

The Invisible Library (The Invisible Library Series Book 1)

The Invisible Librarian: A Librarian’s Guide to Increasing Visibility and Impact provides insights into what many librarians are feeling, including questions such as “do they feel invisible?” and “How many times have they heard somebody say ‘but everything is on the Internet?’” If you are a librarian struggling to find the best strategy for the future of the profession in a rapidly changing information environment, this book is for you. People don’t realize that librarians make information available and not just by search engine. This book will make people think differently about librarians, making a case for their value and impact that is compelling, convincing, and credible. Given their versatility and knowledge, now is the time for librarians to become champions of the information age as they improve the visibility and impact of libraries to readers, to stakeholders, and in society. By the end of the book, librarians will have a Visibility Improvement Plan to guarantee future success. Provides strategies that librarians can use to raise their visibility Presents how successful librarians have made a positive impact Covers new techniques that measure current visibility amongst readers and key stakeholders Includes key guidance on how to implement a 10-step Visibility Improvement Plan

Since the beginning of time humans and animals have looked for ways to be less visible to opponents. From the art of camouflage to the science of stealth technology, ways have been developed to hide objects and people. Today, scientists are building an “invisibility cloak” that makes objects and people underneath it seem to disappear. Every great invention begins with a great idea! Read all the books in this series and learn about the history and impact of some of the most fascinating innovations and inventions of our time. Explore the idea’s early stages of development, problems encountered along the way, and how each great idea has influenced our lives. From popular culture and the environment to life-saving machines, learn about the ideas, people, and technologies that made it all happen. This series correlates with The Science, Technology, Engineering, and Math (S.T.E.M.) curriculum initiative.

Drake and the other Dragon Masters must help save a nest of baby Invisible Dragons in the latest action-packed instalment of this New York Times bestselling series! Pick a book. Grow a Reader! This series is part of Scholastic’s early chapter book line, Branches, aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! A nest of baby Invisible Dragons has been discovered in Aragon and the babies’ parents are nowhere to be found! The baby dragons need to eat the fruit from the magical Dragon Tree to keep their invisible powers. But the tree grows on the dangerous Dove Island... Drake, Worm, and Carlos’ cousin Val must travel there to find the baby dragons’ parents and the fruit before the baby dragons lose their powers forever! Also, one of the baby dragons forms a close bond with Val. Could Val be a Dragon Master? With engaging black-and-white artwork on every page, kids won’t be able to put down this action-packed adventure! Series information from author’s website.

Mission Omission

The Invisible Library

Exposing Invisible Lies and the Ace Up Evil’s Sleeve

The Invisible Boy

The Invisible Guardian

A professional spy for a mysterious Library which harvests fiction from different realities, Irene faces a series of assassination attempts that threaten to destroy her and everything she has worked for. Irene is teaching her new assistant the fundamentals of a Librarian’s job, and finding that training a young Fae is more difficult than she expected. But when they’re the targets of kidnapping and assassination attempts, she decides that learning by doing is the only option they have left ... In order to protect themselves, Irene and her friends must do what they do best: search for information to defeat the overwhelming threat they face and identify their unseen enemy. To do that, Irene will have to delve deeper into her own history than she ever has before, face an ancient foe, and uncover secrets that will change her life and the course of the Library forever.

In the latest novel in Genevieve Cogman’s historical fantasy series, the fate of worlds lies in the balance. When a dragon is murdered at a peace conference, time-travelling Librarian spy Irene must solve the case to keep the balance between order, chaos...and the Library. When Irene returns to London after a relatively straightforward book theft in Germany, Bradamant informs her that there is a top secret dragon-Fae peace conference in progress that the Library is mediating, and that the second-in-command dragon has been stabbed to death. Tasked with solving the case, Vale and Irene immediately go to 1890s Paris to start their investigation. Once they arrive, they find evidence suggesting that the murder victim might have uncovered proof of treachery by one or more Librarians. But to ensure the peace of the conference, some Librarians are being held as hostages in the dragon and Fae courts. To save the captives, including her parents, Irene must get to the bottom of this murder--but was it a dragon, a Fae, or even a Librarian who committed the crime?

