

The Off Season: A Washington Rampage Sports Romance

More than 70 percent of dog owners take their four-legged pals on the road. Washington State hosts millions of visitors each year, and for travelers and residents alike, "Canine Washington" may just be the only guidebook they'll need. The detailed information on hikes, lodging, and other activities takes the special interests of both dog and caretaker into account.

The Evergreen State abounds in diverse wilderness to explore. Washington's Wilderness Areas: The Complete Guide takes you there -- from Pacific beaches on the Olympic Peninsula to the Blue Mountains in the southeast, from the glorious Mount Rainier National Park to the remote Salmo-Priest Wilderness along the Canada and Idaho borders. Climb up the rugged Sawtooth Ridge near Lake Chelan, hike cross-country in the Juniper Dunes Wilderness near Pasco, or tread gently in the delicate Alpine Lakes Wilderness. Mount St. Helens National Volcanic Monument, another key Washington wildland, is also included in this volume. Paired with beautiful color images by award-winning photographer Charles Gurche, author Kai Huschke's text gives in-depth descriptions of hiking trails into these pristine areas. With detailed maps and driving directions, the book also touches on the human and natural history, folklore, climate, flora and fauna, and special attributes of these great places to provide an overview of

Washington's 30 designated wilderness areas. This guidebook is your essential introduction to these magnificent, protected lands. Book jacket.

Recounts the return of major league baseball to the nation's capital, chronicling the debut 2005 season of the Washington Nationals, under the management of the outspoken Frank Robinson, and discusses their winning season, the intense controversy over bringing the team to Washington, D.C., the political and financial disputes, and more. 35,000 first printing.

The Best Chicago Bears Stories Ever Told

The definitive work on the language of baseball—one of the “ Five Best Baseball Books ” (Wall Street Journal). Hailed as “ a staggering piece of scholarship ” (Wall Street Journal) and “ an indispensable guide to the language of baseball ” (San Diego Union-Tribune), The Dickson Baseball Dictionary has become an invaluable resource for those who love the game. Drawing on dozens of nineteenth- and early twentieth-century periodicals, as well as contemporary sources, Dickson ’ s brilliant, illuminating definitions trace the earliest appearances of terms both well known and

Download Free The Off Season: A Washington Rampage Sports Romance

obscure. This edition includes more than 10,000 terms with 18,000 individual entries, and more than 250 photos. This “ impressively comprehensive ” (The Nation) book will delight everyone from the youngest fan to the hard-core aficionado.

High school junior D.J. staggers under the weight of caring for her badly injured brother, her responsibilities on the dairy farm, a changing relationship with her friend Brian, and her own athletic aspirations.

Washington Off the Beaten Path features the things travelers and locals want to see and experience—if only they knew about them. From the best in local dining to quirky cultural tidbits to hidden attractions, unique finds, and unusual locales, Washington Off the Beaten Path takes the reader down the road less traveled and reveals a side of Washington that other guidebooks just don't offer.

From the author of Tokyo Junkie, “ the definitive book on Japanese baseball and one of the best-written sports books ever ” (San Francisco Chronicle). One might expect the sport of baseball in Japan to be a culture clash—a collision of American individualism

Download Free The Off Season: A Washington Rampage Sports Romance

with the Japanese focus on wa, or harmony. Instead, it has turned into a winning symbiosis. Imported American sluggers—some past their primes—have found new life in the East and have given credibility to the Japanese game. A succession of Japanese stars like Hideo Nomo left their teams to find success in the US major leagues, enabling MLB International to make hundreds of millions of dollars selling TV and licensing rights to its games in Japan. While philosophical differences remain, *You Gotta Have Wa* guides you through the strange and fascinating world of besuboru, or baseball. With a history of the game in Japan and an overview of the Japanese leagues and their rules, this book follows the careers of players and managers who influenced the game in the East and vice versa—including Babe Ruth, Ichiro Suzuki, Bobby Valentine, and Sadaharu Oh, the Japanese homerun king. Whether you are a Yankees or a Red Sox fan, a sports or an enthusiast of Japanese culture, “ simply sit back and enjoy the wonderful stories in *You Gotta Have Wa*, one of the most unusual baseball books of the season ” (The New York Times). “ A wonderfully entertaining look at baseball and wa. ” —Time “ A terrific, fast-paced account of Japanese baseball. ” —Chicago Tribune “ A funny look at baseball in Japan that is as much a work of cultural anthropology as a sports book. ” —Playboy

From the Olympic Peninsula to Puget Sound, the Emerald State offers a wealth of camping opportunities. This expert guide profiles 50 of the state's best campsites, using a

Download Free The Off Season: A Washington Rampage Sports Romance

handy star system to rank everything from beauty, privacy, and spaciousness to quiet, security, and cleanliness. Each site is accessible by automobile but not overrun by RVs, offers great scenery, and is as close to a wilderness experience as possible. Useful at-a-glance data covers reservations, fees, and restrictions. Clear maps show campground layout, individual sites, and key facilities. Driving directions supplemented with GPS-based coordinates for each site entrance make getting there a snap.

