better and learns about the strange man who heals him, Bart must accept there are more things in the world than he ever guessed. Pestilence and Bart heal each other, and begin to wonder if there can be a future for the White Horseman and the mortal he's fallen in love with.**

**Praise for the first edition: "Aberth wears his very considerable and up-to-date scholarship lightly and his study of a series of complex and somber calamites is made remarkably vivid." -- Barrie Dobson, Honorary Professor of History, University of York The later Middle Ages was a period of unparalleled chaos and misery -in the form of war, famine, plague, and death. At times it must have seemed like the end of the world was truly at hand. And yet, as John Aberth reveals in this lively work, late medieval Europeans' cultural assumptions uniquely equipped them to face up postively to the huge problems that they faced. Relying on rich literary, historical and material sources, the book brings this period and its beliefs and attitudes vividly to life. Taking his themes from the Four Horsemen of the Apocalypse, John Aberth describes how the lives of ordinary people were transformed by a series of crises, including the Great Famine, the Black Death and the Hundred Years War. Yet he also shows how prayers, chronicles, poetry, and especially commemorative art reveal an optimistic people, whose belief in the apocalypse somehow gave them the ability to transcend the woes they faced on this earth. This second edition is brought fully up to date with recent scholarship, and the scope of the book is broadened to include many more examples from mainland Europe. The new edition features fully revised sections on famine, war, and plague, as well as a new epitaph. The book draws some bold new conclusions and raises important questions, which will be fascinating reading for all students and general readers with an interest in medieval history.**

**Jackie Morse Kessler's Riders of the Apocalypse series follows teens who are transformed into the Four Horsemen of the Apocalypse. In the second book of the series, Rage, a teenage cutter becomes War, one of the Riders of the Apocalypse. Missy didn't mean to cut so deep. But after the party where she was humiliated in front of practically everyone in school, who could blame her for wanting some comfort? Sure, most people don't find comfort in the touch of a razor blade, but Missy always was . . . different. That's why she was chosen to become one of the Four Horsemen of the Apocalypse: War. Now Missy wields a new kind of blade—a big, brutal sword that can cut down anyone and anything in her path. But it's with this weapon in her hand that Missy learns something that could help her triumph over her own pain: control. A unique approach to the topic of self-mutilation, Rage is the story of a young woman who discovers her own power and refuses to be defeated by the world. Rage includes a teaser chapter of the next book in the Riders of the Apocalypse series, Loss.**

**(Los Cuatro Jinetes Del Apocalipsis)**

Jackson Mathias More had a dream—a grand, vivid dream. Codenamed the Apocalypse, Mathias, along with four of his friends, dubbed the Four Horseman, gathered an army, went to war with a government he despised and brought about the Restoration in his country. These five spent years contriving the ingenuity, the strategy, the will . . . the guts to go through with the plan, and when all the pieces were in place, they began their incredible journey. Defying odds, facing sorrow-filled trials and tribulations, warring with a mighty enemy, and basking in the glory of victories, Mathias finds a strength of body and soul that can only be provided by God. Through his prayers and sufferings, Mathias brings the restoration of his faith to the people of his nation, separating the righteous from the wicked as he initiates a war to purge the enemy from the country. The war Jackson Mathias More foresaw in a dream came—he waged it.

They came to earth-Pestilence, War, Famine, Death-four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. The day Jerusalem falls, Miriam Elmahdy knows her life is over. Houses are burning, the streets run red with blood, and a traitorous army is massacring every last resident. There is no surviving this, especially not once Miriam catches the eye of War himself. But when the massive and terrifying horseman corners Miriam, he calls her his wife, and instead of killing her, he takes her back to his camp. Now Miriam faces a terrifying future, one where she watches her world burn town by town, and the one man responsible for it all is her seemingly indestructible "husband". But there's another side to him, one that's gentle and loving and dead set on winning her over, and she might not be strong enough to resist. However, if there's one thing Miriam has learned, it's that love and war cannot coexist. And so she must make the ultimate choice: surrender to War and watch humankind fall, or sacrifice everything and stop him.