When a dragon is murdered at a peace conference, time-traveling Librarian spy Irene must solve the case to keep the balance between order, chaos ... and the Library.

In the sixth novel in Genevieve Cogman’s historical fantasy Invisible Library series, Irene and Kai have to team up with an unlikely band of misfits to pull off an amazing art heist, or risk the wrath of a dangerous villain in his secret island lair. As Irene tries to manage a fraught Fae–dragon truce and her overbearing parents, she’s given a hot new mission. The world where she grew up is in danger and only one book can save it. This is held by Mr Nemo, secretive Fae villain and antique dealer, so Irene and Kai travel to his Caribbean retreat to strike a deal. But in return for the book, they must steal a painting from twenty-first-century Vienna. They’ll join a team of dragons, Fae gamblers and thieves, so their greatest challenge may be one another. And some will kill to protect this painting, which hides an extraordinary secret from a past age. The Secret Chapter by Genevieve Cogman is a bookish adventure where a Librarian spy must fall in with a nefarious group to achieve her goals. Imagine Ocean’s Eleven meets James Bond with a pinch of magic . . .

Juvenile History - - American

The Untold Story

A Librarian’s Guide to Increasing Visibility and Impact

The Time Machine, The Invisible Man, The War of the Worlds

A covert mission royal demandAnd a race against timeThe fourth title in Genevieve Cogman’s witty and wonderful The Invisible Library series, The Lost Plot is an action-packed literary adventure.In a 1920s-esque America, Prohibition is in force, fedoras, flapper dresses and tommy guns are in fashion, and intrigue is afoot. Intrepid Librarians Irene and Kai find themselves caught in the middle of a dragon vs dragon contest. It seems a young librarian has become tangled in this conflict, and if they can’t extricate him there could be serious political repercussions for the mysterious Library. And, as the balance of power across mighty factions hangs in the balance, this could even trigger war. Irene and Kai find themselves trapped in a race against time (and dragons) to procure a rare book. They’ll face gangsters, blackmail and fiendish security systems. And if this doesn’t end well, it could have dire consequences for Irene’s job. And, incidentally, for her life.

The year is 323 bce. King Alexander of Macedonia—Alexander the Great—lies paralyzed by poison in his palace in Babylon. He is thirty-two years old, had Aristotle as a mentor, and is the greatest military commander the world has ever seen. At the other end of the palace, Phyllis, a cook for Alexander’s army, sits locked in a room, arrested on suspicion of being the poisoner. All of her adult life she has lived in the field—and for a long period of time was Alexander’s lover. Who has poisoned the king? Phyllis is allowed to live as long as she writes down everything she knows about Alexander. She tells a brutal story of the violent daily life in the war, about the planning of the expansion into the Arabian Peninsula, about an invisible library containing marvelous manuscripts and discoveries, and about the passion between a cook and a king. With The Invisible Library, Thorvald Steen interweaves known and unknown, relying on facts until they run out, then building his story on what is probable, to tell the story of a little-known battle in the life of one of the most renowned figures in history. The result is an existential and inspired novel that goes to the heart of the human experience—how are we in war, in love, during the final days of life?

“a fun, bibliophilic adventure suitable for any bookshelf!” Irish Examiner Irene must be at the top of her game or she’ll be off the case - permanently. Irene is a professional spy for the mysterious Library, which harvests fiction from different realities. And along with her enigmatic assistant Kai, she’s posted to an alternative London. Their mission - to retrieve a dangerous book. But when they arrive, it’s already been stolen. London’s underground factions seem prepared to fight to the very death to find her book. Adding to the jeopardy, this world is chaos-infested - the laws of nature bent to allow supernatural creatures and unpredictable magic. Irene’s new assistant is also hiding secrets of his own. Sheen’s up to her eyebrows in a heady mix of danger, clues and secret societies. Yet failure is not an option - the nature of reality itself is at stake.

