

The Mummifier's Daughter Series BOXED SET: Complete Full Length Novels 1 3

House of Life: an institution little known in culture current of those interested in ancient Egypt. Yet, as we will see, was a foundation of extreme importance for the elaboration of various facets of the religious and magical culture of Egypt. According to existing documents, the House of Life already exists in the Old Kingdom in the 6th dynasty and lasts until the end of the Pharaonic civilization. The available sources are not very talkative about what was done in this laboratory and this is also understandable given its nature. The activities of the House of Life were varied. Theurgy was about i more secret and refined rituals that had to make the processes of the macrocosm functioned smoothly and extended their beneficial influence in society. The communion of the sovereign with the solar entities, as an intermediary of them, was the subject of rites and appropriate ceremonies. The defense of the King from enemies follows the same technique used against Ra and del Evil Apophis: in the "Book to Bring Down Apophis" are described by thread and by sign the ways of making images of the Evil One and the related deprecatory formulas. The staff of the House of Life also practiced natural magic intended to assist people in the various vicissitudes of life. Yes presumes that the consecration of amulets and magical texts also condoms took place in this place. In a city recovering from the plague, Shabaka and Neti are called upon to investigate the sudden death and decomposition of two bodies.Their investigation is soon further complicated when staff at Ramesses' villa contract a mysterious skin condition that results in them turning on each other. Neti and Shabaka must then discover how both relate to the mysterious Temple of Isis ...Mystery of the Temple returns us to a land steeped in gods, god-kings, ritual and magic. It paints for the reader a detailed picture of Pharaonic Egypt in all its shadowed glory. Faithfully recreating one of the most remarkable eras in Egypt's history, author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millennia have passed.So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations.

Drawing on the early Soviet atheist magazines Godless and Godless atthe Machine, and postwar posters by Communist Party publishers, the authorexpresses an unsettling tour of atheist ideology in the USSR.

A historical and interpretive study of three aspects of Western esotericism from the Renaissance to the twentieth century.

As efforts to dismantle the prefects intensify, another dead girl is identified as one of the missing girls. Torn between declaring the girl's death a murder or suicide, Neti, Shabaka and Moses face even more complex developments as Ramesses hands them a new mandate.A mandate that results in a great deal of pandemonium from all the craft halls since it opposes all of the founding traditions of the Egyptian empire. Events also question whether they are getting too close to those responsible for the kidnappings and murders, or if they are merely coincidences.Their findings finally reveal a far greater evil than expected...

Egypt, 1233 BC Neti-Kerty's reputation as Egypt's first female mummifer has apparently reached all the way to the Pharaoh. Neti-Kerty and Shabaka, Special Investigator and Prefect of Thebes, are astonished to be summoned to the palace of Ramses II to investigate the sudden death of the Vizier Khay. Thanks to her powers of deduction and knowledge of the dead, Neti soon determines that something is amiss. As more people disappear during the investigation, the situation increasingly gets out of hand and before long Neti and Shabaka find themselves peering into the deepest recesses of the human soul... Princess of Egypt returns us to a land steeped in gods, god-kings, ritual and magic. It paints for the reader a detailed picture of Pharaonic Egypt in all its shadowed glory. Faithfully recreating one of the most remarkable eras in Egypt's history, bestselling author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millennia have passed. So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations.

Italian filmmakers have created some of the most magical and moving, violent and controversial films in world cinema. During its twentieth-century heyday, Italy's film industry was second only to Hollywood as a popular film factory, exporting cinematic dreams with multinational casts to the world, ranging across multiple genres. 'Cinema Italiano' is the first book to discuss comprehensively and in depth this Italian cinema, both popular and arthouse.