This new guide to hiking the fire lookouts of Washington's Cascades and Olympics is the quintessential Northwest guide and will appeal to a wide range of hikers. Features of Hiking Washington's Fire Lookouts include: 44 fire lookouts—those that feature access by trail All lookouts are accessible during the typical summer season Only lookouts that are still standing—no hiking up to a barren mound of broken concrete! Routes are not technical—hikers just need boots, trekking poles, and, probably, lunch Lookout history, anecdotes, and full-color photos throughout Each lookout description features the year it was constructed; access details, including overnight stays and winter access; location and land manager; roundtrip distance on trail; trail elevation gain; lookout's elevation; map info; trailhead GPS coordinates; information about any permits or fees; and driving directions to the trailhead. Introductory chapters provide an overview of Washington State's lookouts, as well as information about their upkeep, lookout architectural types, and general hiking tips, while an appendix provides an overview to a handful of

additional lookouts in the state that are not hikable.

Indiana boasts a rich baseball tradition, with 10 native sons enshrined in Cooperstown. This biographical dictionary provides a close look at the lives of all 364 Hoosier big leaguers, who include New York City's first baseball superstar; the first rookie pitcher to win three games in a World Series; the man who caught most of Cy Young's record 511 career wins; one of the game's first star relievers; the player who held the record for consecutive games played before Lou Gehrig; an obscure infielder mentioned in Charles Schulz's Peanuts comic strip; baseball's only one-legged pitcher; Indiana's first Mr. Basketball, who became one of baseball's greatest pinch-hitters; the first African American to play for the Cincinnati Reds; the only pitcher to throw a perfect game in the World Series; the skipper of the 1969 "Miracle Mets"; the pitcher for

whom a ground-breaking surgical procedure is named; and the only two men to have played in both the World Series and the Final Four of the NCAA Basketball Tournament.

The New York Yankees are baseball's most storied team. They first played at Hilltop Park, then moved to the Polo Grounds, then Yankee Stadium, Shea Stadium, back to the renovated Yankee Stadium, and now in the new Yankee Stadium. They also frequently opened the season in Boston's historic Fenway Park, fondly remembered Shibe Park in Philadelphia, Griffith Stadium in Washington, and all around the expanded leagues after 1961. This book details every opening-day celebration and game from 1903 to 2017, while noting how each was affected by war, the economy, political and social protest, and population shifts. We see presidents and politicians, entertainers, celebrities, and fans, owners, managers, and most of all, the players.

All-Time Greatest Players in Franchise History

A recreational guide to Washington's public lands and historic places for birding, hiking, photography, fishing, hunting, and camping.

Roddy Scheer reveals 33 of Oregon and Washington's lesser-known but exquisite landscapes of spectacular natural beauty that are easily accessible from nearby roadsides.

Over the past 20 years, Peru has emerged as a significant fruit and vege. exporter. The U.S. is an important market. This rise in exports was driven by advantages in climate, low prod'n. costs, and preferential trading arrangements. But because many of the same products exported by Peru are grown in the U.S., increased Peruvian exports will continue to affect U.S. growers as well as consumers. This report highlights the success stories of three commodities asparagus, processed artichokes, and table grapes that represent different impacts on U.S. growers. In order to continue on its current export trajectory, Peru must confront several constraints, incl. water access, land rights, and underdeveloped export infrastructure. A print on demand report.

There is a curse on Point Vestal. Time moves differently in this sleepy Northwestern coastal town, where the ghosts of the past roam the streets as readily as the living inhabitants. It's still the late 19th century, and underneath the quaint touristy allure of the commingling of the past and present is a lurking darkness. August Starling, a decadent (and dead) crime baron, has a plan for Point Vestal because the magical nature of the town is a haven for sinners fleeing judgment for their crimes. And the only residents who can stop him are newcomers to town: a defrocked Episcopalian priest and a talking cat, who is

Out of the hundreds of players that have toiled at Metropolitan Stadium and the Metrodome, this collection celebrates only the 50 greatest—the Minnesota Vikings who stood head and shoulders above their peers. Interviews with superstars such as Ron Yary, Paul Krause, Fran Tarkenton, Randy Moss, Adrian Peterson, and more are featured along with authentic accounts from their teammates and coaches. The book explores each competitor's beginnings as well as his greatest moments on the gridiron, concluding with what he has been doing since his playing days ended. Featuring a compilation of action photographs in addition to personal images, this reflection reveals the never-before-told stories of these elite heroes, making it the perfect companion for devoted Vikings fans of all ages.