A gentle story that teaches how small acts of kindness can help children feel included and allow them to flourish, from esteemed author and speaker Trudy Ludwig and acclaimed illustrator Patrice Barton. A simple act of kindness can transform an invisible boy into a friend... Meet Brian, the invisible boy. Nobody in class ever seems to notice him or think to include him in their group, game, or birthday party ... until, that is, a new kid comes to class. When Justin, the new boy, arrives, Brian is the first to make him feel welcome. And when Brian and Justin team up to work on a class project together, Brian finds a way to shine. Any parent, teacher, or counselor looking for material that sensitively addresses the needs of quieter children will find The Invisible Boy a valuable and important resource. Includes a discussion guide and resources for further reading.

Librarian spy Irene and her apprentice Kai return for another “tremendously fun, rip-roaring adventure.” (A Fantastic Librarian)—the third in the bibliophilic fantasy series from the author of The Masked City. Never judge a book by its cover... Due to her involvement in an unfortunate set of mishaps between the dragons and the Fae, Librarian spy Irene is stuck on probation, doing what should be simple fetch-and-retrieve projects for the mysterious Library. But trouble has a tendency to find both Irene and her apprentice, Kai—a dragon prince—and, before they know it, they are entangled in more danger than she can handle... Irene’s longtime nemesis, Alberich, has once again been making waves across multiple worlds, and, this time, his goals are much larger than obtaining a single Librarian. He aims to destroy the entire Library—and make sure Irene goes down with it. With so much at stake, Irene will need every tool at her disposal to stay alive. But even as she draws her allies close around her, the greatest danger might be lurking from somewhere close—someone she never expected to betray her...

Discover how to achieve science-quality mixes even in the smallest studios by applying pro-user techniques from the world’s most successful producers. Mixing Secrets for the Small Studio is the best-selling mix-down guide for small-studio enthusiasts who want chart-ready mixes in a hurry. Drawing on the back-room strategies of more than 160 famous names, this entertaining and down-to-earth guide leads you step-by-step through the entire mixing process. On the way, you’ll unravel the mysteries of every type of mix processing, from simple EQ and compression through to advanced spectral dynamics and “fairy dust” effects. User-friendly explanations introduce technical concepts on a strictly need-to-know basis, while chapter summaries and assignments are perfect for school and college use. ? Learn the subtle editing, arrangement, and monitoring tactics which give industry insiders their competitive edge, and master the psychological tricks which protect you from all the biggest rookie mistakes. ? Find out where you don’t need to spend money, as well as how to make a limited budget really count. ? Pick up tricks and tips from leading-edge engineers working on today’s multi-platinum hits, including Derek “MixedByAIr” Ali, Michael Brauer, Dylan “3DP” Dresdow, Tom Elmhirst, Serban Ghenea, Jacques King, the Lord+Age brothers, Tony Maserati, Manny Marroquin, Noah “50” Shebib, Mark “Spike” Stent, DJ Swivel, Phil Tan, Andy Wallace, Young Guru, and many, many more... Now extensively expanded and updated, including new sections on mix-buss processing, mastering, and the latest advances in plug-in technology.

“Clever, creepy, elaborate world building and snarky, sexy-smart characters”—N. K. Jemisin, author of The Fifth Season In this thrilling historical fantasy, time-traveling Librarian spy Irene will need to delve deep into a tangled web of loyalty and power to keep her friends safe. Irene is trying to learn the truth about Alberich-and the possibility that he’s her father. But when the Library orders her to kill him, and then Alberich himself offers to sign a truce, she has to discover why he originally betrayed the Library. With her allies endangered and her strongest loyalties under threat, she’ll have to trace his past across multiple worlds and into the depths of mythology and folklore, to find the truth at the heart of the Library, and why the Library was first created...

Guarding the Invisible Dragons: A Branches Book (Dragon Masters #22)

Wonderland: An Anthology

Collecting books can be a dangerous prospect in this fun, time-traveling, fantasy adventure—the first in the Invisible Library series! One thing any Librarian will tell you: the truth is much stranger than fiction... Irene is a professional spy for the mysterious Library, a shadowy organization that collects important works of fiction from all of the different realities. Most recently, she and her enigmatic assistant Kai have been sent to an alternative London. Their mission: Retrieve a particularly dangerous book. The problem: By the time they arrive, it’s already been stolen. London’s underground factions are prepared to fight to the death to find the tome before Irene and Kai do, a problem compounded by the fact that this world is chaos-infested—the laws of nature bent to allow supernatural creatures and unpredictable magic to run rampant. To make matters worse, Kai is hiding something—secrets that could be just as volatile as the chaos-filled world itself. Now Irene is caught in a puzzling web of deadly danger, conflicting clues, and sinister secret societies. And failure is not an option—because it isn’t just Irene’s reputation at stake, it’s the nature of reality itself... FEATURING BONUS MATERIAL: including an interview with the author, a legend from the Library, and more!

Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Heame in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family’s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks’ secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: “A fearsome and beautifully written book that can’t be put down or forgotten.” —The New York Times “Exciting and excellently written.” —The New York Times Book Review “With its serious intentions and light touch the story is, like the Tucks, timeless.” —Chicago Sun-Times “Probably the best work of our best children’s novelist.” —Harper’s “Natalie Babbitt’s great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder.” —The Boston Globe “This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear.” —Entertainment Weekly This title has Common Core connections.

Paris, 1937. Andras Lévi, a Hungarian-Jewish architecture student, arrives from Budapest with a scholarship, a single suitcase, and a mysterious letter he promised to deliver. But when he falls into a complicated relationship with the letter’s recipient, he becomes privy to a secret that will alter the course of his—and his family’s—history. From the small Hungarian town of Konyár to the grand opera houses of Budapest and Paris, from the despair of Carpathian winter to an unimaginable life in labor camps, The Invisible Bridge tells the story of a family shattered and remade in history’s darkest hour.

The Dark Archive

Hero Tales from American History

A Novel

Glory O’Brien’s History of the Future

A professional spy for a mysterious Library which harvests fiction from different realities, Irene faces a series of assassination attempts that threaten to destroy her and everything she has worked for. Irene is teaching her new assistant the fundamentals of a Librarian’s job, and finding that training a young Fae is more difficult than she expected. But when they both narrowly avoid getting killed in an assassination attempt, she decides that learning by doing is the only option they have left - especially when the assassins keep coming for them, and for Irene’s other friends as well... In order to protect themselves, Irene and her friends must do what they do best: search for information to defeat the overwhelming threat they face and identify their unseen enemy. To do that, Irene will have to delve deeper into her own history than she ever has before, face an ancient foe, and uncover secrets that will change her life and the course of the Library forever.

Gathered together in one hardcover volume: three timeless novels from the founding father of science fiction. The first great novel to imagine time travel, The Time Machine (1895) follows its scientist narrator on an incredible journey that takes him finally to Earth’s last moments—and perhaps his own. The scientist who discovers how to transform himself in The Invisible Man (1897) will also discover, too late, that he has become unmoored from society and from his own sanity. The War of the Worlds (1898)—the seminal masterpiece of alien invasion adapted by Orson Welles for his notorious 1938 radio drama, and subsequently by several filmmakers—imagines a fierce race of Martians who devastate Earth and feed on their human victims while their voracious vegetation, the red weed, spreads over the ruined planet. Here are three classic science fiction novels that, more than a century after their original publication, show no sign of losing their grip on readers’ imaginations.

I absolutely loved this! - N. K. Jemison on The Invisible Library A thrilling reinvention of the tale of The Scarlet Pimpernel with the addition of magic and even more mayhem. In Revolutionary France, the aristocrats are vampires - and they face the guillotine. However, the Scarlet Pimpernel, a disguised British noble, is determined to rescue them. These predators are being offered sanctuary by their aristocratic British kin, but at great cost to London’s ordinary people. Then an English maid discovers the only power that could stop them. Assuming she survives, Scarlet is the first book in the trilogy, set during the turbulent French Revolution, and featuring all of Genevieve Cogman’s trademark wit and fast-paced plotting. It’s perfect for fans of The Invisible Library series, Kim Newman and Gill Carriger.