It is illustrated throughout with rare stills and international posters from this revered era in European cinema and reviews over 350 movies. Howard Hughes uncovers this treasure: trope of Italian films, from Lucino Visconti's epic 'The Leopard' to the cult superhero movie 'Puma Man'. Dario Argento's bloody 'gialli' thrillers and Sergio Leone's spaghetti westerns are explored alongside films of Federico Fellini, Pier Paolo Pasolini and Michelangelo Antonioni. Chapters discuss the rise and fall of genres such as mythological epics, gothic horrors, science fiction, spy films, war movies, costume adventures, zombie films, swashbucklers, political cinema and 'coliziotteschi' crime films. They also trace the directorial careers of Mario Bava, Sergio Corbucci, Francesco Rosi, Lucio Fulci, Duccio Tessari, Enzo G. Castellari, Bernardo Bertolucci and Gillo Pontecorvo.

New Frontiers in Scientific and Cultural Perspectives

An unmissable collection of eight unconventional and captivating short stories for young and adult readers. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, author of New York Times bestseller A Mind for Numbers Short Stories in Russian for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference for Languages, these eight captivating stories will both entertain you, and give you a feeling of progress when reading. What love Olly's work - and you will too? • Eight stories in a variety of exciting genres, from science fiction and crime to history and horror - making reading fun, while you learn a wide range of new vocabulary. • Controlled language at your level, including the 1000 most frequent words, to help you learn conversationally. • Authentic spoken dialogues, to help you learn conversational expressions. • Improve your speaking ability. • Pleasure! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying reading in a foreign language, you won't experience the usual feelings of frustration - 'It's too hard!' 'I don't understand!' • Accessible grammar so you learn new structures naturally, in a stress-free way. Carefully curated to make learning a new language easy, these stories include key features that will support and consolidate your progress. • Including - A glossary for bolded words in each text. • A bilingual word list - Full plot summary. • Comprehension questions after each chapter. As a result, you will be able to focus on enjoying reading, delighting in your improved range of vocabulary and grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in Russian for Beginners will make learning Russian easy and enjoyable. Publisher's Note: The 2018 edition of October 2018 has been comprehensively revised: it rectifies the translation errors identified by reviewers below in the previous edition and includes a completely new story.

Open the black book and gaze fearfully upon its contents! The letters may writhe like tortured insects, and strange, otherworldly voices may assail your ear, but you must endure these horrors if you would learn the true secrets of sorcery. Did the wizards of Old Stygia or Acheron or vanished Atlantis shirk in the face of danger and demons? Will your courage and your will fail you as you seek to master their forgotten arts? Secrets of Skelos revises and expands on the lore contained in the Scrolling Scrolls of Skelos supplement. This includes additional sorcery styles and spells; full rules for creating permanent magic, including magical weapons and other sorcerous items; and a large section on the creatures of sorcery, whether the demons called up by scholars, the demon lords who act as their patrons, the strange monsters some wise men find in the wilderness and train as servants, or the weird aberrations crafted by certain sorcerers in their quests to make life itself.

This fully illustrated excavation report on the early Egyptian royal tombs at Abydos was first published in 1900.

Akhenaten and Nefertiti

The Secret of Willow Castle

Mystery of the Temple

A Timeslip Adventure
When Rachel's last remaining relative dies, she expects to inherit her London house. What she does not expect is to also inherit an Antique Shop which has not been opened in more than sixty years. She takes her friend, Peter Attwood, an archaeologist and historian to investigate the shop, but what they find is far more than a simple neglected retail store.They discover a coin minted at the time of the young King Edward V, but when they try to remove it from the shop, they step outside and into 1483, the year the coin was minted. Wanting to see the princes in the Tower and perhaps discover the truth of what happened to them, Peter persuades Rachel to dress in some of the historical clothing in the back room of the antique shop, and visit the Tower. There they watch the young King Edward V writing and when he leaves his scroll on a stone bench, Peter takes the opportunity to grab it. A journal written by one of the princes could be worth a fortune, but when they try to take it out of the shop, they find the same problem: it cannot be taken into the twenty-first century.A scheme to hide the scroll in the fifteenth century and find it again in the twenty-first seems an easy option, until they are observed digging it up and accused of witchcraft.

