And this upstart wizard's quest for vengeance may have just kicked off Armageddon. So, time for a drink... or maybe two. Already plagued with sinister night terrors that could qualify him as a card-carrying psychopathic insomniac, Nate can barely even manage to put his pants on in the morning, let alone pick teams for the Apocalypse. But when he's framed as a demon sympathizer, condemned by the Armies of Heaven, and hunted down by both his allies and the Four Horsemen, this wizard doesn't think it can get any worse... Then they take away his magic. And a wizard without magic stands no chance against the forces of Heaven and Hell... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the second installment of The Nate Temple Supernatural Thriller series.

Two old dudes want to kill me. Oh, and one of them is my ancestor? And after centuries of practice, they're pretty good at the whole murder thing. But at least they want to kill each other just as badly. Now, I've taken down a Greek Goddess, worn a Horseman's Mask, and I ride a homicidal unicorn who hates rainbows with a passion. Some might say sending two senior citizens to a permanent retirement home should be a breeze. It ain't. Because that's not my biggest concern. One of my friends is in danger, or possibly dying, and I need to get her back before her fiancé kills me. But finding her introduces me to new worlds of pain. The biggest of these being my own past—which has been a blatant lie—and a parting gift from my parents—which might have just been the coin toss for the Apocalypse Olympics. I'm beginning to realize that none of the old Gods, Legends, or Monsters have been idle the last few centuries. They've been waiting, picking sides, and scheming schemes. Of course, maybe one of those two old dudes will punch my ticket and save me the headache. A wizard can Hope, right? Because either way, I'm about to have a very bad series of days?

His sleep was only supposed to be brief--days or weeks. But Sorin is awoken centuries later by a fledgling Shaman named Nosh--a descendant of the very Medicine Man who first put Sorin to sleep centuries before--who will risk anything to avenge his own murdered tribe from the vampires and other monsters now openly walking the streets of present-day Manhattan. Sorin steps into a world that has drastically changed from the virginal American Colonies he had come to call home.