“A story best-seller and The Invisible String is reaching all over the world! OVER 400,000 copies sold! “That’s impossible”, said twins Jeremy & Liza after their Mom told them they’re all connected by this thing called an Invisible String. “What kind of string?” They asked with a puzzled look to which Mom replied, “An Invisible String made of love.” That’s where the story begins.. A story that teaches of the tie that really binds. The Invisible String reaches from heart to heart. Does everybody have an Invisible String? How far does it reach, anyway? Does it ever go away? Read all about it! THE INVISIBLE STRING is a very simple approach to overcoming the fear of loneliness or separation with an imaginative flair that children can easily identify with and remember. Here is a warm and delightful lesson teaching young and old that we aren’t ever really alone and reminding children (and adults!) that when we are loved beyond anything we can imagine. “People who love each other are always connected by a very special String, made of love. Even though you can’t see it with your eyes, you can feel it deep in your heart, and know that you are always connected to the ones you love.” Thus begins this heart-warming and reassuring story that addresses the issue of “separation anxiety” (otherwise known as the sense of existential ‘aloneness’) to children of all ages. Specifically written to address children’s fear of being apart from the ones they love, The Invisible String delivers a particularly compelling message in today’s uncertain times that though we may be separated from the ones we care for, whether through anger, or distance or even death, love is the unending connection that binds us all, and, by extension, ultimately binds every person on the planet to everyone else. Parents and children everywhere who are looking for reassurance and reaffirmation of the transcendent power of love, to bind, connect and comfort us through those inevitable times when life challenges us! Let’s tell the whole world that we are ALL connected by Invisible Strings! Adopted by Military Library Services & Foster Care Agencies Recommended by Bereavement Support Groups and Hospice Centers

In this masterpiece about freedom, feminism, and destiny, Printz Honor author A.S. King tells the epic story of a girl coping with devastating loss at long last--a girl who has no idea that the future needs her, and that the present needs her even more. Graduating from high school is a time of limitless possibilities--but not for Glory, who has no plan for what’s next. Her mother committed suicide when Glory was only four years old, and she’s never stopped wondering if she will eventually go the same way...until a transformative night when she begins to experience an astonishing new power to see a person’s infinite past and future. From ancient ancestors to many generations forward, Glory is bombarded with visions--and what she sees ahead of her is terrifying: A tyrannical new leader raises an army. Women’s rights disappear. A violent second civil war breaks out. And young girls vanish daily, sold off or interned in camps. Glory makes it her mission to record everything she sees, hoping her notes will somehow make a difference. She may not see a future for herself, but she’ll do anything to make sure this one doesn’t come to pass.

Snappy the alligator is having a normal day when a pesky narrator steps in to spice up the story. Is Snappy reading a book ... or is he making CRAFTY plans? Is Snappy on his way to the grocery store ... or is he PROWLING the forest for defenseless birds and fuzzy bunnies? Is Snappy innocently shopping for a party ... or is he OBSESSED with snack foods that start with the letter P? What’s the truth? Snappy the Alligator (Did Not Ask to Be in This Book) is an irreverent look at storytelling, friendship, and creative differences, perfect for fans of Mo Willems.

“The written word is mightier than the sword--most of the time... Working in an alternate version of Victorian London, Librarian-spy Irene has settled into a routine, collecting important fiction for the mysterious Library and blending in nicely with the local culture. But when her apprentice, Kai—a dragon of royal descent—is kidnapped by the Fae, her carefully crafted undercover operation begins to crumble. Kai’s abduction could incite a conflict between the forces of chaos and order that would devastate all worlds and all dimensions...”--Includes preview of “The mad apprentice.”