Magical Ceremonies;
and,
Demonic Possession, Dreams, Ghosts, Lucky and Unlucky Days, Horoscopes, Prognostications, Transformations, and the Worship of Animals.
Owing to their unique state of preservation, mummies provide us with significant historical and scientific knowledge of mankind's past. This handbook, written by prominent international experts in mummy studies, offers readers a comprehensive guide to new understandings of the field's most recent trends and developments. It provides invaluable information on the health states and pathologies of historic populations and civilizations, as well as their socio-cultural and religious characteristics. Addressing the developments in mummy studies that have taken place over the past two decades - which have been neglected for as long a time - the authors excavate the ground-breaking research that has transformed scientific and cultural knowledge of our ancient predecessors. The handbook investigates the many new biotechnological tools that are routinely applied in mummy studies, ranging from morphological inspection and endoscopy to minimally invasive radiological techniques that are used to assess states of preservation. It also looks at the paleoeparasitological and pathological approaches that have been employed to reconstruct the lifestyles and pathologic conditions of ancient populations, and considers the techniques that have been applied to enhance biomedical knowledge, such as craniofacial reconstruction, chemical analysis, stable isotope analysis and ancient DNA analysis. This interdisciplinary handbook will appeal to academics in historical, anthropological, archaeological and biological sciences, and will serve as an indispensable companion to researchers and students interested in worldwide mummy studies.

1231 BC, Valley of the Kings, Ancient Egypt ...Incomplete sections of the book of dead found in Ramesses' tomb and the murder of a prominent tomb scribe sparks fears of the curse of Anubis in Deir el-Medina. While the lack of witnesses and a close-knit worker community hampers, Neti-Kerty and Shabaka's investigation at a time when the whole of Thebes awaits the arrival of the pharaoh for the beautiful festival of the valley.When Neti starts to experience strange sensations and the pharaoh's life is endangered it becomes evident that there is a larger, more sinister scheme to the events...The Curse of Anubis returns us to a land steeped in mystery and magic. It paints a detailed picture of Ancient Egypt in all its glory. Faithfully recreating one of the most remarkable eras in Egypt's history, author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millennia have passed.So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations.The Curse of Anubis is the third adventure of Neti-Kerty, the mummifier's daughter.

Ancient Egypt, 1229 BCAs Thebes prepares for the annual Opet festival an unknown plague erupts, indicative of the Gods' rage. Bodies of those struck down by the Gods are found on the rooftop kitchens of Thebes, further feeding the citizens' fear. The careful placement of the bodies, their presentation and the sadistic nature of their death all point to premeditated murder and something far more sinister.This while the High Priest of Amun attempts to manipulate events to his advantage, also challenging Ramesses' authority by calling for the burning of bodies. Forcing Neti and Shabaka to opposing ends with little time to investigate the murders that could bring about the changing of the times.The Tenth Plague returns us to a land steeped in mystery and magic. The detailed storytelling paints a picture of ancient Egypt in all its glory. Bestselling author Nathaniel Burns has woven a delightfully dark tale around what must have been the most remarkable period in Egyptian history.So stoke up the fire, draw the curtains and put your feet up in order to enjoy this delightfull tale of love, intrigue and mummies in old Egypt...

A great next step to an anarchist's cookbook of Blood Sorcery and Necromancy to others, the Blood Sorcery Bible is the first book of its kind to openly discuss the intricacies of Blood Sorcery from the science of self-vivisection to the combination of sexual fluids and magnetics. If you are looking for a fairy tale about wizardry or if you are seeking a deity from which to seek permission, this is not the book for you. On the other hand, if you desire to dip into the pot with your Left Hand and manipulate situations to your benefit, this is your Bible! The author has spent over twenty-five years experimenting and practising the mechanics and physics of Blood Sorcery. The result is this manual, offered to those who are not afraid to work Dark Sorcery to create the world they envision for themselves.