Genetically engineered Daniel Henstock - codenamed Tiberius - dares to think that his life will return to normal.As far as he is concerned his enemy is dead, the shadowy organisation behind The Emperor Initiative is no longer searching for him and his relationship with Eleanor is blossoming. But on the evening of the High School Ball Daniel discovers that the peace and quiet he so desperately craves has been shattered.Gregory Dryden is killing off his enemies one by one and Daniel is next on the list.Once again Daniel must make life-changing decisions to not only save himself but also to protect those he cares for. However, Daniel discovers - too late - that real danger often lies much closer to home.TIBERIUS BOUND is the second instalment a thrilling new series - The Emperor Initiative - that has been described as "Alex Rider meets Jason Bourne."

The Four Horsemen and Vee's story continues in book four of this reverse harem urban fantasy series. The previous books must be read first.Assassins, ancient magic, and the mysterious Collector bring new challenges to the Horsemen. Can the five find the answers they need before it's too late?Three humans are dead, and the search is on for the surviving member from Vee's online group. If he's alive, Seth could hold the key to who's behind the attacks -- and why the group are targets.Thanks to their broken alliance with the fae, the Four Horseman and Vee must turn to others for help and are pulled deeper into the supernatural underworld. The danger the world faces is greater than they imagined and someone is determined the Horsemen will fail.The Four Horsemen will each do whatever it takes to protect Vee, but as Vee's relationship with the guys intensifies, so does her power. How powerful can she become and at what cost to the Four Horsemen's future?

War (The Four Horseman Book 2)

The End of the Age

The Four Horsemen of the Apocalypse

When owning, training, riding, and showing horses, there is a certain “ look ” to which one aspires. World-class “ turnout ” —a horse in peak condition, perfectly coiffed and luminous with health, outfitted with gleaming and well-fit tack appropriate for his sport—can take your breath away. And while it can certainly play a significant role in a competitive rider ’ s success, it is just as appealing to have any horse “ groomed to the nines, ” whether he ’ s headed for an afternoon lesson or just out on the trail. Achieving this superior look is not just about clean tack, shiny brass, spotless stockings, or perfect braids. The most important steps are in the day-to-day nitty-gritty of grooming and caring for the horse: noticing “ something not-quite-right ” about the way the horse looks or moves before it becomes “ something wrong ” ; brushing and combing and trimming a little every day so the horse ’ s skin and coat remain healthy; knowing how to prepare a horse properly for training, and how to cool him down afterward. Now, two of the best professional grooms in the business share their trade secrets, with over 1200 color photographs accompanying the ultimate modern-day guide for all riders who want their horses to look and feel their best.

Argues that social ills are bringing the world to the brink of destruction and that only repentance and religious faith can save humanity

Many say Tess is the fifth horseman of the apocalypse. The weapons she uses does not leave the pain of a bullet, bow, or sword; it leaves pain of a different kind. She leaves misery in the lives of her prey. In her arsenal she carries strife, discord, conflict, confusion, slander, and insults. She feasts on the chaos and disorder she causes. She thrives on the misfortune of others. How do you know Tess is about to do something wretched and wicked? It's when she gets "that" smile across her face like a big cat with a mouse under each paw. A man in her neighborhood made the statement, "Ole Tess is so bold slinging gossip you would think she received a paycheck from Satan himself!" Tess is a hunter of any information to condemn another. It's hard to believe she's in church every Sunday. She'll fight in the church parking lot. Her friends will fight over a \$3 chicken. Have you ever seen chicken bone wind chimes made by a witch? Tess has. Have you ever read a letter from Lucifer? Tess has. Have you ever been to a yard sale in hell? Tess has. Tess stays busy. She might be screaming at the preacher or spreading rumors about a deacon of the church. She spends hours on the phone repeating gossip and lies like a satanic secretary. Being Tess is hard work! Being Tess is exhausting!