NEW YORK TIMES BESTSELLER • Includes a new afterword about the Iran nuclear agreement, the 2016 presidential race, and the future of the U.S.-Israel alliance Michael B. Oren’s memoir of his time as Israel’s ambassador to the United States—a period of transformative change for America and a time of violent upheaval throughout the Middle East—provides a frank, fascinating look inside the special relationship between America and its closest ally in the region. Michael Oren served as the Israeli ambassador to the United States from 2009 to 2013. An American by birth and a historian by training, Oren arrived at his diplomatic post just as Benjamin Netanyahu, Barack Obama, and Hillary Clinton assumed office. During Oren’s tenure in office, Israel and America grappled with the Palestinian peace process, the Arab Spring, and existential threats to Israel posed by international terrorism and the Iranian nuclear program. Forged in the Truman administration, America’s alliance with Israel was subjected to enormous strains, and its future was questioned by commentators in both countries. On more than one occasion, the friendship’s very fabric seemed close to unraveling. Ally is the story of that enduring alliance—and of its divides—written from the perspective of a man who treasures his American identity while proudly serving the Jewish State he has come to call home. No one could have been better suited to strengthen bridges between the United States and Israel than Michael Oren—a man equated at home jumping out of a plane as an Israeli paratrooper and discussing Middle East history on TV’s Sunday morning political shows. In the pages of this fast-paced book, Oren interweaves the story of his personal journey with behind-the-scenes accounts of fateful meetings between President Obama and Prime Minister Netanyahu, high-stakes summits with the Palestinian leader Mahmoud Abbas, and diplomatic crises that intensified the controversy surrounding the world’s most contested strip of land. A quintessentially American story of a young man who refused to relinquish a dream—irrespective of the obstacles—and an inherently Israeli story about assuming onerous responsibilities, Ally is at once a record, a chronicle, and a confession. And it is a story about love—about someone fortunate enough to love two countries and to represent one to the other. But, above all, this memoir is a testament to an alliance that was and will remain vital for Americans, Israelis, and the world.

A Story Celebrating Love and Universal Connection

From the author of the million-copy-selling phenomenon The Invisible String comes a moving companion title about our connections to each other, to the world, and to the universe.? For twenty years, the modern classic The Invisible String has helped hundreds of thousands of children and adults understand that they are connected to the ones they love, no matter how far apart they are. Now, the author of that bestselling phenomenon uses the same effective bonding technique to explain the very best news of all: All of our strings to one another are interconnected in The Invisible Web. “It breathes as we breathe, pulsating all over our Earth, the single heartbeat of life and love. And do you know what that makes us all? One Very Big Family!” This uplifting inspirational title for all ages puts the concept of “six degrees of separation” into a new context that urges readers to recognize, respect, and celebrate their infinite, unbreakable bonds with the entire human family. Don’t miss these other books by Patrice Karst!The Invisible StringThe Invisible String Workbook: Creative Activities to Comfort, Calm, and ConnectThe Invisible Leash: A Story Celebrating Love After the Loss of a Pet

In every story, a malicious camouflage hides dishonesty in plain sight. Everyone deceives, and everyone hates being deceived. But, at best, that is only half the story. The most seductive and virulent deceptions begin with lies that we are never told and do not see: the invisible lies of omission. “Mission Omission” sees a commodity trader named financial-fraud hunter combine provocative thought experiments with examples of true crime in American History. Readers are shocked and intrigued when they learn how suppressed truths drive world-changing events. Examples include: -Thanksgiving traditions -The Vietnam War -Restoration -The Great Recession. Despite the relentless ethical plague, this book provides a guide to good news. The scourge of omission surrounds all of us, but not all of us need to be scourged. By reflecting on compelling examples, readers learn how to avoid the snare of ethical camouflage in their day-to-day lives. With this phenomenon demystified, readers can detect and withstand invisible lies that sabotage families, relationships, and careers.

The third title in Genevieve Cogman’s clever and exciting The Invisible Library series. The Burning Page is an action-packed literary adventure! Librarian spy Irene has professional standards to maintain. Standards that absolutely do not include making basty, unplanned escapes through a burning besieged building. But when the gateway back to your headquarters dramatically malfunctions, one must improvise. And after fleeing a version of Revolutionary France astride a dragon (also known as her assistant, Kai), Irene soon discovers she’s not the only one affected. Gates back to the Library are malfunctioning across a multitude of worlds, creating general havoc. She and Kai are tasked with a mission to St. Petersburg’s Winter Palace, to retrieve a book which will help restore order. However, such plans rarely survive first contact with the enemy - particularly when the enemy is particularly when the traitor Alberich. A nightmare figure bent on the Library’s destruction, Alberich gives Irene a tainted ‘join me or die’ job offer. Meanwhile, Irene’s old friend Vale has been damaged by exposure to Chaotic forces and she has no idea how to save him. When another figure from her past appears, begging for help, Irene has to take a good hard look at her priorities. And of course try to save the Library from absolute annihilation. Saving herself would be a bonus.Irene’s adventures feature stolen books, secret agents and forbidden societies - think Doctor Who but with librarian spies!