Like a bloody storm, Charlemagne's armies ravage early medieval Europe, leaving devastation and misery in their wake. They have subdued the kingdom of the Langobards, defeated the duchy of Bavaria; they threaten the Moors in the west and, in the south, the pope in Rome. Yet Charlemagne has even more ambitious plans: He covets the Saxon territories in the north. The Saxons put up an unexpectedly fierce resistance. When Charlemagne's troops destroy the Irminsul shrine, the Saxon holy of holies, there ensues a struggle to the death. Led by the legendary Duke Widukind, for decades the Saxons fight savagely for their beliefs and their independence. And they will have their revenge.... Pride and Honour will transport the listener right into the heart of this Legend-shrouded part of the Early Middle Ages. With his story, Nathaniel Burns has woven a a rich, dark tapestry of one of the pivotal periods in medieval European history. His historically accurate descriptions rich in authentic detail bring this remote, strife-ridden world to life again before your very eyes. Go ahead, stoke the fire in the hearth, draw your armchair closer, and dive into this wonderful historical novel full of royal intrigue, warriors, and battles of a bygone Europe.

With new content in toys making and marketing across the evolving landscape of the 20th century, this encyclopedia is a comprehensive reference guide to America's most popular playthings and the culture to which they belong. • Nearly 200 alphabetically arranged entries document the historical and cultural significance of toys • Cross-references and a listing of additional resources accompany each entry and encourage further investigation • Photographs and illustrations gathered from public and private collections across the country depict the entire century of American toy play • A guide to related topics identifies the entries according to broader categories such as toys, designers, companies, museums, events, and organizations • A resource guide provides information for contacting American toy companies, accessing national toy museums, and attending annual toy festivals, and offers many avenues for pursuing further information about toys and American culture including books, scholarly journals, audio recordings, films, and websites

Blood Sorcery Bible Volume II

Ancient Egypt, 1550 BCE: Nima's beauty and skill as a dancer leads an infatuated enemy to kidnap her after destroying an Egyptian border town. However, she's not the only hostage in the enemy camp: Kamin, an Egyptian soldier on a secret mission for Pharaoh, has been taken as well. Working together to escape, the two of them embark on a desperate quest across the desert to carry word of the enemy's invasion plans to Pharaoh's people. As they flee for their lives, these two strangers thrown together by misfortune have to trust in each other to survive. Nima suspects Kamin is more than the simple soldier he seems, but she finds it hard to resist the effect he has on her heart. Kamin has a duty to his Pharaoh to see his mission completed, but this clever and courageous dancer is claiming more of his loyalty and love by the moment. Kamin starts to worry, if it comes to a choice between saving Egypt or saving Nima's life...what will he do? Aided by the Egyptian god Horus and the Snake Goddess Renenet, beset by the enemy's black magic, can Nima and Kamin evade the enemy and reach the safety of the Nile in time to foil the planned attack? Can there ever be a happy future together for the humble dancer and the brave Egyptian soldier who is so much more than he seems?

Saga about ancient Egypt & the powerful struggle between Ramses & his enemies.

A sudden increase in attacks on caravans, along with the delay of the Nubian litale, sees Shabaka and Neti travel to Shabaka's home Sylene. Where they are tasked with finding the royal shaluty. On their arrival, not only do they find that an attempt has been made on Dag's life, but also that his death has been foretold by the most unlikely practitioner of diving arts. In a race against the moon to ensure Dag's safety the situation increasingly gets out of hands and before long Neti and Shabaka find themselves peering into the deepest recesses of the human soul....

