We also cover noses, mouths, ears, and hair. All About Bodies! Once we've covered faces, we move on to teaching you all all about drawing bodies. Anime hair is drawn using thick, marked sections rather than individual strands. This can result in spiky, variable-looking hair, or hair that appears smooth and straight. Drawing anime hair may seem complicated at first, but by parting the hair into different sections and working one step at a time, it is quite simple! Before you begin, decide if you want to draw short or long anime hair since the process is a little different depending on the length. Hair is a bit of a tedious element, because it is like a substance that can take many forms. That is why manga artists have developed a special method to simplify hair. In manga or anime, you can draw hair as a mass or

weave. This way you can draw it very quickly, with an exaggerated shading that covers up the lack of detail. In this tutorial I will teach you how to draw various manga hair styles: straight hair, wavy hair, with pigtails and short hair. I will also explain the method it is based on, so that you can draw your own anime hairstyles from scratch.

A smart and funny YA novel from Jennifer Honeybourn, When Life Gives You Demons Some people have school spirit. Shelby Black has real ones. Shelby Black has spent the past six months training to be an exorcist. Her great-uncle Roy—a Catholic priest—has put her through exorcist boot camp hell, hoping to develop her talent, but ohmygod, he still doesn't trust her to do an exorcism on her own. High school is hard enough without having to explain that you fight demons for a living, so Shelby keeps her extracurricular

activity to herself. The last thing she wants is for her crush, Spencer, to find out what she does in her off time. But Shelby knows how to keep a secret—even a big one. Like the fact that her mom left under mysterious circumstances and it's all her fault. Shelby is hellbent on finding her mom, no matter what it costs her—even if what it ends up costing her is her soul AND a relationship with Spencer.
