

The Last Romeo: A Razor Sharp, Laugh Out Loud Debut

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

"At the heart of *Waiting for First Light* is a no-holds-barred self-portrait of a top political and military figure whose nights are invaded by despair, but who at first light faces the day with the renewed desire to make a difference in the world. Roméo Dallaire, traumatized by witnessing genocide on an imponderable scale in Rwanda, reflects in these pages on the nature of PTSD and the impact of that deep wound on his life since 1994, and on how he motivates himself and others to humanitarian work despite his constant struggle. Though he had been a leader in peace and in war at all levels up to deputy commander of the Canadian Army, his PTSD led to his medical dismissal from the Canadian Forces in April 2000, a blow that almost killed him. But he crawled out of the hole he fell into after he had to take off the uniform, and he has been inspiring people to give their all to multiple missions ever since, from ending genocide to eradicating the use of child soldiers to revolutionizing officer training so that our soldiers can better deal with the muddy reality of modern conflict zones and to revolutionizing our thinking about the changing nature of conflict itself."--

"Dazzling..."—The New York Times Voted **MOST ANTICIPATED NOVEL** of 2019 by both *Bustle*

and Nylon This portrait of a young teenager's fight toward understanding and recovering from mental illness is shockingly honest, funny, and heartfelt. A highly anticipated debut—from a writer hailed as "a combination of Denis Johnson and Joan Didion" (Dazed)—brilliantly captures the intimate triumph of a girl's struggle to become the woman she knows she can be. Ambitious, talented fourteen-year-old honors student Juliet is poised for success at her Southern California high school. However, she soon finds herself on an increasingly frightening spiral of drug use, self-harm, and mental illness that lands her in a remote therapeutic boarding school, where she must ultimately find the inner strength to survive. Dangerous to be together. Painful to be apart. Savannah Colbert knows she broke up with Tristan Coleman for the right reasons. Most of all, to keep from killing him with her new vampire abilities. But try telling her heart. Now, lost in a sea of hostile Clann faces, Sav tries to come to terms with what she's becoming and what that means for her future. And that someone is doing their best to bully her into making a terrible mistake. Tristan can't believe Sav won't even talk to him. If being apart is her decision, fine. Just don't expect him to honor it. But even as he prepares to fight for the girl he loves, forces beyond their control take them both in directions neither could have foreseen or prepared for. A reckoning is coming...and not everyone will survive.

"A compulsive page-turner with a shocking twist--get ready to stay up all night!" --Sara Shepard, #1 New York Times bestselling author of Pretty Little Liars "Fatal Attraction meets Big Little Lies." --Kirkus Reviews Gabe and Elyse have never met. But they both have something to hide. Quiet, shy Elyse can't believe it when she's cast as the lead in her Portland high school's production of Romeo and Juliet. Her best friend, Brynn, is usually the star, and Elyse isn't sure she's up to the task. But when someone at rehearsals starts to catch her eye--someone she knows she absolutely shouldn't be with--she can't help but be pulled into the spotlight. Austin native Gabe is contemplating the unthinkable--breaking up with Sasha, his headstrong, popular girlfriend. She's not going to let him slip through her fingers, though, and when rumors start to circulate around school, he knows she has the power to change his life forever. Gabe and Elyse both make the mistake of falling for the wrong person, and falling hard. Told in parallel narratives, this twisty, shocking story shows how one bad choice can lead to a spiral of unforeseen consequences that not everyone will survive.

Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

One of the greatest classics of modern theater concerns a willful young aristocrat's seduction of her father's valet during a Midsummer's Eve celebration.

Inside This Place, Not of It reveals some of the most egregious human rights violations within women's prisons in the United States. Here, in their own words, thirteen narrators recount their lives leading up to incarceration and their harrowing struggle for survival once inside. Among the narrators: Theresa, who spent years believing her health and life were in danger, being aggressively treated with a variety of medications for a disease she never had. Only on her release did she discover that an incompetent prison medical bureaucracy had misdiagnosed her with HIV. Anna, who repeatedly warned apathetic prison guards about a suicidal cellmate. When the woman killed herself, the guards punished Anna in an attempt to silence her and hide their own negligence. Teri, who was sentenced to up to fifty years for aiding and abetting a robbery when she was only seventeen. A prison guard raped Teri, who was still a teenager, and the assaults continued for years with the complicity of other staff.

From the best-selling author of One Day comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love--and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father--when surely it should be the other way round--and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, Romeo and Juliet learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, Sweet Sorrow is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

"Like Whitehead's The Intuitionist, Alyssa Cole's When No One Is Watching or Zakiya Dalila Harris' The Other Black Girl, Reprieve straddles genres in the best possible way. . . . A chilling and blisteringly relevant literary novel of social horror centered around a brutal killing that takes place in a full-contact haunted escape room—a provocative exploration of capitalism, hate politics, racial fetishism, and our obsession with fear as entertainment. On April 27, 1997, four contestants make it to the final cell of the Quigley House, a full-contact haunted escape room in Lincoln, Nebraska, made famous for its monstrosities, booby-traps, and ghoulishly costumed actors. If the group can endure these horrors without shouting the safe word, "reprieve," they'll win a substantial cash prize—a startling feat accomplished only by one other group in the house's long history. But before they can complete the challenge, a man breaks into the cell and kills one of the contestants. Those who were present on that fateful night lend their points of view: Kendra Brown, a teenager who's been uprooted from her childhood home after the sudden loss of her father; Leonard Grandton, a desperate and impressionable hotel manager caught in a series of toxic entanglements; and Jaidee Charoensuk, a gay international student who came to the United States in a besotted search for his former English teacher. As each character's journey unfurls and overlaps, deceit and misunderstandings fueled by obsession and prejudice are revealed, forcing all to reckon with the ways in which their beliefs and actions contributed to a horrifying catastrophe. An astonishingly soulful exploration of complicity and masquerade, Reprieve combines the psychological tension of classic horror with searing social criticism to present an unsettling portrait of this tangled American life.