Throughout antiquity Egypt was a land of hundreds of tiny villages, with constantly warring tribes, loosely divided between Upper and Lower Egypt. Then, in the space of a few extraordinary decades, the impossible happened. An incredible man, King Narmr (also known as Menes), united Upper and Lower Egypt. The First Pharaoh is the story of Narmr and his epic journey, seen through his eyes and those of his Chief Scribe, the shaman Anhotek. We experience the culture Narmr lived in and shaped, the battles he fought to unite his people, the woman he loved and nearly lost, the enemies even in his own court who plotted against him, and his many successes and painful failures. Above all, we see how Narmr's loving relationship with Anhotek defined his personal vision for his country and its people. Written on a huge tapestry, The First Pharaoh allows us to share Narmr's far-reaching visions for Egypt's future that were so compelling and that ultimately proved so enduring. The First Pharaoh tells the inspiring story of the mythic journey of the visionary hero, through obstacles and triumphs, wars and peace, love and hate, to launch the greatest civilization ever to appear on earth.

Torn between duty to the Egyptian pharaoh, Ramesses, and duty to his people and their traditional beliefs, Shabaka finds himself having to cope with an unwanted betrothal, rioting locals, and the traditional dance festival, when all he wants to do is find his missing partner, Neti.While Moses is summoned to assist, aid comes in the most unlikely manner and uncovers something far more dangerous than mere desert raiders ...The Prince of Nubia returns us to a land steeped in mystery and magic. It paints a detailed picture of Ancient Egypt in all its glory. Faithfully recreating one of the most remarkable eras in Egypt's history, author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millennia have passed. So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations.

The volume collects papers presented at the International Conference "Greek Medical Papyri - Text, Context, Hypertext" held at the University of Parma on November 2-4, 2016, as the final event of the ERC project DIGMEDTEXT, aimed primarily at creating an online textual database of the Greek papyri dealing with medicine. The contributions, authored by outstanding papyrologists and historians of the ancient medicine, deal with a variety of topics focused on the palaeological evidence of ancient medical texts and contexts. The first part, devoted to "medical texts", contains some new reflections on important sources such as the Anonymus Londinensis and the Hippocratic corpus, as well as on specific themes like the pharmacological vocabulary, the official medical reports, the medical care in the Roman army. The second part collects papers about the "doctors' context", providing highlights from broader viewpoints like the analysis of the writing supports, the study of the ostraka from the Eastern Desert, the evidence of inscriptions and philosophical texts. The third part is entirely focused on the DIGMEDTEXT project itself; the team members present some relevant key issues raised by the digitisation of the medical papyri. Ancient Egypt, 1233 BC, The Mummifier's Daughter returns us to a land steeped in mystery and magic. The detailed storytelling paints a picture of ancient Egypt in all its glory. Bestselling author Nathaniel Burns has woven a delightfully dark tale around what must have been the most remarkable period of Egyptian history. So stoke up the fire, draw the curtains and put your feet up in order to enjoy this delightful tale of love, intrigues and mummies in old Egypt.

Virginia, 1776British officer Christopher Morgann is sent to Virginia to fight on the side of the red coats Diligently keeping to his duties and crushing the enemy American patriots every chance he gets, his military career is uprooted when he meets a beautiful woman who also happens to be the daughter of a high ranking American officer.In her company and the hospitality of her friends, Christopher discovers what the rebellion is really about and how important liberty and independence are to the colonials. He is torn between loyalty to his country and the love for the American woman.His secret meetings with her are disrupted when a rival British officer reveals to her that Christopher is in fact a red coat, bound to destroy her people and their pursuit of freedom. His attempts to win her back are further marred by a dreadful secret, the fruition of which he is trying to avoid.Will Christopher Morgann do what is right and betray his service to England? Or will he live up to the expectations of the British forces in the turmoil of America in 1776?

"What is anthropology? What can it tell us about the world? Why, in short, does it matter? For well over a century, cultural anthropologists have circled the globe, from Papua New Guinea to suburban England and from China to California, uncovering surprising facts and insights about how humans organize their lives and articulate their values. In the process, anthropology has done more than any other discipline to reveal what culture means—and why it matters. By weaving together examples and theories from around the world, Mathew Engelke provides a lively, accessible, and at times irreverent introduction to anthropology, covering a wide range of classic and contemporary approaches, subjects, and practitioners. Presenting a set of memorable cases, he encourages readers to think deeply about some of the key concepts with which anthropology tries to make sense of the world—from culture and nature to authority and blood. Along the way, he shows why anthropology matters: not only because it helps us understand other cultures and points of view but also because, in the process, it reveals something about ourselves and our own cultures, too." –Cover.

Ptolemy II Philadelphus, second Macedonian king of Egypt (282-246BC), captured intellectual high ground by founding the Alexandrian Library and Museum, and cemented celebrity status by bankrolling his courtiers' endeavours in Olympic chariot-racing. In this book scholars analyse a range of key aspects of Phiadelpus' world.

Ancient Egypt, 1231 BCWhile Neti tries to conceal the disappearance of Queen Nefertari's sacred heart scarab, along with Shabaka's abduction, fears of a curse befall those travelling eastwards through the desert.Neti and Moses, during their investigation and search for Shabaka, uncover a sinister underground network in Thebes that have since the pharaoh's move to Pt.Ramesses resulted in numerous underhanded dealings. Here Neti has to come to terms with the life she, by chance, managed to escape. Will they find Shabaka before he disappears in the underground network? Or will Ma-Nefer finally have his revenge against the Nubian prefect and the Mummifier's daughter?The Secret of the 7th Scarab returns us to a land steeped in mystery and magic. It paints a detailed picture of Ancient Egypt in all its glory. Faithfully recreating one of the most remarkable eras in Egypt's history, author Nathaniel Burns weaves a shudderingly ominous tale of ancient Egypt's mysteries revealed through a cast of characters the modern reader will recognize even though millennia have passed. So light up the incense, sit close to the light and draw back the curtains on the shadowed past with this gripping tale of love and intrigue among the living and the dead in one of history's most intriguing civilizations...

Forget the stereotype! Giacomo Casanova's (1756-1798) reputation as libertine has sadly eclipsed his talents as scholar, linguist, prolific writer and manqué doctor. Fortunately for us, he wrote his memoirs at the end of his life on the advice of his doctor to control his propensity to depression. Although these often have been harvested for information on political, cultural and social aspects of his time, the insights they give about medical practice and the lived experiences of illness have been largely neglected. This book addresses this deficiency through exploring in detail what Casanova wrote on a variety of conditions that include venereal disease and female complaints, duelling injuries, suicide, skin complaints and stroke and even spasms. These descriptions provide alternately grim and amusing insights about public health measures, the doctor-patient relationship, medical etiquette and the dominant medical theories of the era. To help the reader understand the historical significance of the medical subjects covered, the author integrates throughout the book an extensive historical context drawn from contemporary sources of information and current history of medicine literature

When Rebecca Lennox receives a proposal from Sir Montague Chastain, she welcomes the chance to escape from poverty - but her new home is a maze of dark secrets, and temptation beckons in the form of her husband's cousin Mervyn. As she battles against her forbidden passion and Sir Montague's strange machinations, Rebecca realises that her only hope for survival is to unlock the secrets of Willow Castle...

This one-of-a-kind book reveals the secrets of a story's power to persuade, inspire, influence, and to teach. • Shows how to use the power of story to get your message across in any medium or venue • Explores the convergence of the neural science of story with the art of communication to reveal the power of words • Provides tips, techniques, and strategies for structuring your stories for the most impact • Reveals the common communication pitfalls to avoid

The Cambridge section on the rise of classical times to the present. This 2006 volume traces the chronology of key developments and events, engaging with the issues, discoveries, and controversies that have characterized medical progress.

This future she knows for certain the great sun city will be her undoing. Amidst a power struggle between Pharaoh and the priesthood of Amun, Queen Nefertiti helps the ill-prepared new Pharaoh, Amenhotep, enact his father's plan to regain power for the throne. But what seemed a difficult task only becomes more grueling when Amenhotep loses himself in his radical obsessions. Standing alone to bear the burden of a failing country and stem the tide of a growing rebellion, Nefertiti must choose between her love for Pharaoh and her duty to Egypt in this dramatic retelling of a story forgotten by time.