Thelma and Louise gets remade in this powerful, darkly funny teen novel from acclaimed authors Brittany Cavallaro and Emily Henry. Two teenage girls who have had enough of the controlling men in their lives take their rage on the road to make a new life for themselves. Winona has been starving for life in the seemingly perfect home that she shares with her seemingly perfect father, celebrity weatherman Stormy Olsen. No one knows that he locks the pantry door to control her eating and leaves bruises where no one can see them. Lucille has been suffocating beneath the needs of her mother and her drug-dealing brother, wondering if there's more out there for her than disappearing waitress tips and a lifetime of barely getting by. One harrowing night, Winona and Lucille realize they can't wait until graduation to start their new lives. They need out. Now. One hour later, they're armed with a plan that will take them from their small Michigan town to Chicago. All they need is three grand, fast. And really, a stolen convertible can't hurt. Chased by the oppression, toxicity, and powerlessness that has held them down, Winona and Lucille must reclaim their strength if they are going to make their daring escape—and get away with it.

One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to

become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

Aleister Crowley's *The Book of Lies* is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of *The Book of Lies* from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

Two emotionally scarred teenagers enter into a passionate, dangerous romance.

Gus Ramone is "good police," a former Internal Affairs investigator now working homicide for the city's Violent Crime branch. His new case involves the death of a local teenager named Asa whose body has been found in a local community garden. The murder unearths intense memories of a case Ramone worked as a patrol cop twenty years earlier, when he and his partner, Dan "Doc" Holiday, assisted a legendary detective named T. C. Cook. The series of murders, all involving local teenage victims, was never solved. In the years since, Holiday has left the force under a cloud of morals charges, and now finds work as a bodyguard and driver. Cook has retired, but he has never stopped agonizing about the "Night Gardener" killings. The new case draws the three men together on a grim mission to finish the work that has haunted them for years. All the love, regret, and anger that once burned between them comes rushing back, and old ghosts walk once more as the men try to lay to rest the monster who has stalked their dreams. Bigger and even more unstoppable than his previous thrillers, George Pelecanos achieves in *THE NIGHT GARDENER* what his brilliant career has been building toward: a novel that is a perfect union of suspense, character, and unstoppable fate.

Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire’s impoverished backstreets. They do not challenge the Empire. They’ve seen what happens to those who do. But when Laia’s brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire’s greatest military academy. There, Laia meets Elias, the school’s finest soldier—and secretly, its most unwilling. Elias wants only to be free of the tyranny he’s being trained to enforce. He and Laia will soon realize that their destinies are intertwined—and that their choices will change the fate of the Empire itself.**

Alternately bittersweet and laugh-out-loud funny, a wise, bighearted novel of love, disaster, and unconventional family—from the acclaimed author of Standard Deviation, who has been called the “literary descendant of Jane Austen, sharing Austen's essentially comic world view” (NPR). Jane falls in love with Duncan easily. He is charming, good-natured, and handsome but unfortunately, he has also slept with nearly every woman in Boyne City, Michigan. Jane sees Duncan's old girlfriends everywhere—at restaurants, at the grocery store, even three towns

away. While Jane may be able to come to terms with dating the world's most prolific seducer of women, she wishes she did not have to share him quite so widely. His ex-wife, Aggie, a woman with shiny hair and pale milkmaid skin, still has Duncan mow her lawn. His coworker, Jimmy, comes and goes from Duncan's apartment at the most inopportune times. Sometimes Jane wonders if a relationship can even work with three people in it—never mind four. Five if you count Aggie's eccentric husband, Gary. Not to mention all the other residents of Boyne City, who freely share with Jane their opinions of her choices. But any notion Jane had of love and marriage changes with one terrible car crash. Soon Jane's life is permanently intertwined with Duncan's, Aggie's, and Jimmy's, and Jane knows she will never have Duncan to herself. But could it be possible that a deeper kind of happiness is right in front of Jane's eyes? Katherine Heiny's *Early Morning Riser* is her most astonishingly wonderful work to date.

Divided by day and night and on the run from authorities, star-crossed young lovers unearth a sinister conspiracy in this compelling romantic thriller. Seventeen-year-old Soleil Le Coeur is a Smudge—a night dweller prohibited by law from going out during the day. When she fakes an injury in order to get access to and kidnap her newborn niece—a day dweller, or Ray—she sets in motion a fast-paced adventure that will bring her into conflict with the powerful lawmakers who order her world, and draw her together with the boy she was destined to fall in love with, but who is also a Ray. Set in a vivid alternate reality and peopled with complex, deeply human characters on both sides of the day-night divide, Elizabeth Fama's *Plus One* is a brilliantly imagined drama of individual liberty and civil rights, and a fast-paced romantic adventure story.
